In the matter of G. C Waller, the Secretary was instructed to write a letter which is as follows:
Mr Theodore Brenner County Atty St Cloud Stearns Co Minn
Dr Sir: I would respectfully ask, if you think it would be expedient, to drop the prosecution of Mr G.C. Waller for alleged violation of Pharmacy law. From Mr W's statement & explanation before the Board to day, it seems to us, his case might without injury to the cause of Pharmacy be quashed, as we are lead to believe that he has not in spirit at least committed the offense charged, an immediate reply giving us your candid opinion will greatly oblige us as we must agree in a few days & will take action upon your advice. Very respectfully
R. O. Sweeny Secty
The letter was unanimously approved by the Board and the Secretary was instructed to send it.

On motion of Mr. Sells 2nd by Mr. Barclay the Secretary was instructed in future to enter upon the records of the board the rating of all candidates who shall have passed a successful examination before the board and is relieved from the care and storage of all examination papers after said papers have been preserved for the period of two (2) years after the examination to which they apply-

On motion of Mr. Barclay the Secy. was instructed to invite the committee from the State Association on "Pharmacy School" and "Amendments to Pharmacy Law" to meet with us at our Annual meeting

The Auditing committee audited bills and accounts presented by the Secy.

Mess Gitty and Frost- who were appointed a committee to secure rooms in the old Medical College building St Paul for the purpose of holding examinations reported that- the rooms could not- be secured and the project- was abandoned

The Secretary reported the following cases which had been prosecuted during the year
On January two suits for $100- each were commenced in the Municipal Court of Minneapolis against- Wm Donaldson Geo of that- city- for the sale of certain patent- medicines also one bottle of Blaud iron and wine and one pound of borax
The defendants- admitted the sale but claimed they had not violated the Statute-
The court decided that- they had, and ordered judgment- entered for the State in the sum of $200- from which the defendants appealed to the Supreme Court
The cases were argued at- the June term- of the decision of the court- being that- it- was not the intent- of the Act- to include patent- medicines and such articles as borax the principal use of which is for ordinary domestic purposes and not- for medicine

Thereon judgment in the first- case was reversed and in the second reduced to fifty- dollars the sale of the Blaud iron and wine being held a violation
The Court- sustained the main provisions of the Act- including the one mile limitation clause in Sec. 12 but- suggested that any provision which restricted the sale of patent- medicines to pharmacists- without- fixing on them any responsibility would be unconstitutional-

Case of State vs. Mrs. J. H. Frank of Minneapolis for not- being registered or having a reg. pharmacist in charge of her store
Abell J.- Judgment $50 paid

Case of State vs. Charles E. Booth for leaving his store in charge of unregistered Clerk
Abell J. Judgment $50-
Defendant- Appealed to the District- Court but- upon the day fixed for trial arrived the Judgment was paid

On Motion adjourned

Board met in room 672 West Hotel, Minneapolis at 8 o'clock. President Huntington in the chair, all the members and Secretary Webster being present -

1901-
Jan-15-

One hundred and nineteenth meeting continued-

It being the annual meeting, the first order of business was the election of officers for the year commencing March 4th.

Mr. Griffen offerred the following motion, which was seconded by Mr. Atkinson.

I move that the election of officers of this Board be deferred, until just prior to adjournment of the regular meeting, awaiting the appointment of the new member by the Governor-

After discussion by members, President Humiston ordered a vote on the motion with the following result- Messrs Griffen and Atkinson voting "Aye" and Messrs. Goodrich, Heller and President Humiston voting "No".

President Humiston- The motion to postpone the election of offices until a future time is lost, and I see no reason why we should not proceed with the regular business as usual, we will proceed-

At this point Messrs Atkinson and Griffen offerred the following objection.

We object to Ray Humiston taking part in this meeting and voting, not being now engaged in the regular drug business as prescribed by law, therefore not being a member of this Board.

President Humiston appointed as tellers, Messrs. Heller and Goodrich, and the members proceeded to ballot for officers for the year commencing March 4th, 1901- balloting first for President.

