MINNESOTA BOARD OF PHARMACY
FIVE HUNDRED TWENTY-FIFTH MEETING

January 9, 1978. At approximately 9:00 a.m., January 9, 1978 the Board met in room 305 of the Minnesota Department of Health Building, 717 Delaware St. SE, Minneapolis, MN for the purpose of conducting a general business meeting. In attendance were: Mr. Thomas Berg, Mr. Michael Hart, Mr. Thomas Jones, Mr. Marcus Frederickson, Mrs. Louise Kortz, Mrs. Kitty Alcott and the Board's Secretary Mr. David Holmstrom. Board member Rosetta Stark was absent for the sixth consecutive meeting.

The first order of business was the election of officers for the calendar year 1978. The first nomination was for the office of president. Mr. Tom Jones moved and Mr. Marc Frederickson seconded that Mr. Michael Hart be nominated for president. Mrs. Louise Kortz then moved that the nominations be closed. The motion to close the nominations passed. The vote was then held and Mr. Hart was elected to the office of president by a unanimous ballot.

The next nomination was for the office of vice-president. Mrs. Louise Kortz moved and Mr. Mike Hart seconded that Mr. Marcus Frederickson be nominated for vice-president. Mrs. Louise Kortz then moved that the nominations be closed. The motion calling for the closing of nominations passed. The vote was then held and Mr. Marcus Frederickson was elected to the office of vice-president by a unanimous ballot.

Mrs. Kitty Alcott then moved and Mr. Marc Frederickson seconded that Mr. David Holmstrom be continued as Executive Secretary to the Board. The motion passed.

Mrs. Kitty Alcott then moved and Mr. Marc Frederickson seconded that Mrs. Alice Hummer be designated as Assistant Secretary for Administrative Affairs. The motion passed.

At this point Mr. Tom Jones indicated a desire to have the Minutes reflect an expression of appreciation from the Board to Mr. Holmstrom, Mrs. Hummer, and the entire staff for the hard work and cooperation exhibited by them in the past year.

At this point, Mr. Thomas Berg turned over the presidency of the Board to Mr. Hart.

Mrs. Kitty Alcott then moved and Mr. Tom Berg seconded that the Minnesota Board of Pharmacy again renew its membership in the National Association of Boards of Pharmacy. The motion passed.

Mr. Marc Frederickson next moved and Mrs. Louise Kortz seconded that in recognition of the participation of various members of the Minnesota Board of Pharmacy on various committees of national importance such as Mrs. Alcott's participation on the American Council on Pharmaceutical Education, Mr. Berg's participation on the Continuing Education Committee of NABP, Mr. Jones' participation on the legislation committee of NABP and Mrs. Kortz's participation in reviewing the comment proofs for the US Pharmapopeia, be it therefore resolved that the Minnesota Board of Pharmacy pay per diems for any Board Members for the days of their participation on any such Nationally recognized committees. The motion passed.

At this point the Board reviewed the minutes of its December meeting. Mr. Tom Berg then moved and Mrs. Louise Kortz seconded that the minutes of the meeting of December 7th be approved as written. The motion passed.

The board next discussed new pharmacy applications. The Board first discussed the application submitted by Ms. Gwen Lambert to operate the Lambert Pharmacy Inc., 1732 N. Lexington Ave., St. Paul, MN 55113. Mrs. Kitty Alcott moved and Mr. Marc Frederickson seconded that the application submitted by Ms. Lambert be granted preliminary approval with licensure being made subject to the successful completion of an on-site inspection by a member of the Board's staff for compliance with the requirements of Pharmacy Board Regulations 7-11. The motion passed.

The next new pharmacy application was submitted by Mr. DuWayne Schlittenhard to operate the Medicine Shop, 342 Belgrade Ave., North Mankato, MN 56001. After reviewing this application Mrs. Louise Kortz moved and Mr. Tom Jones seconded that the application to operate the Medicine Shop be granted preliminary approval with licensure being granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the requirements of Pharmacy Board Rules 7-11. The motion passed.

At this point the secretary presented to the Board the recommendations of the Continuing Education Advisory Committee with regard to Continuing Education Programs submitted to them for approval. After reviewing the documents submitted by the CEAC Mrs. Kitty Alcott moved and Mrs. Louise Kortz seconded that the programs recommended for approval by the CEAC be approved toward the number of hours indicated and that the programs recommended for non-approval by the CEAC not be approved. The motion passed.

At this point Secretary Holmstrom and Board Members Berg and Hart reviewed for the rest of the Board the outcomes of the two pharmacy review panel meetings regarding various disciplinary matters involving pharmacists Robert Warren, David North, Harvey Lillestol and Raymond Beske. In all of these cases the matter was terminated with a letter of reprimand and in the case of Mr. Beske, with the additional requirement that a perpetual inventory be established covering Schedule II Controlled Substances.

Board Member Frederickson next brought to the Board's attention a question that was asked him by a pharmacist in Duluth regarding the Department of Health's authority to inspect a licensed pharmacy when such a pharmacy is located within a Nursing Home that is being inspected by the Health Department's Inspection Team. After some discussion, Mr. Frederickson moved and Mr. Tom Jones seconded that the Secretary write to the Minnesota Department of Health reminding them that while the licensed pharmacy may be housed within the four walls of the Nursing Home it is licensed separately and is subject to inspection only by the Board of Pharmacy.

The Secretary next presented to the Board a list of pharmacists, some of whom may yet be practicing in Minnesota, who have not complied with the 1977 continuing education requirements. After reviewing this list of people Mrs. Kitty Alcott moved and Mr. Tom Jones seconded that the secretary send a registered letter to each such licensee indicating that their license to practice in Minnesota is in jeopardy and that the Board office must hear from them within 10 days in writing regarding their intent to comply. The motion passed.

At this point President Hart adjourned the meeting for lunch.

At approx. 1:30 p.m. the meeting reconvened in room 305 to discuss the most recent drafts of its proposed rule changes. The Board discussed various aspects of its drafts throughout the afternoon.

Among its deliberations the Board discussed the proposed rescheduling of Darvon and Talwin and several other drugs. After this discussion the Board passed the following resolution:

"Resolve, that David E. Holmstrom, Secretary of the Minnesota Board of Pharmacy, be and hereby is granted the authority and is directed to call a hearing for the purpose of promulgating rules of the Board of Pharmacy relating to the rescheduling of several drugs as Controlled Substances as well as perform any and all acts incidental thereto, including, without being limited to, that of signing an order for hearing and notice of hearing as well as completing the documents necessary for securing the appointment of a hearing examiner for the hearing."

At approximately 5:00 p.m. President Hart adjourned the meeting.

January 10, 1978. At approximately 8:00 a.m. January 10, 1978 the Board met in room 105 of the Minnesota Department of Health Building, 717 Delaware St. SE in Minneapolis, Minnesota for the purpose of administering a written examination in jurisprudence to 32 candidates for reciprocity to Minnesota. In attendance were: Mr. Michael Hart, Mr. Marcus Frederickson, Mr. Thomas Jones, Mr. Thomas Berg, Mrs. Louise Kortz, Mrs. Kitty Alcott, and the Board Secretary, Mr. David Holmstrom.

At approximately 9:00 a.m. the Board divided itself into two groups in order to conduct the required oral examination in jurisprudence to the candidates. Each of the following candidates appeared for the oral examination in either room 305 or in room 408 of the Minnesota Department of Health Building and is seeking reciprocity to Minnesota on the basis of their license in the state indicated.

CANDIDATE	STATE
Steven R. Abel	Indiana
Marleen Q. Alvig	Nevada
Irvin S. Beiter, Jr.	Iowa
Carol A. Benson	Michigan
Mary Jo A. Bienek	Illinois
Susan M. Carlson	North Dakota
Rodney A. Carter	Iowa
Jon C. Clouse	Ohio
Charles E. Daniels	Arizona
Dan L. Dowling	Iowa
David H. Fulp	North Dakota
Georgia C. Green	Illinois
John W. Green	Nebraska

CANDIDATE	STATE
Martin E. Grovdahl	South Dakota
Robert L. Harmel	Wisconsin
Barbara L. Hochhauser	Pennsylvania
Sheila M. Hughes	Illinois
Robert A. Lapinski	North Dakota
Donalene A. Larsen	South Dakota
Myron W. Larsen	South Dakota
John M. Milas	Illinois
C. Edward Owens	Iowa
Kris B. Randolph	Kentucky
Jon E. Rich	North Dakota
DuWayne D. Schlittenhard	Illinois
Paul L. Smith	Idaho
James W. Stevens, Jr.	North Dakota
Marilyn K. Thoreson	North Dakota
Henry A. Thorstenson	North Dakota
James B. Toohey	Ohio
Grant A. Torfin	Idaho
Nancy L. Tountas	Maryland

After a thorough review of the performance of the candidates for licensure by reciprocity, Mrs. Louise Kortz moved and Mr. Tom Berg seconded that having passed the jurisprudence examination and any other examination that may have been requested of them for a reason, the following candidates for registration by reciprocity be granted registration on the basis of their license to practice in the state listed with their name. The motion passed.

The list of names and states of registration are as follows:

CERTIFICATE NO.	NAME	STATE
3009	Irvin S. Beiter, Jr.	Iowa
3010	Mary Jo A. Bienek	Illinois
3011	Rodney A. Carter	Iowa
3012	Jon C. Clouse	Ohio
3013	Charles E. Daniels	Arizona
3014	David H. Fulp	North Dakota
3015	Georgia C. Green	Illinois
3016	Robert L. Harmel	Wisconsin
3017	Sheila M. Hughes	Illinois
3018	Robert A. Lapinski	North Dakota
3019	John M. Milas	Illinois
3020	Kris B. Randolph	Kentucky
3021	Jon E. Rich	North Dakota
3022	Paul L. Smith	Idaho
3023	James W. Stevens, Jr.	North Dakota
3024	Marilyn K. Thoreson	North Dakota
3025	Henry A. Thorstenson	North Dakota
3026	James B. Toohey	Ohio
3027	Grant A. Torfin	Idaho

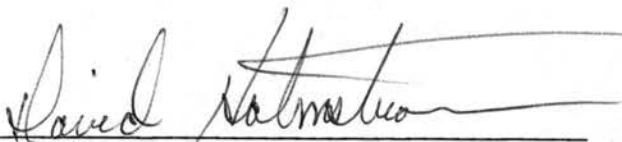

Mrs. Louise Kortz moved and Mr. Tom Berg seconded that after a review of the application records and examinations in the cases of:

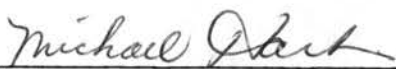

Steven R. Abel
Marleen Q. Alvig
Carole A. Benson
Susan M. Carlson
Dan L. Dowling
John W. Green
Martin E. Grovdahl

Barbara L. Hochhauser
Donalene A. Larsen
Myron W. Larsen
C. Edward Owens
DuWayne D. Schlittenhard
Nancy L. Tountas

that the privilege of reciprocity be denied to them at this time. The motion passed.

At approximately 5:00 p.m. President Hart adjourned the meeting.

Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED TWENTY-SIXTH MEETING

March 1, 1978. At approximately 9:30 a.m., March 1, 1978 the Board met in room 305 of the Minnesota Department of Health Building, 717 Delaware St. SE, Minneapolis, MN for the purpose of conducting a general business meeting. In attendance were the Board's President Mr. Michael Hart, Mr. Thomas Berg, Mr. Thomas Jones, Mr. Marcus Frederickson, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mrs. Rosetta Stark, and the Board's Secretary, Mr. David Holmstrom.

The first order of business was a review of the minutes of the meeting of January 9, 1978. After reviewing the minutes of this meeting Mr. Tom Berg moved and Mr. Marc Frederickson seconded that the minutes of the meeting of January 9, 1978 be approved as written. The motion passed.

The Board next turned its attention to new pharmacy applications. The first application to come before the Board was that of Ms. Ann Nimlos who would be pharmacist-in-charge of the proposed K-Mart Pharmacy, 10 West Lake Street, Minneapolis, MN 55408. After reviewing this application Mr. Tom Berg moved and Mr. Marc Frederickson seconded that the application to operate the K-Mart Pharmacy be granted preliminary approval with licensure being granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the requirements of Pharmacy Board Rules governing the physical requirements of licensed pharmacies. The motion passed.

The next application to come before the Board was that of Mr. Lowell Steinle who would be pharmacist-in-charge of the proposed Lincoln Drug, 3130 Century Ave. N. in Mahtomedi, MN 55115. After reviewing this application Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the application to operate the Lincoln Drug be granted preliminary approval with licensure being granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the requirements of Pharmacy Board Rules governing the physical requirements of licensed pharmacies. The motion passed.

The next application to come before the Board was that of Mr. Wayne Hursh who would be pharmacist-in-charge of the proposed Erickson Valu Drug, 303 South State Street, Waseca, MN 56093. After reviewing this application Mr. Thomas Berg and Mr. Marcus Frederickson seconded that the application to operate the Erickson Valu Drug be granted preliminary approval with licensure being granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the requirements of Pharmacy Board Rules governing the physical requirements of licensed pharmacies. The motion passed.

The last application to come before the Board was that of Mr. Douglas Ralph White who would be pharmacist-in-charge of the proposed Rockford Drug, 8980 Walnut, Rockford, MN 55373. After reviewing this application Mrs. Kitty Alcott moved and Mr. Marcus Frederickson seconded that the application to operate Rockford Drug be granted preliminary approval with licensure being granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the requirements of Pharmacy Board Rules governing the physical requirements of licensed pharmacies. The motion passed.

The Board next turned its attention to plans for a remodeled pharmacy at the Snyder's Drug, 15 9th Ave. N. in Hopkins, MN. After carefully reviewing these plans and the accompanying letter which indicates that the extensive changes would provide more work space and afford the pharmacist an opportunity to be in closer contact with each patient. Mr. Thomas Berg moved and Mr. Marc Frederickson seconded that the proposed remodeling be approved. The motion passed.

At this point the Board's Secretary, Mr. David Holmstrom, briefly outlined for the Board the progress being made in the various disciplinary matters pending before the Office of Hearing Examiners.

The Secretary next reviewed for the Board the various pieces of legislation making their way through the legislative process that would directly or indirectly affect the Board or the profession of Pharmacy.

The Secretary next presented to the Board a list of licensed pharmacists who have not complied with the continuing education requirements for 1977 even though given the statutorially allowed one years grace period. After reviewing the cases of these individuals Mrs. Kitty Alcott moved and Mr. Tom Jones seconded that Secretary Holmstrom work with Mr. William Miller, the Board's Attorney, to schedule a hearing as soon as possible to formally suspend the licenses to practice of those individuals who have not complied with the continuing education requirements. Motion passed.

The Secretary next presented to the Board the list of continuing education programs that were submitted to and reviewed by the Board's CE Advisory Council. The Council made recommendations to the Board to approve or disapprove various of the numerous programs submitted. After reviewing the list of programs and the recommendations of the CEAC Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the recommendations of the Committee be accepted and that the programs recommended for accreditation be so accredited and the programs not recommended for accreditation be not accredited. The motion passed.

Mrs. Alcott then raised the issue of continuing education credit for those Minnesota Pharmacists who participated in the Maxi-School on Drug Law recently held in Phoenix, AZ. Secretary Holmstrom and Board Member Alcott described to the Board the content and duration of this school and indicated that the school had received ACPE accreditation for 20 hours of continuing education credit. Mrs. Alcott then moved and Mr. Tom Berg seconded that the NABP Maxi-school in Phoenix, AZ be approved for 15 hours of continuing education credit. The motion passed.

Secretary Holmstrom next presented to the Board a letter from Ms. Karen Wong requesting exception from the recently enacted rules of the Board requiring permanent resident status for non-US citizens prior to their being allowed to sit for the pharmacist licensure examination. After considerable discussion of the issue Mrs. Louise Kortz moved and Mr. Marc Frederickson seconded that the Board grandfather in under the previously existing non-permanent resident requirement any student who was in his last two years of training in an accredited college of pharmacy and who was registered as an intern in Minnesota

prior to December 20, 1977 which was the effective date of the new requirements. The motion passed.

The Secretary next presented to the Board a letter from Mr. DuWayne Schlittenhard requesting the Board to reconsider his grades on the recently administered reciprocity examination wherein Mr. Schlittenhard failed to achieve a passing score. After discussing Mr. Schlittenhard's performance on the examination and the credibility of the examination as a whole Mr. Tom Berg moved and Mr. Marc Frederickson seconded that Mr. Schlittenhard's appeal be denied. The motion passed.

The Secretary next presented to the Board a request from Mr. Dennis Hoogland, pharmacist-in-charge of the Nuclear Pharmacy at the University of Minnesota Hospitals, for internship credit for work experiences in the Nuclear Pharmacy contemplated by Ms. Mary Arndt. The Secretary indicated to the Board that this request had gone before the Board's Internship Advisory Committee and the Committee recommended that such request be handled on an individual basis taking into consideration the educational and internship backgrounds of the students requesting internship credit for work experiences in non-traditional dispensing situations. The Board reviewed the past internship experience of Ms. Mary Arndt and Mrs. Kitty Alcott moved and Mr. Marc Frederickson seconded that the Board accept her experiences in the Nuclear Pharmacy at the University of Minnesota Hospitals for internship credit not to exceed 520 hours and conditioned upon her successfully completing the required internship examinations bracketing that work experience. The motion passed.

Secretary Holmstrom next presented to the Board a proposal to offer the available Achievement Award to Mrs. Alice Hummer in recognition of her dedication and excellent job performance during the past year. Mrs. Alcott then moved and Mr. Tom Berg seconded that the Achievement Award for Mrs. Hummer be so granted. The motion passed.

The Secretary next presented to the Board a recommendation that the Board consider reclassifying the position currently held by Ms. Patricia Eggers from that of Beginning Clerk Typist to that of Senior Clerk Typist in light of the fact that Ms. Eggers has successfully passed the required examination for this position and in light of her potential to successfully carry out the responsibilities associated with such a position. After some discussion regarding the availability of funds to finance such a position change Mr. Tom Jones and Mrs. Louise Kortz seconded that Secretary Holmstrom be instructed to work with Mrs. Hummer in preparing the forms necessary to accomplish such a job reclassification and that either Mr. Holmstrom or Mrs. Hummer discuss the expectations and requirements of the position with Ms. Eggers. The motion passed.

The Board next turned its discussion to the upcoming full board examination and the decision whether or not to continue with the wet lab practical examination. After some discussion Mr. Tom Berg moved and Mrs. Kitty Alcott seconded that the Board once again administer the wet lab practical examination and that a study be done after the completion of the March examination comparing performances on the wet lab and on the written lab sections of

the exam before deciding on the administration of the wet lab for the scheduled September examination. The motion passed.

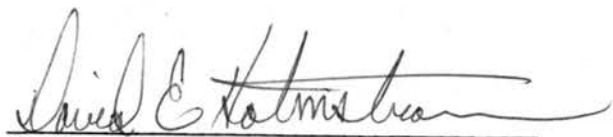

At this point President Hart dismissed the Board for lunch.

Upon returning from lunch the Board discussed the changes to the draft of the proposed new pharmacy rules made at the January 9th meeting.

The Board reviewed each section of the draft in numerical sequence and after making some minor changes voted to accept the draft of Pharm 21, Pharm 32, Pharm 36, Pharm 38, Pharm 71-80, and Pharm 81-100. No decision was made as to Pharm 47. The Board indicating that it wished to take advantage of an invitation issued by Pharmacist James Herrick of United Hospitals to visit his facility and observe a pilot project on the use of supportive personnel prepared by Mr. Herrick. The Board requested that Secretary Holmstrom contact Mr. Herrick and arrange for a meeting with him as soon as possible.

At approximately 3:00 p.m. the Board welcomed Mr. Thomas Gaylord, Minnesota Department of Public Welfare, and Mr. M. Lee Morse and Ms. Aida LeRoy, of Health Information Designs, Inc., 1000 6th St. SW #413, Washington, DC 20024, independent contractors who have contracted with the MN DPW to set up a drug utilization program. These three individuals presented to the Board an explanation of the drug utilization review procedures they are initiating through the Department of Public Welfare. The Drug Utilization Procedures will enable pharmacists to better utilize the information available to them in monitoring drug therapy for their patients who are welfare recipients. At approximately 4:00 p.m. Mr. Gaylord, Mr. Morse and Ms. LeRoy departed.

After continuing the discussion of the presentation by Mr. Gaylord, et al, President Hart adjourned the meeting at approximately 4:45 p.m.

Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED TWENTY-SEVENTH MEETING

March 21, 1978. At approximately 8:00 a.m., March 21, 1978 the Board met at the College of Pharmacy at the University of Minnesota campus for the purpose of administering a practical examination in prescription compounding and family records and written examinations in jurisprudence and the practice of pharmacy generally. Members present were: President Michael Hart, Vice-President Mr. Marcus Frederickson, Mr. Thomas Jones, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Thomas Berg and the Board's Secretary Mr. David Holmstrom. The examinations lasted the entire day.

The following candidates who have met all the necessary requirements and who have presented properly executed applications, were present to write the examinations in the above subjects:

Ronald K. Alvig	John V. Lindberg
LuWayne F. Barnes	Shirley A. Martz
Rick M. Bartsch	Charles B. Mickelson
Rena K. Berowski	Joseph V. Miller, Jr.
James B. Donatelle	William T. Morehead
Jerald A. Ellinghuysen	Francis R. Mourning
Mark A. Fankhanel	Diane M. Murphy
Thomas L. Fischer	Karen L. Noyes
Douglas D. Fitzlaff	Richard O. Olson
Randall D. Gauger	Richard J. Peters
Amal M. Ghoneim	Gary L. Pulvermacher
Durand M. Hedin	Linda S. Sethre
Richard A. Herman	Charles A. Shasky
Julie V. Hoff	Elaine S. Stapf
Ann M. Johnson	Barbara B. Stark
Rachel M. Jordahl	Benita R. Sweeney
Christine J. Kahle	Neil P. Thompson
Dan L. Kivisto	Sherry A. Umhoefer
Steven C. Lamppa	Allen Ward
Kent R. Lee	James M. Wille
Virginia E. LeMay	Karen T. Wong
David J. Light	

The following full board retake candidates were also present to write the examination:

James M. Guertin	Leigh Ann R. Smith
Teresa B. H. Knowlen	Gregory S. Vigesaa
Jeffrey L. Parlanti	Gary B. Winter
Joan K. Rossman	Bruce R. Herold

The following practical examination retake candidates were also present to write the examination:

John O. Eaton
Cheryl A. Regnier

At approximately 8:00 a.m. March 22, 1978 the Board met in room 325 of the Science Classroom Building on the University of Minnesota Campus for the purpose of administering a written examination in Pharmacy, Chemistry, Math, and Pharmacology. Members present were: President Michael Hart, Vice-President Marcus Frederickson, Mr. Thomas Jones, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Thomas Berg, and the Board's Secretary Mr. David Holmstrom. The examinations lasted the entire day.

The candidates who were present for the practical examinations given yesterday were also present today to write the written examinations with the exception of those candidates who were retaking the practical examination only. In addition the following written retake candidates were also present to write that portion of the examination:

Linda R. Helgeland
Edward A. Nemec, Jr.

At approximately 9:30 o'clock a.m. March 23, 1978 the Board met in room 305 of the Minnesota Department of Health Building, 717 Delaware Street SE, for the purpose of conducting a general business meeting. In attendance were: President Michael Hart, Vice-President Marcus Frederickson, Mr. Thomas Jones, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Thomas Berg, and the Board's Secretary Mr. David Holmstrom.

The first order of business was a review of the minutes of the meeting of March 1, 1978. Mr. Thomas Berg moved and Mr. Marcus Frederickson seconded that the minutes of the March 1st meeting be approved as written. The motion passed.

The Secretary next presented to the Board a list of pharmacists who are delinquent in paying their 1978 license renewals. After a brief discussion President Hart indicated that this matter would be tabled pending the receipt of some additional information on these pharmacists from the office staff.

The Secretary next presented to the Board the recommendations of the Continuing Education Advisory Council with regard to a list of continuing education programs submitted to the council for approval. The CE Advisory Council reviewed these programs during its meeting of March 7, 1978 and now recommends that the Board grant approval of these courses based on the recommendations of the CEAC. After reviewing the list of recommendations from the CEAC Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that those programs recommended for approval by the CEAC be so approved and that approval be withheld from those programs that received a non-approval recommendation from the CEAC. The motion passed.

Mrs. Louise Kortz then moved and Mr. Marc Frederickson seconded that Mr. Thomas Berg be granted 8 hours of Continuing Education credit for his attendance at the FAHRB Forum held in New Orleans this past fall. The motion passed with Board member Berg abstaining.

The Board next entered into discussions on the recently administered examination specifically regarding the Board's adherence to the policy of not allowing the use of calculators on the examination in compliance with the recommendations of ETS. After some discussions on the use of calculators by some states and the non-use of calculators in Minnesota Mrs. Kitty Alcott moved and Mr. Marc Frederickson seconded the following resolution.

"Resolved that the Minnesota Board of Pharmacy request that NABP go on record requiring that all states follow the no calculator rule established by ETS or else eliminate such a rule.

Be it further resolved that the Minnesota Board of Pharmacy, in the event that NABP does not see fit to enforce or change said rule, request NABP to instruct ETS to grade examinations from states where candidates are allowed to use calculators separately from examinations from those states where candidates are not allowed to use calculators."

Mrs. Alcott wished to indicate that the rationale for the above resolution is that several students have pointed out that some states such as Nebraska allow calculators to be used in the examinations. In that ETS, in the scoring of examinations, compares the performance in any particular state with the performance in all other states the students in the states where calculators are used receive an unfair advantage in the examination.

Mrs. Alcott further moved and Mr. Frederickson seconded that the Secretary express this concern directly to ETS as well as to NABP and request from ETS their opinion as to whether the calculator rule should be changed and whether the nonuniform application of the no calculator rule causes an inherent unfairness in the examination.

President Hart next requested a report from the Secretary regarding his meetings with Commissioner Lawson and Assistant Commissioner Pfifer of the Minnesota Department of Health regarding the Department of Health's involvement in the dispensing and other distribution of legend drugs. The Secretary indicated that he had had a fruitful meeting with Commissioner Lawson, Assistant Commissioner Pfifer, and Mr. Terry O'Brien from the Attorney Generals Office regarding the matter of the Department of Health's involvement in the distribution of legend drugs. The Secretary indicated that the meeting produced an agreement on the part of the Department of Health to limit its involvement in drug distribution solely to that of physician to physician. Dr. Pfifer indicated that she would personally be responsible for the drug distribution from the Department of Health to other physicians. Attorney O'Brien indicated that it was his opinion that because the statutory definition of wholesaling indicates a sale for the purpose of resale and in that the Department of Health does not sell the drugs to practicing physicians but in fact gives them away that the Department would not require a wholesalers license to participate as it is planning to do. Secretary Holmstrom indicated that the Department of Health would prepare a letter for submission to the Board indicating the scope of its involvement and the procedures the Department would adhere to in the dispensing of legend drugs from Dr. Pfifer to other physicians throughout the state.

At this point President Hart again took up the matter of the delinquency of some pharmacists in the payment of their 1978 license renewal. After a review of the practitioners who have not paid their 1978 license renewals and the options open to the Board in this matter Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the Secretary prepare a letter to be sent to all pharmacists who have not renewed their license to practice for 1978 and who are under 60 years of age and who came to be licensed by examination explaining the reciprocity procedures and the need for these pharmacists to maintain their licensure in their state of examination. The motion passed with Mr. Thomas Jones voting in opposition.

Mr. Tom Berg then moved and Mrs. Louise Kortz seconded that the Secretary instruct the Pharmacy Board Surveyors to pay a visit as soon as possible on all pharmacists in Minnesota who have not paid their 1978 license renewal and present them with an alternative of immediate payment or immediate cessation of practice. Should the pharmacist not pay immediately and insist on continuing to practice the surveyors are to be instructed to immediately take the steps necessary to obtain a court injunction. The motion passed.

The Board next considered a list of 58 pharmacists who have not renewed their licenses to practice for the past two consecutive years and who are proposed for deletion from our rolls of active pharmacists. After reviewing the above list Mrs. Kitty Alcott moved and Mr. Marc Frederickson seconded that these 58 pharmacists be dropped from the rolls of the Board. The motion passed.

President Hart next requested of the Secretary a review of the committees and their respective memberships that serve the Board in advisory capacity. After reviewing and discussing these committees President Hart appointed himself and Mrs. Louise Kortz to the Continuing Education Advisory Committee; Mr. Marc Frederickson and Mr. Tom Berg to the Internship Advisory Committee and Mr. Tom Jones to the Controlled Substances Advisory Committee. The Secretary was then instructed to send all Board members the list of names of the members on all of the Board's advisory committees and to send a letter of appreciation to all persons who have served the Board in an advisory capacity on these committees.

At this point President Hart adjourned the Board for lunch.

Upon returning from lunch the Board welcomed Mr. Terrance O'Laughlin, Attorney for Winthrop Laboratories Division of Sterling Drug to the meeting. Mr. O'Laughlin wished to present to the Board a request from Winthrop Laboratories that the Board's proposed rescheduling of the drug Talwin, which will be coming up for public hearing on April 5th, be postponed in that the Federal Government has recently completed hearings on just such a proposed rescheduling. Winthrop Laboratories requests that the Minnesota Board of Pharmacy withhold its proposed rescheduling until a decision is made on the Federal level.

Upon the departure of Mr. O'Laughlin Mrs. Kitty Alcott moved and Mr. Tom Jones seconded that the Board continue with the proposed Talwin rescheduling. In voting on this motion Mrs. Kitty Alcott and Mrs. Louise Kortz voted aye. Mr. Tom Berg and Mr. Marc Frederickson voted nay. Mr. Tom Jones abstained. President Hart then voted to break the tie. President Hart voted aye.

The Board next discussed the proposed bi-level approach to continuing education. Mrs. Kitty Alcott moved and Mr. Marc Frederickson seconded that the Minnesota Board of Pharmacy accept the concept of a bi-level approach to continuing education and that the Board continue the dialogue with the State Association and other pharmacy groups of the recommendations of a bi-level approach as we move toward the future implementation of this recommendation. The motion passed.

The Board next took up a discussion of the finances available to the Board for out-state travel in light of the desirability of having the Minnesota Board of Pharmacy represented at the NABP annual meeting to be held in April in New Orleans. After a brief review of the entire budgetary process and the dollar figures available to the Board Mr. Tom Jones moved and Mr. Marc Frederickson seconded that "In view of the limited amount of funds available for out of state travel for the balance of our current fiscal year, namely approximately \$1,871.00, be it resolved that the Minnesota Board of Pharmacy authorize only five persons to attend the annual meeting of the NABP at state expense. Based on information available, it will cost approximately \$432.00 for each person to attend the five day series of meetings. It is, therefore, further resolved that the President, Vice-President and the Executive Secretary be three of such persons and that the Board at this meeting shall designate the other two Board members who shall be authorized to attend at state expense. It is further resolved that the Secretary's travel expenses be charged against the account provided for such travel and subsistence expenses and that the expenses of the Board members be similarly charged against the accounts provided for such travel and subsistence expenses." The motion passed unanimously. Mrs. Louise Kortz then moved and Mr. Tom Berg seconded the following motion: "I move that the additional two Board members who are authorized to attend the annual meeting of the NABP at state expense be Mrs. Kitty Alcott, a past president and a current member of the ACPE Committee on continuing education, and Mr. Thomas Jones, a public member of the Board, and a member of the NABP National Committee on Legislation for the current year as well as for the past two years. I further move that the registration fee of \$40.00 be paid for any other Board member who attends the annual meeting at their own expense. be approved for reimbursement by the state." The motion passed unanimously.

The Board next discussed the latest draft of its proposed new rule. It was indicated during discussions that the only issue to be decided upon at this meeting will be the ratio of supportive persons to pharmacists described in Pharm 47 dl. Mrs. Louise Kortz moved and Mr. Marc Frederickson seconded that the ratios listed in the above mentioned sections be three to one. The motion passed with members Thomas Berg and Thomas Jones voting in the negative.

