} Complaint

The complaint of
the Plaintiff in the above entitled action
respectfully shows to the Court

That the above named Defendant is a
Corporation duly organized existing and
doing business in the State of Minnesota
under and by virtue of the laws of said
State.

That the above named Plaintiff on the 26th
day of February A.D. 1879 was in possession
of a certain tract of land in the Township
of Chaska in said County over and across
which said tract of land said Defendant
was at said time operating and running
a railroad known as the Minneapolis
and St Louis Railroad.

That said railroad where the same crosses
and runs over said tract of land is not
enclosed by fences.

That on the 26th day of February A.D. 1879 the
said Defendant by and through the carelessness

negligence, unskillfulness and default
of their agents and servants in managing
regulating and running a certain Railroad
train over and upon said Railroad where
the same crosses said tract of land
so carelessly negligently and unskillfully
managed and operated said train that one
cow then and there the property of this Plaintiff
was struck by the locomotive of said railroad
train and was cut injured and bruised
by said train to such an extent as to become
of no value to this Plaintiff.

That the said cow previous to ~~said~~ having
been struck by said railroad train was
worth and of the value of ~~twenty~~ ^{thirty} five dollars
and that said cow by reason of the injuries
aforesaid is now of no value to this Plaintiff.
and that said Plaintiff has suffered damage
by reason of the ~~same~~ negligence of the Defendants
as aforesaid in the sum of ~~twenty~~ ^{thirty} five
dollars.

Wherefore the Plaintiff demands judgment
for the sum of ~~twenty~~ ^{thirty} five dollars
besides the costs of this action

Defendant.

The above named Defendant for answer
to the Plaintiffs Complaint in the above
entitled action. denies each and every
allegation, statement matter and thing
in said Complaint contained except such
as are hereinafter admitted or qualified.

This Defendant further answering said
Complaint admits that it is a Corporation
organized existing and doing business
as in said Complaint alleged: that at
the time in said Complaint alleged this
Defendant operated and ran a railroad
upon and across certain land possessed
by said Plaintiff in the Township of Black
and that such railroad where the same
crosses and runs over such tract of
land is not enclosed by fences.

This Defendant further answering said

Complainant admits that on the 26th day of February 1879, a certain cow, was injured upon this Defendants said railroad track, but this Defendant expressly denies that such injury was caused, or in any manner contributed to by the carelessness, negligence, recklessness or default of the Defendants agents or servants but on the contrary this Defendant avers that this Defendants agents and servants, were running and managing the train which inflicted the injury complained of in a prudent careful and skilled manner.

This Defendant denies that the cow so injured by this Defendants railroad train, was worth and of the value of ~~ten~~ five dollars, or any sum other and greater than ten dollars, and this Defendant denies that the injuries inflicted upon such cow were such as to render her of no value.

This Defendant further answering said Complainant, and as a defense thereto avers that said Plaintiff carelessly and negligently permitted and allowed his cattle to roam at will in the immediate vicinity of the Defendants said railroad track, and that in consequence of such carelessness and negligence on the part of said

Plaintiff, and not otherwise the Plaintiff
said cow, was injured.

Wherefore Defendant demands judgment

The defendant in the above entitled action for answer to the complaint therein admits that he made executed and delivered the note mentioned in the Complaint to the plaintiff above named. And the answer of the defendant further states and shows that said plaintiff represented and stated to his ~~plaintiff~~ ^{defendant} that he was the owner and had the right to dispose of the North East Quarter of section twenty (20) in Township one hundred and nine (109) of Range thirty Eight (38)