Mr. Goodrich received two votes and Mr. Webster one vote.

President Humiston then declared no election, and the members proceeded again to ballot,

1901-
Jan 15th

One hundred and nineteenth meeting, continued-

with the result that George H. Goodrich received three votes, and he was declared elected-

The President then instructed the members to prepare their ballots for Secretary and Treasurer, with the result that H. G. Webster received three votes, and was declared elected-

On motion of Mr. Heller second by Mr. Goodrich, the compensation of the Secretary and Treasurer was fixed the same as the preceding year, he to give bond for same amount as the preceding year-

Mr. Griffen then offerred the following objection-

I hereby offer objection to the election of officers of this Board at this time, the same being irregular, from the fact of Ray Humiston participating in said election, he not being a member of this Board, not being a regular practicing pharmacist as prescribed law, and there not being a majority of votes of this Board cast for said officers-

Secretary Webster reported on the work of the Board during the year past, and upon its financial condition, afterward upon motion of Mr. Goodrich Board adjourned to meet in laboratory on the following morning at 9. o'clock.

Jan 16th Board met in laboratory at 9. A. M. to examine the second section of the class-

The following named persons having made application for examination, and been notified to appear at that time were present-

1901- Jan 18th

One hundred and nineteenth meeting continued.

After completing the examination the Board went into executive session with President Humiston in the chair, and all members present.

President Humiston stated to the Board that as it was probable his successor on the Board would be appointed before March 4th, in which case the Board would be without a President, he would tender his resignation, that the Board might elect a President to fill out his unexpired term of office.

On motion of Mr. Heller second by Mr. Goodrich his resignation was accepted, and Mr. Heller was called to the chair no objection being offered.

Mr. Heller then announced the Board would proceed to ballot for a President for the term expiring March 4th, and appointed Mr. Goodrich and Atkinson as tellers, who announced the first ballot as follows - Mr. Goodrich two - Mr. Heller, one. Mr. Griffen one, and one blank.

Chairman announced there was no election, and the Board proceeded to a second ballot, the result being that Mr. Goodrich received two, Mr Heller one, and Mr. Atkinson one, one blank.

Chairman again announced no election and ordered a third ballot taken. The result was as follows - Mr. Goodrich received three votes - Mr. Heller one, one blank.

Chairman declared Mr. Goodrich elected.

Feb. 6.

The Board met in the office of the secretary 502 Bank of Commerce Building, Minneapolis, Minnesota at nine o'clock A. M.
Members present, President Morland, Messers. LeRicheux, Tupper, Killen and Portz.

The object of this special meeting was stated in the call, a copy of which was mailed on February first to each member and reads as follows:

Dear Sir:

A special meeting of the Board of Pharmacy will be held on Wednesday morning, February sixth 1907 at nine o'clock in this office for the purpose of giving E. B. Rollins, a registered pharmacist, a hearing and an opportunity to show cause why his certificate should not be revoked on account of his being addicted to the drug habit to such an extent as to unfit him to practise as such pharmacist, and also for the purpose of transacting such other business as may properly come before the Board at this time.

By order of the President
Charles J. Moos, Secretary

The following is a copy of the notice which was sent to Mr. Rollins:

February 1. 1907

The State Board of Pharmacy To E. B. Rollins

Whereas, formal complaint has been made to the State Board of Pharmacy charging, that you are addicted to the drug habit to such an extent as to make you unfit to practise pharmacy and praying that your certificate be revoked;

Now, Therefor, You Will Please Take Notice, that a hearing will be had on said charge before the aforesaid State Board of Pharmacy at its meeting to be held in this office on Wednesday the sixth day of February, A. D. 1907 at half past ten o'clock in the morning, at which time you will have full opportunity to be heard.

Charles J. Moos
Secretary

Note. A copy of the above notice was also sent to N. A. Tomlinson, Superintendent of the Hospital for Insane at St. Peter and to N. C. Judson at St. Paul, Guardian

One hundred and forty-seventh meeting. continued

Mr. Rollins did not appear before the Board.