The Board next entered into a discussion of the wet lab practical examination. Mr. Marc Frederickson moved and Mrs. Louise Kortz seconded that the Board discontinue the wet lab portion of the examination effective with the September administration of the licensure examination. After brief discussion Mrs. Alcott moved and Mr. Tom Berg seconded a substitute motion. The substitute motion calls on the Board to spend a day at a retreat to discuss the wet lab examination issue solely and to decide either to continue the wet lab examination or to devise a separate new type of wet lab examination. The vote on whether to substitute Mrs. Alcott's motion for Mr. Frederickson's motion was unanimous in favor of such substitution.

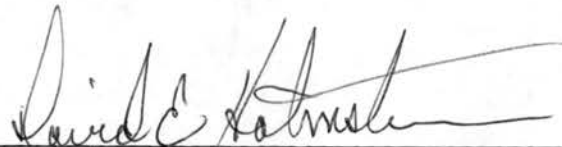

The vote then on the merits of the new motion was likewise unanimous and the motion passed. The date for the authorized retreat was then set tentatively as May 16, 1978. Details as to the exact time and location will be worked out.

Mrs. Louise Kortz then moved and Mrs. Kitty Alcott seconded that the Board give the jurisprudence examination to reciprocity candidates at the same time as it is given to full board candidates in addition to its regular administration in June and January so that reciprocity examinations will be administered four times a year. After some discussion the motion passed.

The board next entered into a rather lengthy discussion of the most recent draft of the proposed changes to the pharmacy rules and regulations. After making several minor changes in the latest draft of these proposed rule changes, the board passed the following resolution:

"Resolved, that David E. Holmstrom, Secretary of the Minnesota Board of Pharmacy, be and hereby is granted the authority and directed to call a hearing for the purpose of promulgating rules of the Board of Pharmacy relating to unit dose distribution, supportive personnel, drug returns, nursing home practice, hospital practice and other miscellaneous matters as well as perform any and all acts incidental thereto, including that without being limited to, signing an order for hearing and notice of hearing as well as completing the documents necessary for securing the appointment of a hearing examiner for all hearings."

At approximately 5:00 p.m. President Hart adjourned the meeting.

Executive Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED TWENTY-EIGHTH MEETING

April 24, 1978. On April 24, 1978 the Minnesota Board of Pharmacy convened at the International Hotel in New Orleans, LA during a break in the National Association of Boards of Pharmacy Annual Meeting for the purpose of conducting a very brief business session. In attendance were: Mr. Michael Hart, President, Mr. Marcus Frederickson, Vice President, Mr. Thomas Berg, Mr. Thomas Jones, Mrs. Kitty Alcott, Mrs. Louise Kortz, and the Board's Secretary Mr. David Holmstrom.

The first item of business to be discussed were the new pharmacy applications. The Board first discussed the application to conduct Glass Block Drug North in Bemidji, MN submitted by Mr. Vernon A. Schanilec. After reviewing this application and noting the absence of the required Articles of Incorporation Mr. Thomas Berg moved and Mrs. Louise Kortz seconded that the application be approved and a license issued subject to the receipt of a copy of the Articles of Incorporation and subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the requirements of Pharmacy Board regulations relating to licensure. The motion passed.

The next application to be considered was an application to conduct K-Mart Pharmacy in White Bear Lake, MN, submitted by Joan A. Ethen, pharmacist-in-charge. After carefully reviewing this application and receiving a report from Secretary Holmstrom regarding certain changes that will be made to the pharmacy, changes not shown on the blue-print, Mr. Tom Berg moved and Mr. Tom Jones seconded that the application be approved and a license issued subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board regulations dealing with licensure. The motion passed.

The next application to be considered was an application to conduct K-Mart Pharmacy in Blaine, submitted by Stephen Paquin, pharmacist-in-charge. After carefully reviewing this application and receiving a report from Secretary Holmstrom regarding certain changes that will be made to the pharmacy, changes not shown on the blue-print, Mr. Tom Berg moved and Mr. Tom Jones seconded that the application be approved and a license issued subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board regulations dealing with licensure. The motion passed.

The Board next discussed the application to conduct Village Drug of Sartell, MN submitted by Mr. James L. Rumpca with Mr. Dean Hoffman being the pharmacist-in-charge. After carefully reviewing this application and the accompanying documents Mr. Tom Berg moved and Mr. Tom Jones seconded that the application be approved and a license issued subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board regulations dealing with licensure. The motion passed.

The final application to be considered was an application to conduct White Mart Pharmacy in Forest Lake, MN submitted by Mr. Marvin Tokach. After carefully reviewing this application and the accompanying documents Mr. Tom Berg moved and Mr. Tom Jones seconded that the application be approved and a license issued subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board regulations dealing with licensure. The motion passed.

The next item to be presented for discussion was a report by the Continuing Education Advisory Council regarding continuing education programs submitted to and reviewed by the CEAC for accreditation. After reviewing the programs recommended for approval and reviewing programs recommended for disapproval Mr. Marc Frederickson moved and Mrs. Louise Kortz seconded that the programs recommended for approval by the CEAC be so approved and those recommended for non-approval be not approved. Mrs. Kitty Alcott then moved to amend the motion to delete the MSPHA District III Meeting because of its being scheduled on the night of the local political caucus which is contrary to public policy. Mr. Tom Berg seconded the motion. After some discussion regarding this amendment Mrs. Alcott, with the consent of Mr. Berg, withdrew her proposed amendment. The motion, then, as originally made by Mr. Frederickson passed.

The Board next discussed the possibility of continuing education credit for those pharmacists attending the NABP 74th Annual Meeting. Mrs. Kitty Alcott moved and Mr. Tom Jones seconded that the NABP Mini-School be granted three hours of continuing education credit, the program on ancillary personnel be granted one hour of continuing education credit, the legal workshop program be granted three hours of continuing education credit, the regulators workshop be granted three hours of continuing education credit, the educational competency program be granted 2½ hours of continuing education credit and the law enforcement program be granted 2½ hours of continuing education credit. The motion passed.

Mr. Tom Berg then moved and Mrs. Kitty Alcott seconded the following resolution:

Resolve that the Minnesota Board of Pharmacy go on record officially expressing its concern regarding the scheduling of continuing education programs on nights scheduled for local political caucuses and that the MSPHA District III representatives be specifically advised that the Minnesota Board of Pharmacy discussed withholding credit for this meeting and any future meetings held in conflict with political caucuses.

The motion passed.

Mrs. Kitty Alcott then moved and Mrs. Louise Kortz seconded that the Secretary be instructed to write to the Food and Drug Administration regarding the necessity of including in their proposed Drug Regulatory Reform Act the requirement that the true identity of the manufacturer of the finished dosage form of the product be included on the label of each product. The motion passed.

The Board next turned its attention to the grading of the March Board examinations and Secretary Holmstrom described for the Board its options under the computerized grading system available from ETS and NABP. After some discussion of a general background nature regarding the use of standard deviations Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that the Board utilize 1.5 standard deviation from the mean as the criteria for grading the examinations. The motion passed.

With this criteria established Mrs. Louise Kortz again moved and Mrs. Kitty Alcott seconded that the candidates who received a general average of 75% or better, not less than 75% in their practical examination and not less than 60% in any one written subject, be granted registration as pharmacists. The motion passed.

The candidates to successfully pass the examination are as follows:

<u>Cert No.</u>	<u>Name</u>	<u>Cert. No.</u>	<u>Name</u>
3028	LuWayne F. Barnes	3051	Joan K. Rossman
3029	Rick M. Bartsch	3052	Linda S. Sethre
3030	James B. Donatelle	3053	Charles A. Shasky
3031	John O. Eaton	3054	Leigh Ann R. Smith
3032	Jerald A. Ellinghuysen	3055	Elaine S. Stapf
3033	Mark A. Fankhanel	3056	Barbara B. Stark
3034	Thomas L. Fischer	3057	Benita R. Sweeney
3035	Douglas D. Fitzlaff	3058	Neil P. Thompson
3036	Randall D. Gauger	3059	Gregory S. Vigesaa
3037	Durand M. Hedin	3060	Sherry A. Umhoefer
3038	Richard A. Herman	3061	Allen Ward
3039	Julie V. Hoff	3062	James M. Wille
2040	Ann M. Johnson	3063	Karen T. Wong
2041	Rachel M. Jordahl		
2042	Dan L. Kivisto		
3043	Kent R. Lee		
3044	Shirley A. Martz		
3045	Charles B. Mickelson		
3046	William T. Morehead		
3047	Francis R. Mourning		
3048	Edward A. Nemec, Jr.		
3049	Karen L. Noyes		
3050	Cheryl A. Regnier		

There being no further business at this time President Hart dismissed the meeting.

Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED TWENTY-NINTH MEETING

May 23 and 24, 1978. At approximately 9:30 a.m., May 23, 1978 the board convened in the meeting room at the Lafayette Club in Minnetonka for a day-long discussion of the issue of whether to continue to administer the wet lab practical examination as part of the licensure exam and if so how to structure the exam. In attendance were: President Michael Hart, Vice-President Marcus Frederickson, Mrs. Louise Kortz, Mr. Tom Jones, Mrs. Kitty Alcott, Mr. Ove Wangenstein, and the Board's Secretary Mr. David Holmstrom.

Discussion of examination issues continued throughout the day with a decision being made to continue the wet lab examination and expand it to cover the competencies the Board felt appropriate for testing. The Board then proceeded to put together the examination that will be used as the September 1978 wet lab practical examination. The meeting adjourned at approximately 4:00 p.m.

At approximately 9:30 a.m., May 24, 1978 the Board convened in room 305 of the Minnesota Department of Health Building for the purpose of conducting a general business meeting. In attendance were: President Michael Hart, Vice-President Marcus Frederickson, Mrs. Louise Kortz, Mr. Thomas Jones, Mrs. Kitty Alcott, Mr. Ove Wangenstein, and the Board's Secretary Mr. David Holmstrom.

At the beginning of the meeting Secretary Holmstrom requested of President Hart permission to deviate from the printed agenda so that the Board's attorney, Mr. William Miller, could discuss with the Board certain items on the agenda and then depart for a previous commitment. President Hart approved the deviation from the printed agenda.

The first item to come before the Board for discussion was the Hearing Examiner's report on the proposed changes in Pharm 51 for which a public hearing had been held on April 5, 1978. After discussing the Hearing Examiner's report Mr. Marc Frederickson moved and Mr. Tom Jones seconded the following resolution:

"Resolved, that the rules relating to controlled substances identified as Pharm 51 which were considered at a public hearing held on the 5th day of April, 1978, are found to be reasonable, necessary, and supported by the evidence contained in the record, and are hereby approved and adopted pursuant to authority vested in the Board of Pharmacy by MN Stat. 151 and 152 and that David E. Holmstrom, Executive Secretary of the Board, be and hereby is authorized to sign an order adopting those rules.

Be it further resolved that the report of the Hearing Examiner relating to this matter be and hereby is expressly adopted by the Board as its own."

The motion passed unanimously.

Attorney Miller next presented to the Board a proposed stipulation concluding the matter of the suspension or revocation of the pharmacist license of Kenneth D. Pomerence. The stipulation negotiated between Attorney Miller and Mr. Pomerence's legal counsel, Mr. Kenneth Price. After some considerable discussion on this matter Mrs. Kitty Alcott moved and Mr. Marc Frederickson seconded that the stipulation be accepted by the Board and that Secretary Holmstrom be authorized to sign a final order on behalf of the Board incorporating the agreed to points of the stipulation. Motion passed unanimously.

Attorney Miller next discussed with the Board the most recent developments in the law suit concerning the Naturopathic Physicians. A group of Naturopathic Physicians is suing the Board of Pharmacy, Board of Medical Examiners, Attorney General, and the State itself in addition to the Food and Drug Administration and the Federal Government in several states with the hopes of becoming a recognized part of the Health Care Delivery System. No action was taken by the Board on this informational item.

The Board now returned to the order of events as indicated in the agenda. The next item to be discussed was an approval of the minutes of the meeting of April 24, 1978. After a review of these minutes Mrs. Kitty Alcott moved and Mr. Marc Frederickson seconded that the minutes of the meeting of April 24, 1978 be approved as written. The motion passed.

The Board next discussed an application by Mr. John VanderAarde to operate the Roberts Drug, Inc at 814 East 1st Avenue, Shakopee, MN. After reviewing the application to conduct this pharmacy, the blueprints and the Articles of Incorporation Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that the application submitted by Mr. VanderAarde be approved and a license issued upon the successful completion of an on-site inspection of the proposed pharmacy for compliance with Pharmacy Board Regulations 7 through 12. Said on-site inspection shall be conducted by a member of the Board's staff. The motion passed.

Secretary Holmstrom next presented to the Board the recommendations of the Continuing Education Advisory Council regarding continuing education programs submitted for approval in meeting the continuing education required of all Minnesota Pharmacists. After reviewing the list of programs recommended for approval and disapproval respectively Mrs. Kitty Alcott moved and Mr. Marc Frederickson seconded that those programs recommended for approval by the CE Advisory Committee be so approved and that those programs recommended for non-approval be not approved. The motion passed.

The Board next entered into a discussion of continuing education credit for "preparation" time for pharmacists producing papers, seminars, and the like. Mr. Tom Jones moved and Mrs. Kitty Alcott seconded that the Board request Board Member Louise Kortz to bring this issue to the attention of the CE Advisory Committee at its next meeting. The motion passed.

Board member Kitty Alcott next entered into a discussion of the activities of the ACPE Continuing Education Committee of which she is a member. No Board action was taken on this informational item.

The Board next discussed a request by Pharmacy Student David Gangeness that he be granted internship credit for his work in the reorganization of the "pharmacy" at the University of Minnesota Veterinary Hospital. The Board's Internship Advisory Committee has reviewed this request and has recommended to the Board that not more than 100 hours of internship credit be granted Mr. Gangeness for this work. After some discussion Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that Mr. Gangeness be granted up to 100 hours of internship credit for his work in reorganizing the drug supply at the University of Minnesota Veterinary Hospital if such time is validated via a signed affidavit from his pharmacist preceptor.

Mrs. Alcott then moved and Mr. Tom Jones seconded that any clinical pharmacy courses being utilized for internship credit be validated as to the number of hours of participation by requiring each student to submit an affidavit from his instructor. The motion passed.

The Board next discussed the request by Mr. Edward Findell, Pharmacy Student, for internship credit for his work experience at the Nuclear Pharmacy at the University of Minnesota Hospitals. The Board's Internship Advisory Committee has reviewed Mr. Findell's request and in line with the committee's recommendation regarding unique internships of this type makes no recommendations other than that each case be handled on an individual basis. The Secretary reminded the Board of its decision in the case of Mary Arndt, another Pharmacy Student who wishes to intern at the Nuclear Pharmacy, in which case the Board granted time not to exceed 520 hours for such experience. After a rereview of Mr. Findell's letter and some discussion on the points he raises, Mr. Marc Frederickson moved and Mrs. Kitty Alcott seconded that internship credit not to exceed 400 hours be granted Mr. Findell for his work experience at the Nuclear Pharmacy upon validation of this experience by his pharmacist-preceptor. The motion passed.

The Secretary next described for the Board the case of Mr. Shahidur Rahman. Mr. Rahman had been a graduate student in the College of Pharmacy at the University of Minnesota but had not received his undergraduate degree from an accredited college. Mr. Rahman was registered briefly as an intern in Minnesota, albeit registered in error. Mr. Rahman is now seeking licensure in the state of New York, which does not require graduation from an accredited college, and wishes to have the time he worked in the capacity of a pharmacist-intern in Minnesota recognized as meeting part of his New York internship requirements. The State of New York has indicated it will not give recognition to the time Mr. Rahman worked under the supervision of a pharmacist in Minnesota unless the Minnesota Board of Pharmacy so recognizes the time. The Secretary has in the past informed Mr. Rahman that because he was registered as an intern in error his time in Minnesota would not be recognized as being valid. Mr. Rahman now, through his attorney, seeks a reconsideration of this decision.

This issue, too, has been brought before the Board's Internship Advisory Committee. The Committee recommends that the Board recognize the time Mr. Rahman worked as an "intern" in Minnesota, but recommends that the Board take the position that this should not be considered precedence setting in that this is a unique situation. After some considerable discussion Mrs. Louise Kortz moved and Mr. Marc Frederickson seconded that the Secretary be instructed to inform the State of New York that the Minnesota Board of Pharmacy will recognize the time Mr. Rahman worked as an intern in Minnesota but that this recognition should not be considered precedence setting in that this is an extremely unique situation. The motion passed.

At this point Board Member Kortz indicated that during the Board's meeting of April, 1978 the Minutes of the March 24th meeting of the Board were not available for review and approval. The minutes of the March 24th meeting of the Board of Pharmacy were now distributed to the Board for their review. After reviewing these minutes Mrs. Kortz moved and Mr. Jones seconded that the minutes be approved as written. The motion passed.

President Hart dismissed the Board for lunch.

Upon returning to the meeting room the Board Secretary and Assistant Secretary for Administrative Affairs reviewed for the Board new personnel rules on travel and expense reimbursement and reviewed with the Board the proper method of completing the required state expense forms.

The Secretary next presented to the Board the request by Mr. Bruce Herold. Mr. Herold is petitioning the Board to retake the full Board examination having exhausted his "free" opportunities over a 14 month period. After a brief discussion Mr. Wangenstein moved and Mr. Jones seconded that Mr. Herold be granted an opportunity to participate in the licensure examination to be conducted by the Board in September of 1978. The motion passed.

The Secretary next presented for the Board's consideration the resolution passed by the National Association of Boards of Pharmacy at its annual meeting of April, 1978. The Board spent some time discussing the suggestion that the patient profile systems and patient counseling by pharmacists be made mandatory parts of the various state practice acts. No action was taken on these issues by the Board at this time.

The Secretary next presented to the Board the letter from NABP regarding the availability of the NABP jurisprudence examination which is based solely on federal pharmacy laws. After some discussion of this examination Mrs. Alcott moved that the consideration of the utilization of the NABP jurisprudence exam be tabled until appropriate for discussion as to its utilization in March 1979 licensure examination.

The Secretary next presented to the Board a recommendation that in that Mr. Allen Conger is now eligible for a one step increase in his salary range and in that Mr. Conger has been satisfactorily meeting the requirements of his position that the one step salary increase be granted. After some discussion

Mrs. Louise Kortz moved and Mr. Wangenstein seconded that the one step increase for Mr. Conger be granted. The motion passed.

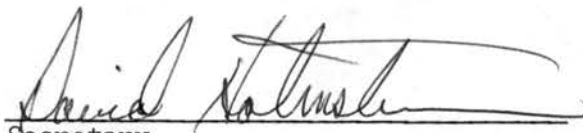

The Board next discussed a calendar of meeting dates for the rest of 1978. The meeting dates established are as follows:

June 13, 1978	--	Reciprocity (Jurisprudence)
June 14, 1978	--	Business meeting
July 24, 1978	--	Hearing
July 25, 1978	--	Business meeting
August, 1978	--	No meeting this month
September 28, 1978	--	Written Examination
September 29, 1978	--	Practical Examination/Reciprocity (Jurisprudence)
September 30, 1978	--	Business Meeting
October 18, 1978	--	Business Meeting
November 29, 1978	--	Business meeting
December, 1978	--	No meeting this month
January 16, 1979	--	Reciprocity (Jurisprudence)
January 17, 1979	--	Business Meeting
February ?, 1979	--	Business Meeting
March 27, 1979	--	Written Examination
March 28, 1979	--	Practical Examination/Reciprocity (Jurisprudence)
March 29, 1979	--	Business Meeting

Board Member Kortz now presented to the Board a proposed guideline from the US Pharmacopeia relating to requirements for expiration dates on unit-dose and single-dose containers. After a brief discussion Mrs. Alcott moved and Mr. Frederickson seconded that the Secretary include the essence of this proposal in the unit-dose guidelines being prepared by the Board of Pharmacy. The motion passed.

The Board next discussed the issue of the abuse of Butyl Nitrite that is apparently occurring in Duluth. Board Member Frederickson and Secretary Holmstrom presented the Board with information regarding this issue. The Board instructed Secretary Holmstrom to explore all avenues open to the Board in dealing with this issue and to consider recommending legislation to deal with the problem during the next legislative session.

At approximately 5:00 p.m. President Hart dismissed the meeting.

Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED THIRTIETH MEETING

June 13, 1978. At approximately 8:00 a.m., June 13, 1978 the Board met in Room 105 of the Minnesota Department of Health Building, 717 Delaware St. SE in Minneapolis for the purpose of administering a written examination in jurisprudence to 34 candidates for reciprocity to Minnesota. In attendance were: Mr. Michael Hart, Mr. Marcus Frederickson, Mr. Thomas Jones, Mr. Thomas Berg, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Ove Wangensteen, and the Board's Secretary Mr. David Holmstrom.

At approximately 9:00 a.m. the Board divided itself into two groups in order to conduct the required oral examination in jurisprudence to the candidates. Each of the following candidates appeared for the oral examination in either Room 305 or Room 408 of the Minnesota Department of Health Building and is seeking reciprocity to Minnesota on the basis of their license in the state indicated.

CANDIDATE	STATE
Marleen Q. Alvig	Nevada
Robert V. Anderson	Michigan
Deborah L. Arbogast	Maryland
Carole A. Benson	Michigan
Susan M. Carlson	North Dakota
James C. Cloyd III	Kentucky
Robert D. Counts	New Mexico
Jean M. Demro	North Dakota
Dan L. Dowling	Iowa
John W. Green	Nebraska
David M. Greymont	Wisconsin
Martin E. Grovdahl	South Dakota
Timothy Harrington	Missouri
Raymond H. Haus	Wisconsin
Barbara L. Hochhauser	Pennsylvania
Remigius Iheaggara	Washington D.C.
Kent L. Johnson	North Dakota
Barry F. Jungwirth	Iowa
Marianne Kiliper	Iowa
Ashok Kohli	Illinois
Janet M. Lane	Iowa
Donalene A. Larsen	South Dakota
Myron W. Larsen	South Dakota
Deborah L. Overcash	Illinois
Gary A. Peters	Wyoming
Annette M. Pletcher	Illinois
Mark M. Rathe	Illinois
Jacklyn R. Rehm	Wisconsin
Lawrence T. Rolle	Illinois
Gregory P. Schepers	Michigan
Duwayne D. Schlittenhard	Illinois
Ralph E. Thonstad	Oregon
Nancy L. Tountas	Maryland
David R. Tschida	Arizona

After a thorough review of the performance of the candidates for licensure by reciprocity, Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that having passed the jurisprudence examination and any other examination that may have been requested of them for reason, the following candidates for licensure by reciprocity be granted such licensure on the basis of their license to practice in the state listed with their name. The motion passed.

The list of names and states of registration are as follows:

<u>CERTIFICATE NO.</u>	<u>NAME</u>	<u>STATE</u>
3065	Carole A. Benson	Michigan
3066	Susan M. Carlson	North Dakota
3067	James C. Cloyd III	Kentucky
3068	Robert D. Counts	New Mexico
3069	Jean M. Demro	North Dakota
3070	John W. Green	Nebraska
3071	David M. Greymont	Wisconsin
3072	Barbara L. Hochhauser	Pennsylvania
3073	Barry F. Jungwirth	Iowa
3074	Myron W. Larsen	South Dakota
3075	Deborah L. Overcash	Illinois
3076	Gary A. Peters	Wyoming
3077	Annette M. Pletcher	Illinois
3078	Mark M. Rathe	Illinois
3079	Jacklyn R. Rehm	Wisconsin
3080	Lawrence T. Rolle	Illinois
3081	Duwayne D. Schlittenhard	Illinois
3082	Ralph E. Thonstad	Oregon
3083	Nancy L. Tountas	Maryland
3084	David R. Tschida	Arizona

Mrs. Kitty Alcott then moved and Mr. Tom Berg then seconded that after a review of the application, records and examinations in the cases of:

Marleen Q. Alvig	Remigius Iheaggara
Robert V. Anderson	Kent L. Johnson
Deborah L. Arbogast	Marianne Kiliper
Dan L. Dowling	Ashok Kohli
Martin E. Grovdahl	Janet M. Lane
Timothy Harrington	Donalene A. Larson
Raymond H. Haus	Gregory P. Schepers

that the privilege of reciprocity be denied to them at this time. The motion passed.

At approximately 4:50 p.m. President Hart adjourned the meeting.

June 14, 1978. At approximately 9:00 a.m. June 14, 1978 the Board met in Room 404 of Coffman Union on the Campus of the University of Minnesota for the

purpose of meeting with representatives from the University of Minnesota College of Pharmacy to discuss the colleges proposed position on the single degree issue.

At approximately 12:30 p.m., June 14, 1978 the Board convened in Room 305 of the Minnesota Department of Health Building, 717 Delaware St. SE, Minneapolis, Minnesota for the purpose of conducting a general business meeting. In attendance were: Mr. Michael Hart, Mr. Marcus Frederickson, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Thomas Berg, Mr. Ove Wangensteen, and the Board's secretary Mr. David Holmstrom.

The first item of business was the review and approval of the minutes of the last meeting. After reviewing the minutes of the last meeting Mrs. Kitty Alcott moved and Mrs. Louise Kortz seconded that the minutes be approved as written. The motion passed.

The next order of business was the review of new pharmacy applications. The first application to come before the Board for review was submitted by Mr. John C. Stanich on behalf of the Outpatient Pharmacy at the University of Minnesota Hospitals. Mrs. Kitty Alcott then moved and Mr. Marc Frederickson seconded that the application submitted by Mr. Stanich be granted preliminary approval with licensure being made subject to the successful completion of an on-site inspection by a member of the Board's staff for compliance with the requirements of Pharmacy Board Regulations 7-12. The motion passed.

The next application to be considered by the Board was submitted by Mr. Thomas A. Thompson on behalf of Thomas Drug in Bemidji, Minnesota. After reviewing this application Mrs. Louise Kortz moved and Mr. Tom Berg seconded that the application submitted by Mr. Thompson be granted preliminary approval with licensure being made subject to successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the requirements of Pharmacy Board Regulations 7-12. The motion passed.

The Board next considered an application submitted by Mr. Donald R. Larson to operate the Clinic Dispensary at the Cuyuna Range Clinic in Crosby, Minnesota. After intensive review and considerable discussion on the application Mr. Thomas Berg moved and Mrs. Kitty Alcott seconded that the Board deny licensure for this pharmacy at this time for the following reasons:

1. From the information submitted the Board cannot determine the uses or sizes of the areas proposed to be adjacent to the licensed area.
2. The Board has serious concerns over the lack of contiguous space for the proposed pharmacy. The Board feels that a single pharmacist could not adequately supervise the scattered areas proposed for licensure and at the same time be on duty in the dispensing area.

The motion passed.

The Board next considered the application submitted by Mr. Ronald Nelson to operate the White Mart #109 in Faribault, Minnesota. After thoroughly reviewing this application Mr. Marc Frederickson moved and Mrs. Kitty Alcott seconded that the application to operate the White Mart Pharmacy in Faribault, Minnesota be granted preliminary approval with licensure being made subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the requirements of Pharmacy Board Regulations 7-12. The motion passed.

The Board next considered the application submitted by Ms. Lynn M. Scott to operate the K-Mart Pharmacy, 4300 Xylon Ave. N. in New Hope, Minnesota. After reviewing this application Mr. Marc Frederickson moved and Mr. Tom Berg seconded that the application to operate the K-Mart Pharmacy in New Hope be granted preliminary approval with licensure being made subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the requirements of Pharmacy Board Regulations 7-12. The motion passed.

The Board next considered the application submitted by Mr. John P. Madura to operate the K-Mart Pharmacy at 5930 Earl Brown Drive in Brooklyn Center, Minnesota. After reviewing this application Mr. Marc Frederickson moved and Mr. Tom Berg seconded that the application to operate the K-Mart Pharmacy in Brooklyn Center be granted preliminary approval with licensure being made subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the requirements of Pharmacy Board Regulations 7-12. The motion passed.

The next application to be considered by the Board was submitted by Mr. Peter McMahon to operate the K-Mart Pharmacy at 4747 Central Ave. NE in Columbia Heights, Minnesota. After reviewing this application Mrs. Louise Kortz moved and Mr. Ove Wangenstein seconded that the application to operate the K-Mart Pharmacy in Columbia Heights be granted preliminary approval with licensure being made subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the requirements of Pharmacy Board Regulations 7-12. The motion passed.

At this point the Secretary presented to the Board the recommendations of the Continuing Education Advisory Committee with regard to continuing education programs submitted to them for approval. After reviewing the documents submitted by the CEAC Mrs. Louise Kortz moved and Mr. Marc Frederickson seconded that the programs recommended for approval by the CEAC be approved for the number of hours indicated and that the programs recommended for non-approval by the CEAC be denied approval. The motion passed.

At this point Secretary Holmstrom presented to the Board a petition by Mr. Gary Winter to retake the licensure examination being given by the Board in September of 1978. After reviewing Mr. Winter's petition to retake Mr. Tom Berg moved and Mr. Marc Frederickson seconded that Mr. Winter be once again allowed to participate in the licensure examination. The motion passed with Mrs. Kitty Alcott abstaining.

The Secretary next presented to the Board a letter from Mr. David Heerwald requesting internship credit for his work experiences he will be obtaining at the Nuclear Pharmacy at the University of Minnesota. After reviewing Mr. Heerwald's letter Mrs. Kitty Alcott moved and Mr. Marc Frederickson seconded that the Secretary inform Mr. Heerwald that his experiences at the Nuclear Pharmacy will be acceptable for use in partially meeting the internship requirements provided that the hours are appropriately documented. The motion passed.

At this time Secretary Holmstrom reviewed for the Board a Memorandum of Understanding that has been established between the FDA and the Virginia Board of Pharmacy. After discussing the advantages and disadvantages of such a Memorandum of Understanding Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that the Secretary initiate communications with FDA regarding the development of a similar type Memorandum of Understanding regarding the inspections of drug wholesalers and manufacturers in Minnesota. The motion passed.

Mrs. Alice Hummer, Assistant Secretary for Administrations, provided the Board with financial information regarding the eligibility of Secretary Holmstrom for the 20¢ per hour cost of living increase granted automatically to all other employees of the Board. After some discussion Mr. Tom Berg moved and Mrs. Louise Kortz seconded that the cost of living increase for Secretary Holmstrom be granted. The motion passed.

Assistant Secretary Hummer next presented to the Board what information is available regarding the performance increase that Secretary Holmstrom becomes eligible for in July of 1978. Mrs. Hummer informed the Board that more exact figures will be forthcoming from the Department of Finance in the near future and with this in mind the Board delayed making a decision on this matter.

At this point Secretary Holmstrom described to the Board his recent correspondence with Mr. William Flohrs regarding his progress in the College of Pharmacy at South Dakota State University, his registration as a pharmacist intern, and his request for internship credit for his employment during the summer of 1978. After thoroughly discussing this issue Mrs. Louise Kortz moved and Mr. Marc Frederickson seconded that in light of the technicalities involved in Mr. Flohrs standing at the South Dakota State University College of Pharmacy internship credit be granted to him for his employment during the summer of 1978 assuming that such employment is appropriately documented and the required internship examinations participated in successfully. The motion passed.

At this point Secretary Holmstrom presented to the Board a summary of his correspondence with Mr. Brent K. Rodenhizer regarding his progress in the College of Pharmacy at North Dakota State University, his registration as a pharmacist intern, and his request for internship credit for his employment during the summer of 1978. After thoroughly discussing this issue Mrs. Louise Kortz moved and Mr. Marc Frederickson seconded that in light of the technicalities

involved in Mr. Rodenhizer's standing at the North Dakota State University College of Pharmacy internship credit be granted to him for his employment during the summer of 1978 assuming that such employment is appropriately documented and the required internship examinations participated in successfully. The motion passed.

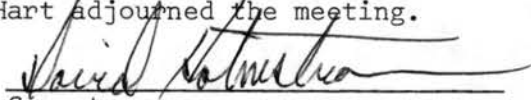

At this point Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the Secretary be instructed to prepare a first draft for some clarifying language to the Board rules regarding college curriculum prerequisites for obtaining internship credit, submit such a draft to the Internship Advisory Committee and request that the committee make recommendations to the Board on this issue. The motion passed.

