\*\*\*\*\* SPECIAL NOTE \*\*\*\*\*

One value that Resort name cards might have is that many of them have such names as :

HANSON'S POPLAR POINT RESORT

CLAM SHELL BEACH RESORT

BUTTERNUT POINT RESORT ETC. ETC.

There is the possibility that at least some of these Resorts so named, actually carry names of local Place names and should be looked into before discarding the cards as Resorts only.

NOTE: This lake in its entirety bears the names, Fox Lake and Big Fox Lake on several maps. In the Lake Gazetteer of Meandered lakes, it appears as two lakes, Fox Lake and East Fox Lakes. The name East Fox lake is applied to its western part, apparently so done erroneously by the compilers of the Gaz. Upham refers to these two lakes as East Fox and West Fox lakes, but without section numbers.