All information and affidavits relating to the improper use of drugs by Mr. Rollins were duly considered by the Board.

It was moved by Mr. LeRicheux that the certificate of E. B. Rollins as a registered pharmacist be revoked on the ground that the said Rollins is addicted to the cocaine habit to the extent to unfit him to the practise of pharmacy as shown by his general appearance, the knowledge of the members of his condition, the affidavit of Dr J.C. Cavanaugh and the failure of the said Rollins to appear according to notice to show cause why his certificate should not be revoked on said ground. Mr. Keller seconded. Carried.

1907 One hundred and forty-ninth meeting

May 20 The Board met at the Secretary's office at 9 A.M. as per adjournment. Members present, President Morland, Messers LeRicheux, Tupper, Heller and Potz. These were present at all sessions of this special meeting of the Board which was held for the purpose of considering the applications filed under the provisions of Chapter 346 - General Laws 1907.

The Secretary reported the names of those who had made application under this law.

The Secretary also reported that he had on April 2, 1907 sent a letter to the Attorney General asking him for his written opinion of Chapter 346 G.L. 1907 but that up to this time no reply had been received, whereupon President Morland and Secretary Moos were appointed a committee to call upon the Attorney General and ask for an interpretation of the law.

May 21 Board met in the Secretary's office at 9 A.M.
While awaiting an opinion from the Attorney General the Board continued the informal examination of applications.
The Board adjourned at 5. P.M.

May 22 Board met in the Secretary's office at 9 A.M.
While awaiting an opinion from the Attorney General, the Board continued the informal examination of applications.
The Board adjourned at 5. P.M.

May 23 The Board met at the Secretary's office at 9 A.M.
An opinion from the Attorney General was received as follows:

Office of the Attorney General, St. Paul, Minn, May 22, 1907

Minnesota State Board of Pharmacy,
Minneapolis, Minnesota:
Gentlemen:-

In your recent favor you ask several questions about your powers and duties under Chapter 346, Laws of 1907, and especially as to whether the law is valid in view of its peculiar phraseology.

The language of the act is very indefinite; it would seem at first reading as tho all applications under the law, to become a pharmacist, would have to be filed within ten days after its passage. If the Legislature intended by this act to cut off all right to become registered as a pharmacist, the act would probably be void, in view of the provision of the code making it unlawful to practice pharmacy without being registered.

1907 One hundred and forty-ninth meeting (continued)

The law-making power has authority to regulate the business of pharmacy but it cannot prohibit it altogether. Having forbade the practice without registration, the law must permit some reasonable means for becoming registered. But while the language of this act is lacking in clearness, we must assume that in passing it the Legislature intended to enact a valid law and not one that would be void, and therefore we must try to gather from the whole act the legislative intent, and so construe the language as to effectuate that intent, if possible.

The act embodies the former law with relation to applicants who desire to take the ordinary examination without change: it then adds the proviso that persons who have had fifteen years experience in a drug store may be registered without examination. It then provides that application for registration under this act must be filed within ten days.

The only new matter introduced into the law by this act is contained in the provisos; otherwise the act copies the old law. In permitting certain persons to become registered without examination, the Legislature must have realized that the procedure in such cases would be somewhat different from that of ordinary applicants. The ordinary applicant applies for an examination to determine his fitness; if found qualified he may be registered. There could in the nature of things be no limitation set as to the time when such applications should be made. Heretofore, such applications might be made whenever the applicant deemed himself qualified to take the examination. On the other hand, the persons who at the time of the passage of the act had fifteen years actual experience in a drug store were entitled as a matter of right to registration. These applications would be for registration, instead of for examinations. It was appropriate that they should assert their rights within a definite time.

It seems to me, therefore, that the language used in the second proviso to the effect that applications for registration must be made within ten days, was intended to apply, and should be construed to apply only to applications for registration, under the first proviso, and not to applicants for examination.