The Board next considered a letter from Mr. Thomas DeBoer in which he requests internship credits for work at the Hennepin County Poison Center that he participated in under the specialty clerkship available through the College of Pharmacy. Mr. DeBoer is applying for 279 hours of internship experience via the concurrent time/clinical course work allowance. After a brief discussion of the background regarding this request Mrs. Louise Kortz moved and Mr. Ove Wangenstein seconded that Mr. DeBoer be granted 279 hours of internship experience for his time at the Hennepin County Poison Center upon appropriate documentation of this experience. The motion passed.

At this point Secretary Holmstrom explained to the Board the investigation that has been conducted into the Family Treatment Center at Jordan, Minnesota. Secretary Holmstrom explained that the Family Treatment Center, which is a combination of a detox center and a treatment center, had written to the Department of Health requesting a waiver from the prohibition on the storing of legend drugs in the facility. The Minnesota Department of Health granted a waiver to the Family Treatment Center and the center then began storing stock supplies of legend drugs on the premises. Secretary Holmstrom reminded the Board that recent statutory changes allow the storing of stock supplies of legend drugs by detox centers but not by treatment centers and indicated that he will be working with the administrative staff at the Family Treatment Center to assure separation of the detox and treatment areas and drug storage. Secretary Holmstrom also indicated that he will be corresponding with the Minnesota Department of Health asking them under what authority they felt they could grant a waiver to a statutory prohibition, i.e. storage of drugs in treatment centers. No action was taken on this matter at this time.

Secretary Holmstrom next presented to the Board a brief summary of the complaint and preliminary investigation results surrounding non-pharmacist dispensing at the Wabasha Clinic. Secretary Holmstrom indicated that Mr. Don Kostohryz, Chief Investigator for the Health Law Section, issued a preliminary report indicating that he felt compliance could be obtained without necessitating legal action.

At approximately 3:00 p.m. President Hart adjourned the meeting.

Secretary

President

MINNESOTA BOARD OF PHARMACY
FIVE HUNDRED THIRTY-FIRST MEETING

July 24 & 25, 1978.

July 24, 1978. At approximately 9:30 a.m. on July 24, 1978 the Board met in Room 105 of the Minnesota Department of Health Building, 717 Delaware St. SE in Minneapolis for the purpose of conducting a public hearing on proposed rules of the Minnesota Board of Pharmacy. In attendance were Mr. Michael Hart, Mr. Marcus Frederickson, Mr. Thomas Jones, Mr. Thomas Berg, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Ove Wangensteen, and the Board's Secretary Mr. David Holmstrom. Also in attendance were Mr. William Miller, the Board's Attorney and Mr. Peter Erickson, the Hearing Officer who would conduct the hearing. The public hearing began promptly at 9:30 a.m. and continued until approximately 5:00 p.m.

July 25, 1978. At approximately 8:30 a.m. on July 25, 1978 the Minnesota Board of Pharmacy met in room 408 of the Minnesota Department of Health Building for the purpose of conducting a general business meeting. All Board Members and the Board's Executive Secretary were in attendance.

President Hart convened the meeting promptly at 8:30 a.m. with the first order of business being a review and approval of the minutes of the last meeting. After a brief discussion of these minutes Mr. Louise Kortz moved and Mrs. Kitty Alcott seconded that the minutes of the June meeting be approved as written. The motion passed.

The next item to come before the Board were the new pharmacy applications. Before the Board took up any of these specific applications that had been submitted to it Mr. Tom Jones expressed some concern over the extent of review that applicants to conduct new pharmacies are subjected to by the Board. Mr. Jones then moved that the Board screen all applications especially thoroughly and maintain careful surveillance over new pharmacies during their construction and opening procedures due to the haphazard and incomplete applications and plans that are becoming more prevalent among those being submitted to the Board for approval. Ove Wangensteen seconded the motion. The motion passed.

The first application to be presented for approval was for the K-Mart Pharmacy at 1645 Kasota Ave. in St. Paul, Minnesota with Mr. John O. Eaton pharmacist-in-charge. After a careful review of this application Mr. Mark Frederickson moved and Mrs. Kitty Alcott seconded that this application be granted preliminary approval and that licensure be granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The next application to come before the Board for approval was submitted for the K-Mart Pharmacy at 245 E. Maryland Ave. in St. Paul with Mr. Paul Mueller being the pharmacist-in-charge. After reviewing this application and obtaining clarification as to who the pharmacist-in-charge actually will be Mr. Ove Wangensteen moved and Mr. Tom Berg seconded that this application be granted preliminary approval and that licensure be granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The next application to come before the Board was submitted for the K-Mart Pharmacy at 400 E. Traveler Trail in Burnsville, MN with Mr. Rick Januszewski as pharmacist-in-charge. After reviewing this application Mrs. Louise Kortz moved and Mr. Ove Wangenstein seconded that this application be granted preliminary approval and that licensure be granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The next application to come before the Board was an application for the K-Mart Pharmacy at 1101 North Main Street in Austin, MN with Mr. John P. Madura pharmacist-in-charge. After reviewing this application Mr. Marc Frederickson moved and Mr. Tom Jones seconded that this application be granted preliminary approval and that licensure be granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The next application to come before the Board was for the K-Mart Pharmacy, at 17501 Highway 7 in Minnetonka, MN with Ms. Carol Engelman as pharmacist-in-charge. After reviewing this application and obtaining clarification as to who the pharmacist-in-charge actually will be Mr. Ove Wangenstein moved and Mr. Tom Berg seconded that this application be granted preliminary approval and that licensure be granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The sixth application to come before the Board for approval was submitted on behalf of Snyder Brothers Drug at 12587 Central Avenue Northeast in Blaine, MN. The application was submitted by Mr. James B. Linden and no pharmacist-in-charge was designated as of this time. After discussing this application Mrs. Louise Kortz moved and Mr. Tom Berg seconded that the application be granted preliminary approval but that the license not be issued until a pharmacist-in-charge is officially indicated and approved and until members of the Board's staff have conducted an on-site inspection of the physical facility to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The seventh application to come before the Board was for Snyder Brothers Drug at 4132 Lancaster Lane in Plymouth, MN. This application likewise was submitted by Mr. James B. Linden and no pharmacist-in-charge has been designated. After reviewing this application Mrs. Louise Kortz moved and Mr. Tom Berg seconded that the application be granted preliminary approval but that the license not be issued until a pharmacist-in-charge is officially indicated and approved and until members of the Board's staff have conducted an on-site inspection of the physical facility to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The eighth application to come before the Board for approval was that for Johnson Memorial Hospital Pharmacy in Dawson, MN with Mr. Kenneth M. Stringer designated as pharmacist-in-charge. After reviewing this application and expressing some concern over the relatively small area proposed for licensure Mrs. Kitty Alcott moved and Mr. Ove Wangenstein seconded that this application be granted preliminary approval and that licensure be granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The ninth application to come before the Board for approval was that submitted for the Prescription Center, 48 North 29th Ave. in St. Cloud, MN with Mr. Michael H. Broker designated as pharmacist-in-charge. After reviewing this application Mr. Tom Berg moved and Mr. Tom Jones second that this application be granted preliminary approval and that licensure be granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The tenth application to come before the Board was that for Snyder Drug at 201 West Main Street in Albert Lea, MN with the application being submitted by Mr. Kent F. Olson and no permanent pharmacist-in-charge being designated. After reviewing this application Mr. Marc Frederickson moved and Mr. Tom Berg seconded that this application be granted preliminary approval but that the license not be issued until a pharmacist-in-charge is officially indicated and approved and until members of the Board's staff have conducted an on-site inspection of the physical facility to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The eleventh application to come before the Board for approval was that for the Applewood Pharmacy at 322 South First Street in LaCrescent, MN with Mr. Marc Arneson designated as pharmacist-in-charge. After reviewing this application Mr. Tom Berg moved and Mrs. Kitty Alcott seconded that this application be granted preliminary approval and that licensure be granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The last application to come before the Board for approval was that submitted for Sullivan Pharmacy on Highway 14 in Lewiston, MN with Mr. Daniel E. Sullivan designated as pharmacist-in-charge. After reviewing this application Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that this application be granted preliminary approval and that licensure be granted subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The next items to come before the Board for action were petitions by Mr. Gregory and Mrs. Janie Wolf wherein they seek permission to retake the full Board Examination at its next offering in September of 1978. The Secretary explained to the Board that Greg and Janie Wolf have each taken the Board examination two times and have failed to pass the examination. The Wolf's did not choose to participate in the examinations when it was last administered. Under the provisions of the Rules of the Board of Pharmacy an examination may be participated in three times within a fourteen month period without the necessity of petitioning the Board for a further appearance. In the cases of Mr. Gregory and Mrs. Janie Wolf this fourteen month period has elapsed. After a brief discussion of this issue and the performances on past examinations by the petitioners Mr. Thomas Berg moved and Mr. Thomas Jones seconded that Mr. Gregory and Mrs. Janie Wolf both be granted an opportunity to retake the examination. The motion passed.

The next item to come before the Board for action was a report by the Secretary that it has come to his attention that Mr. Gregory Sletten the sole proprietor at Barnsville Drug in Barnsville, MN was supervising both Ms. Jane Fiegum, a post graduate intern and Mr. Douglas Schaaf, a pharmacy student working at Barnsville

Drug as a senior extern. Secretary Holmstrom reported that he contacted Mr. Sletten by phone on June 26, 1978 to confirm this situation. Mrs. Kitty Alcott then moved and Mrs. Louise Kortz seconded that the Secretary prepare the necessary documents to invite Mr. Sletten to discuss this matter with the Pharmacy Review Panel at the earliest possible time. The motion passed.

Mr. Thomas Berg then moved and Mrs. Kitty Alcott seconded that the Secretary also prepare the necessary documents inviting interns Douglas Schaaf and Jane Feigum to also appear before the Pharmacy Review Panel to discuss this issue. The motion passed.

The next item to come before the Board for action were the recommendations of the Continuing Education Advisory Council Subcommittee regarding continuing education programs recommended for approval. After reviewing the subcommittees recommendations Mr. Thomas Berg moved and Mrs. Louise Kortz seconded that the programs recommended for approval by the subcommittee be so approved by the Board and that those programs recommended for non-approval by the subcommittee be non-approved by the Board. The motion passed.

The next item to come before the Board for action is a letter from Ms. Patricia Seifert requesting the Board to waive certain of its requirements for reciprocity and grant her the opportunity to sit for the reciprocity examination at its next offering. After some considerable discussion on this issue Mr. Thomas Berg moved and Mrs. Louise Kortz seconded that the Board waive the reciprocity requirements in question and grant Ms. Seifert the opportunity to participate in the next reciprocity examination. At this point Mrs. Kitty Alcott offered a substitute motion. The substitute motion would call upon Secretary Holmstrom to inform Ms. Seifert that she may participate in the full Board examination when it is offered in September but not the reciprocity examination being offered in September on the grounds that the Minnesota Board of Pharmacy cannot and should not waive National Reciprocity Standards and that Ms. Seifert has very nearly met the requirements for participation in the full Board examination and would not require the waiving of substantive requirements as would be the case in reciprocity. Mr. Thomas Berg seconded this substitute motion. The substitute motion passed and was substituted for the original motion. The vote on the merits of the substitute motion then also passed unanimously.

The Secretary next reported on the findings of the Board's Pharmacy Surveyors regarding the compliance on the part of drug manufacturers with Minnesota's requirement to identify the manufacturer of the finished dosage form of the product on each container. The Board found that compliance on the part of Purepac Laboratories was notably poor while compliance on the part of most other manufacturers was generally good. Mrs. Kitty Alcott moved and Mr. Thomas Jones seconded that Secretary Holmstrom be instructed to write to Purepac Laboratories requesting the identity of the manufacturer of the finished dosage form on the products found to be in non-compliance and to demand a response by Purepac Laboratories within 20 days. Failure to respond to this request on the part of the Board by Purepac Laboratories would result in the Board's embargoing of the products listed on the grounds that they are misbranded under Minnesota Law. The motion passed.

Secretary Holmstrom next brought to the attention of the Board the fact that he has probable cause to believe that violations of the Controlled Substances Act may have occurred and may be occurring at Zipps Pharmacy at 4956 34th Ave. S. in Minneapolis. Mrs. Kitty Alcott then moved and Mr. Marc Frederickson seconded that the Pharmacy Board Surveyors be directed to audit the controlled substances at Zipps Pharmacy and report their findings to the Secretary and further that:

"David E. Holmstrom, Secretary of the Minnesota Board of Pharmacy, be and hereby is granted the authority to and is directed to serve notice of the initiation of a contested case in the matter of Zipps Pharmacy and Mr. Donald Forchay as well as perform any and all acts incidental thereto, including the signing of the order for and notice of pre-hearing conference and hearing."

The motion passed.

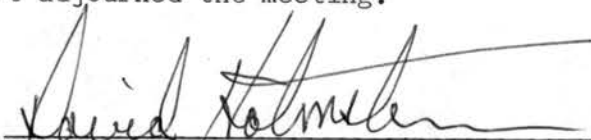

The Secretary next reported the results of an audit conducted on Thrifty Snyder Drug in Hibbing, MN. After hearing the Secretary's report on the audit findings Mrs. Kitty Alcott moved and Mrs. Louise Kortz seconded that Mr. Mark Johnson, pharmacist-in-charge at Thrifty Snyder Drug in Hibbing, MN, be invited to appear before the Pharmacy Review Panel and discuss the findings of the controlled substances audit. The motion passed.

The Board next questioned the Secretary as to the status of the prescribing of Dr. Gilbertson from the University of Minnesota and the position of pharmacist Wilford Schneider, pharmacist-in-charge of Harvard Drug, regarding the filling of these prescriptions. After a brief discussion Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that pharmacist Wilford Schneider be invited to appear before the Pharmacy Review Panel to discuss his responsibilities in monitoring controlled substance prescribing regardless of who the prescriber is. The motion passed.

The discussion carried on by the Board at the June 14th meeting by Assistant Secretary Alice Hummer regarding the salary adjustment for which Secretary Holmstrom was eligible was called to the attention of President Hart who was informed that his signature was needed on the appropriate documents. President Hart authorized his signature to be placed on the documents through Mrs. Hummer as soon as the documents granting the salary adjustment was prepared.

Secretary Holmstrom next presented to the Board various informational items he had placed in their respective folders. These items are informational only and did not require any Board action.

At approximately 1:00 p.m. President Hart adjourned the meeting.

Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED THIRTY-SECOND MEETING

At approximately 8:00 a.m. on Thursday, September 7, 1978 the Board met to participate in the District V NABP/AACP Meeting being held in Moorhead, MN. In attendance were: Mr. Michael Hart, Mr. Marcus Frederickson, Mr. Thomas Jones, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Tom Berg, and the Board's Secretary Mr. David Holmstrom. The meeting continued until 5:00 p.m.

At approximately 8:00 a.m. on Friday, September 8, 1978 the Board again convened in Moorhead, MN for the conclusion of the District V NABP/AACP Meeting. This meeting concluded at approximately 12:00 noon.

At 12:00 noon President Hart convened a short business meeting. The first item on the agenda was new pharmacy applications.

The first application was submitted by Mr. Donald G. Soltis to operate the Atwater Drug, 3rd and Atlantic, Atwater, MN. After reviewing Mr. Soltis' application and the plans for the proposed Atwater Drug Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the application be granted preliminary approval and that a license be issued subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharm Regs 7-12. The motion passed.

The next application to come before the Board was submitted by Mr. Larry D. Kenyon to operate the Swift County Benson Hospital Pharmacy, 1815 Wisconsin Avenue, Benson, MN. After reviewing Mr. Kenyon's application and the plans for the proposed Swift County Benson Hospital Pharmacy Mr. Tom Berg moved and Mr. Marc Frederickson seconded that the application be granted preliminary approval and that a license be issued subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharm Regs 7-12. The motion passed.

The next application to come before the Board was submitted by Mr. Kent F. Olson to operate Snyders Drug Store, 757 N. Milton Street, St. Paul, MN. Upon review of this application and the plans submitted therewith the Board concluded that it could not accurately determine the exact dimensions of the proposed pharmacy and requested Secretary Holmstrom to obtain the exact dimensions from Mr. Olson and resubmit the application to the Board at its next regularly scheduled meeting.

The next application to come before the Board was submitted by Mr. Keith Hayford to operate the Target Pharmacy, 1744 Suburban Avenue, St. Paul, MN. After carefully reviewing Mr. Hayford's application and the plans for the proposed Target Pharmacy Mrs. Kitty Alcott moved and Mr. Marc Frederickson seconded that the application be granted preliminary approval and that a license be issued subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharm Regs 7-12. The motion passed.

The next application to come before the Board was submitted by Mr. James M. Koppen to operate Koppen Snyder Drug, Pine Plaza Shopping Center, Pine City, MN. After carefully reviewing Mr. Koppen's application and the plans for the Koppen Snyder Drug Mrs. Louise Kortz moved and Mr. Marc Frederickson seconded that the application be granted preliminary approval and that a license be issued subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharm Regs 7-12. The motion passed.

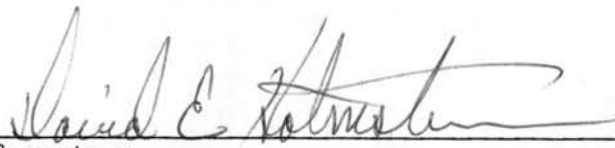

Secretary Holmstrom next presented to the Board the case of Mr. Thomas J. Fischbach. Mr. Fischbach submitted a transcript that he obtained from the University of Minnesota in December of 1977 to the Board along with his application to participate in the September Board Examination. This transcript indicates that Mr. Fischbach graduated with a BS in Pharmacy in June of 1976 subsequent to the receipt of this transcript Secretary Holmstrom learned from the College of Pharmacy that Mr. Fischbach had an incomplete in the Orientation to Pharmacy course and the records of the College of Pharmacy indicate that the incomplete was not made up until June of 1978 resulting in the completion of the requirements for graduation in July of 1978. In addition to this anomaly it appears that there is no record of Mr. Fischbach's participation in any internship programs between 1976 and 1978. After discussing the Fischbach matter for some time the Board instructed Secretary Holmstrom to contact Mr. Fischbach and ascertain his whereabouts between 1976 and 1978 and request Mr. Fischbach to obtain a more recent transcript from the University of Minnesota. After Secretary Holmstrom presents his findings on these matters to the Board the Board will be in a better position to address Mr. Fischbach's petition.

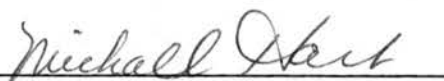

The Board next discussed the issue of Ms. Patricia Seifert. Ms. Seifert is a registered Pharmacist in Iowa but has not been licensed there for the one year period of time necessary for reciprocity purposes. Ms. Seifert has petitioned the Board to waive the one year requirement for reciprocity due to circumstances which require her to become licensed in Minnesota at the earliest possible time. At its last meeting the Board addressed this issue and took a position that it could not and would not waive the one year reciprocity requirements but informed Ms. Seifert that she would be allowed to participate in the full Board examination being administered September 29 and 30, 1978. Ms. Seifert now requests the Board to reconsider this decision. After some discussion on the issue Mr. Tom Berg moved that Patricia Seifert be allowed to sit for the reciprocity exam in September through a waiver on the part of the Board of the one year licensure requirement. The motion was seconded by Mr. Thomas Jones. During the discussion on the motion Mrs. Kitty Alcott proposed a substitute motion which Mr. Berg accepted. The substitute motion indicated that the Minnesota Board of Pharmacy would accept Ms. Seifert's raw scores from the NAPLEX examination she participated in in Iowa and would accept post licensure experience in Iowa as equivalent to the amount of internship time that she is short in meeting Minnesota requirements and require only that Ms. Seifert participate successfully in the wet lab and jurisprudence examinations on September 30, 1978 in order to meet the examination participation requirement allowing the possibility of licensure by exam in Minnesota. The motion passed.

Mrs. Louise Kortz then moved that the Minnesota Board of Pharmacy accept NABPLEX scores from other states and require participation only in the wet lab and jurisprudence examinations when candidates have completed the NABPLEX exam in another state but do not qualify for reciprocity. The motion was not seconded and was subsequently withdrawn by Mrs. Kortz. Mrs. Kortz then moved and Mr. Tom Jones seconded that Secretary Holmstrom be instructed to review all of the candidates for the September examination and reconsider and re-evaluate those who fall into a category similar to that of Ms. Seifert. This motion passed.

At this point an additional new pharmacy application was discussed and Mrs. Louise Kortz moved and Mr. Marc Frederickson seconded that the application submitted by Mr. Michael Hart for Hart Drug, 810 South Lake, Forest Lake, MN be granted preliminary approval and that a license be issued subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharm Regs 7-12. The motion passed.

At approximately 12:45 p.m. the meeting was adjourned.

Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED THIRTY-THIRD MEETING

September 29, 1978. At approximately 8:00 a.m. September 29, 1978 the Board met at the Board Room of the Minnesota Department of Health Building, 717 Delaware St. SE for the purposes of administering the written and oral examinations for reciprocity candidates to Minnesota. At the same time Board Secretary David Holmstrom and the Board's inspectors Mr. Merlin Beise, Mr. Allen Conger and Mr. Lloyd Pekas met at Coffman Union at the University of Minnesota campus for the purpose of administering a written examination in pharmacy, chemistry, mathematics, and pharmacology. Both the reciprocity examinations administered by the Board and the written full Board examinations administered by Board staff lasted the entire day.

At approximately 8:30 o'clock the Board divided itself into two groups in order to conduct the required oral examination in jurisprudence to the reciprocity candidates. Each of the following candidates appeared for the oral examination in either room 305 or room 408 of the Minnesota Department of Health Building and is seeking reciprocity to Minnesota on the basis of their license in the state indicated.

CANDIDATE	STATE
Marleen Q. Alvig	Nevada
Robert V. Anderson	Michigan
Lary R. Armentrout	Iowa
Joann D. Athmann	North Dakota
Gail E. Baldwin	Indiana
Sr. Maureen Blenkush	North Dakota
Donald L. Brosnahan	Maryland
Thomas A. Dockendorf	Utah
Kurt R. Drawz	North Dakota
Lana E. Dykstra	Kentucky
Susan S. Fish	Massachusetts
Warren E. Fowler	Kansas
Thomas L. Gates	North Dakota
Timothy R. Harrington	Missouri
Raymond H. Haus	Wisconsin
Remigius N. Iheaggara	Washington, DC
Kent L. Johnson	North Dakota
Kathleen Johnsrud	South Dakota
Marianne W. Kiliper	Iowa
Janet L. Kinney	Illinois
Ashok Kohli	Illinois
Burton G. Lade	North Dakota
Janet M. Lane	Iowa
Donalene A. Larsen	South Dakota
Curtis A. Larson	North Dakota
Rex S. Lott	Washington
Marion J. McCormack	South Dakota
Jerry E. Nygren	Nebraska
C. Edward Owens	Iowa
Bruce C. Ramquist	Illinois
Joanne M. Rose	North Dakota

CANDIDATE	STATE
Helen A. Russell	Indiana
Gregory P. Schepers	Michigan
Rickie R. Shaw	North Dakota
Terri M. Sipe	North Dakota
Steven C. Sobczak	North Dakota
Thomas G. Stensland	New Mexico
Jeri A. Thonstad	Oregon
Ann M. Toscano	New York

The following candidates who have met all the necessary requirements and who have presented properly executed applications, were present to write the five written examinations administered as part of the full board exam as indicated above:

Mary L. Arndt	Deborah L. Gregg
Gerald J. Bahe	Ronald J. Grothe
Steven H. Baker	Gail C. Hadac
Randy D. Bartz	Myron W. Haldy
Warren G. Batzlaff	Brian C. Hall
Peter R. Bauer	Jeffrey T. Hane
William J. Beardsley	Bradley J. Harlan
Alan W. Bengtson	Richard J. Hayney
Karen J. Bergrud	Sarah M. Henderson
Thomas J. Boock	Dave A. Hewitt
Michael D. Carlson	David M. Hiller
Kathryn L. Christianson	Terry M. Huguet
David M. Craig	Debra A. Jahnke
Joan G. Dahlen	Craig D. Johnson
Larry A. Dahlen	Margaret A. Johnson
Eve L. Denny	Patrick A. Johnson
Mark D. Dixon	Stanley R. Johnston
Kay L. Dvorak	Gregory W. Judnick
J. A. Dziewieczynski	Donald J. Kellerman
William A. Ehlers	Patricia J. Kihm
Mark R. Ehlert	Susan F. Kirschbaum
Rebecca L. Engelstad	Michael A. Kohlrusch
Jan L. Erickson	Luanne M. Kubes
Valerie J. Field	Lester O. LaRoche
Edward W. Findell	Brian L. LaRowe
Thomas J. Fischbach	Jeffrey C. Lee
Mary E. Fitzpatrick	John V. Lindberg
Christine M. Floeder	Ann M. Ludwig
Barbara K. Folden	Janet J. Madsen
James A. Folden	Jon E. Marcaccini
Linnea R. Forsell	Jeffrey A. Martens
Thomas E. Gallus	Monte L. Martens
David E. Gangeness	LuAnn L. Mattke
DeAnne M. Geronime	Debbra L. Mattson
Christie A. Goessel	Thomas A. Merten
Gerald S. Grapentine	Diane M. Metzler

Darwyn M. Smith
Randal M. Smith
Timothy B. Snyder
Michael W. Spahn
Gary A. Sperl
Mark A. Stalzer
Richard L. Stambaugh
Diane M. Starks
Vicki A. Stock
Carol A. Taber
Samuel J. Testa
Deanna D. Tulkki
Susan M. Vander Aarde
Denise K. Walinski
Neal F. Walker
Jeffrey B. Walling
Barbara M. Wang
Dennis J. Wanzek
Roger A. Warndahl
David G. Webster
Jeffrey E. Wick
James P. Winter
Michael G. Wokasch
Dale K. Yu
John L. Zenk
Michael D. Ziebell
Elizabeth M. Zola

The following full Board retake candidates were also present to write the examination:

Rena K. Berowski
Bruce R. Herold
Christine J. Kahle
Teresa B. H. Knowlen
David J. Light
Joseph V. Miller, Jr.

Diane M. Murphy
Richard O. Olson
Jeffrey L. Parlanti
Richard J. Peters
Gary B. Winter
Gregory J. Wolf
Janie P. Wolf

The following written retake candidate was also present to write the examination:

Virginia E. LeMay

At approximately 8:00 a.m. on September 30, 1978 the Board met at the College of Pharmacy at the University of Minnesota Campus for the purpose of administering a practical examination in prescription compounding and family record and written examinations in jurisprudence and the practice of pharmacy generally. Once again all Board Members were present as was the Board's Secretary Mr. David Holmstrom. The examinations lasted the entire day.

The candidates who were present for the written examinations given yesterday, with the exception of the written retake candidate, were also present today to participate in the practical examination. In addition the following candidates were also present to write this portion of the examination:

Benjamin W. Chaska
Lloyd K. Jessen

Jeffrey L. Parlanti
Nancy J. Russillo
Patricia J. Seifert

At approximately 9:30 a.m. Sunday, October 1, 1978 the Board met in room 305 of the Minnesota Department of Health Building, 717 Delaware St. SE, for the purpose of grading the practical examination and for the purpose of conducting a brief general business meeting. In attendance were President Michael Hart, Vice President Marcus Frederickson, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Thomas Berg, Mr. Ove Wangensteen, and the Board's Secretary Mr. David Holmstrom.

After a thorough review of the performance of the candidates for licensure by reciprocity, Mr. Ove Wangensteen moved and Mr. Marc Frederickson seconded that having passed the jurisprudence examination and any other examination that may have been requested of them for reason, the following candidates for licensure by reciprocity be granted such licensure on the basis of their license to practice pharmacy in the state listed with their name. The motion passed.

The list of names and states of registration are as follows:

<u>CERTIFICATE NO.</u>	<u>NAME</u>	<u>STATE</u>
3085	Marleen Q. Alvig	Nevada
3086	Robert V. Anderson	Michigan
3087	Gail E. Baldwin	Indiana
3088	Sister Maureen Blenkush	North Dakota
3089	Lana E. Dykstra	Kentucky
3090	Susan S. Fish	Massachusetts
3091	Warren E. Fowler	Kansas
3092	Thomas L. Gates	North Dakota
3093	Timothy R. Harrington	Missouri
3094	Kent L. Johnson	North Dakota
3095	Kathleen M. Johnsrud	South Dakota
3096	Marianne W. Kiliper	Iowa
3097	Ashok Kohli	Illinois
3098	Burton G. Lade	North Dakota
3099	Janet M. Lane	Iowa
3100	Donalene A. Larsen	South Dakota
3101	Curtis A. Larson	North Dakota
3102	Rex S. Lott	Washington

CERTIFICATE NO.	NAME	STATE
3103	Marion J. McCormack	South Dakota
3104	Jerry E. Nygren	Nebraska
3105	Joanne M. Rose	North Dakota
3106	Gregory P. Schepers	Missouri
3107	Terri M. Sipe	North Dakota
3108	Steven C. Sobczak	North Dakota
3109	Jeri A. Thonstad	Oregon
3110	Ann M. Toscano	New York

Mr. Ove Wangensteen then moved and Mr. Marc Frederickson seconded that after a review of the application, records, and examination performances in the cases of:

Lary R. Armentrout	Janet L. Kinney
Joann D. Athmann	C. Edward Owens
Donald L. Brosnahan	Bruce C. Ramquist
Thomas A. Dockendorf	Helen Russell
Kurt R. Drawz	Rickie R. Shaw
Raymond H. Haus	Thomas G. Stensland
Remigius N. Iheaggara	

that the privilege of reciprocity be denied to them at this time. The motion passed.

The Secretary next reported to the Board the substance of a letter of complaint regarding pharmacist Vernon Lee and Malmo Drug of Silver Bay, Minnesota. After hearing the Secretary's report Mr. Ove Wangensteen moved and Mr. Thomas Berg seconded that Mr. Lee be invited to appear before the Pharmacy Review Panel to discuss the letter of complaint and the findings of Pharmacy Board Surveyor Lloyd Pekas regarding the operation of Malmo Drug without the required pharmacist being present and on duty. The motion passed.

The Secretary next reported to the Board the essence of an inspection report involving pharmacist Larry Engen and Engen Drug of Carlstad, Minnesota. After hearing the Secretary's report Mr. Thomas Berg moved and Mr. Marc Frederickson seconded that Mr. Engen be invited to appear before the Pharmacy Review Panel to discuss his non-compliance with the recommendations made by the Pharmacy Board Surveyors one year ago. The motion passed.

The Board next took up the new pharmacy applications. The first application to be presented for approval was for the Plaza Pharmacy at 501 Main Street, Elk River, Minnesota with Ms. Laura J. Rapienski pharmacist-in-charge. After careful review of this application Mrs. Louise Kortz moved and Mr. Ove Wangensteen seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The next application to come before the Board for approval was submitted for Parkway Plaza Drug, 3000 White Bear Avenue, Maplewood, Minnesota with Mr. Wayne Thomas being the pharmacist-in-charge. After a careful review of this application Mrs. Louise Kortz moved and Mr. Ove Wangenstein seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The next application to come before the Board for approval was submitted for Snyders Drug Store, 757 N. Milton St., St. Paul, Minnesota with Mr. Kent Olson designated as the pharmacist-in-charge. After careful review of this application Mrs. Louise Kortz moved and Mr. Ove Wangenstein seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The next application to come before the Board for approval was submitted for the K Mart Pharmacy, 1640 S. Robert St. in West St. Paul, Minnesota with Ms. Rachel Jordahl the pharmacist-in-charge. After careful review of this application Mrs. Louise Kortz again moved and Mr. Ove Wangenstein again seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The final application to come before the Board for approval was submitted for Roberts Drug, Inc. #6 at 1750-14 Weir Drive, Woodbury, Minnesota with Mr. Ken Henjum the pharmacist-in-charge. After careful review of this application Mrs. Louise Kortz moved and Mr. Ove Wangenstein seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The final act of business taken by the Board at this time was to cancel the previously established meeting on October 18 and reschedule it for November 1 at which time it is hoped that the grades for the written sections of the NABPLEX examination will be available for Board action. At approximately 5:15 p.m. President Hart dismissed the meeting.

Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED THIRTY-FOURTH MEETING

November 1, 1978. At approximately 9:30 a.m., November 1, 1978 the Board met in room 305 of the Minnesota Department of Health Building, 717 Delaware St. SE, for the purpose of conducting a regular business meeting. In attendance were: Board President Michael Hart, Vice President Marcus Frederickson, Mr. Thomas Jones, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Thomas Berg and Mr. Ove Wangensteen. Also in attendance was the Board's Secretary Mr. David Holmstrom.

The first item of business was a review of the minutes of the meetings of September 7 and September 29. Mr. Marc Frederickson moved and Mr. Tom Jones seconded that the Minutes of the meeting of September 7 be approved as written. The motion passed. Mr. Tom Berg moved and Mr. Ove Wangensteen seconded that the minutes of the meeting of September 29 be approved as written. The motion passed.

The Board next took up the new pharmacy applications. The first application to be presented for approval was for the Arden Plaza Pharmacy, 3533 N. Lexington, Arden Hills, MN with Mr. Charles Erickson pharmacist-in-charge. After a careful review of this application Mrs. Kitty Alcott moved and Mrs. Louise Kortz seconded that the application be granted preliminary approval and that licensure be granted subject to the submission by Mr. Erickson of the required corporation papers and subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The next application to come before the Board for approval was submitted for Snyder Drug, 12415 Central Ave. NE, Blaine, MN with Mr. L. Joseph Rudnicki being the pharmacist-in-charge. After a careful review of this application Mrs. Kitty Alcott moved and Mr. Marc Frederickson seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The Secretary next presented to the Board a list of continuing education programs which have been reviewed by the Board's CE Advisory Committee. The committee has included on the list its recommendations either to accept for credit or reject the programs listed. After reviewing these programs Mr. Marc Frederickson moved and Mr. Tom Berg seconded that those programs recommended for approval by the CE Advisory Committee be approved and that those programs recommended for rejection be rejected. The motion passed.

The Secretary next presented to the Board a letter from Mr. Jack Berttula, Pharmacist at Medical Health Pharmacy, requesting that the Board consider authorizing a "PRN" section in unit dose dispensing systems. After considerable discussion on this issue Mrs. Kitty Alcott moved and Mrs. Louise Kortz seconded that further consideration of this issue be tabled until the Board receives an act on the recommendations of the Hearing Examiner regarding its proposed guidelines for the use of unit-dose dispensing systems. The motion passed with Mr. Thomas Berg voting in opposition.

At this point Mr. Warren Hunter, a Minnesota pharmacist, and Mr. Phillip Holman entered the meeting room.

The Secretary next presented to the Board a letter from one Kingsley Holman, Attorney at Law, who indicated that he represented a client who was interested in establishing a mail order prescription service in Minnesota. In the course of discussing this presentation by Mr. Kingsley Holman it was learned that the client interested in establishing such a pharmacy was Mr. Hunter. After discussing the issue the Board pointed out to Mr. Hunter and Mr. Holman that current Board regulations prohibit the soliciting of prescriptions by mail. The regulation likewise prohibits the dispensing of prescriptions so solicited. The Board pointed out to Mr. Hunter that it believes the intent of this regulation was to ensure a pharmacist/patient/physician interrelationship, a relationship designed to protect and benefit the patient. The Board indicated that it feels quite strongly that the direct pharmacist/patient relationship must be preserved and, in fact, strengthened where possible. The Board pointed out that the entire trend in Pharmacy practice today is towards a more clinical approach to patient care and that the direct pharmacist/patient/doctor relationship is the keystone to this clinical approach. The Board indicated that in light of this position and in light of the current Board regulation it would not approve an application to conduct a mail-order pharmacy in Minnesota. At this point Mr. Hunter and Mr. Holman left the meeting.

At this time Secretary Holmstrom presented to the Board a letter from Mr. Charles Peterson of the Hennepin Poison Center. Mr. Peterson suggests in his letter that the Board consider amending our current labeling requirements to provide that the number of tablets or capsules contained in each prescription be included on the information appearing on the prescription label. In its discussion on this issue the Board pointed out that even if the quantity originally dispensed were printed on the label and that prescription was involved in an accidental or intentional overdose ingestion the physician's at the Hennepin Poison Center would still not know exactly how many tablets or capsules were in the container at the time of the ingestion. After continued discussion Mr. Tom Jones moved and Mr. Tom Berg seconded that the Secretary refer this issue to the Minnesota State Pharmaceutical Association and seek a position statement from that organization on this issue. The motion passed.

At this time President Hart dismissed the Board for lunch.

At approximately 1:00 p.m. the Board reconvened in room 305. The first item presented to the Board for consideration was a position statement from the Minnesota State Pharmaceutical Association House of Delegates concerning inactive status licensure. After considerable discussion on this issue and the alternatives surrounding it Mr. Tom Berg moved and Mr. Tom Jones seconded that Secretary Holmstrom advise MSPHA that the Board of Pharmacy supports their position regarding "inactive" pharmacists. The motion passed.

Secretary Holmstrom next presented to the Board information that has come to his attention regarding the very strict reciprocity requirements being implemented in New York State. After some discussion on this issue Mrs. Alcott moved and Mr. Jones seconded that Secretary Holmstrom contact Mr. Albert Sica, Secretary of the New York Board of Pharmacy, and discuss this issue with him. The motion passed.

The Secretary next presented to the Board a letter from Mr. Harold E. Linsten and an accompanying letter from Mrs. Gertrude P. Erickson. Mrs. Erickson is the administrator of the Little Fork Municipal Hospital. Mr. Linsten is a pharmacist licensed to practice in the State of Washington and who desires to become licensed to practice pharmacy in Minnesota. The essence of the letters of Mr. Linsten and Ms. Erickson are that they are requesting the Board to consider Mr. Linsten as a special situation and allow him to become licensed at a date earlier than would be possible under normal circumstances. After discussing the issue it was the consensus of the Board that Secretary Holmstrom inform Mr. Linsten that no special considerations will be made in his instance and that he may, should he choose to do so, participate in the full Board examination being offered in March of 1979.

The Secretary next presented to the Board a letter sent to Ms. Evelyn Johnston regarding her reinstatement in Minnesota. Ms. Johnston last renewed her license to practice pharmacy in Minnesota in 1974. Secretary Holmstrom indicated that he desired the Board to review its previous decisions in this area and reestablish for the record its policies here. After reviewing its previous position statements in this area the Board informed Secretary Holmstrom that it continued to take the position that requests for reinstatement beyond the two year statutorily allowed reinstatement period be handled on an individual basis by the Board.

The Secretary next presented to the Board a letter from pharmacist Joseph R. Wesley of Hutchinson. Mr. Wesley seeks a statement from the Board as to the possibility of a pharmacist conducting a "seasonal pharmacy" in Minnesota. After some discussion President Hart informed Secretary Holmstrom that he should contact Mr. Wesley and inform him that no special "seasonal pharmacy" permission would be granted but that a pharmacist may produce a de facto seasonal pharmacy simply by opening a new pharmacy following the standard procedures and after a brief period of time close the new pharmacy again following the standard procedures.

Secretary Holmstrom next presented to the Board a copy of a letter he received from the Nevada Board of Pharmacy in which the Nevada Board states its position to NABP regarding proposed constitutional amendments to the NABP constitution. After some discussion of this issue President Hart instructed Secretary Holmstrom to write to the Nevada Board indicating support for their position.

The Secretary next presented to the Board a letter received from Mr. Albert Eros of Stonewall, Manitoba in Canada. Mr. Eros indicates that he is a pharmacy graduate from the University of Manitoba and has worked as a licensed pharmacist in Manitoba from 1976 to the present time. Mr. Eros indicates that he will be attending the University of Minnesota in Minneapolis for the next three years pursuing the Doctor of Pharmacy program. Mr. Eros asks whether it will be possible for him to become a registered pharmacist in the State of Minnesota and if so what steps must be taken and what documents will be required. After some discussion of the requirements for licensure in the State of Minnesota by the Board President Hart instructed Secretary Holmstrom to contact Mr. Eros and inform him that he may sit for the licensure examination in Minnesota, assuming he meets all the other requirements, after he receives his Pharm D degree. Secretary Holmstrom was further instructed to inform Mr. Eros that he may, at this time, register as a pharmacist-intern so that he may work toward the completion of the required internship.

This decision is based on the Board analysis that in order for Mr. Eros to be admitted to the Pharm D program the College of Pharmacy at the University of Minnesota must consider his College Curriculum from the University of Manitoba to be equivalent to that of the curriculum at the University of Minnesota.

Secretary Holmstrom next presented to the Board a letter from Mr. Donald Brosnahan and an accompanying letter from Mr. Bob Willardson on behalf of Mr. Brosnahan. The essence of these letters was to request special consideration for Mr. Brosnahan, consideration which would allow him to participate in a special reciprocity examination conducted prior to the time of the next regularly scheduled reciprocity exam. After a brief discussion President Hart requested that Secretary Holmstrom contact Mr. Brosnahan and inform him that no special considerations will be made at this time but that he may reapply for the reciprocity examination scheduled for January 16, 1979.

The Board next began a discussion of Board participation in NABP Annual Meetings and NABP Maxi-schools. Mr. Tom Berg moved and Mrs. Kitty Alcott seconded that the Board send, at Board expense, three persons annually to the NABP Maxi-school. These persons, beginning with the Maxi-school in 1980, will be the second-year Board member or members and one or two staff persons. The motion passed.

Secretary Holmstrom next presented to the Board a brief review of the agreements reached with the Pharmacist participants at the Pharmacy Review Panel Meetings recently conducted.

Secretary Holmstrom next presented to the Board the monthly inspectors worksheets which were reviewed by the Board members. Upon questioning some of the indications on the reports the Board was informed of the complaint received regarding the refilling of prescriptions without authorization at the K-Mart Pharmacy in Minnetonka, MN. Mr. Tom Berg then moved and Mr. Ove Wangenstein seconded that Pharmacist Carol Engelman and Douglas Darling be scheduled to meet with the Pharmacy Review Panel to discuss these activities. The motion passed.

The Board next discussed the lack of response from Pure-pac Laboratories regarding the request made of it to supply the Board with the identity of the true manufacturer of several of their products. After discussing this issue Mrs. Kitty Alcott moved and Mr. Ove Wangenstein seconded that the Board move to embargo as misbranded those Pure-pac drug products not labeled as to the identity of the true manufacturer as is required by Minnesota Law. The motion passed.

The Board next turned its attention to the grading of the September Board Examinations and Secretary Holmstrom described for the Board the computerized grading system available through ETS and NABP. After some discussion of the lack of cooperation from NABP regarding options available to the states in grading the NABPLEX examination Mr. Tom Jones moved and Mr. Tom Berg seconded that candidates who received a general average of 75% or better, not less than 75% in their practical examination and not less than 70% in any one written subject based at 2.0 standard deviations as provided by ETS be granted registration as pharmacists. After discussing this motion Mr. Marc Frederickson moved to

table the motion and instruct Secretary Holmstrom to obtain more information regarding the Board's options in this area and the directions being taken by other states. Mrs. Kitty Alcott seconded this motion. The motion passed with Mr. Tom Jones voting in opposition.

Mr. Tom Berg then moved and Mrs. Kitty Alcott seconded that the candidates who received a general average of 75% or better, not less than 75% in their practical examination and not less than 60% in any one written subject be granted registration as pharmacists. The motion passed with Mr. Jones voting in opposition.

The candidates to successfully pass the jurisprudence and wet lab portions of the examination and whose NABPLEX grades from other states were accepted by the Board for October 1 licensure are as follows:

<u>CERTIFICATE NUMBER</u>	<u>NAME</u>
3111	Benjamin W. Chaska
3112	Lloyd K. Jessen
3113	Jeffrey L. Parlanti
3114	Nancy J. Russillo
3115	Patricia J. Seifert

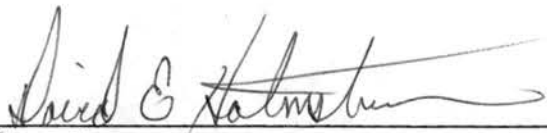

The candidates who participated in the complete examination and successfully passed the same are as follows:

		3257	Dale K. Yu
		3259	John L. Zenk
		3260	Michael D. Ziebell
		3261	Elizabeth M. Zola

The Board then briefly discussed whether to continue to accept the NABPLEX scores from other states. Mr. Marc Frederickson moved and Mrs. Louise Kortz seconded that the Board continue to accept raw score grades from any NABPLEX examination participated in by the candidate within the previous 12 months and apply those scores to Minnesota standards for the same portions of the examinations administered in Minnesota. The motion passed.

There being no further business at this time President Hart dismissed the meeting.

Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED THIRTY-FIFTH MEETING

November 29, 1978. At approximately 9:30 a.m., November 1, 1978 the Board met in room 305 of the Minnesota Department of Health Building, 717 Delaware Street SE, for the purpose of conducting a regular business meeting. In attendance were: Board President Michael Hart, Vice-President Marcus Frederickson, Mr. Thomas Jones, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Thomas Berg, and Mr. Ove Wangenstein. Also in attendance was the Board's Secretary Mr. David Holmstrom.

The first item of business was a review of the minutes of the meeting of November 1, 1978. Mr. Tom Berg moved and Mr. Ove Wangenstein seconded that the minutes of the meeting of November 1 be approved as written. The motion passed.

The Board next took up the new pharmacy applications. The first application to be presented for approval was that for the Murray County Pharmacy, Slayton, Minnesota with Mr. Trace L. Hafner pharmacist-in-charge. In reviewing this it was noted that the proposed pharmacy is to be operated as a corporation with four stockholders owning the entire stock of the corporation. Of the four stockholders three are physicians in the Slayton area while the fourth is Pharmacist Hafner. Considerable discussion followed regarding the potential for impropriety associated with physician ownership of pharmacies. Great concern was expressed over the potential for conflict of interest associated with physician ownership of pharmacies. At the conclusion of the discussion President Hart pointed out to the Board that under our current regulation there is no basis for denying licensure to a proposed pharmacy solely on the basis of physician ownership. Mr. Marc Frederickson then moved and Mrs. Louise Kortz then seconded that the application for the Murray County Pharmacy be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed on a vote of four to two with Members Thomas Jones and Ove Wangenstein voting in opposition.

The next application to come before the Board for approval was submitted for the Snyder Drug, Highway 30 and 8th Ave. SE., Pipestone, Minnesota with Mr. Gary W. Ploeger pharmacist-in-charge. Secretary Holmstrom presented to the Board in conjunction with this application a newsletter prepared by the South Dakota Board of Pharmacy issued August 31, 1978 which indicates that the South Dakota Board of Pharmacy has recently taken action to revoke Mr. Ploeger's license to practice pharmacy in South Dakota. The newsletter did not give great detail as to the reasons behind the revocation. After some discussion of this issue Mrs. Kitty Alcott moved and Mr. Tom Jones seconded that the application for the Snyder Drug in Pipestone be tabled pending the receipt of more explicit information from the South Dakota Board of Pharmacy regarding the revocation of Mr. Ploeger's license to practice in that State. The motion passed.

The next application to come before the Board for approval was submitted for the First Avenue Pharmacy, 2232 1st Avenue, Hibbing, Minnesota with Mr. Lyle C. Wolfe being the pharmacist-in-charge. After a careful review of this application Mrs. Kitty Alcott moved and Mr. Ove Wangenstein seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The Secretary next presented to the Board a list of continuing education programs which have been reviewed by the Board's Continuing Education Advisory Committee. The Committee has included on the list its recommendations either to accept for credit or reject the programs listed. After reviewing these programs Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that those programs recommended for approval by the CE Advisory Committee be approved and that those recommended for rejection be rejected. During the discussion of this motion Mr. Tom Berg moved to amend the motion so as to grant Mr. Michael Ira Smith the four hours requested for his participation in the program on Depression rather than the three hours the sub-committee recommended. Mrs. Alcott accepted Mr. Berg's amendment. The motion then passed as amended.

The Secretary next presented to the Board a letter from Mr. Lester LaRoche, an unsuccessful candidate at the September Licensure Examination, requesting that the Board consider changing the score Mr. LaRoche received based on his arguments presented in the letter. After a discussion during which Secretary Holmstrom pointed out the fallacies in Mr. LaRoche's argument Mr. Tom Berg moved and Mr. Tom Jones seconded that Mr. LaRoche's appeal for regrading be denied. The motion passed.

A general discussion of the NABPLEX examination and the grading policies and options available to the Board ensued. Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the Secretary be instructed to write to the NABP Executive Committee and formally request a conversion table for the NABPLEX examination to be administered in March so that the Board may convert the scores published by ETS at 2.0 standard deviation to the 1.5 standard deviation previously utilized as the grading standard in Minnesota. The motion passed.

Mrs. Louise Kortz then moved and Mr. Tom Jones seconded that beginning with the March 1979 examination the Board utilize the scores as they are made available from ETS at 2.0 standard deviation but accept no grade lower than 70 as passing and maintain the requirement of a 75 for the laboratory portion and for the over-all average. The motion passed.

Mr. Marc Frederickson then moved and Mr. Tom Jones seconded that effective immediately, any candidate that passes the NABPLEX portions of the full Board examination but who failed to pass the Minnesota Jurisprudence portion need only retake that jurisprudence portion at its next offering whether that next offering be a reciprocity examination or a full board examination. The motion passed with Mrs. Kitty Alcott voting in opposition.

Louise Kortz then moved and Mr. Marc Frederickson seconded that the standards set forth in her previous motion relative to full board examination candidates become the standards required for reciprocity to Minnesota for those licensed in another state after March 15, 1979. The motion passed.

Mrs. Louise Kortz then moved and Mr. Marc Frederickson seconded that effective immediately the Minnesota Board of Pharmacy will require a minimum score of 70% on the written jurisprudence examination administered for the purposes of reciprocity and require an overall score of 75% on the entire (written and oral) reciprocity examination. The motion passed.

At this point President Hart asked Secretary Holmstrom to discuss his findings during the recent inspection visits to Minnesota drug wholesalers relative to compliance by drug manufacturers with the disclosure requirement associated with Minnesota's Drug Product Selection Law. Secretary Holmstrom indicated that he had been in contact with a representative from Purepac Laboratories, a company suspected of non-compliance, and was assured by Mr. William Stearns, Director of Sales and Marketing, that Purepac is in compliance at this time. This statement was confirmed by inspection of the major drug wholesalers in Minnesota. Secretary Holmstrom reported that over-all, most manufacturers, when products indicated that they were "distributed by" that manufacturer also included information as to who actually manufactured the product. Concern was expressed by the Board, however, that when a company simply states "XYZ Corporation" on the label they may or may not be the actual manufacturer. This concern is based on the considerable controversy surrounding the drug manufacturer's "man in the plant" scheme recently argued before a recent congressional hearing.

At this point President Hart dismissed the Board for lunch.

At approximately 1:00 p.m. the Board reconvened in Room 305 for the continuation of its meeting.

The first item to be discussed involved the upcoming NABP Maxi-school for Board members and Board inspectors. Mrs. Kitty Alcott moved and Mr. Tom Jones seconded that the Minnesota Board of Pharmacy send Mrs. Louise Kortz, Mr. Ove Wangensteen, and Mr. Marc Frederickson to the Maxi-school to be held in Atlanta, Georgia in January of 1979 at Board expense. The motion passed.

The Board next set up its calendar of meetings for 1979. The calendar appears as follows:

- January 16, 1979 -- Reciprocity (Jurisprudence)
- January 17, 1979 -- Business Meeting
- February 21, 1979 -- Business Meeting
- March 27 & 28, 1979 -- NABPLEX Examination
- March 29, 1979 -- Business Meeting
- April 28 through May 2, 1979 -- NABP Annual Meeting
- May 23, 1979 -- Business Meeting (Rochester, MN)
- June 12, 1979 -- Reciprocity (Jurisprudence)
- June 13, 1979 -- Business Meeting
- July 25, 1979 -- Business Meeting (Duluth)
- September 13 & 14, 1979 - NABP District V Meeting
- September 25 & 26, 1979 - NABPLEX Examination
- September 27, 1979 - Business Meeting
- October 31, 1979 - Business Meeting
- November 28, 1979 - Business Meeting

There are no regularly scheduled Board Meetings for August or December, 1979.

Secretary Holmstrom next presented to the Board an editorial appearing in the St. Paul Dispatch Newspaper on November 21, 1978 which in the course of discussing the FBI Investigation of the St. Paul Drug Rehab Center indicated that the Board

of Pharmacy has given funds to the Center. Such an allegation is absolutely false. After some discussion President Hart instructed Secretary Holmstrom to write a letter to the editor at the St. Paul Dispatch newspaper informing him of the falsity of his reporting and to send a carbon copy of this letter to the Minnesota Press Council for any action they deem appropriate.

At this point the Board began its discussion of the Hearing Examiners Report and Recommendations based on the Board's proposed rules on which a hearing was held on July 24, 1978. During this discussion the Board addressed itself only to those rules which the Hearing Examiner felt needed some amending or clarification.

Secretary Holmstrom indicated to the Board that he had reviewed the Hearing Examiners Report and the Board's proposed rules and had developed some alternative wording to the Board's proposal based on the Hearing Examiners Recommendations.

The Board first reviewed Secretary Holmstrom's suggested alternatives to Pharm 32. They were accepted by consensus.

The Board next reviewed the proposed alternatives based on the Hearing Examiners recommendations for Pharm 36. After accepting by consensus the proposed alternatives for 36 H, I and J the Board turned its attention to the recommendations of the State Pharmaceutical Association relative to Pharm 36 F 4 and Pharm 36 G. After a very lengthy discussion Mrs. Kitty Alcott moved and Mr. Marc Frederickson seconded that the word "record" in the first line of 36 F 4 be changed to the word "profile". The motion passed with Mr. Tom Berg and Mr. Tom Jones voting in opposition. Mr. Tom Jones then moved and Mr. Tom Berg seconded that Pharm 36 F 4 be deleted from the Board's proposed rules in its entirety. Board members Berg, Jones and Wangenstein voted in favor of the motion. Board members Frederickson, Alcott and Kortz voted in opposition to the motion. President Hart then cast the deciding vote in opposition to the motion to delete Pharm 36 F 4.

Mrs. Kitty Alcott then moved and Mr. Tom berg seconded that the section proposed as Pharm 36 G be deleted in its entirety. This motion passed unanimously.

The Board next considered the alternative wording proposed for Pharm 38. After amending Pharm 38 B to delete items 3 and 7 and renumber the remaining items the alternative to Pharm 38 was accepted by consensus.

The Board next turned its attention to the alternatives proposed for Pharm 47 and accepted them by consensus.

The alternatives proposed for Pharm 48 were accepted by consensus after noting that the listing of sections in the introductory paragraph to Pharm 48 would now be required to be changed due to the previously discussed changes in Pharm 36.

The Board next discussed the alternatives presented for Pharm 71. After suggesting in Pharm 71 C 2 that the word "the act" be changed to read "Minnesota Statutes 152 and Pharmacy Rule 7MCAR Section 8.051". The alternatives proposed for Pharm 71 were accepted by consensus.

The proposals for Pharm 72, 73, and 74 were also accepted by consensus.

In reviewing the alternative language proposed for Pharm 75 the Board suggested a minor change rearranging the structure of one sentence and then accepted these proposals by consensus.

In addressing themselves to the alternative wording proposed for Pharm 81 the Board indicated that 81 C, the definition of supervision, should be reworded to be identical with that in Pharm 47 D. With this change the alternative language to Pharm 81 was accepted.

The alternative language to Pharm 83 was likewise accepted by consensus.

In discussing the alternative language suggested for Pharm 84 the Board changed 84 B 1 j by inserting the words "pursuant to" between the words "drug" and "orders". The alternative wording was then approved by consensus.

The alternative wording presented for Pharm 87, 88, and 89 was similarly approved.

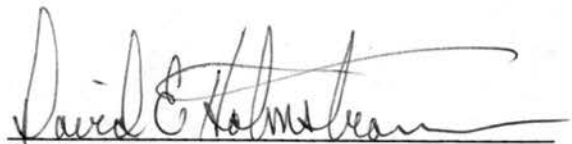

After an additional brief discussion of the Hearing Examiners Report Mrs. Kitty Alcott moved and Mr. Ove Wangenstein seconded the following resolution:

"Resolve, that the rules relating to unit dose distribution, supportive personnel, drug returns, nursing home practice, hospital practice, and other miscellaneous matters which were considered at a public hearing held on the 24th day of July, 1978, as amended, are found to be reasonable, necessary, and supported by the evidence contained in the record, and are hereby approved and adopted pursuant to authority invested in the Board of Pharmacy by Minnesota Statutes 151 and 152 and that David E. Holmstrom, Executive Secretary of the Board, be and hereby is authorized to sign an order adopting those rules.

Be it further resolved that the report of the Hearing Examiner relating to this matter be and hereby is expressly adopted by the Board as its own."

The motion passed unanimously.

At approximately 5:20 p.m. President Hart dismissed the meeting.

Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED THIRTY-SIXTH MEETING

January 16, 1979. At approximately 8:00 a.m., January 16, 1979 the Board met in room 105 of the Minnesota Department of Health building, 717 Delaware St. SE, Minneapolis, MN for the purpose of administering a written examination in jurisprudence to 23 candidates for reciprocity to Minnesota. In attendance were Mr. Michael Hart, Mr. Marcus Frederickson, Mr. Thomas Jones, Mr. Thomas Berg, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Ove Wangensteen, and the Board's secretary Mr. David Holmstrom.

At approximately 9:00 a.m. the Board divided itself into two groups in order to conduct the required oral examination in jurisprudence to the candidates. Each of the following candidates appeared for the oral examination in either room 305 or in room 408 of the Minnesota Department of Health Building and is seeking reciprocity to Minnesota on the basis of their license in the state indicated.

Armentrout, Lary R.	Iowa
Axness, David E.	Indiana
Bakkum, Steven L.	Arizona
Brisben, Keith A.	North Dakota
Brosnahan, Donald L.	Maryland
Davis, Deborah S.	South Dakota
DeLander, Anne L.	Nevada
DeLander, Gary E.	Wyoming
Drawz, Kurt R.	North Dakota
Ficek, Kenneth A.	Illinois
Haus, Raymond H.	Wisconsin
Iheaggara, Remigius N.	Washington, DC
Kinney, Janet L.	Illinois
Loveland, Wayne A.	Illinois
McIntire, Rebecca J.	Iowa
Ramquist, Bruce C.	Illinois
Russell, Helen	South Dakota
Sievenpiper, Joan E.	Michigan
Smith, Dale E.	Missouri
Spencer, Jean A.	Iowa
Summerfield, Marc R.	Maryland
Swinarski, David C.	Nebraska
Tofteland, Dennis W.	Michigan

The following board candidate was also present to retake the jurisprudence portion of the examination.

LaRoche, Lester

After a thorough review of the performance of the candidates for licensure by reciprocity, Mrs. Kitty Alcott moved and Mr. Ove Wangensteen seconded that having passed the jurisprudence examination and any other examination that may have been requested of them for reason, the following candidates for licensure by reciprocity be granted such licensure on the basis of their current license to practice in the state listed with their name. The motion passed.

The list of names and states of registration are as follows:

<u>CERTIFICATE NO.</u>	<u>NAME</u>	<u>STATE</u>
3263	Armentrout, Lary R.	Iowa
3264	Axness, David E.	Indiana
3265	Bakkum, Steven L.	Arizona
3266	Brisben, Keith A.	North Dakota
3267	Brosnahan, Donald L.	Maryland
3268	Davis, Deborah S.	South Dakota
3269	DeLander, Anne L.	Nevada
3270	DeLander, Gary E.	Wyoming
3271	Ficek, Kenneth A.	Illinois
3272	Haus, Raymond H.	Wisconsin
3273	Kinney, Janet L.	Illinois
3274	McIntire, Rebecca J.	Iowa
3275	Ramquist, Bruce C.	Illinois
3276	Russell, Helen	South Dakota
3277	Smith, Dale E.	Missouri
3278	Summerfield, Marc R.	Maryland
3279	Swinarski, David C.	Nebraska
3280	Tofteland, Dennis W.	Michigan
3281	LaRoche, Lester O.	(9/78 Board - Juris. Retake)

Mrs. Kitty Alcott moved and Mr. Ove Wangensteen seconded that after review of the application, records and examinations in the cases of:

Drawz, Kurt R.
Iheaggara, Remigius N.
Loveland, Wayne A.
Sievenpiper, Joan E.
Spencer, Jean A.

that the privilege of reciprocity be denied to them at this time. The motion passed.

January 17, 1979. At approximately 9:00 a.m., January 17, 1979 the Board met in Room 305 of the Minnesota Department of Health Building, 717 Delaware St. SE, for the purpose of conducting a regular business meeting. In attendance were: Mr. Michael Hart, Mr. Marcus Frederickson, Mr. Thomas Jones, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Thomas Berg, and Mr. Ove Wangensteen. Also in attendance was the Board's Secretary Mr. David Holmstrom.

The first order of business was the election of officers for the calendar year 1979. For the office of President: Mr. Thomas Berg moved and Mrs. Louise Kortz seconded that Mr. Marcus Frederickson be nominated for the office of President of the Board. There being no further nominations the nominations were closed. The vote was then held and Mr. Marcus Frederickson was elected to the office of President by a unanimous ballot.

For the office of Vice President: Mrs. Kitty Alcott moved and Mr. Tom Jones seconded that Mrs. Louise Kortz be nominated for the office of vice-president. There being no further nominations the nominations were closed. The vote was then held and Mrs. Louise Kortz was elected to the office of vice-president by a unanimous ballot.

For Executive Secretary of the Board: Mr. Thomas Berg moved and Mrs. Kitty Alcott seconded that Mr. David Holmstrom be continued as Executive Secretary to the Board. The motion passed.

Mr. Thomas Berg then moved and Mr. Thomas Jones seconded that Mrs. Alice Hummer be designated as Assistant Secretary for Administrative Affairs. The motion passed.

At this point, Mr. Michael Hart turned over the Presidency of the Board to Mr. Frederickson.

Mr. Thomas Berg then moved and Mrs. Louise Kortz seconded that the Minnesota Board of Pharmacy again renew its membership in the National Association of Boards of Pharmacy. The motion passed.

The Board next briefly discussed the annual meeting of the NABP which will be held in Chicago at the end of April. Mrs. Kitty Alcott moved and Mr. Thomas Berg seconded that all members of the Minnesota Board of Pharmacy and the Executive Secretary be required to attend the NABP Annual Meeting and that, to the extent possible and within state guidelines, all expenses associated with such attendance be paid for by the Board. The motion passed.

In an item of related business, Mr. Thomas Berg moved and Mr. Thomas Jones seconded that the Board pay per diem expenses for attendees at the NABP Maxi-school for Pharmacy Board members and Drug Law Enforcement Officers and for the Board Member Attendees at the NABP Annual Meeting. The motion passed.

The Board next discussed its intention to maintain the requirement of graduation from an accredited College of Pharmacy in order to qualify to take the Board licensure examination.

Mr. Mike Hart moved and Mr. Ove Wangenstein seconded that the Board approve and adopt as its own the current accreditation standards of the American Council on Pharmaceutical Education as they appear in Section Four of the Accreditation Manual, Seventh Edition, January 1, 1975 and that the Board adopt the list of approved Colleges of Pharmacy published by ACPE as the list of colleges from which the Board will accept graduates as candidates for licensure. The motion passed. A copy of the list of accredited Colleges is attached hereto.

The Board next reviewed the Minutes of the meeting of November 29, 1978. Mrs. Louise Kortz initiated comment regarding her desire to have any members of the public attending the board's meetings listed in the minutes of the meeting. Secretary Holmstrom indicated that he would be happy to provide this information in the future and that a paragraph will be added to the Minutes of the November 29 meeting indicating that Mr. Donald Dee and Ms. Kathleen Meyerle of the Minnesota State Pharmaceutical Association were present at this meeting.