It is clear that the fifteen years experience which would entitle an applicant for registration under this act must be such actual experience as would qualify him to practice pharmacy intelligently, and with safety to the public. The fifteen years period under this act could not be permitted to begin during the childhood of the applicant. He must have reached years of discretion, before the time would commence to run, and I think it is within your discretion to fix the reasonable minimum age.

The other questions asked have been answered orally.

Yours truly

E. T. Young

1907 One hundred and forty-ninth meeting (continued)

Thereupon the Board went to the State capital for a consultation with the Attorney General in respect to his written opinion.

May 13 At 2 P.M. the Board met in the Secretary's office.

Moved and seconded that the Board now proceed to the formal examination of applications made under Chapter 346 General Laws 1907 to determine those eligible for registration as advised by the Attorney General. Carried.

The Board proceeded to examine applications on file.

Moved and seconded, that acting under the advice of the Attorney General, no experience obtained before the applicant was sixteen years old should be considered for registration under Chapter 346 G.L. 1907 - Carried.

Acting under same advice the Board decided that personal appearance of applicants will be required if necessary.

Jan. 8 The Board met in the office of the Secretary at 10. A. M.

Members present President Morland, Messrs. Tupper, Keller, Post and von Rohr, the new member who was appointed to succeed A. C. Schiewer, resigned.
There were present at all sessions of this meeting which was held for the purpose considering the applications for registration without examination filed under the provisions of Chapter 346 G. L. 1907

This being a special meeting, the Board met pursuant to a call of President Morland, the following being a copy of the letter sent each member.

Minneapolis, Minn. Dec 29 - 1907

Dear Sir:

A special meeting of the Board will be held in the office of the Secretary on Wednesday, January the eighth at ten o'clock in the forenoon, for the purpose of considering the applications filed under the provisions of Chapter 346 G. L. 1907, the temporary injunction of the District Court having been dissolved, and the Supreme Court having declared the Law valid.

By order of the President,

Charles J. Moos
Secretary

The Secretary reported the names of those persons who had made application under this law and also that he had thoroughly advised all applicants relative to the requirments for registration under this Law.

The Board thereupon proceeded with the formal examination of applications on file
At 5.30 P.M. the Board adjourned to meet at the same place on the following day.

Jan 9 The Board met at 9 A.M. and continued the formal examination of applications
At 5.30 P.M. the Board adjourned to meet at the same place on the following day.

Jan 10 The Board met at 9 A.M and continued the formal examination of applications. After each application and all affidavits, papers etc filed in connection therewith, had been carefully examined by the Board, it went into executive session, President Morland in the chair.

It was duly moved, seconded and carried that the following named persons having complied with the provisions of Chapter 346 G. L. 1907 be granted registration as pharmacists:

One hundred and fifty ninth meeting (continued)

Minneapolis, Minn. Jan. 1. 1909

The Minnesota State Board of Pharmacy:
Minneapolis, Minn,,
Gentlemen:

Owing to my outside interests, as well as to my new store, it will be necessary that I give all of my time to the same.

I therefor hereby tender you my resignation as secretary and treasurer of this Board to take effect February tenth 1909.

Permit me to thank you and the druggists of this state for the support given me in the administration of the duties of this office.

Very truly Yours
Charles J. Moos

Office of the Public Examiner.

St Paul June 15 1910.

Robt L. Morland Esq.

Worthington Minn.

Dear Sir:

Your Board was recently examined by Mr Wemple of this department and a copy of the report, with Mr Wemple's comments thereon, is transmitted herewith. The report speaks well for the management of the Board, there being only one matter to criticize, and that is the item of sub vouchers. Every disbursement of one dollar or over should have a receipt therefor which should be attached to the voucher; this includes railroad and Hotel expenses of the Members of the Board.

It appears from the minutes, the remarks of the Secretary, and the report itself, that the Board has insufficient funds for carrying out the provisions of the laws that it is obligated to execute. I would like to offer, in a purely friendly spirit, the following suggestions:

1. Would it not be better to have the secretary a member of the board and pay him as other members are paid i.e., $5.00 per day?

2. Why not subdivide your board so that three could act in any one case in an adjacent territory and another three in another case and at another meeting, &c. Would not that conserve your funds sufficiently so that they could be used for the purposes of prosecution, as provided in the law? This is merely a suggestion as I have not the authority to offer advice, but I am in very much the same condition myself and know what it is to be handicapped and am using every effort to economize so as to make both ends meet and perform the services required of this department in an intelligent Manner.

1910 One hundred sixty fifth meeting continued

July 22nd Congratulating you upon the splendid condition of your Board, I am, yours truly A. Schaefer Public Examiner.

June 11 1910

Hon. Anton Schaefer

Public Examiner

Sir: I have the honor to transmit herewith a report of my examination of the books, records, vouchers and accounts of the State Board of Pharmacy, for the period from 1900 to may 26th, 1910.

The Board has no State aid. It holds quarterly meetings on the third Mondays in January, April, July and October,

Members recieve $5.00 per day and necessary expenses.....

Have made the examination of the cash book, register, minute book and record book; these books are in splendid condition.

The cash book has printed forms for various receipts and expenditures.

The secretary has kept a record of all persons registered by the Board, together with the grounds upon which the right of each to registration was claimed.

The cash book has been footed from 1900 to May 26, 1910 and shows a balance on May 26, 1910 of $2,468.52 Bank balances, in following banks: 2468.52

Security National Bank Minneapolis	571.15
Second National Bank St Paul	1904.69
Cash on hand	4.68
Cash over 5.26.1910	12.00
2480.52	$2480.52

..... The income of the Board is not sufficient to meet the necessary expenses of conducting the examinations and of the proper enforcement of the law.

During the last few months, the Board has not been able to look after all reported violations on account of lack of funds. The minute book has been carefully scrutinized, is a splendid record and well taken care of.

Respectfully submitted A. S. Wemple Special Examiner

St Paul Minn. June 20, 1910

Hon. Anton Schaefer,

Public Examiner, State Capitol,

St Paul, Minn.

Dear Sir: Your favor of June 15th covering report of special examiner examiner on the books, records, vouchers and accounts of the State Board of Pharmacy received.

1910 One hundred sixty fifth meeting continued

July 22nd I will bring the matter of attaching receipts to vouchers to the attention of the members of the Board at our next meeting.

I thank you for the other suggestions offered, but I am afraid we cannot act on them for the following reasons: In the first place the number of candidates who present themselves at each examination keeps the five members of the Board busy from ten to fourteen hours daily during our sessions. During that time the Secretary is more than fully employed with the necessary clerical work, providing the material required and taking care of the written portions of the examinations. The Secretary works every business day of the year, therefore it would be no saving to pay him at the rate of $5.00 per day instead of $1500.00 per year.

We are compelled by law to hold at least four meetings a year, and at each of these we hold examinations and transact any other business that may come before us. These meetings are all held in Minneapolis. The holding of meetings at different points throughout the state would only be added expense, as there could not possibly be enough candidates at any point outside the cities to warrant holding meetings at any other time or place than we now hold them.

I am satisfied that your letter accompanying the report will be very much appreciated by the Secretary and the members of the Board. Yours very truly

Robert L. Morland
President

On motion duly seconded, the suggestion of the Public Examiner that a receipt for all disbursements of one dollar and over be attached to vouchers was adopted.

Report of Secretary on investigations and prosecutions since the april meeting was read. penalties were collected as follows. from Dr. E. Hamel, McIntosh $50.00. E. E. De Graff, LeRoy $25.00. Edward Brecht, Minnesota Lake $50.00. A. W. Johnson, Wilmont $50.00. Thomas E. Disek, Donia $50.00. W. E. Flinn, Pierz $50.00. Dr O. V. Johnson, Sebeka $50.00 Nels Vasenden, Fertile $50.00.

Report on condition of funds showed balance on hand July 18th $2386.48