Board Member Hart then pointed out that on Page 2 of the Minutes of November 29 meeting the name of Michael Ira Smith is misspelled with Mr. Smith's middle name being indicated as Iris. Secretary Holmstrom indicated that that misspelling would be corrected.

Mrs. Kitty Alcott then moved and Mr. Mike Hart seconded that the minutes of the November 29 meeting be approved as amended. The motion passed.

The Board next discussed the applications to conduct new pharmacies, wholesalers and manufacturers. Secretary Holmstrom first presented to the Board applications from Group Health Plan, Inc. to operate a drug wholesale and a drug manufacturing operation at 120 South Plato Blvd in St. Paul, MN. After a careful review of these applications and a discussion as to the drugs being repackaged the Board expressed its concern regarding pharmacists supervision of the repackaging operation; compliance with sanitation, labeling and recordkeeping requirements; and the possibility of Group Health's becoming involved in the repackaging of controlled substances at a future time. At the conclusion of this discussion Mrs. Louise Kortz moved and Mr. Mike Hart seconded that the applications submitted by Group Health Plan, Inc. for both the wholesale operation and the manufacturing operation be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with all pharmacy board regulations regarding wholesaling, manufacturing, and repackaging operations. The motion passed.

The Board next discussed the application submitted on behalf of North Land Pharmacy, Inc., 1000 E. 1st Street, Duluth, MN 55805 by Mr. David R. Pederson, pharmacist-in-charge. After carefully reviewing this application Mrs. Kitty Alcott moved and Mr. Ove Wangenstein seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

Secretary Holmstrom next presented to the Board a letter from Mr. Donald F. Rossman on behalf of his daughter Ms. Joan Rossman. Mr. Rossman is requesting an extension of time for Joan Rossman to complete the continuing education credits required to be submitted with the 1979 pharmacist license renewal application due to the fact that Ms. Rossman was severely injured in a automobile accident in December of 1978 and has been unable to work or participate in

continuing education programs since that time. After a brief discussion Mr. Tom Berg moved and Mrs. Kitty Alcott seconded that the Board grant a six month extension of time during which Ms. Rossman can complete the required continuing education courses and submit evidence of such completion to the Board.

The Board next discussed the recommendations of its CE Advisory Committee relative to continuing education programs which have been reviewed by the committee. The committee has included in a list its recommendations either to accept for credit or reject the programs listed. After reviewing these programs Mrs. Kitty Alcott moved and Mrs. Louise Kortz seconded that those programs recommended for approval by the CE Advisory Committee be approved and that those recommended for rejection be rejected. The motion passed.

Board Member Michael Hart now opened a lengthy discussion with the Board of the Continuing Education Advisory Committee's recommendation that the Board consider establishing a bi-level approach to continuing education in Minnesota. Considerable discussion followed. Mrs. Kitty Alcott then moved and Mr. Tom Berg seconded that the Board utilize the information it is currently receiving with the 1979 pharmacist license renewals and survey the continuing education submissions relative to program content and whether such content might have been classified as category A or category B had the board a bi-level approach in effect. After completing the survey the results will be reviewed by the board in an attempt to aid it in determining whether or not a bi-level approach is necessary and or desirable for implementation. In the meantime the motion calls for the Continuing Education Advisory Committee to continue to strengthen the existing one level system by strictly interpreting the existing requirements. The motion passed.

At this time the Board went into executive session to discuss disciplinary matters.

Secretary Holmstrom reported to the Board the essence of an investigational report involving the pharmacists at Snyder Brothers Drug at Snelling and University Avenues in St. Paul. After hearing the Secretary's report Mr. Mike Hart moved and Mr. Tom Berg seconded that the pharmacist-in-charge of Snyder Brothers Drug be invited to appear before the Pharmacy Complaint Review Panel to discuss the issues surrounding the large numbers of controlled substance prescriptions being filled at that pharmacy. The motion passed.

The Secretary next reported to the Board the essence of an inspection report involving Twin City Geriatric Drug of Minneapolis. After hearing the Secretary's report Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the Secretary be instructed to write to Mr. Robert Gale and to the pharmacist-in-charge of Twin City Geriatric Drug indicating the Board's concern that the regulatory provisions being proposed by the Board not be implemented by any pharmacies until such time as they are formally implemented and explained to pharmacists by the Board. The motion passed.

Secretary Holmstrom next brought the attention of the Board the fact that he has probable cause to believe that violations of laws or regulations pertaining to the practice of pharmacy may have occurred and may be occurring at Village Drug in Sauk Rapids, Minnesota. Mrs. Kitty Alcott then moved and Mr. Ove Wangenstein seconded the following motion:

"David E. Holmstrom, Secretary of the Minnesota Board of Pharmacy, be and hereby is granted the authority to and is directed to serve notice of the initiation of a contested case in the matter of Village Drug and Pharmacist James Rumpca as well as perform any and all acts incidental thereto, including the signing of the order for notice of pre-hearing conference and hearing."

The motion passed.

At this time Mr. Gary Ploeger appeared before a Pharmacy Complaint Review Panel consisting of Board President Frederickson, Board Member Jones, Board Attorney Miller, and Board Secretary Holmstrom to discuss his application to conduct the Snyder Drug Pharmacy in Pipestone and the issues surrounding the revocation of his personal license to practice pharmacy by the South Dakota Board of Pharmacy in August, 1978.

After fully discussing the issues with Mr. Ploeger the Pharmacy Complaint Review Panel indicated that it would recommend to the Board that his application to operate the Snyder Drug Pharmacy in Pipestone be approved subject to Mr. Ploeger's signing of a stipulation agreeing to submit to audits by the Minnesota Department of Public Welfare on a twice a year basis during his first two years of operation.

At this time the remaining five Board members returned to the meeting room and the Pharmacy Complaint Review Panel made its recommendations. After just a brief discussion Mrs. Louise Kortz moved and Mr. Tom Berg seconded that Mr. Ploeger's application to conduct the Snyder Drug, Highway 30 and 8th Ave. SE, Pipestone, MN be granted preliminary approval and that full licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12 and subsequent to Mr. Ploeger's signing of the agreed upon stipulation. The motion passed.

At this time Pharmacist Vernon Lee from Malmo Drug in Silver Bay, MN appeared before a Pharmacy Complaint Review Panel consisting of Board Member Jones, Board Attorney Miller, and Board Secretary Holmstrom to discuss allegations that his pharmacy had been left open for the conduct of business without a pharmacist being present and on duty. After hearing Mr. Lee's explanation of the procedures at Malmo Drug the Pharmacy Complaint Review Panel indicated that it would be willing to recommend to the Board a settlement of this matter with a letter of reprimand.

Upon the return to the room of the remaining Board members the Pharmacy Complaint Review Panel indicated to the Board that it was of the opinion

that the matter could be settled with a letter of reprimand to Mr. Lee. After a brief discussion Mr. Mike Hart moved and Mr. Ove Wangensteen seconded that Secretary Holmstrom be instructed to prepare such a letter of reprimand to Mr. Lee on behalf of the Board. The motion passed.

At this time Secretary Holmstrom and Board Attorney Miller presented to the Board copies of an agreed upon stipulation in the matter of Mr. Mark Johnson and the Thrifty Snyder Drug of Hibbing, Minnesota. After reviewing the stipulation Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that Secretary Holmstrom be and hereby is granted the authority to sign the attached stipulation on behalf of the Board. The motion passed.

At this time the Board returned to its general session.

Mrs. Kitty Alcott next presented to the Board a discussion of certain continuing education forms developed by the American Council on Pharmaceutical Education Continuing Education Committee and indicated that it was her hope that the Board's Continuing Education Advisory Council would find them useful and of interest.

At this point Secretary Holmstrom presented to the Board a very brief letter from Ms. Wendy Kuzel requesting an opportunity to once again participate in the Board's licensure examination. After a brief discussion Mr. Ove Wangensteen moved and Mrs. Kitty Alcott seconded that the Secretary contact Ms. Kuzel and indicate that she will be allowed to participate in the March licensure examination upon condition that she submit to the Board office a letter indicating her place of employment since last participating in the licensure examination, her activities at this employment site, and information as to what measures she has taken to better the possibility of successfully passing the examination. The motion passed.

The final item of business involved a rather lengthy discussion of whether to continue to administer the wet lab practical examination as part of the licensure examination and if so how to structure the exam.

Mr. Thomas Berg moved and Mrs. Louise Kortz seconded that the Board not give the wet lab examination in March of 1979. Considerable discussion followed. The question was called for and a vote was taken with Mrs. Louise Kortz and Mr. Ove Wangensteen voting in favor of the motion and Mr. Thomas Berg, Mrs. Kitty Alcott, Mr. Mike Hart, Mr. Tom Jones voting in opposition to the motion. The motion was defeated.

At this point President Frederickson appointed a sub-committee consisting of himself, Mrs. Kitty Alcott and Mr. Mike Hart to meet with Secretary Holmstrom and develop the questions to be utilized in the wet lab examination. A meeting time and date were established at 10:00 a.m. on February 7.

At this point President Frederickson adjourned the meeting.

Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED THIRTY-SEVENTH MEETING

February 28, 1979. At approximately 9:30 a.m., February 28, 1979 the Board met in room 305 of the Minnesota Department of Health Building, 717 Delaware St. SE, Minneapolis, MN for the purpose of conducting a general business meeting. In attendance were: Mr. Marcus Frederickson, Mrs. Louise Kortz, Mr. Michael Hart, Mr. Thomas Berg, Mrs. Kitty Alcott and the Board's Secretary Mr. David Holmstrom. Also in attendance were two members of the general public, Ms. Kathleen Meyerle and Mr. Daniel Boatman, both representing the Minnesota State Pharmaceutical Association.

At the convening of the meeting Secretary Holmstrom indicated to the Board that he would be required to excuse himself from the meeting between 10:00 a.m. and noon in that the Board's budget request for 1980 and 81 was being acted upon by the Senate Finance Committee.

In view of the required absence of Secretary Holmstrom President Frederickson first turned the Board's attention to the response by the Continuing Education Advisory Committee to the Board's request for a survey of continuing education participation by pharmacists during the 1977-79 reporting period. Mrs. Louise Kortz moved and Mr. Michael Hart seconded that the Board proceed with the offer made by Mr. Thomas McKennell and Mr. William Hodapp to give the CEAC access to the University Computer for performing the continuing education survey in return for the Board of Pharmacy allowing McKennell and Hodapp publication authorization for the summary data produced. The motion passed.

At this point Secretary Holmstrom departed from the Board meeting in order to attend the Senate Finance Committees budget hearing.

Vice President Kortz assumed the duties of Secretary Holmstrom during his absence.

The next order of business was a review and approval of the minutes of the meeting of January 16 and 17, 1979. Mrs. Kitty Alcott moved that the minutes be approved as written and Mr. Thomas Berg seconded the motion. The motion passed.

The Board next reviewed the new pharmacy applications submitted since the last meeting. The Board first discussed the application submitted on behalf of Burn-Valley Drug, 1040 East County Road 42, Burnsville, MN 55337 by Mr. Ronald Hansen, pharmacist-in-charge. Upon reviewing this application the Board was uncertain as to the size of the facility for which licensure was requested and tabled the application pending consultation with Secretary Holmstrom. Upon Mr. Holmstrom's return the Board was informed that the entire building housing the pharmacy was being requested for consideration for licensure. At this point Mr. Mike Hart moved and Mrs. Louise Kortz seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The Board next discussed the application submitted on behalf of Wyoming Drug, 26710 Forest Blvd., Wyoming, MN 55092 by Mr. James Garrison, pharmacist-in-charge. After carefully reviewing this application Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The Board next discussed the application submitted on behalf of K-Mart Pharmacy, 3000 Hwy. 10 East, Moorhead, MN 56560 by Mr. Paul Fluto, pharmacist-in-charge. After carefully reviewing this application Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The next item of business was the consideration of the recommendations by the CE Advisory Council for the accreditation or rejection of the various continuing education programs reviewed by the committee at its last meeting. After reviewing the recommendations of the CE Advisory Committee Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that those programs recommended for accreditation be so accredited and that those programs recommended for rejection be so rejected. The motion passed.

The next item of business was a report by Board Member Kortz regarding the recommendations of the CE Advisory Committee on various aspects of Continuing Education reporting. The first committee report to be discussed is labeled Exhibit A. A position statement on continuing pharmacy education for post-graduate students and is attached hereto as amended by the Board. During the discussion of this CEAC committee recommendation Mrs. Kitty Alcott moved that full time students in graduate programs leading toward a degree in medicine, dentistry, nursing, osteopathy or veterinary medicine be allowed to meet the entire 30 hours continuing education requirement. Mr. Michael Hart seconded the motion and the motion passed.

Mr. Kitty Alcott then moved that position statement A be adopted by the Board as amended. Again Mr. Michael Hart seconded the motion and the motion passed.

The Board next took up a discussion of Position Statement B which is a position statement on continuing education program approval for certain program types. After considerable discussion on these recommendations of the CEAC committee the Board tabled this item and instructed Secretary Holmstrom to contact the Board's legal counsel regarding the possible need for rule changes associated with the adoption of this Position Statement B.

The Board next discussed the reaction of NABP to its recently adopted position regarding the scoring of the NABPLEX examination. After some discussion Mr. Mike Hart moved and Mrs. Kitty Alcott seconded that the Board defer implementation of the proposed scoring changes for the NABPLEX examination until after the NABP Annual Meeting scheduled for Chicago the first week of May. The motion passed.

The Board next discussed a brief memo from the Oregon Board of Pharmacy relative to the use of calculators on the mathematics portion of the NABPLEX examination. No formal action on the part of the Minnesota Board was deemed necessary.

The next item of business was a memorandum from the Nevada Board of Pharmacy relative to the proposed changes to the NABP Constitution on bi-laws. After some discussion the Board determined that in view of the fact that the matter will be discussed further at the NABP Annual Meeting no decision is necessary on the part of the Minnesota Board at this time.

The Board next reviewed a letter from Ms. Cheryl Anderson requesting that the Board accept the raw scores from her participation on the NABPLEX examination in Wisconsin some 14 months ago in lieu of requiring her to participate in the NABPLEX examination portions in Minnesota in March. After reviewing previous Board minutes to determine the exact wording of its position on this matter Mrs. Kitty Alcott moved and Mrs. Louise Kortz seconded that the Board deny the transfer of NABPLEX exam scores from Wisconsin in view of the fact that the exam was participated in more than one year ago and instructed Secretary Holmstrom to inform Ms. Anderson of this decision. The motion passed with Mr. Michael Hart voting in opposition.

The Board then briefly reviewed several pieces of proposed legislation that had been introduced in the various houses of the State Legislature, pieces of legislation that directly or indirectly affect the practice of Pharmacy.

At this point President Frederickson dismissed the Board for lunch.

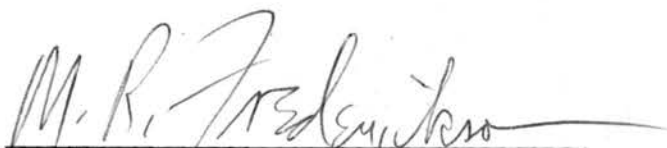

Upon reconvening for the afternoon session Secretary Holmstrom presented the Board with a request for a position statement made by Mr. Jonathan Steinberg of the Research Staff of the Minnesota House of Representatives relative to an acceptable method of dealing with alteration of controlled substance prescriptions. After some discussion the Board instructed Secretary Holmstrom to contact Mr. Steinberg and inform him that while the Board does not consider the alteration of controlled substance prescriptions to be as great a problem as injudicious prescribing by licensed practitioners, the Board, if the legislature felt it necessary to address the alteration issue, could support a proposal that would require the prescriber to write the number of tablets or capsules being prescribed both in arabic or Roman numerals and in words much as one would do when writing a check.

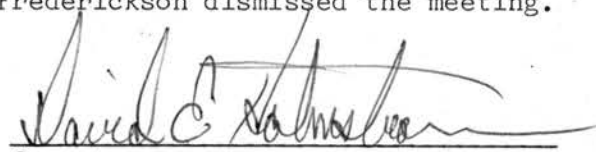

Secretary Holmstrom next presented to the Board a problem which has come to his attention relative to the dispensing by some Minnesota pharmacists of drugs which have not received marketing approval by the Federal Food and Drug Administration through the filing of a new drug application or an abbreviated new drug application. Secretary Holmstrom requested some guidance from the Board as to how this problem should best be addressed. After some discussion Mr. Mike Hart moved and Mr. Tom Berg seconded that Secretary Holmstrom inform the Board's Surveyors to watch for drugs that are being dispensed by Minnesota Pharmacies and which have not been approved for marketing by the Food and Drug Administration and to embargo such drugs and order the pharmacist to either return the medication to the manufacturer or to destroy it. The motion passed.

The Board next discussed manufacturer and wholesaler licensing. Secretary Holmstrom indicated to the Board that he had some preliminary discussions with Mr. William Miller, Board Counsel, regarding the Board's responsibility and authority to license all drug manufacturers doing business in this state. It was pointed out that previous interpretations of the Board's statutory responsibilities have limited manufacturer licensure to those who maintained a manufacturing plant inside the state of Minnesota. The statutory wording, however, indicates that licensure or registration should be required for all manufacturers doing business within this state. After a brief discussion on this issue the Board instructed Secretary Holmstrom and Legal Counsel Miller to review current Board rules as to their sufficiency in allowing licensure of out-of-state manufacturers.

The Board next discussed several matters of a quasi judicial nature and Ms. Meyerle and Mr. Boatman departed from the meeting. Board member Alcott reviewed for the Board the recommendations of the Pharmacy Complaint Review Panel relative to the four individuals that appeared before the review panel during February. After reviewing and briefly discussing the issues surrounding the matter of Mr. Allen Stein, Mrs. Louise Kortz moved and Mr. Tom Berg seconded that the Board accept the recommendations of the Pharmacy Review Panel concerning this matter. The motion passed. After reviewing and briefly discussing the matter of Mr. Harold G. Kaplan and Mr. Thomas Kassmir Mr. Michael Hart moved and Mrs. Louise Kortz seconded that the Board accept the recommendations of the pharmacy complaint review panel. The motion passed. After reviewing and discussing the matter of Mr. Karl Gramith Mrs. Louise Kortz moved and Mr. Mike Hart seconded that the recommendations of the pharmacy review panel be accepted. The motion passed.

At approximately 4:00 p.m. President Frederickson dismissed the meeting.

President

Secretary

A. POSITION STATEMENT ON CONTINUING PHARMACY EDUCATION FOR POST GRADUATE STUDENTS

The following statement is the interpretation of Pharm 27 as it relates to minimum standards for continuing pharmacy education of licensed pharmacists who are pursuing post graduate studies.

DEFINITION: A full-time student is defined as a student enrolled in an accredited post-baccalaureate program and is registered for eighteen credit hours or more in a given academic year. A student enrolled in a program of less than eighteen credit hours per academic year is considered likely to be a full time practicing pharmacist and will need to apply for continuing education accreditation on the same basis as any other pharmacist.

A. A licensed pharmacist pursuing an advanced degree (Pharm D, Master of Science, or Doctor of Philosophy) in an accredited College of Pharmacy shall be deemed to meet the minimum standard required for continuing pharmacy education for relicensure during the period in which that person is a full time student in such a program. No other evidence of continuing pharmacy education participation shall be required. (Individual seeking this exemption must be a full time grad student for both years of the two year CE reporting period.)

B. A full time student in a graduate program leading toward a degree in medicine, dentistry, nursing, osteopathy or veterinary medicine shall be deemed to meet the minimum standard required for continuing pharmacy education for the biennium in which such person is enrolled both years in such a program. No other evidence of continuing pharmacy education participation shall be required.

C. Full time students engaged in other post graduate programs must comply with all the particulars of Pharm 27. This applies whether the individual is taking courses not leading to a degree or taking course work leading to a health related degree (e.g. MPH, MHA) or a non-health related degree (e.g. MA, MBA).

DEH:pe
2/27/79

On Friday March 2nd, DH telephoned Marc Frederickson regarding the Board Application from Lora Van Dyke and her request for post graduate internship credit for employment in South Dakota after licensure as a pharmacist there.

DH and MF discussed the Board's position relative to accepting NABPLEX scores from other states and the Board's willingness to accept employment experience after licensure in another state in lieu of post-graduate internship experience. MF pointed out that in that post-graduate internship experience is not a structured experience and is left essentially to the devices of the individual intern there is little or no difference between post-graduate internship time and work experience after licensure.

In light of the above MF instructed DH to grant Lora Van Dyke post-graduate internship hours sufficient to make up the deficit she currently has (436 hours) through the recognition of post-licensure work experience as a pharmacist in South Dakota.

MF also suggested that DH include this issue for consideration by the full board at its next regularly scheduled meeting.

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED THIRTY-EIGHTH MEETING

March 27, 1979. At approximately 8:00 a.m. March 27, 1979 the Board met at the Board room of the Minnesota Department of Health Building, 717 Delaware St. SE for the purpose of administering the written and oral examinations for candidates seeking reciprocity to Minnesota. At the same time Board Secretary David Holmstrom and the Board Inspectors, Mr. Merlin Beise, Mr. Allen Conger and Mr. Lloyd Pekas met at the College of Pharmacy at the University of Minnesota Campus for the purpose of administering the "wet" laboratory examination to those candidates seeking licensure by exam. Both the reciprocity examinations administered by the Board and the complete Board examinations administered by the Board's staff lasted the entire day.

Each of the following candidates for reciprocity appeared for the written and oral examinations administered by the Board and is seeking reciprocity to Minnesota on the basis of their license in the state indicated.

<u>CANDIDATE</u>	<u>STATE</u>
Allison, David H.	IL
Athmann, Joann D.	ND
Arbogast, Deborah	MD
Canafax, Daniel M.	KY
Dockendorf, Thomas A.	VT
Harms, Susan L.	IA
Hoffman, Dorlyn P.	ND
Jansen, Jacinta C.	IL
Lill, Steven D.	IN
Loveland, Wayne E.	IL
Mayer, Floyd L.	IL
Mortensen, Jacqueline	IL
Sievenpiper, Joan E.	MI
Skalko, Gene M.	ND
Somani, Shabir M.	WI
Spencer, Jean A.	IA
Whyte, Robert A.	NH

The following candidates who have met all the necessary requirements and who have presented properly executed applications, were present to participate in the full board examination as indicated above:

Abbariao, Dorothy P.	Burke, Timothy G.
Ammerman, Rodney C.	Cahill, Terry R.
Anderson, Bruce C.	Castleberg, Roger D.
Anderson, Cheryl A.	Crowley, Debra A.
Andresen, LeRoy A.	Danzl, Jane M.
Baker, Patricia S.	DeBoer, Thomas W.
Blacker, Jeffrey J.	Eisenach, Bruce P.
Brauch, Michael J.	Eneanya, Ozoemezine D.
Brom, Mark A.	Feigum, Jane A.

Ford, Shirley G.
Gundermann, Jr., William J.
Heerwald, David L.
Hollie III, Douglas A.
Johnson, Kirk M.
Johnson, Michael A.
Katzung, James A.
Koppen, Ronald C.
Krueger, Jr., David A.
Kuehl, Peggy G.
Lesar, Timothy S.
Lomnes, Pamela D.
Marchand, Desiree M.
Mattson, Debbra L.
McGinnis, Patrick L.
Menzhuber, David F.

Morrill, Diane R.
Nelson, Terresa G.
Nguyen, Vui T.
Olive, Peter M.
Peltier, Marilyn K.
Pfaff, John M.
Roerig, Jim L.
Schweer, Todd E.
Semelman, Steven A.

Taylor, Paula M.
Trupe, Rita J.
Van Dyke, Lora Lee
Wagner, Eugene R.
Windschill, Paul R.
Wunrow, David J.

The following full Board retake candidate was also present to write the examination:

Dvorak, Kay L.

The following written retake candidate was also present to write the examination:

Lamppa, Steven C.

At approximately 8:00 a.m. on March 28, 1979 the Board met at the University of Minnesota Campus for the purpose of administering the remaining sections of the full board examination. Once again all board members were present as was the Board's Secretary Mr. David Holmstrom. The examinations again lasted the entire day.

At approximately 9:30 a.m. on Thursday, March 29, 1979 the board met in Room 305 of the Minnesota Department of Health Building, 717 Delaware St. SE for the purpose of conducting a brief general business meeting. In attendance were: President Marcus Frederickson, Vice President Louise Kortz, Mrs. Kitty Alcott, Mr. Thomas Berg, Mr. Ove Wangenstein, Mr. Thomas Jones, Mr. Michael Hart and the Board's Secretary Mr. David Holmstrom.

The first item of business was the review and approval of the minutes of the meeting of February 28, 1979. Mr. Thomas Berg moved and Mrs. Kitty Alcott seconded that the minutes of the meeting of February 28 be approved as written. The motion passed.

The Board next took up the new pharmacy applications. The first application to be presented for approval was for the K-Mart Pharmacy, 1760 Madison Ave., Mankato, MN with Mr. Gerald Grapentine pharmacist-in-charge. After a careful review of this application Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The next application to be presented for approval was for the K-Mart Pharmacy at 1605 S. 1st St. in Willmar, MN with Mr. John Helin pharmacist-in-charge. After a careful review of this application Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The next application to be presented for approval was for the K-Mart Pharmacy at 1111 S. Pokegama Ave in Grand Rapids, MN with Mr. Robert Wenzel pharmacist-in-charge. After a careful review of this application Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed.

The final application to be presented for approval was for the Snyder Brothers Drug, Hayden Lake Road and Highway 52 in Champlin, MN. Upon reviewing this application it was noted that no designation of a pharmacist-in-charge or staff pharmacists is included on the application. In light of the fact that the application is incomplete as to the designation of pharmacists Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the application be tabled pending the receipt of this information. The motion passed.

The Board next discussed the recommendations of its CE Advisory Committee relative to continuing education programs which have been reviewed by the committee. The committee has included in a list its recommendations either to accept for credit or reject the programs so listed. After reviewing these programs Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that twenty hours of continuing education credit be granted for the NABP Maxi-school of 1979, that this fact be added to the programs recommended for credit by the CE Advisory Committee, and that those programs recommended for approval by the CE Advisory Committee be approved and those recommended for rejection be rejected. The motion passed.

The Board next considered the performance of the various candidates for licensure in Minnesota by reciprocity. After a thorough review of the performance of the candidates for licensure by reciprocity, Mr. Thomas Berg moved and Mrs. Kitty Alcott seconded that having passed the jurisprudence examination and any other examination that may have been requested of them for reason, the following candidates for licensure by reciprocity be granted such licensure on the basis of their current license to practice in the state listed with their name. The motion passed.

The list of names and states of registration are as follows:

<u>CERTIFICATE NO.</u>	<u>NAME</u>	<u>STATE</u>
3286	Allison, David H.	Illinois
3287	Arbogast, Deborah L.	Maryland
3288	Athmann, Joann D.	North Dakota
3289	Hoffman, Dorlyn P.	North Dakota
3290	Lill, Steven D.	Indiana
3291	Loveland, Wayne A.	Illinois
3292	Mortensen, Jacqueline B.	Illinois
3293	Sievenpiper, Joan E.	Michigan
3294	Skalko, Gene M.	North Dakota
3295	Spencer, Jean A.	Iowa

Mr. Tom Berg then moved and Mrs. Kitty Alcott seconded that after review of the application, records and examination performance in the cases of:

Canafax, Daniel M.
Dockendorf, Thomas A.
Harms, Susan L.
Jansen, Jacinta C.
Mayer, Floyd L.
Somani, Shabir M.
Whyte, Robert A.

that the privilege of reciprocity be denied them at this time. The motion passed.

The Board next reviewed the lists of pharmacists who have indicated they do not wish to renew their licenses to practice in Minnesota or who have not renewed their licenses to practice in Minnesota for at least two years. After some discussion of these individuals Mr. Tom Berg moved and Mrs. Kitty Alcott seconded that the pharmacists included on said list, a copy of which is attached to these minutes, be dropped from the roles of licensed pharmacists in Minnesota. The motion passed.

The Board next discussed a proposed meeting between the members of the Board of Pharmacy and the faculty of the College of Pharmacy at the University of Minnesota. Mrs. Louise Kortz moved and Mr. Tom Jones seconded that Secretary Holmstrom be instructed to discuss the setting up of such a meeting with Dr. Hugh Kabot and Dr. Frank DiGangi at the College of Pharmacy and that a date of the evening of Monday, June 11 be proposed for such a meeting. The motion passed.

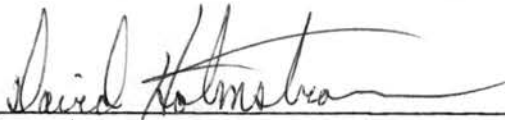

The Board next discussed the proposed changes to the NABP Constitution. After some discussion Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that Secretary Holmstrom send a memo to the NABP Constitution Committee indicating that the Minnesota Board feels that the President of NABP ruled in error in determining that a change in Article I from the word competency to the word continuing education constituted a substantial change and that the Minnesota Board of Pharmacy goes on record supporting the inclusion of the words continuing education in place of competency in Article I of the NABP Constitution. The motion passed.

At this time the Board went into executive session to discuss disciplinary matters.

Secretary Holmstrom reported to the Board the essence of an investigational report involving the pharmacist-in-charge at Payant Drug in Faribault. After hearing the Secretary's report Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the pharmacist-in-charge of Payant Pharmacy be issued a formal notice for pre-hearing conference and hearing in the matter of the suspension or revocation of his license to practice pharmacy. The motion passed.

The Board next discussed two items which it recommended be presented to the Internship Advisory Committee for study and recommendation. These items were the recommendation from Mr. John Neveaux to include as concurrent time internship time now previously denied students due to the failure to obtain the minimum passing grade on the post-test examinations and the possibility of having externs receive prescriptions to compound for critiquing by the externship coordinator at their externship sites.

There being no other new business or old business to be brought to the Board's attention President Frederickson adjourned the meeting.

Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED THIRTY-NINTH MEETING

May 1, 1979. On May 1, 1979 the Minnesota Board of Pharmacy convened at the Drake Hotel in Chicago, Illinois immediately after the afternoon session of the National Association of Boards of Pharmacy annual meeting for the purpose of conducting a very brief business session. In attendance were: Mr. Marcus Frederickson, President, Mrs. Louise Kortz, Vice President, Mr. Thomas Berg, Mr. Michael Hart, Mr. Thomas Jones, Mr. Ove Wangenstein, Mrs. Kitty Alcott, and the Board's Secretary Mr. David Holmstrom.

The first item of business to be discussed were the new pharmacy applications. The Board first discussed the application to conduct Schultz Drug in Bertha, MN submitted by Mr. Galen Schultz. After thoroughly reviewing this application Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the application be approved and a license issued subject to the successful completion of an on-site inspections by a member of the Board's staff to assure compliance with the Pharmacy Board Rules dealing with licensure. The motion passed.

The next application to be considered was an application to conduct Snyder Brothers Drug, Hayden Lake Road and Highway 52 in Champlin, Minnesota submitted by Mr. James B. Linden. After reviewing this application and noting the absence of a permanently designated pharmacist-in-charge and other pharmacist employees Mrs. Kitty Alcott moved and Mr. Thomas Berg seconded that the application be approved and a license issued subject to the receipt of a completed form of Professional Responsibility by the permanent pharmacist-in-charge and subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the requirements of Pharmacy Board Rules relating to licensure. The motion passed.

The Board next discussed a recommendation made by Mr. John Neveaux to the Board's Internship Advisory Committee relative to the consideration of utilizing hours now considered lost when a student fails to achieve the minimum grade on the required post-test examination as concurrent time hours. After considerable discussion Mrs. Kitty Alcott moved and Mr. Thomas Berg seconded that in light of the proven reliability of the pre and post-test examination instrument only those students who successfully pass the post-test examination with the required minimum scores will receive credit for the externship or post-graduate internship time associated with those examinations. The motion passed.

The Board next discussed three applications for the use of supportive personnel it has received in accordance with the requirements of Pharm 47. The first such application reviewed was for the Weiner Memorial Medical Center, 300 South Bruce St. in Marshall, MN. After reviewing the procedures submitted by Mr. Robert Purves, pharmacist-in-charge, Mr. Thomas Berg moved and Mr. Ove Wangenstein seconded that Secretary Holmstrom be instructed to write to Mr. Purves and indicate that all of the procedures with the exception of item ten, which allows the pharmacy clerk to type prescription labels under the supervision of the pharmacist, are of a clerical nature and need not be submitted to the Board for approval. Secretary Holmstrom was requested to indicate to Mr. Purves that the typing of Prescription labels by supportive personnel as indicated in his item ten must be accomplished according to the provisions of Pharm 47 and his utilization of supportive personnel for this purpose is approved on that basis.

The second application for the use of supportive personnel was submitted by Mr. Mel Craig, pharmacist-in-charge St. Peter State Hospital. After reviewing the responsibilities and authorities proposed for the pharmacy technician at St. Peter State Hospital Mr. Thomas Berg moved and Mr. Ove Wangenstein seconded that the procedures submitted be rejected at this time in that they call for the pharmacy technician, under authority number two, to initiate and maintain a patient profile for each resident. This appears to be in direct conflict with the requirement of Pharm 36 f 4 which indicates that a pharmacist personally must do the "checking the patient's medication profile when utilized for possible therapeutic incompatibilities and the accuracy of the addition to the profile of the medication dispensed". In addition, under authority number three, e and f the technician is to "assist in setting up take-home or pass medications for individual residents" and "to assist in setting up self-administered medication for individual residents". It was unclear to the Board just how the technician was to assist in performing these functions and to what extent the pharmacist would be performing the functions or supervising the activities of the technician. Mr. Berg's motion then passed.

The third set of procedures reviewed by the Board were submitted by Mr. Maurice Leenay, pharmacist-in-charge at Dayton Pharmacy, 700 Nicollet Mall in Mpls. After carefully reviewing these proposals Mr. Thomas Berg then moved and Mr. Ove Wangenstein seconded that the procedures be approved subject to a letter of explanation Secretary Holmstrom will send to Mr. Leenay relative to his procedure number one which involves "selection from stock prepared dosage forms of medicines" and how it correlates with the Board's requirements in Pharm 36 and 47. The motion passed.

Secretary Holmstrom next presented to the Board documents provided to him by Mr. Robert Gale of Twin City Geriatric Drug and explained Mr. Gale's concern relative to the Board's allowance for return of medications under Pharm 32. After considerable discussion Mr. Thomas Berg^{moved} and Mrs. Kitty Alcott seconded that the Board reject Twin City Geriatric's position relative to the inclusion of the medi-aide system in the allowable return provision of Pharm 32. The motion passed.

Secretary Holmstrom next presented to the Board a stipulation in the matter of the suspension or revocation of the pharmacist license of Ronald D. Bok, which was negotiated between Mr. Bok and Secretary Holmstrom and Board Attorney Miller. Mr. Michael Hart then moved and Mr. Thomas Berg seconded that the Board accept this stipulation and agree that the Order for Hearing, the Stipulation, and the Board's investigative findings and conclusions will constitute the entire record in this matter. The motion passed.

Secretary Holmstrom next presented to the Board an indication that he has probable cause to believe that provisions of the laws and regulations pertaining to pharmacy practice in Minnesota have been violated by Pharmacist John Hoisser and other pharmacists at Hoisser Drug. Mrs. Kitty Alcott then moved and Mr. Thomas Berg seconded that the Secretary, together with Mr. William Miller, the Board's legal counsel, schedule a pre-hearing conference and hearing in this matter as soon as feasible. The motion passed.

Secretary Holmstrom next presented to the Board an indication that he has probable cause to believe that laws and regulations pertaining to pharmacy practice in Minnesota have been violated by Mr. Karl Gramith. Mr. Michael Hart moved and Mrs. Kitty Alcott seconded that Secretary Holmstrom formally investigate this matter through the investigative unit of the Attorney General's Office and schedule any necessary pre-hearing conferences and hearings. The motion passed.

Secretary Holmstrom next presented to the Board a list of continuing education programs recommended for acceptance and rejection by the Advisory Council on Continuing Education to the Board. After reviewing these programs Mr. Michael Hart moved and Mrs. Kitty Alcott seconded that the programs recommended for approval be so approved for the hours listed and that those programs recommended for rejection be so rejected. The motion passed.

The Board next turned its attention to the performance of the candidates on the recently administered licensure examination. Mr. Michael Hart moved and Mrs. Kitty Alcott seconded that in grading the examinations the NABPLEX written "practice of pharmacy" exam and the Board's own "wet lab" exam be weighted equally with each other and that each exam count as 100 points towards the total examination grade and further that the FDLE* and the Board's own jurisprudence exam be weighted equally and the average of those two grades equal 100 points toward the total examination score and further that each of the four NABPLEX written sections of the examination count as 100 points toward the total. The motion passed.

With this criteria established Mr. Thomas Jones moved and Mr. Thomas Berg seconded that the candidates who received a general average of 75% or better, not less than 75% in their practical examination and not less than 60% in any one written subject, be granted registration as pharmacists. The motion passed.

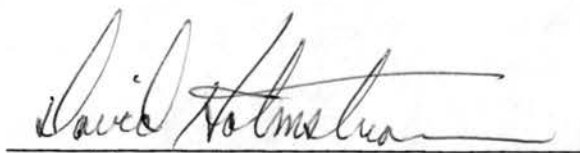

The candidates to successfully pass the examination are as follows:

CERT. NO.	NAME	CERT. NO.	NAME
2201	Ammerman, Rodney C.	3316	Lamppa, Steven C.
3302	Anderson, Cheryl A.	3317	Lesar, Timothy S.
3303	Andresen, LeRoy A.	3318	Lomnes, Pamela D.
3304	Baker, Patricia S.	3319	McGinnis, Patrick L.
3305	Brauch, Michael J.	3320	Morrill, Diane R.
3306	Burke, Timothy G.	3321	Nelson, Terresa G.
3307	Crowley, Debra A.	3322	Olive, Peter M.
3308	DeBoer, Thomas W.	3323	Peltier, Marilyn K.
3309	Dvorak, Kay L.	3324	Pfaff, John M.
3310	Ford, Shirley G.	3325	Schweer, Todd E.
3311	Heerwald, David L.	3326	Semelman, Steven A.
3312	Johnson, Kirk M.	3327	Trupe, Rita J.
3313	Johnson, Michael A.	3328	Van Dyke, Lora Lee
3314	Katzung, James A.	3329	Wunrow, David J.
3315	Kuehl, Peggy G.		

*Federal Drug Law Exam.

There being no further business at this time President Frederickson dismissed the meeting.

President

Executive Secretary

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED FORTIETH MEETING

May 23, 1979. On May 23, 1979 the Minnesota Board of Pharmacy convened in the Coffman Room of the College Center at Rochester Community College, Rochester, MN for the purpose of conducting a general business meeting. In attendance were: Mr. Marcus Frederickson, President, Mrs. Louise Kortz, Vice-President, Mr. Thomas Berg, Mr. Michael Hart, Mr. Thomas Jones, Mr. Ove Wangenstein, Mrs. Kitty Alcott and the Board's Secretary Mr. David Holmstrom.

The first item of discussion was a review of the minutes of the last meeting. After reviewing the minutes Mr. Michael Hart moved and Mr. Ove Wangenstein seconded that the minutes of the last meeting be approved as written. The motion passed.

The next item of business to be discussed were the new pharmacy applications. The Board first discussed the application to conduct Merwin Drug, 12680 Bass Lake Road in Maple Grove, MN submitted by Ms. Gail C. Hadac, pharmacist-in-charge. After thoroughly reviewing this application Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that the application be approved and a license issued subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the pharmacy board rules dealing with licensure and further that the Board's Secretary indicate to Ms. Hadac its concern over the apparent lack of consultation space in the pharmacy. The motion passed.

The next application to be considered was an application to conduct the Snyders Drug at 4010 Bloomington Ave., Minneapolis, MN submitted by Mr. Kent F. Olson, interim pharmacist-in-charge. After thoroughly reviewing this application Mr. Mike Hart moved and Mr. Tom Jones seconded that the application be approved and a license issued subject to the successful completion of an on-site inspection by a member of the board's staff to assure compliance with the pharmacy board rules dealing with licensure. The motion passed.

The next application to be considered was an application to conduct the Bloomington Nicollet Pharmacy, 7901 Xerxes Ave. S., Bloomington, MN submitted by Mr. Gregory Edward Schmidt, pharmacist-in-charge. After thoroughly reviewing this application Mr. Ove Wangenstein moved and Mr. Mike Hart seconded that the application be approved and a license issued subject to the successful completion of an on-site inspection by a member of the board's staff to assure compliance with the pharmacy board rules dealing with licensure and further that the board's secretary express to Mr. Schmidt the Board's concern that a clinic pharmacy of this type is being proposed for operation without the installation of a patient profile system. The motion passed.

The next application to be considered was an application to conduct Purity Pharmacy, 226 E. Central Entrance, Duluth, MN submitted by Mr. Stewart John Peterson, pharmacist-in-charge. After thoroughly reviewing this application Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the application not be approved at this time and further that Secretary Holmstrom be instructed to request that Mr. Peterson submit a more detailed fixture plan for the pharmacy and that Mr. Peterson be requested to change the proposed name of the pharmacy in view of the requirements of Pharm 37 A which prohibits the inference in a public matter of professional superiority in the practice of pharmacy. The motion passed.

The next application to be considered was an application to conduct the Memorial Hospital Retail Pharmacy, 665 3rd St. SW in Perham, MN submitted by Mr. Tim Walker, pharmacist-in-charge. After thoroughly reviewing this application and discussing the legal implications Mrs. Kitty Alcott moved and Mr. Ove Wangenstein seconded that the application be denied at this time and further that Secretary Holmstrom be instructed to obtain a copy of the required Articles of Incorporation from the hospital and upon receipt of these refer the entire issue to Mr. William Miller of the Attorney Generals Office for a review of the legal issues. The motion passed.

The next application to be discussed was that of District Memorial Hospital Outpatient Pharmacy in Forest Lake, MN submitted by Mr. Lee Schneider, pharmacist-in-charge. After thoroughly reviewing this application Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that this application be denied at this time and further that Secretary Holmstrom indicate to Mr. Schneider that the board requires a copy of the Articles of Incorporation of the hospital and that the Board also is in need of additional information on the proposed method of operation. The motion passed with Mr. Michael Hart abstaining.

The Board next discussed applications for the use of supportive personnel it has received in accordance with the requirements of Pharm 47. The first such application reviewed was submitted by the Village Center Drug in Minnetonka, MN. After reviewing the procedures submitted by Mr. James F. Jordan, pharmacist-in-charge, Secretary Holmstrom was instructed to return the letter of request to Mr. Jordan for additional information.

The second application was submitted on behalf of the Minnesota Veterans Home Pharmacy in Minneapolis, MN. After reviewing the procedures submitted by Mr. H. D. Silcher, pharmacist-in-charge, Secretary Holmstrom was instructed to return the proposal to Mr. Silcher for amendment of the last two paragraphs which, in their present form, do not comply with the standards set forth in Pharm 47.

The third application for the use of supportive personnel was submitted on behalf of Itasca Memorial Hospital in Grand Rapids, MN. After reviewing the procedures submitted by Mr. Kerry P. Rounds, Pharmacist-in-charge, the application was approved but Secretary Holmstrom was requested to obtain clarification relative to Item Number 3 under Specific Duties, to obtain additional information relative to the IV Admixture Program, and to reinforce the necessity of pharmacist supervision in all aspects of the use of supportive personnel.

The fourth application to be considered was submitted on behalf of the Country Manor Pharmacy in Sartell, MN. After reviewing the procedures submitted by Mr. Arthur L. Ruzanic, pharmacist-in-charge, the application was approved as written.

The fifth application for the use of supportive personnel to be considered was submitted on behalf of St. Mary's Hospital in Minneapolis, MN. After reviewing the procedures submitted by Mr. Gregory Schwartz, pharmacist-in-charge, the application was approved but Secretary Holmstrom was requested to review with Mr. Schwartz the requirement associated with the pharmacist/technician ratios and the requirement that only a pharmacist can supervise technicians in professionally related functions.

The final application for the use of supportive personnel was submitted on behalf of Hennepin County Medical Center Pharmacy in Minneapolis, MN. After reviewing the procedures submitted by Mr. John B. Goldner, pharmacist-in-charge, the application was approved and Secretary Holmstrom was instructed to review with Mr. Goldner the requirements associated with the pharmacist/technician ratios and request additional information relative to identification of technicians by members of the public.

After reviewing the recommendations and decisions made relative to all of these applications Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that the Board formally adopt the positions relative to each application as discussed above. The motion passed.

The next item to come before the board for discussion was the recommendations of the Board's Continuing Education Advisory Committee relative to the acceptance or rejection of programs submitted to it. After reviewing the recommendations of the committee and receiving considerable additional testimony and information from the Minnesota State Pharmaceutical Association Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that those programs recommended for approval by the CEAC Advisory Committee be so approved for the hours listed and that those programs recommended for rejection be so rejected and further that the program submitted by the Minnesota State Pharmaceutical Association for the 95th Annual Meeting be granted approval for the number of hours requested. The motion passed.

A general discussion relative to the activities of the Board's standing Advisory Committee followed and Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the secretary be instructed to prepare a formal report to the Board by each of the three standing committees, Internship, Continuing Education, and Controlled Substances, and make these reports available to the Board in January and July of each year. The motion passed.

Mr. Michael Hart now requested that the Board reconsider its previous position relative to the recommendations of the Internship Advisory Committee position on the granting of concurrent time credit for those students who failed to obtain the minimum required grade on the post-test examination for externship. After a general discussion of this issue Mr. Mike Hart moved, Mr. Tom Berg seconded that the Board allow any pharmacy student who has failed to achieve the minimum allowable grade on the externship post-test examination to use the hours of experience covered by the above mentioned examination up to a total of 400 hours in meeting the internship requirements associated with the concurrent time/clinical pharmacy block as recommended by the Internship Advisory Committee. The motion passed.

Secretary Holmstrom next reminded the Board that it had tabled a discussion relative to granting post-grad internship credit to those candidates who work as a licensed pharmacist in another state prior to taking the full Board examination in Minnesota. The issue was removed from the table and discussion proceeded. Mr. Tom Berg moved and Mr. Mike Hart seconded that the Board deem the post-graduate internship requirement to have been met by work as a licensed pharmacist in another state when the candidate involved has obtained the necessary 1500 hours of internship experience after the start of classes in the fourth year of the standard five year pharmacy curriculum but does not have the required 520 hours of post-graduate internship. The motion passed four to two.

The board next considered a letter from Mr. Eugene R. Wagner requesting that the Board grant him special consideration and regrade the wet lab practical portion of his recently completed licensure examination. After reviewing Mr. Wagner's request Mr. Tom Berg moved and Mr. Tom Jones seconded that Mr. Wagner's request for special consideration and regrading be denied. The motion passed.

The Board next considered a request from Ms. Desiree M. Marchand that she also be given special consideration and her wet lab practical examination be regraded. After some discussion Mr. Ove Wangenstein moved and Mrs. Louise Kortz seconded that the request for special consideration and regrading be denied. The motion passed.

Mr. Holmstrom next brought to the Board's attention the case of Mr. Roger D. Castleberg. Mr. Castleberg successfully completed the licensure examination in Wisconsin and had his NABPLEX scores transferred to Minnesota. Upon completion of the jurisprudence and wet lab practical examination in Minnesota Mr. Castleberg's performance in the wet lab was such that it reduced his overall average to less than the required 75%. After discussing this issue thoroughly Mr. Tom Berg moved and Mr. Ove Wangenstein seconded that Secretary Holmstrom inform Mr. Castleberg that he need only retake the wet lab practical examination in September and that the Minnesota Board of Pharmacy will again accept his NABPLEX scores from Wisconsin. The motion passed.

Secretary Holmstrom next distributed to the Board copies of a legal opinion prepared by the Attorney for Twin City Geriatric Drug relative to the inclusion of the medi-aid system of drug distribution utilized by Twin City Geriatric Drug within the return allowances set forth in Pharm 32. After considerable discussion on this issue Mr. Tom Berg moved and Mr. Mike Hart seconded that President Frederickson establish an adhoc committee to study the feasibility of and develop criteria for the safe return (if possible) of medication dispensed in blister card distribution systems. The motion passed. President Frederickson next moved to appoint as representatives of the Board of Pharmacy on the above mentioned adhoc committee Mrs. Louise Kortz, Mrs. Kitty Alcott and Mr. Ove Wangenstein. President Frederickson appointed Secretary Holmstrom to function as Secretary to the committee and indicated that he would meet with Secretary Holmstrom in the near future to discuss other, non board member, committee appointments.

Secretary Holmstrom next presented to the Board a letter from Dr. Bradley Refsland of the Glenwood Medical Center relative to the physical condition of pharmacist Carl Dewey Nelson. After reviewing the facts contained in the letter Mrs. Kitty Alcott moved and Mr. Ove Wangenstein seconded that Secretary Holmstrom be instructed to take the necessary legal steps to bring about the voluntary retirement of Mr. Nelson or in the alternative to verify the allegations contained in the above mentioned letter and to schedule a prehearing conference and hearing in the matter of the suspension or revocation of the pharmacist license of Carl Dewey Nelson. The motion passed.

Secretary Holmstrom next presented to the Board a letter from Mr. Robert D. Hansen relative to his qualifications for licensure in Minnesota. After discussing the contents of Mr. Hansen's letter Mrs. Louise Kortz moved and Mr. Mike Hart seconded that Secretary Holmstrom inform Mr. Hansen that the Board will require that he complete three months of internship in Minnesota and successfully pass the required internship examination at which time Mr. Hansen would be allowed to sit for the complete board examination in September. The motion passed.

Secretary Holmstrom next reviewed for the Board the NABP State Board Newsletter Project available through NABP's Bureau of Voluntary Compliance. Mrs. Alcott then moved and Mrs. Kortz seconded that the secretary take the steps necessary to include the Minnesota Board of Pharmacy in the NABP Newsletter Project. The motion passed.

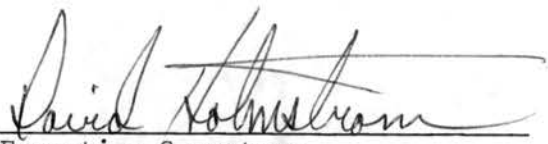

The Board next discussed its upcoming meeting with representatives of the College of Pharmacy and established a tentative agenda for discussion at that meeting.

The Board next discussed the upcoming District V NABP meeting and discussed several recommendations for presentations at that meeting.

Mrs. Kitty Alcott then brought to the Boards attention the ACPE Continuing Education Meeting scheduled for Denver, Colorado on July 6 and 7. Mr. Tom Jones moved and Mr. Ove Wangensteen seconded that the Board pay the expenses of Mrs. Alcott and Secretary Holmstrom to attend the ACPE Continuing Education meeting in Denver, CO. The motion passed.

The Board next discussed the upcoming MSPHA 95th Annual Meeting in Brainerd, MN. Mrs. Louise Kortz then moved and Mr. Tom Jones seconded that the Board authorize the payment of mileage expenses and one day per diem for board members and mileage expenses for Secretary Holmstrom for attending the MSPHA Annual Meeting.

There being no further business Mr. Ove Wangensteen moved and Mr. Tom Berg seconded that the meeting be adjourned. The motion passed and President Frederickson adjourned the meeting.

Executive Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED FORTY-FIRST MEETING

June 12 & 13, 1979. At approximately 8:00 a.m., June 12, 1979 the Board met in room 105 of the Minnesota Department of Health Building, 717 Delaware St. SE in Minneapolis, MN for the purpose of administering a written examination in jurisprudence to twenty candidates for reciprocity to Minnesota. In attendance were: Mr. Marcus Frederickson, President, Mr. Thomas Berg, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Ove Wangensteen, Mr. Michael Hart, Mr. Gary Blume and the Board's Secretary, Mr. David Holmstrom.

At approximately 9:00 a.m. the Board moved to room 305 of the Minnesota Department of Health Building in order to conduct the required oral examination in jurisprudence to the candidates. Each of the following candidates appeared for the oral examination in room 305 and is seeking reciprocity to Minnesota on the basis of their license in the state indicated.

<u>CANDIDATE</u>	<u>STATE</u>
Bartz, Verona L.	Michigan
Babic, Nina M.	Connecticut
Canafax, Daniel M.	Kentucky
Clarens, Jr., Richard D.	North Dakota
Dettman, Brad M.	Illinois
Graves, David M.	Connecticut
Hanson, Curtis W.	North Dakota
Harms, Susan L.	Iowa
Hynek, Douglas E.	North Dakota
Jansen, Jacinta C.	Illinois
Jones, Jerry A.	Louisiana
Kieber, Susan M.	Nebraska
Kvien, Steven C.	Illinois
Lee, James C.	Wisconsin
Ridgway, James F.	South Dakota
Shaw, Rickie R.	North Dakota
Somani, Shabir M.	Wisconsin
Stites, John R.	Illinois
Teasley, Kathleen M.	Michigan
Whyte, Robert A.	New Hampshire

After a thorough review of the performance of the candidates for licensure by reciprocity Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that having passed the jurisprudence examination and any other examination that may have been requested of them for reason, the following candidates for licensure by reciprocity be granted such licensure on the basis of their license to practice in the states listed with their name. The motion passed.

The list of names and states of registration are as follows:

<u>CERTIFICATE NO.</u>	<u>NAME</u>	<u>STATE</u>
3330	Babic, Nina M.	Connecticut
3331	Clarens, Jr., Richard D.	North Dakota
3332	Dettmann, Brad M.	Illinois

CERTIFICATE NO.	NAME	STATE
3333	Graves, David M.	Connecticut
3334	Hanson, Curtis W.	North Dakota
3335	Hynek, Douglas E.	North Dakota
3336	Jansen, Jacinta C.	Illinois
3337	Jones, Jerry A.	Louisiana
3338	Kieber, Susan M.	Nebraska
3339	Lee, James C.	Wisconsin
3340	Ridgway, James F.	South Dakota
3341	Somani, Shabir M.	Wisconsin
3342	Whyte, Robert A.	New Hampshire

Mrs. Kitty Alcott then moved and Mr. Tom Berg seconded that after a review of the application, records and examinations in the cases of:

Bartz, Verona
 Canafax, Daniel M.
 Harms, Susan L.
 Kvien, Steven C.
 Teasley, Kathleen M.
 Shaw, Rickie R.
 Stites, John R.

that the privilege of reciprocity be denied to them at this time. The motion passed.

June 13, 1979. At approximately 9:00 a.m., June 13, 1979 the Board met in room 305 of the Minnesota Department of Health Building for the purpose of conducting a general business meeting. All of the current Board members and the Board's Secretary Mr. David Holmstrom were in attendance.

The first item of discussion was a review of the minutes of the meeting of May 23, 1979. After reviewing the minutes Mr. Thomas Berg moved and Mr. Ove Wangenstein seconded that the minutes of the last meeting be approved as written. The motion passed.

The next item of business to be discussed was the new pharmacy applications. The board first discussed the application to conduct Ramsey Drug, 5300 153rd Ave. N., Anoka, MN submitted by Mr. Dean L. Johnson, pharmacist-in-charge. After thoroughly reviewing this application Mr. Thomas Berg moved and Mrs. Louise Kortz seconded that the application be approved and a license issued subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Rules dealing with licensure and further that the Board's secretary indicate to Mr. Johnson its concern over the apparent lack of consultation space in the pharmacy. The motion passed.

The next application to be considered was an application to conduct Trumm Drug No. 2, 1501 Broadway, Alexandria, MN submitted by Mr. William E. Trumm, pharmacist-in-charge. After thoroughly reviewing this application Mrs. Louise Kortz moved and Mr. Ove Wangenstein seconded that the application be approved and a license issued subject to the naming of a different pharmacist-in-charge in that Mr. William Trumm is also listed as pharmacist-in-charge for Trumm Drug No. 1 and subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the Pharmacy Board rules dealing with licensure and further that the Board's secretary

indicate to Mr. Trumm its concern over the apparent lack of consultation space in the pharmacy. The motion passed.

The next application to be considered was an application to conduct the St. Marys Hospital Pharmacy, 551 4th Street N., Winsted, MN. The application was submitted by Mr. Kenneth F. Kremer, pharmacist-in-charge. After thoroughly reviewing this application Mr. Ove Wangenstein moved and Mrs. Kitty Alcott seconded that the application not be approved at this time and further that Secretary Holmstrom be instructed to inform Mr. Kremer that the physical space proposed for the pharmacy appears to the board to be insufficient for the adequate provision of professional pharmacy services. Secretary Holmstrom was further instructed to inform Mr. Kremer that the Board would reconsider the application when a space of 200 square feet or more is proposed for the pharmacy. The motion passed.

The next application to be considered was an application to conduct the Community Hospital Pharmacy, 1116 W. Mill St., Cannon Falls, MN. This application was submitted by Mr. Charles Scofield, pharmacist-in-charge. After thoroughly reviewing this application Mr. Ove Wangenstein moved and Mrs. Kitty Alcott seconded that the application not be approved at this time and further that Secretary Holmstrom be instructed to inform Mr. Scofield that the physical space proposed for the pharmacy appears to the board to be insufficient for the adequate provision of professional pharmacy services. Secretary Holmstrom was further instructed to inform Mr. Scofield that the Board would reconsider the application when a space of 200 square feet or more is proposed for the pharmacy. The motion passed.

The final application to be considered was an application submitted to conduct the Litchfield Snyders Drug, 501 N. Sibley, Litchfield, MN. This application was submitted by Mr. David Arness, pharmacist-in-charge. After thoroughly reviewing this application Mrs. Louise Kortz moved and Mr. Mike Hart seconded that the application be approved and a license issued subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with the Pharmacy Board rules dealing with licensure and further that the Board's Secretary indicate to Mr. Arness its concern over the apparent lack of consultation space in the pharmacy. The motion passed.

At this point the Board's attorney, Mr. William G. Miller, joined the Board for a discussion involving a disciplinary matter involving pharmacist James Rumpca. Mr. Rumpca and his attorney Mr. Edward Laubach now appeared before the Board to discuss a proposed stipulation which would terminate the disciplinary action being taken by the Board against Mr. Rumpca. After some discussion by Attorney's Miller and Laubach Board President Frederickson declared an executive session for the Board during which it discussed the merits of the proposed stipulation. Upon the termination of the executive meeting President Frederickson announced to Mr. Rumpca that the Board had unanimously rejected the Proposed Stipulation and would proceed to a contested hearing in accordance with Chapter 15 and the rules of the Office of Hearing Examiners.

The next item to come before the Board for discussion was the recommendations of the Board's Continuing Education Advisory Committee relative to the acceptance or rejection of programs submitted to it for review. After reviewing the recommendations of the committee Mrs. Kitty Alcott moved and Mr. Ove Wangenstein seconded that those programs recommended for approval by the CE Advisory Committee be so approved for the hours listed and that those programs recommended for rejection be so rejected. The motion passed.

The Board next discussed application for the use of supportive personnel it has received in accordance with the requirements of Pharm 47. The first such application reviewed was submitted by Ms. Linda S. Benson for St. John's Hospital, St. Paul, MN. After reviewing the procedures submitted by Ms. Benson the application was approved but Secretary Holmstrom was requested to review with Ms. Benson the requirements associated with the pharmacist/technician ratios, the requirement that only a pharmacist can supervise technicians in professionally related functions and to seek a clarification of the "related duties as assigned by the pharmacy" that is indicated as one of the functions of the pharmacies supportive person.

The next application for the use of supportive personnel to be considered was submitted on behalf of the Hutchinson Community Hospital in Hutchinson, MN. After reviewing the procedures submitted by Mr. Dirk D. Gaspar, pharmacist-in-charge, Mr. Mike Hart moved and Mrs. Kitty Alcott seconded that the application be approved but that Secretary Holmstrom be requested to review with Mr. Gaspar the requirements for pharmacist review and certification of patient profiles and the accuracy of the set-up of unit-dose trays and carts. The motion passed.

The third application for the use of supportive personnel was submitted on behalf of Desnick Brothers Drug in St. Paul, MN. After reviewing the procedures submitted by Mr. David L. Regal, pharmacist-in-charge, Mrs. Kitty Alcott moved and Mrs. Louise Kortz seconded that the application be denied at this time and that Secretary Holmstrom request clarification from Mr. Regal on the supervision aspects, the differentiation between interns and technicians, and the development of more specific procedures relative to item D which is listed as "Preparation of Pre-manufactured Doses of Medicine". The motion passed.

The fourth application to be considered was submitted on behalf of Payant Drug in Faribault, MN. After reviewing the procedures submitted by Mr. Donald P. Finnesgard, pharmacist-in-charge, Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the application be tabled until the next meeting. The motion passed.

The fifth application for the use of supportive personnel to be considered was submitted on behalf of Weber and Judd Clinic Pharmacy in Rochester, MN. After reviewing the procedures submitted by Mr. Donald D. Dolden, pharmacist-in-charge, Mr. Mike Hart moved and Mrs. Kitty Alcott seconded that the application be approved but that Secretary Holmstrom remind Mr. Dolden that pharmacy supportive personnel are not allowed to receive new prescriptions over the telephone and that the pharmacist must verify the accuracy and validity of each prescription. The motion passed.

The final application to be considered was submitted on behalf of Daytons' Ridgedale Pharmacy in Minnetonka, MN. After reviewing the procedures submitted by Mr. Bruce Reveling, pharmacist-in-charge, the application was approved as written.

The Board next addressed the question of whether a unit-dose patient medication record or patient profile card can be used as the prescription in lieu of the traditional four inch by five inch prescription blank. After some discussion Mrs. Kitty Alcott moved and Mr. Gary Blume seconded that the issue be tabled until the July meeting at which time it will be given further study. The motion passed.

Secretary Holmstrom next presented to the Board an indication that he has probable cause to believe the provisions of the laws and regulations pertaining to pharmacy practice in Minnesota have been violated by the Pharmacist at Snyder Brothers Drug, 2915 Pentagon Drive, St. Anthony, MN, Pharmacist Robert J. Koziol, pharmacist-in-charge. Mr. Ove Wangensteen then moved and Mr. Mike Hart seconded that the secretary, together with Board Attorney Miller schedule a conference with the Board's Pharmacy Complaint Review Panel in this matter as soon as is feasible. The motion passed.

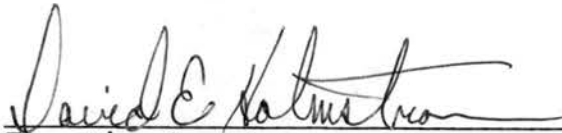

At this point Ms. Corrine Larson, Director of the Manpower Division of the Minnesota Department of Health, appeared before the Board to "discuss ways in which we can share information so that we can both better meet our responsibilities and increase the potential for coordination". After a brief presentation and discussion with the Board Ms. Larson departed from the meeting.

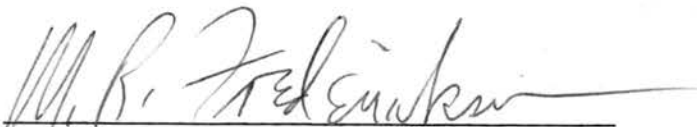

The Board next considered letters of explanation from Kerry P. Rounds, pharmacist-in-charge of Itasca Memorial Hospital Pharmacy and Mr. Dell Silcher, pharmacist-in-charge of the Minnesota Veterans Home Pharmacy, providing the Board with more information relative to their proposed use of supportive personnel. After reviewing the letter from Mr. Rounds Mr. Mike Hart moved and Mrs. Kitty Alcott seconded that the use of supportive personnel at Itasca Memorial Hospital be approved as amended. The motion passed.

After reviewing the letter from Mr. Silcher Mrs. Kitty Alcott moved and Mrs. Louise Kortz seconded that the use of supportive personnel at the Minnesota Veterans Home Pharmacy be approved according to the procedures as amended.

At this point Secretary Holmstrom briefly left the meeting room and Mrs. Alice Hummer, Assistant Secretary for Administrative Affairs, presented to the Board guidelines for salary adjustments for non-classified managerial personnel made available by the Department of Finance. After carefully reviewing the documents presented by Mrs. Hummer and discussing the available options and performances of the Board's Executive Secretary an appropriate salary increase was approved and submitted to Mrs. Hummer for the preparation of the necessary form.

There being no other business President Frederickson dismissed the meeting.

Executive Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED FORTY-SECOND MEETING

July 25, 1979. At approximately 9:00 a.m., July 25, 1979 the Board met in the conference room of the Northland Medical Building, 1000 E. 1st Street in Duluth, MN for the purpose of conducting a general business meeting. In attendance were Mr. Marcus Frederickson, President, Mr. Thomas Berg, Mrs. Louise Kortz, Mrs. Kitty Alcott, Mr. Ove Wangensteen, Mr. Michael Hart, Mr. Gary Blume, and the Board's Secretary, Mr. David Holmstrom.

The first item on the agenda was a review and discussion of the minutes of the last meeting. Mrs. Louise Kortz moved and Mr. Ove Wangensteen seconded that the minutes of the meeting of June 12 and 13, 1979 be approved as written. The motion passed.

The next item of business to be discussed was the new pharmacy applications. The Board first discussed the application to conduct St. Marys Hospital Pharmacy in Winsted, MN submitted by Mr. Kenneth F. Kremer, pharmacist-in-charge. After thoroughly reviewing this application Mr. Thomas Berg moved and Mrs. Louise Kortz seconded that the application be approved and a license issued subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Rules dealing with licensure. The motion passed.

The next application to be considered was an application to conduct Shopko Pharmacy, 2550 Division Street, St. Cloud, MN submitted by Mr. John Schwartzje, with Mr. Craig Lapham designated as pharmacist-in-charge. After thoroughly reviewing this application Mr. Mike Hart moved and Mr. Tom Berg seconded that the application be approved and a license issued subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Rules dealing with licensure. The motion passed.

The next application to be considered was an application to conduct Village Drug, Clearwater Plaza, Clearwater, MN submitted by Mr. James L. Rumpca with Mr. Donald D. Wegner designated as pharmacist-in-charge. After thoroughly discussing this application Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that the Board table final action on this application until the current disciplinary matters involving the Board and Mr. Rumpca are concluded. The motion passed unanimously.

The next application to be considered was an application by Mr. Robert D. Johnson of the Memorial Hospital and Home in Perham, MN to expand their current hospital pharmacy license to include services to non-hospital patients who are being seen at the nearby physician's clinic. After considerable discussion of this application Mrs. Kitty Alcott moved and Mr. Gary Blume seconded that the application be tabled and that Secretary Holmstrom be instructed to request a formal Attorney General's opinion relative to a "District Hospital's" authority to enter into retail pharmacy practice. The motion was approved.

The next application to be considered was an application by Mr. Lee E. Schneider of District Memorial Hospital in Forest Lake to expand their hospital pharmacy services to provide drug distribution to the in-mates at Lino Lakes Correctional Facility. After considerable discussion on this application Mr. Mike Hart moved and Mr. Ove Wangensteen seconded that because of the unique situation involved with the District Memorial Hospital as a political sub-division of state government Supplying medication to a correctional facility which is also a sub-division of state government, the application be approved but that the Board office closely monitor the procedures and services implemented. The motion passed.

The next application to be considered was an application to conduct Carlson Pharmacy South, 1091 Highway 15 South in Hutchinson, MN submitted by Mr. Charles D. Carlson, pharmacist-in-charge. After carefully reviewing this application Mrs. Louise Kortz moved and Mr. Mike Hart seconded that the application be approved and a license issued subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Rules dealing with licensure and further that the Board's secretary contact Mr. Carlson and identify the proposed hours of operation. The motion passed.

The next application to be considered was an application to conduct Buffalo Clinic Pharmacy in Buffalo, Minnesota submitted by Mr. Andrew R. Johnson with Ms. Susan D. Melby designated as pharmacist-in-charge. After carefully reviewing this application Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the application be approved and a license issued subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Rules dealing with licensure. The motion passed.

The final application to be considered was an application to conduct Peterson Pharmacy, previously submitted and rejected as an application to conduct Purity Pharmacy, 226 East Central Entrance, Duluth, MN. The application was submitted by Mr. Stewart J. Peterson, Pharmacist-in-charge. After carefully reviewing this resubmitted application Mr. Mike Hart moved and Mrs. Kitty Alcott seconded that the applicatin be approved and a license issued subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Rules dealing with licensure. The motion passed.

The Board next began discussions of application for the use of supportive personnel it has received in accordance with requirements of Pharm 47. The first such application reviewed was submitted by Mr. John Dragich, pharmacist-in-charge of Snyder Drug, 2301 Division Street, St. Cloud, MN. After a brief discussion of this application Mr. Mike Hart moved and Mrs. Louise Kortz seconded that the application be tabled until the Board completes its discussion of the validity of patient profile records proposed for use as the only prescription record at certain pharmacies. The motion passed.

The Board next turned its attention to what has been listed on the agenda as item seven, that is the discussion of the use of patient profiles in meeting the "prescription" recordkeeping requirements. After a lengthy discussion of the Memorandum on this issued prepared by Mr. Lloyd Pekas, Pharmacy Board Surveyor, Mrs. Louise Kortz moved and Mr. Ove Wangenstein seconded that individual patient profile records containing all legal requirements of a prescription used in a manner in which the pharmacist transcribes the information to it personally may be utilized in lieu of the traditional 4" X 5" prescription blank in both unit-dose and traditional dispensing systems. Provided, however, that the "traditional" 4" X 5" prescription blank of all controlled substances must be maintained in addition to the patient profile record unless approved otherwise by the Federal Drug Enforcement Administration. The motion passed.

At this point President Frederickson dismissed the Board for lunch.

At approximately 1:30 p.m. President Frederickson again called the meeting to order in the conference room of the Northland Medical Building.

The first item on the afternoon agenda was an appearance by Mr. Darryl C. Nicholas, product manager of the Macbick Company, a division of C.R. Bard, Inc. Mr. Nicholas appeared before the Board at his own request to discuss unit-dose packaging and the labeling of unit-dose packaged products. Mr. Nicholas indicated that as he understands the intent of the labeling requirements ... the manufacturer's name is required on the package so that the consumer will be informed as to the source of the medication. Mr. Nicholas contends, however, that for in-patients the circumstance is somewhat different. Mr. Nicholas indicated that the nurse administers the medication which precludes any opportunity for the patient to see the label. Even if the patient could see the label, Mr. Nicholas contends that there are some circumstances where the physician would not want the patient to see the identity of the product being prescribed. The packaging is done by the institution's pharmacist who routinely maintains records of the drugs that he packages crossreferenced to the lot number, date of packaging, manufacturer's name, and expiration date. Mr. Nicholas believes that this pharmacy record is quite adequate for providing all of the information needed within the institutional environments and thus called upon the Board to eliminate the requirement for "name of the manufacturer of the finished dosage form of the product" on the label of each prepackaged item. After discussing the issue thoroughly with Mr. Nicholas the Board indicated that it would give serious consideration to his proposal but would not and could not take any definitive action at this time.

At this point Mr. Mike Hart moved and Mr. Gary Blume seconded that the application for the use of supportive personnel submitted by Mr. John Dragich on behalf of Snyder Drug in St. Cloud be removed from the table and placed again before the Board. The motion passed.

After reviewing and discussing the proposal for the use of supportive personnel submitted by Mr. Dragich Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the proposal be approved upon condition that the pharmacist personally be required to make the entries in the patient profile as indicated in item G in Mr. Dragich's proposal. The motion passed.

The next proposal for the use of supportive personnel was submitted by Mr. Andrew W. Roberts, Clinical Chief of Pharmaceutical Services at the University of Minnesota Hospitals. Due to the substantial volume of materials submitted by Mr. Roberts the Board indicated that Secretary Holmstrom should review the material and send a synopsis of the proposal to the Board for its further review.

The next application for the use of supportive personnel was submitted on behalf of Gibson Pharmacy at the Westgate Shopping Center in Winona, MN (Pamida)

and was submitted by Mr. Ronald Hewett, pharmacist-in-charge. After reviewing this application Mrs. Louise Kortz moved and Mr. Mike Hart seconded that the application be approved subject to the development of a mechanism for identifying the pharmacies supportive personnel in such a manner that they will not be confused with the pharmacist by the public. The motion passed.

The next application for the use of supportive personnel was submitted on behalf of Village Center Drug in Minnetonka, MN by Mr. James F. Jordan, pharmacist-in-charge. After reviewing this application Mrs. Louise Kortz moved and Mr. Mike Hart seconded that the application be approved but that Secretary Holmstrom indicate to Mr. Jordan that under item 3B the pharmacist must determine the medication to be used in filling the prescription. Subsequent to that determination the technician can take the medication from the shelf and count out the required number of tablets or capsules. Secretary Holmstrom was further directed to remind Mr. Jordan that the pharmacist must document certification of the completeness and accuracy of the final prescription product and that a mechanism for identification of pharmacy supportive personnel must be established in a way that will prevent confusing the supportive personnel with the pharmacist by the public. The motion passed.

The next application for the use of supportive personnel was submitted on behalf of St. Peter State Hospital Pharmacy by Mr. Mel Craig, pharmacist-in-charge. After reviewing this application Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the application be approved but that Secretary Holmstrom indicate to Mr. Craig that the Pharmacist must be the one to write the data for each new prescription drug on the patient profile. The motion passed.

The final application to be considered was an application for supportive personnel submitted on behalf of Desnick Brothers Drug by Mr. David Regal, pharmacist-in-charge. After reviewing this application Mrs. Louise Kortz moved and Mr. Ove Wangenstein seconded that the application be approved as written. The motion passed.

Secretary Holmstrom and Board Member Kortz now presented to the Board their draft copy of a checklist for preparing requests for the use of supportive personnel. This checklist was developed as an aid to pharmacists who desire to submit the required procedures to the Board. After some discussion of this checklist it was suggested that Secretary Holmstrom develop an affidavit type document that could be completed and signed by the pharmacist as a way of meeting the procedure submission requirements of the Board.

The next item to be considered by the Board was the recommendations of the CE Advisory Committee relative to the acceptance or rejection of various continuing education programs. After reviewing the committees recommendations Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the programs recommended for approval by the CEAC sub-committee be so approved and that those recommended for rejection be rejected at this time. The motion passed.

The Board next considered a letter from Mr. Vernon Borowicz requesting the Board to grant him internship credit for his work experiences in the summer of 1978 even though he failed to achieve the minimum required grade on the internship competency examination. After reviewing Mr. Borowicz's request and discussing the internship pre and post test examination concept in general Mr. Mike Hart moved and Mr. Ove Wangensteen seconded that the Board deny Mr. Borowicz's request on the grounds that our current rules do not allow the Board to grant credit when a candidate has failed to obtain the required minimum score on the internship examination. The motion passed.

Secretary Holmstrom next presented to the Board the issue of whether researchers and out-of-state drug wholesalers and manufacturers should be licensed or registered in this state as seems to be required by various state statutes. After discussing this issue the Board indicated that Secretary Holmstrom should further study the requirements and return at the next meeting with formal recommendations.

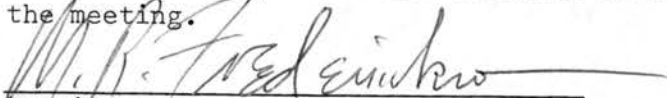

Secretary Holmstrom next presented to the Board a question that he had been faced with relative to retaking the "practical" examination by candidates who have failed to achieve the minimum required score of 75% on the "laboratory" portion but who have received a score of 75% or better on the NABPLEX of the "practical" exam. After a brief discussion of the issue Mr. Thomas Berg moved and Mr. Ove Wangensteen seconded that for candidates who have failed to achieve the 75% average score on the "practical" portion of the licensure examination but who have received a score of 75% or greater on the NABPLEX portion of the "practical" examination be required only to participate in the "wet lab" portion of the practical examination upon retaking of the exam. The motion passed.

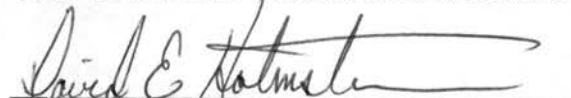

At this point the Board acted to establish a meeting schedule for the next several months. The dates of meetings established are as follows:

September 13 & 14, 1979	---	NABP District V Meeting
September 25 & 26, 1979	---	NABPLEX Examination & Reciprocity Examination
September 27, 1979	---	Business Meeting
October 31, 1979	---	Business Meeting
November 28, 1979	---	Business Meeting
January 9, 1980	---	Reciprocity Examination
January 10, 1980	---	Business Meeting
February 20, 1980	---	Business Meeting
March 25 & 26, 1980	---	NABPLEX Examination & Reciprocity Examination
March 27, 1980	---	Business Meeting

Secretary Holmstrom next described to the Board a letter he received from Mr. Wendall Kerr, Secretary of NABP District V relative to the necessity for the Minnesota Board to Appoint a Board Member to work with the College of Pharmacy's appointee in arranging for the NABP District V meeting scheduled to be hosted by Minnesota in 1981. After briefly discussing the issue Mr. Ove Wangensteen moved and Mr. Mike Hart seconded that Mr. Thomas Berg be appointed as the Board's representative to work with the College of Pharmacy representative in making arrangements for the NABP District V meeting to be held in Minnesota on September 17 and 18, 1981. The motion passed.

There being no further business at this time President Fredrickson dismissed the meeting.

President

Executive Secretary

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED FORTY-THIRD MEETING

September 25-27, 1979. At approximately 8:00 a.m., September 25, 1979 the Board met in room 105 of the Minnesota Department of Health Building, 717 Delaware Street SE for the purpose of administering a written examination to candidates for reciprocity to Minnesota. In attendance were Mr. Marc Frederickson, Mrs. Louise Kortz, Mr. Michael Hart, Mrs. Kitty Alcott, and Mr. Ove Wangenstein. At the same time Board Secretary David Holmstrom and the Board's Surveyors, Mr. Merlin Beise, Mr. Allen Conger and Mr. Lloyd Pekas, met in the Great Hall of Coffman Union at the University of Minnesota for the purpose of administering written examinations in pharmacy, chemistry, mathematics, pharmacology, and jurisprudence to candidates for licensure by examination.

At approximately 9:00 a.m. the Board divided itself into two groups in order to conduct the required oral examination in jurisprudence to the reciprocity candidates. Each of the following candidates appeared for the oral examination in either room 305 or 408 of the Minnesota Department of Health Building and are seeking reciprocity to Minnesota on the basis of their license in the state indicated.

CANDIDATE	STATE	CANDIDATE	STATE
Bartz, Verona L.	MI	Johnson, Roger L.	WI
Brandon, Linda S.	WV	Just, David L.	ND
Brown, Gerald K.	IA	Kastenholz, Kathleen V.	WI
Brown, Nancy C.	IA	Kvien, Steven C.	IL
Brunelle, Michael O.	ND	Leong, Sue Fong	NY
Canafax, Daniel M.	KT	Mayer, Floyd L.	IL
Dinsdale, Beverly J.	IA	Nance, Kathleen S.	MI
Duffee, Robert I.	IN	Neiswender, Norman D.	TX
Duffy, James P.	TN	Nelson, Gregory M.	SD
Eller, Gary B.	ID	Northrop, Allen L.	ND
Gaffron, Edwin O.	MO	Priebe, Deanne M.	ND
Giorgi, David T.	WI	Santilli, James V.	WI
Harms, Susan L.	IA	Seeger, Richard W.	ND
Johnson, David C. II	IA	Shaw, Rickie R.	ND
Johnson, Nancy H.	IA	Spigarelli, Nancy M.	CO
		Stites, John R.	IL
		Swanson, Douglas J.	OH
		Teasley, Kathleen M.	MI

The following candidates who have met all the necessary requirements and who have presented properly executed applications were present to write the five written examinations administered as part of the full Board examination as indicated above:

Aaland, Kenneth M.
Abdel Rahman, Mahmoud Y.
Ackerman, Katherine A.
Ackerman, Timothy D.
Alexander, Diane M.
Anderson, Deborah A.
Anderson, Deborah J.
Anderson, Earl L.
Anderson, Trent L.
Armbruster, Randall G.
Aronen, Charlene A.
Bartingale, James E.
Battaglia, Michael T.
Beacher, Robert W.
Bell, Robert M.
Berglund, Michele A.

Marchand, Desiree M.
Mattson, Debbra L.
Taylor, Paula M.

At approximately 8:00 a.m. on September 26, 1979 the Board met at the College of Pharmacy at the University of Minnesota for the purpose of administering a practical examination in prescription compounding and family record use while the pharmacy surveyors administered written examinations in federal jurisprudence and the practice of pharmacy at Coffman Union. Board Members present were Mr. Marc Frederickson, Mrs. Louise Kortz, Mr. Mike Hart, Mrs. Kitty Alcott, Mr. Ove Wangensteen, and Mr. Gary Blume. The Board's Secretary, Mr. David Holmstrom, was also present. The examinations lasted the entire day.

The candidates who were present for the written examinations given yesterday were also present today to participate in the practical examination. In addition the following practical retake candidates were also present to write this portion of the examination:

Anderson, Bruce W.
Castleberg, Roger D.
Krueger, David A., Jr.
Menzhuber, David F.

Nguyen, Vui T.
Roerig, Jim L.
Wagner, Eugene R.
Windschill, Paul R.

At approximately 8:30 p.m. on September 26, 1979 the Board, together with Secretary Holmstrom, the Board's Surveyors, and Members of the Board's Internship Advisory Committee met in room 118 of the Sheraton Motor Lodge in Bloomington, MN to grade the prescriptions produced during the wet lab examination. The grading continued until approximately 1:00 a.m.

At approximately 9:30 a.m., September 27, 1979 the Board met in room 305 of the Minnesota Department of Health Building, 717 Delaware St. SE, for the purpose of conducting a general business meeting. In attendance were President Marcus Frederickson, Vice-President Louise Kortz, Mr. Michael Hart, Mrs. Kitty Alcott, Mr. Ove Wangensteen, Mr. Gary Blume, and the Board's Secretary Mr. David Holmstrom.

The first item of business was a review of the minutes of the meeting of July 25, 1979. Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that the minutes of the July 25 meeting be approved as written. The motion passed.

The Board next took up the new pharmacy applications. The first application to be presented for approval was for the K-Mart Pharmacy 6501 Lyndale Ave. S., Richfield, MN 55423 with Ms. Carol Engelman, pharmacist-in-charge. After a careful review of this application Mrs. Kitty Alcott moved and Mrs. Louise Kortz seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12 and that when contacting the pharmacist-in-charge relative to this preliminary approval Secretary Holmstrom indicate the Board's concern over the lack of a patient profile record and the apparent lack of a consulting area in the licensed pharmacy. The motion passed.

The next application to come before the Board for approval was submitted for K-Mart Pharmacy, 5909 Omaha Ave. N., Stillwater, MN 55082 with Mr. Paul Mueller, pharmacist-in-charge. After a careful review of this application Mrs. Kitty Alcott moved and Mrs. Louise Kortz seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12 and that when contacting the pharmacist-in-charge relative to this preliminary approval Secretary Holmstrom indicate the Board's concern over the lack of a patient profile record and the apparent lack of a consulting area in the licensed pharmacy. The motion passed.

The next application to come before the Board for approval was submitted for K-Mart Pharmacy, 7191 10th Street N., Oakdale, MN 55119 with Mr. Raymond Hines, pharmacist-in-charge. After careful review of this application Mrs. Kitty Alcott moved and Mrs. Louise Kortz seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12 and that when contacting the pharmacist-in-charge relative to this preliminary approval Secretary Holmstrom indicate the Board's concern over the lack of a patient profile record and the apparent lack of a consulting area in the licensed pharmacy. The motion passed.

The next application to come before the Board for approval was submitted for Snyder Drugs, 600 University Ave. W., St. Paul, MN 55103, with Mr. Jerome H. Fusske, pharmacist-in-charge. After a careful review of this application Mrs. Louise Kortz moved and Mr. Ove Wangenstein seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12 and that when contacting the pharmacist-in-charge relative to the preliminary approval Secretary Holmstrom indicate the Board's concern over the lack of a consulting area in the licensed pharmacy. The motion passed.

The next application to come before the Board for approval was submitted for the Snyder Drug, 5101 Gateway St. SE, Prior Lake, MN 55372, with Mr. Gerald Gallob, pharmacist-in-charge. After careful review of this application Mr. Ove Wangensteen moved and Mrs. Kitty Alcott seconded that the application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12 and that when contacting the pharmacist-in-charge relative to the preliminary approval Secretary Holmstrom indicate the Board's concern over the lack of a consulting area in the licensed pharmacy. The motion passed.

The next application to come before the Board for approval was submitted for Clearwater Hospital Pharmacy, P. O. Box P, Bagley, MN 56621, with Mr. Carroll E. Anderson, Pharmacist-in-charge. After considerable discussion involving the purchased pharmacy services concept proposed for employment at this pharmacy and the proposed hours of operation, the use of the "Documed" system for drug distribution and the policies and procedures manual for this pharmacy Mrs. Kitty Alcott moved that this application be tabled pending the receipt of additional information on the above mentioned areas of concern. The motion passed.

The next application to come before the Board for approval was submitted for Bemidji Clinic Pharmacy, 1233 34th St. NW, Bemidji, MN 56601, with Mr. Thomas E. Jones, pharmacist-in-charge. After a lengthy discussion on this application during which time the Board expressed its great concern over the increasing number of physician owned pharmacies in Minnesota and the great potentials for conflict of interest on the part of physicians that this presents Mr. Mike Hart moved and Mrs. Louise Kortz seconded that this application be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Regulations 7-12. The motion passed with two votes in favor, no votes opposed and three abstentions.

At this point Mrs. Kitty Alcott moved and Mr. Gary Blume seconded that Secretary Holmstrom be directed to request the Board of Medical Examiners to address the issue of conflict of interest in the cases of physician owned pharmacies and request an official board position from the Board of Medical Examiners relative to the propriety of physician owned pharmacies. The motion passed.

The next applications to come before the Board for approval were submitted for University Nuclear Pharmacy and for a manufacturer's license also in the name of University Nuclear Pharmacy both of which were submitted by Mr. Dennis R. Hoogland. After careful review of these applications Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that the applications be granted preliminary approval and that licensure be granted subsequent to the successful completion of an on-site inspection by a member of the Board's staff. The motion passed.

The next item of business was the consideration of the recommendations by the CE Advisory Counsel for the accreditation or rejection of the various continuing education programs reviewed by the committee at its most recent meeting. After reviewing the recommendations of the CE Advisory Committee from their meeting of the month of August Mrs. Kitty Alcott moved and Mr. Gary Blume seconded that those programs recommended for accreditation be so accredited and those programs recommended for rejection be so rejected. After reviewing the recommendations of the Advisory Committee from their meeting of the month of September Mrs. Kitty Alcott moved and

Mr. Ove Wangensteen seconded that those programs recommended for accreditation be so accredited and that those programs recommended for rejection be so rejected. Both motions passed.

The next item of business was the presentation to the Board of the list of pharmacists who had been granted an extension of time during which to complete their continuing education requirements which were due on March 1, 1979. The extension expired on September 1, 1979. After discussing the situations and the pharmacists involved Mr. Ove Wangensteen moved and Mr. Mike Hart seconded that all pharmacists on the list be notified that they are in default after having been given a six month extension, that their license to practice pharmacy in Minnesota is suspended, and that they are to cease practicing in Minnesota immediately. The motion passed on a vote of three in favor, one against and one abstention.

The Board next considered a letter from Mr. Marshall K. Johnson, who in March, 1979, let his license to practice pharmacy in Minnesota lapse and who now wishes to reverse his decision. After some discussion of Mr. Marshall Johnson's situation Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that Secretary Holmstrom be directed to write to Mr. Johnson and inform him that the Board will consider his relicensure upon receipt of his continuing education credits that were due on March 1, 1979 and upon receipt of a statement from his physician indicating that his state of mind is now such that he can be counted on to safely practice pharmacy in Minnesota. The motion passed.

The Board next considered a request from Donald E. Spoonheim that he be allowed to have an additional 90 days in which to meet his continuing education requirement. After some discussion Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that Mr. Spoonheim be removed from the above mentioned list of pharmacists who have not submitted CE requirements which were due at the end of the first extension of six months and be given an additional 90 days in which to complete his CE requirement. The motion passed.

The Board next discussed the report from the National Association of Boards of Pharmacy which indicated that the states of Oklahoma and Louisiana do not utilize the NABPLEX examination and further that the examination developed within the states of Oklahoma and Louisiana have been reviewed by the NABP Committee on Examinations and have been found to be not equivalent to the NABPLEX examination. After considerable discussion Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that effective January 1, 1980 the Minnesota Board of Pharmacy will not accept candidates for licensure by reciprocity who have not participated in the NABPLEX examination or its equivalent in the state from which they seek to reciprocate. The motion passed.

After a thorough review of the performance of the candidates for licensure by reciprocity Mr. Gary Blume moved and Mrs. Kitty Alcott seconded that having passed the jurisprudence examination and any other examination that may have been requested of them for good cause the following candidates for licensure by reciprocity be granted such licensure on the basis of their license to practice pharmacy in the state listed with their name. The motion passed.

The list of names and states of registration are as follows:

<u>CERTIFICATE NO.</u>	<u>NAME</u>	<u>STATE</u>
3347	Brandon, Linda S.	West Virginia
3348	Brunelle, Michael O.	North Dakota
3349	Canafax, Daniel M.	Kentucky
3350	Dinsdale, Beverly J.	Iowa
3351	Duffy, James P.	Tennessee
3352	Gaffron, Edwin O.	Missouri
3353	Giorgi, David T.	Wisconsin
3354	Harms, Susan L.	Iowa
3355	Johnson, Nancy H.	Iowa
3356	Johnson, Roger L.	Wisconsin
3357	Just, David L.	North Dakota
3358	Leong, Sue Fong	New York
3359	Mayer, Floyd L.	Illinois
3360	Nance, Kathleen S.	Michigan
3361	Neiswender, Norman D.	Texas
3362	Nelson, Gregory M.	South Dakota
3363	Priebe, Deanne M.	North Dakota
3364	Santilli, James V.	Wisconsin
3365	Shaw, Rickie R.	North Dakota
3366	Spigarelli, Nancy M.	Colorado
3367	Stites, John R.	Illinois
3368	Teasley, Kathleen M.	Michigan

Mr. Gary Blume then moved and Mrs. Kitty Alcott seconded that after a review of the application, records, and examination performances in the cases of:

Bartz, Verona L.
Brown, Gerald K.
Brown, Nancy C.
Duffee, Robert I
Eller, Gary B.
Johnson, II, David C.
Kastenholz, Kathleen V.
Kvien, Steven C.
Northrup, Allen L.
Seeger, Richard W.
Swanson, Douglas J.

that the privilege of reciprocity be denied to them at this time. The motion passed.

The Board at this time went into executive session to discuss disciplinary actions that have been previously brought before the Pharmacy Complaint Review Panel. After a lengthy discussion the following action was taken:

Mr. Mike Hart moved and Mrs. Kitty Alcott seconded that the Board accept the negotiated stipulation in the matter of the suspension or revocation of the pharmacist license of James L. Rumpca and the pharmacy license of Village Drug of Sauk Rapids, Minnesota. The motion passed.

Mr. Ove Wangenstein moved and Mr. Gary Blume seconded that the Board accept the negotiated stipulation in the matter of the suspension or revocation of the pharmacy license of Hoisser Pharmacy. The motion passed.

Mr. Gary Blume moved and Mr. Mike Hart seconded that the Board accept the negotiated stipulation in the matter of the suspension or revocation of the pharmacist license of Karl M. Gramith. The motion passed.

The Board next discussed applications for the use of supportive personnel it has received in accordance with the requirements of Pharm 47. The first such application reviewed was submitted by Mr. Andrew W. Roberts on behalf of the University of Minnesota Hospital Pharmacy. After reviewing the procedures submitted by Mr. Roberts Mr. Ove Wangenstein moved and Mrs. Louise Kortz seconded that the procedures be approved as written. The motion passed.

The next application for the use of supportive personnel to be considered was submitted on behalf of the Metropolitan Medical Center Pharmacy by Mr. Robert A. Nordin, Pharmacy Director. After reviewing this application Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that the application be approved subject to the Metropolitan Medical Center making a change in the position description of pharmacy technician (transcriber) found on Page 1047 C which will require the pharmacist to personally prepare the patient medication profiles or to review and initial the profile if it is prepared by supportive personnel. The motion passed.

The third application for the use of supportive personnel was submitted on behalf of Immanuel-St. Joseph's Hospital in Mankato by Mr. Robert J. Kellogg, Pharmacy Director. After reviewing this application Mrs. Kitty Alcott moved to table the application and to direct Secretary Holmstrom to contact Mr. Kellogg and request additional information relative to the proposed ratio of supportive personnel and to clarify the section wherein each "pharmacy aid" will "verify each IV admixture ordered daily at each nursing station to see if it will be continued for the next 24 hours.". The motion passed and the application was tabled.

The fourth application to be considered was submitted on behalf of Cambridge State Hospital by Mr. Harry Argetsinger, Chief Pharmacist. After reviewing this application Mrs. Louise Kortz moved and Mr. Mike Hart seconded that the application be approved subject to a change being made in paragraph one item five that will require the pharmacist to personally prepare the profile or to review and initial the profile if it is prepared by supportive personnel and that an addition be made to the proposal that will clearly indicate the ratio of supportive personnel to pharmacists to be 1:1. The motion passed.

The fifth application for the use of supportive personnel to be considered was submitted on behalf of Page Drug of Olivia, Minnesota by Mr. James Page, pharmacist-in-charge. After reviewing this application Mr. Mike Hart moved and Mrs. Louise Kortz seconded that the application be approved as written. At this point Mrs. Kitty Alcott moved to amend the motion to require some form of visual identification that will readily allow the public to differentiate between pharmacists and supportive personnel and that the Secretary remind Mr. Page that supportive personnel are designed to be used only to free up the pharmacist for additional professional duties such as patient consultation. Mr. Hart and Mrs. Kortz accepted this friendly amendment and the motion was passed.

The sixth application for the use of supportive personnel on behalf of Harold's Pharmacy by Harold Rosoff, pharmacist-in-charge. After reviewing this application Mr. Gary Blume moved that the application be tabled and that Secretary Holmstrom be directed to seek clarification from Mr. Rosoff regarding the ratio of supportive persons being contemplated for use and clarification on the duty listed as "Help clarify directions, etc. with nursing homes and computer operators.". The motion passed and the application was tabled.

The seventh application for the use of supportive personnel to be considered was submitted on behalf of Snyder Drug #23 at 1201 South Broadway in Rochester, MN. After reviewing this application from Mr. Herbert J. Cole, pharmacist-in-charge, Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the application be approved subject to clarification of paragraph 2 item 7d to indicate that the pharmacist either personally ~~answers~~ the information on the patient profile or initials the profile after reviewing the entry made by supportive personnel; that a system of visual identification be established so that the public may readily differentiate between pharmacists and supportive personnel; and further that Secretary Holmstrom indicate to pharmacist-in-charge Herbert Cole that the utilization of supportive personnel is intended to free the pharmacist for participation in professional tasks such as patient consultation. The motion passed.

The final application for the use of supportive personnel was submitted on behalf of Fischer Drug by Mr. Kenneth Fischer, pharmacist-in-charge. The Board refused to take action on this application until the results of the pending disciplinary action involving Mr. Fischer is known.

The next item to come before the board for consideration was a letter by Donald Dee from the Minnesota State Pharmaceutical Association indicating MSPHA's interest in holding a one day retreat with representatives from the Board of Pharmacy and the College of Pharmacy to discuss future directions for continuing pharmacy education in Minnesota. Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that Board Member Michael Hart and Board Secretary David Holmstrom be directed to meet with Mr. Dee to explore further a conference of this type. The motion passed.

The final item on the agenda was a discussion of correspondence Board Member Alcott has had with the Food and Drug Administration and the Consumer Product Safety Commission relative to child resistant safety caps. Mrs. Alcott

*corrected to entered at the October 31, 1979, 544 meeting.

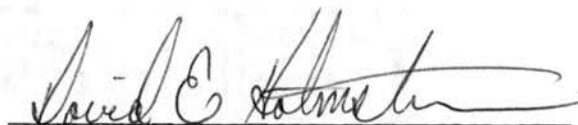

moved and Mr. Gary Blume seconded the following motion:

Whereas the benefit to the public of the Safety Cap Requirement of Consumer Product Safety Commission is well documented; and
Whereas certain prescription container manufacturers have developed a double cap which they are marketing;
Therefore be it resolved that the Minnesota Board of Pharmacy is on record in opposition to the continued marketing of these caps and request that FDA declare these caps inappropriate for meeting the safety cap requirement of the Consumer Product Safety Commission and declare further that these caps do not meet the intent of the law; and
Be it further resolved that this position be transmitted to the Consumer Product Safety Commission and the FDA.

The motion passed.

There being no further business President Frederickson dismissed the meeting.

President

Executive Secretary

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED FORTY-FOURTH MEETING

October 31, 1979. At approximately 9:00 a.m., October 31, 1979, the Board met in Room 305 of the Minnesota Department of Health Building, 717 Delaware Street SE for the purpose of conducting a general business meeting. In attendance were Mr. Marc Frederickson, Mrs. Louise Kortz, Mr. Mike Hart, Mrs. Kitty Alcott, Mr. Thomas Berg, Mr. Ove Wangensteen, Mr. Gary Blume, and the Board's Secretary Mr. David Holmstrom.

The first item on the agenda was a review and discussion of the minutes of the last meeting. After pointing out a typographical error on page 9 of the minutes of the meeting of September 25-27, 1979 where in the sixth line of the third paragraph on page 9 the word answers should have been the word enters Mr. Ove Wangensteen moved and Mrs. Kitty Alcott seconded that the minutes be approved. The motion passed.

The next item of business to be discussed was the new pharmacy applications. The Board first discussed the application to conduct Adams Drug in Adams, MN submitted by Mr. Phillip A. Qualey, pharmacist-in-charge. After thoroughly reviewing this application Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the application be approved and a license issued subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board rules dealing with licensure. The motion passed.

The next application to be considered was an application to conduct Byerlys Pharmacy, 3777 Park Center, St. Louis Park, MN submitted by Mr. Floyd Alcott, pharmacist-in-charge. After thoroughly reviewing this application Mr. Ove Wangensteen moved and Mr. Mike Hart seconded that the application be approved and a license issued subject to a successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Rules dealing with licensure. The motion passed.

The next application to be considered was an application to conduct Clearwater Hospital Pharmacy in Bagley, MN submitted by Mr. Melvern D. Young, Hospital Administrator with Mr. Carroll E. Anderson designated as pharmacist-in-charge. After thoroughly reviewing this application, which was held over from the last meeting in order to obtain additional information, Mrs. Louise Kortz moved and Mr. Ove Wangensteen seconded that the application be approved and a license issued subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Rules dealing with licensure. The motion passed.

The next application to be considered was an application to conduct Cuyuna Range District Hospital Pharmacy in Crosby, MN submitted by Mr. Edwin Dahlberg, Hospital Administrator with Stephen B. Aulie designated as pharmacist-in-charge. After noting that the proposed pharmacy has extremely limited space, limited to the extent that under ordinary circumstances the application would not be approved by the Board, but that the pharmacist-in-charge has received assurances that a new and larger pharmacy will be included in proposed hospital expansion and will be available in 1981 Mr. Mike Hart moved and Mr. Tom Berg seconded that the application be approved and license issued subject to the successful completion of an on-site inspection by a member of the Board's staff to assure compliance with Pharmacy Board Rules dealing with licensure and further that continuation of licensure beyond the 1981 licensure period be predicated on the pharmacy

obtaining newer and larger quarters not later than December 31, 1981.
The motion passed.

Secretary Holmstrom next discussed with the Board the request for expanded services by Memorial Hospital Pharmacy in Perham, MN which has been before the Board on previous occasions. Secretary Holmstrom explained that new information obtained from Mr. Robert D. Johnson, Hospital Administrator, indicates that the proposed expanded functions for the hospital pharmacy seem to fall within those functions allowed by the current license and appear to fall within the functions allowable under the US Supreme Court decision in the Portland Retail Druggists Association vs. Abbott Laboratories suit. The Board agreed with this assessment and indicated that no official action is required on the requests for expanded services at this time.

The next item to be considered by the Board was the recommendations of the CE Advisory Committee relative to the acceptance or rejection of various continuing education programs. After reviewing the committees recommendations Mrs. Louise Kortz moved and Mr. Tom Berg seconded that the programs recommended for approval by the CEAC sub-committee be so approved and that those recommended for rejection be rejected at this time. The motion passed.

At this time the Board went into executive session to discuss certain matters of a quasi-judicial nature.

After receiving a report from Secretary Holmstrom Mr. Ove Wangenstein moved and Mr. Tom Berg seconded that further investigations into the practices H & D Drug, Bruning Pharmacy, Womens and Childrens Pharmacy, and Moliter Drug in St. Cloud be discontinued and that the Secretary be instructed to issue letters of reprimand to the pharmacist-in-charge at those pharmacies. The motion passed.

After receiving a report from the Pharmacy Complaint Review Panel in the matter of James Franta and Sauk Rexall Drug, Inc. Mrs. Louise Kortz moved and Mr. Ove Wangenstein seconded that the Board accept the Stipulated Agreement reached between Mr. Franta and the Pharmacy Complaint Review Panel. The motion passed.

After receiving a report from the Pharmacy Complaint Review Panel in the matter of Kenneth L. Fischer and Fischer Drug in New Ulm Mrs. Louise Kortz moved and Mr. Gary Blume seconded that the Board accept the Stipulated Agreement reached between Mr. Fischer and the Pharmacy Complaint Review Panel. The motion passed.

After receiving a report from the Pharmacy Complaint Review Panel in the matter of Mr. Norman Edwards and Wanamingo Drug in Wanamingo Mrs. Louise Kortz moved and Mr. Gary Blume seconded that the Board accept the Stipulated Agreement reached between Mr. Edwards and the Pharmacy Complaint Review Panel. The motion passed.

Secretary Holmstrom next presented to the Board an indication that he has probable cause to believe that provisions of the laws and regulations pertaining to pharmacy practice in Minnesota have been violated by Pharmacist Eugene Magnan at Magnan Pharmacy in Baudette, MN. Mrs. Kitty Alcott then moved and Mr. Ove Wangenstein seconded that the Secretary, together with Mr. William Miller, the Board's legal counsel, schedule a pre-hearing conference in this matter as soon as feasible. The motion passed.

Secretary Holmstrom next presented to the Board an indication that he has probable cause to believe the provisions of the laws and regulations pertaining to pharmacy practice in Minnesota have been violated by Pharmacist Wayne W. Thomas and Parkway Drug in St. Paul. Mrs. Kitty Alcott moved and Mr. Gary Blume seconded that the Secretary, together with the Board's legal counsel, schedule a pre-hearing conference in this matter as soon as possible. The motion passed.

Secretary Holmstrom next presented to the Board an indication that he has probable cause to believe the provisions of the laws and regulations pertaining to pharmacy practice in Minnesota have been violated by Pharmacist Robert Dodd and Pharmacist Intern Jane Danzl at Dodd Drug in Red Lake Falls. Mr. Tom Berg moved and Mr. Ove Wangenstein seconded that the Secretary, together with Mr. William Miller, the Board's legal counsel, schedule a pre-hearing conference in this matter as soon as feasible. The motion passed.

The Board next discussed applications for the use of supportive personnel it has received in accordance with the requirements of 7 MCAR 8.047. The first such application reviewed was submitted by Mr. Richard Kienzle, director of pharmacy services, at St. Mary's Hospital in Duluth. After reviewing the procedures submitted by Mr. Kinzle Mrs. Louise Kortz moved and Mr. Mike Hart seconded that the application be approved subject to additions being made in the proposal that will clearly indicate the ratio of supportive personnel to pharmacists to be within the ratios allowed in 7 MCAR 8.047 and that the pharmacy will devise a system for visually differentiating pharmacy supportive personnel from pharmacists. The motion passed.

The next application for the use of supportive personnel to be considered was submitted on behalf of Keaveny's Navarre Drug by Mr. Richard M. Keaveny. After reviewing this application Mrs. Louise Kortz moved and Mr. Mike Hart seconded that the application be tabled pending receipt of additional information by the Board relative to items 4 and 7 and pending acknowledgment that the ratio of supportive personnel is well within the ratios indicated in 7 MCAR 8.047 and that the supportive personnel will be visually identified as such to the public. The motion passed.

The third application for the use of supportive personnel to be considered was submitted on behalf of White Mart Pharmacy in East Grand Forks, MN by Mr. Darwyn Smith, pharmacist-in-charge. After reviewing this application Mr. Mike Hart moved and Mrs. Kitty Alcott seconded that the application be approved subject to a change being made in the submission that will require the pharmacist to personally prepare the patient profile or to review and initial the profile if it is prepared by supportive personnel, that some form of visual identification that will readily allow the public to differentiate

between pharmacists and supportive personnel be established by White Mart Pharmacy and that the Secretary remind Mr. Smith that supportive personnel are designed to be used only to free up the pharmacist for additional professional duties, such as patient consultation. The motion passed.

The fourth application for the use of supportive personnel to be considered was submitted on behalf of Shoppers City Pharmacy, 4308 Central Ave. NE by Mr. Phil Nelson, pharmacist-in-charge. After carefully reviewing this application Mrs. Louise Kortz moved and Mr. Tom Berg seconded that the application be approved subject to a change being made that will require the pharmacist to personally prepare the patient profile or to review and initial the profile if it is prepared by supportive personnel and that the Secretary remind Mr. Nelson that supportive personnel are designed to be used only to free up the pharmacist for additional professional duties, such as patient consultation. The motion passed.

The fifth application for the use of supportive personnel to be considered was submitted on behalf of Blinks Drug in Spring Valley, MN by Mr. Charles Blink, pharmacist-in-charge. After reviewing this application Mrs. Kitty Alcott moved and Mr. Gary Blume seconded that the application be tabled pending receipt of more detail as to the manner in which supportive personnel are proposed for use at Blinks Drug. The motion passed.

The sixth application for the use of supportive personnel to be considered was submitted on behalf of Borgstrom Pharmacy in St. Paul, MN by Mr. Vernon A. Kassekert, pharmacist-in-charge. After carefully reviewing this application Mrs. Louise Kortz moved and Mr. Mike Hart seconded that the application be approved subject to an addition being made in the procedures that will spell out the fact that a pharmacist will validate computer in-put as is required by 7 MCAR 8.043. The motion passed.

The next application for the use of supportive personnel to be considered by the Board was submitted on behalf of Lewis Drug in Mankato, MN by Mr. Vernon E. Peterson, pharmacist-in-charge. After carefully reviewing this application Mrs. Louise Kortz moved and Mrs. Kitty Alcott seconded that the application be approved subject to a change being made to the procedures that will require the pharmacist to personally prepare the patient profile or to review and initial the profile if it is prepared by supportive personnel, that the pharmacist personally accept new prescription orders telephoned in to the pharmacy, and that a system of visual identification be established so that the public may readily differentiate between pharmacists and supportive personnel. The motion passed.

The next application for the use of supportive personnel was presented by Mr. Kenneth L. Fischer, pharmacist-in-charge on behalf of Fischer Drug in New Ulm. After reviewing this application Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the application be approved subject to a change being made in the procedure that will establish a system of visual identification so that the public may readily differentiate between pharmacists and supportive personnel and further that Secretary Holmstrom indicate to Pharmacist Fischer that the utilization of supportive personnel is intended to free the pharmacist for participation in other professional tasks such as patient consultations. The motion passed.

The next application to be considered was submitted on behalf of Women and Childrens Apothecary in St. Cloud, MN by Mr. Bayliss Swanson, pharmacist-in-charge. After reviewing this application Mr. Mike Hart moved and Mr. Ove Wangenstein seconded that the application be approved subject to the addition to the procedures by Mr. Swanson of a section that would require the pharmacist to personally prepare the patient profile or to review and initial the profile entries if prepared by supportive personnel, that a system of visual identification be established so that the public may readily differentiate between pharmacist and supportive personnel, and further that Secretary Holmstrom indicate to Pharmacist Swanson that utilization of supportive personnel is intended to free the pharmacist for participation in other professional tasks such as patient consultation. The motion passed.

The next application for the use of supportive personnel to be reviewed by the Board was submitted on behalf of Littlefork Hospital Pharmacy by Mr. Myron Haldy, pharmacist-in-charge. After carefully reviewing this application Mr. Ove Wangenstein moved and Mr. Mike Hart seconded that the application be approved subject to a change being made in paragraph B4 that will indicate that the pharmacist must determine which product will be used in filling any particular prescription after which determination the supportive personnel can pick the medication from the shelf and prepare the prescription for dispensing. The motion passed.

The final application for the use of supportive personnel was submitted on behalf of five different Target Stores by Mr. Daniel Feuer, pharmacy buyer, for Target Stores, Inc. After discussing this application Mrs. Kitty Alcott moved and Mr. Gary Blume seconded that the application be tabled and that Secretary Holmstrom indicate to Mr. Feuer that the Board's rules relative to the use of supportive personnel require an application be submitted by the pharmacist-in-charge of each pharmacy where the use of supportive personnel is being proposed. The motion passed.

The Board next considered a letter from Mr. William Cacini requesting reinstatement of his license to practice. Mr. Cacini's license had been allowed to lapse in 1975. After reviewing Mr. Cacini's history and acknowledging the fact that Mr. Cacini has been employed as an assistant professor of Pharmacology at the University of Cincinnati College of Pharmacy Mr. Mike Hart moved and Mr. Ove Wangenstein seconded that Mr. Cacini be informed that he will be allowed to have his license reinstated to active status upon submission of the required back renewal fees and upon showing evidence of participation in continuing pharmacy education. The motion passed with three members voting affirmatively, two members voting in opposition and one member abstaining.

The Board next considered a letter from Mr. David Goudge requesting an extension of time in which to obtain the required continuing education credits for 1979. After reviewing Mr. Goudge's letter Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that Mr. Goudge be granted an extension of time to January 1, 1980 in which to obtain the required continuing education credit. The motion passed.

The Board next discussed the possibility of making some changes in the internship requirement to correspond to changes that have been made in the curriculum at the College of Pharmacy at the University of Minnesota. After some discussion on this subject Mrs. Kitty Alcott moved to table the issue pending more information from the college and recommendation from the Internship Advisory Committee. A motion to table needs no seconding and the question was called for. The motion passed.

The Board next discussed the resolutions passed at the NABP/AACP District V meeting in Omaha. In particular the Board discussed resolution #4 which resolved that NABP study and recommend a method of grade transfer between states for the purpose of registration and further that this privilege of transfer of grades be limited to six months from the time of original examination. After some discussion Mr. Ove Wangenstein moved and Mr. Mike Hart seconded that the Minnesota Board of Pharmacy continue to accept NABPLEX scores from candidates who have participated in the NABPLEX exam within the past twelve month period. Mrs. Kitty Alcott then moved to amend the motion to limit the time period to six months. Mr. Ove Wangenstein accepted this amendment. The motion as amended was defeated with two members voting in favor of the amended motion, three members voting in opposition and one member abstaining. Mr. Ove Wangenstein then moved and Mr. Mike Hart seconded that the Minnesota Board continue to accept NABPLEX scores from candidates who have participated in a NABPLEX examination during the past twelve months. This time the motion was not amended and the motion passed with five members voting in favor and one member abstaining.

The Board next reviewed the file of Intern William B. Beaudette. In making its review the Board cited the fact that Mr. Beaudette has not filed the required internship forms for December of 1978, March of 1979, June of 1979 and September of 1979, Mr. Beaudette hasn't participated in any of the required internship examinations and has not graduated from the College of Pharmacy nor is there any record of his attending the college of pharmacy since 1977. After completing this review Mr. Ove Wangenstein moved and Mr. Gary Blume seconded that the Board move to recall the internship registration of Mr. Beaudette for failure to make progress in meeting the minimum standards required for licensure as a pharmacist in Minnesota. The motion passed.

The Board next took up the recommendations of its Adhoc Committee on Return of Medications and Unit Dose Packaged Drugs. After Secretary Holmstrom presented to the Board the recommendations of the committee Mr. Gary Blume contended that such a proposal will cost more than its worth to the public and moved to reject the entire recommendation. Mr. Tom Berg seconded the motion. The vote was held with two members voting in favor of the motion, three members voting in opposition to the motion and one member abstaining. Thus the motion was defeated. President Frederickson then moved to table further discussion of the committee's recommendation pending receipt of additional information by the Board regarding packaging mechanisms, etc. utilized in the blister pack card systems. The Board went on record indicating the desirability of paying a visit to the Twin City Geriatric Drug for a first hand review of the system utilized at this pharmacy.

Secretary Holmstrom next presented to the Board a list of all Pharm D graduates currently practicing in Minnesota. It appears from the list that several such individuals are not licensed as pharmacists in Minnesota and yet are actively engaged in practice. Mrs. Kitty Alcott then moved and Mr. Mike Hart seconded that Secretary Holmstrom send a letter to all of the Pharm D's who are not licensed in Minnesota indicating to them that the Board considers them to be practicing pharmacy without a license, that they can register as an intern until they are licensed and that a copy of such letter be sent to the administrator of each facility wherein such persons are employed. The motion passed.

The Board next turned its attention to the performance of the candidates on the recently administered licensure examination. Mr. Tom Berg moved and Mr. Mike Hart seconded that in grading the examinations the NABPLEX written "Practice of Pharmacy" exam be weighted at 100 points and the Boards own "Wet Lab" exam be weighted at 150 points toward the total examination grade and further that the FDLE* and the Boards own jurisprudence exam be weighted equally and the average of those two grades equal 100 points toward the total examination score and further that each of the four NABPLEX written sections of the examination count as 100 points toward the total. The motion passed.

With this criteria established Mr. Berg moved and Mr. Hart seconded that candidates who received a general average of 75% or better, not less than 75% in their practical examination and not less than 60% in any one written subject be granted licensure as a pharmacist. The motion passed.

The candidates to successfully pass the examination are as follows:

<u>CERTIFICATE NUMBER</u>	<u>NAME</u>

There being no further business at this time President Frederickson dismissed the meeting.

Executive Secretary

President

MINNESOTA BOARD OF PHARMACY

FIVE HUNDRED FORTY-FIFTH MEETING

November 28, 1979. At approximately 8:30 a.m., November 28, 1979, Board Members, Marc Frederickson, Michael Hart, Gary Blume, Ove Wangensteen, and Louise Kortz, together with Board Secretary David Holmstrom, met at the Minnesota Department of Health Building for the purpose of conducting a visit to Twin City Geriatric Drug in Minneapolis in order to obtain additional insight into how a system might be established that would offer satisfactory controls of medication should the return of medication in blister pack packaging be allowed by the Board. The above individuals met with Mr. Robert Gale of Twin City Geriatric Drug and Mr. Gale was kind enough to conduct the Board Members and Mr. Holmstrom through his facility and explain the computer operation, prepackaging operation, and prescription dispensing set-up that is currently in place and which could be adapted for the return of medications from nursing homes.

At approximately 9:45 a.m. the entire Board met in room 305 of the Minnesota Department of Health Building, 717 Delaware Street Southeast, Minneapolis, Minnesota for the purpose of conducting a general business meeting. All present Board Members and the Board's Secretary were present at the meeting.

The first item on the day's agenda was the review and approval of the minutes of the last meeting. Mr. Tom Berg moved and Mr. Ove Wangensteen seconded that the minutes of the meeting of October 31, 1979 be approved as written. The motion passed.

There being no new pharmacy applications this month the next item of business was a report from Dr. Hugh Kabat, Assistant Dean at the College of Pharmacy at the University of Minnesota, relative to some curriculum changes which Dr. Kabat hopes will lead the Board to re-evaluate its interpretation of the rules relative to the time at which a pharmacy student may begin to work in the capacity of a pharmacist-intern. After hearing Dr. Kabat's presentation and discussing the issue to some extent Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that pharmacy students be allowed to register as pharmacist-interns and begin to seek employment as pharmacist-interns after the completion of the first professional year (the third year of the standard five year pharmacy curriculum). The motion passed.

The next item on the agenda was a review of the applications for the use of supportive personnel pursuant to the requirements of 7 MCAR 8.047.

The first application for the use of supportive personnel to be considered by the Board, submitted on behalf of Immanuel-St. Joseph's Hospital by Mr. Robert J. Kellogg, pharmacist-in-charge. This application first came before the Board at the meeting of October 31, where final action on it was tabled pending the receipt of additional information. The additional information was received from Mr. Kellogg and the application is again before the Board. After discussing the entire application again Mrs. Kitty Alcott moved and Mr. Ove Wangensteen seconded that the application be approved but that Secretary Holmstrom, when writing to inform Mr. Kellogg of the approval, remind him that while it is not spelled out specifically in his proposed procedures the ratios of supportive personnel to pharmacists as detailed in 7 MCAR 8.047 must be adhered to at all times. The motion passed.

The next application to be considered was submitted on behalf of Riverview Hospital in Crookston by Mr. Leslie K. Kotek, pharmacist-in-charge. After reviewing this application Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the application be tabled pending the receipt of additional information from Mr. Kotek relative to items five, twelve and fourteen in his proposed procedures. The motion passed.

The next application to be placed before the Board for action was submitted on behalf of Snyder Brothers Drug on 2157 Hudson Road in St. Paul by Mr. Robert Lovsted, pharmacist-in-charge. After reviewing this application Mr. Mike Hart moved and Mr. Tom Berg seconded that the application be approved subject to the pharmacist understanding that a pharmacist must check computer in-put accuracy as required by 7 MCAR 8.043 of the Board rules and in addition, that the ratio of supportive personnel to pharmacist be maintained as provided in 7 MCAR 8.047 at all times. The motion passed.

The next application to be presented to the Board for consideration was submitted on behalf of Borgstrom Pharmacy, 990 Payne Ave., St. Paul by Mr. Peter A. Amundson, pharmacist-in-charge. After reviewing this application Mr. Mike Hart moved and Mr. Tom Berg seconded that the application be approved subject to the pharmacist understanding that a pharmacist must check computer in-put accuracy as required by 7 MCAR 8.043 of the Board rules and, in addition, that the ratio of supportive personnel to pharmacist be maintained as provided in 7 MCAR 8.047 at all times. The motion passed.

The next application to be presented to the Board for consideration was submitted on behalf of Northwestern Hospital in Thief River Falls, MN by Mr. Rick Contos, pharmacist-in-charge. After reviewing this application Mr. Mike Hart moved and Mrs. Kitty Alcott seconded that the application be approved but that Secretary Holmstrom impress upon Mr. Contos that under item A2 in his proposed procedures the pharmacist must check each prescription being prepared by supportive person after the label has been attached to the prescription container and further that the ratio of supportive personnel to pharmacist must be in compliance with the ratio set forth in 7 MCAR 8.047 at all times. The motion passed.

The next application to be presented to the Board for consideration was submitted on behalf of Harolds Medical Supply and Pharmacy in Minneapolis by Mr. Harold Rosoff, pharmacist-in-charge. After reviewing this application Mrs. Kitty Alcott moved and Mrs. Louise Kortz seconded that the application be approved subject to a change in the procedures being made by Mr. Rosoff in the following area. A change of direction to be indicated on an existing prescription amounts to a new prescription and such information, when transmitted to the pharmacy by telephone, must be taken by a pharmacist and not by supportive personnel. The motion passed.

The next application to be placed before the Board for consideration was submitted on behalf of James Drug of Ely, Minnesota by Mr. Leon D. Schumacher, pharmacist-in-charge. After reviewing this application Mrs. Kitty Alcott moved and Mr. Tom Berg seconded that the application be approved subject

to a change in item B of the proposed procedures wherein it must be noted that the pharmacist will determine which drug is to be used in filling a prescription after which the supportive person can pick the medication from the shelf in order to prepare the prescription and further that the ratio of supportive personnel to pharmacists be established so as to maintain compliance with the requirements of 7 MCAR 8.047 at all times. The motion passed.

The next application for the use of supportive personnel presented to the Board for consideration was submitted on behalf of Riverside Pharmacy, in Minneapolis, Minnesota by Mr. David Meysemborg, pharmacist-in-charge. After reviewing this application Mr. Tom Berg moved and Mr. Gary Blume seconded that the application be approved subject to a change being made by Mr. Meysemborg in section A2 of the proposed procedures which would indicate that the pharmacist must determine which medication is to be used in preparing a prescription after which the supportive person can pick the medication from the shelf to prepare the prescription for dispensing. The motion passed.

The last application for the use of supportive personnel to be presented to the Board was submitted on behalf of Keaveny's Navarre Drug, Lake Minnetonka by Mr. Richard M. Keaveny, pharmacist-in-charge. At its meeting of October 31, 1979 the Board tabled final action on this application pending the receipt of additional information from Mr. Keaveny. This information has now been received and the application is again before the Board for consideration. After reviewing the complete application again Mrs. Louise Kortz moved and Mr. Mike Hart seconded that the application be approved. The motion passed.

The next item on the Board's agenda was the recommendations of the Continuing Education Advisory Committee relative to programs recommended for approval in meeting the continuing education requirements of Minnesota pharmacists. After reviewing the list of programs recommended for approval Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that those programs recommended for approval be so approved and that approval be denied for those programs for which denial of approval was recommended by the CE Advisory Committee. The motion passed.

Secretary Holmstrom next presented to the Board the case of Mr. Dan Dowling, pharmacist-intern. Secretary Holmstrom pointed out to the Board that Mr. Dowling participated in the Board's reciprocity examination in June of 1977 and again in January and June of 1978 and failed to achieve a passing score in each of those reciprocity examinations. Since that time Mr. Dowling has continued to be employed in an intern capacity at Osco Drug in Austin, Minnesota and has made no further attempt to become licensed in Minnesota. After reviewing the Board's regulation which allows individuals to be registered as pharmacist-interns while they are making a good faith effort to become licensed as pharmacists in Minnesota Mr. Ove Wangensteen moved and Mrs. Kitty Alcott seconded that the Board notify Mr. Dowling that his internship registration with the Board is hereby revoked and that he may not continue to function as a pharmacist-intern in Minnesota unless he can demonstrate to the Board that he is in fact making a good faith effort to become licensed as a pharmacist in this state. The motion passed.

At this time Mr. Holmstrom presented to the Board a letter from Ms. Ellen Piltingsrud who has recently moved to Minnesota and seeks to reciprocate her license here on the basis of her licensure in Delaware. Ms. Piltingsrud indicates in her letter that the Board may require a candidate to participate in the wet lab examination if they have not been in active pharmacy practice for two years or longer. This is the case with Ms. Piltingsrud. After reading her letter Mrs. Kitty Alcott moved and Mr. Gary Blume seconded that Secretary Holmstrom inform Ms. Piltingsrud that she may pursue reciprocity in January of 1980 based on her license in Delaware without the necessity of participating in a wet lab examination. The motion passed.

At this point President Frederickson dismissed the Board for lunch.

The Board reconvened in Room 305 at approximately 1:30 p.m. The Board at this point took up for discussion the petitions offered by several examination candidates who were requesting that their exams be regraded.

The first such petition was submitted by Mr. Paul Drumgoole. After reviewing Mr. Drumgoole's examination performance Mr. Michael Hart moved and Mr. Gary Blume seconded a motion acknowledging the arguments presented by Mr. Drumgoole and based on the acceptance of those arguments Mr. Drumgoole's performance on the recently administered licensure examination was sufficient to allow him to become licensed as a pharmacist in Minnesota. The motion passed.

The next petition to be reviewed by the Board was that of Kim Nguyen. After reviewing her petition and exam performance Mr. Michael Hart moved and Mr. Ove Wangenstein seconded that while some of Ms. Nguyen's arguments were of merit her exam performance still did not meet the criteria needed for licensure and as a result the decision to deny licensure based on her exam performance will stand. The motion passed.

The next petition to be reviewed by the Board was submitted by Mr. Robert McGory. After reviewing this petition and his exam performance Mr. Michael Hart moved and Mr. Ove Wangenstein seconded that while one of Mr. McGory's arguments has merit his exam performance still falls below the standard set for licensure and as a result the decision to deny licensure based on this exam performance will stand. The motion passed.

The Board next reviewed the petitions from Ms. Desiree Marchand, Ms. Laura Kuderer, Ms. Jean-Ann Silverness, and Mr. Kevin Schwartz. After reviewing the exam performances of these individuals Mr. Mike Hart moved and Mr. Ove Wangenstein seconded that the arguments set forth in their respective petitions did not merit a change in the grading of their examinations and as a result the decisions to deny licensure based on their exam performances will stand. The motion passed.

The Board next discussed the issue of Mr. William Beaudette. At its meeting of October 31, 1979 the Board took action to revoke the internship registration of Mr. Beaudette for failure to make progress toward licensure as a pharmacist in Minnesota. Mr. Beaudette has now indicated to the Board

that he will be reentering the College of Pharmacy to complete his educational requirements during the winter and spring quarters of the 1979-1980 school year and is therefore requesting that he be allowed to re-register as an intern. After reviewing Mr. Beaudette's file Mrs. Kitty Alcott moved and Mr. Ove Wangenstein seconded that Secretary Holmstrom inform Mr. Beaudette that as soon as evidence is presented that he has registered for the required courses at the College of Pharmacy he can be re-registered as an intern in Minnesota. The motion passed.

At this point Board member Michael Hart reported to the Board the details of the Continuing Education Advisory Committee's meeting of November 27, 1979 and the progress being made by the planning committee for the continuing education retreat. No Board action was necessary based on Mr. Hart's report.

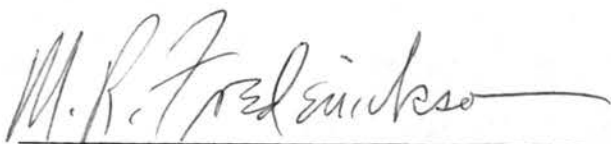

At this point Board Member Blume requested that the Board deviate from its planned agenda and discuss the issue of prescribing by Physician's Assistants. After a general discussion Mrs. Kitty Alcott moved and Mr. Gary Blume seconded that all prescriptions by PA's must be signed by the MD after consultation with the PA or, in the case of telephoned prescriptions, must be phoned to the pharmacy by the physician. Mr. Mike Hart then moved to amend the motion to read that "a physician's assistant must not initiate prescriptions; if medication is required by the patient the drug must be prescribed by the physician. All prescriptions transmitted to a pharmacy must be signed by or phoned to the pharmacy by the prescribing practitioner." The amendment was accepted by Mrs. Alcott and Mr. Blume and the motion as amended passed unanimously.

At this point the Board returned to its planned agenda for a discussion on the report of the Board's Adhoc Committee on the Return of Blister Pack Medication. After a general discussion of impressions developed during the visit to Twin City Geriatric Drug earlier in the day Mrs. Kitty Alcott moved and Mr. Mike Hart seconded that the Board's consideration of this issue be continued until the next meeting. The motion passed.

At this point Secretary Holmstrom presented to the Board a stipulation agreed to between the Board's Pharmacy Complaint Review Committee and Mr. John Dragich of Snyder Drug in St. Cloud. After a brief discussion of the issue surrounding Mr. Dragich Mr. Gary Blume moved and Mr. Mike Hart seconded that the Board accept the agreed upon stipulation. The motion passed.

At this point the Board members reviewed the monthly inspection summaries prepared by the Board Surveyors and requested that Secretary Holmstrom see that carbon copies of any letters sent to pharmacists-in-charge of any chain pharmacies be sent to that pharmacy's home office. Secretary Holmstrom indicated that this would be done for all future correspondence.

There being no further business at this time Chairman Frederickson dismissed the meeting.
