James J. Sullivan being duly sworn Says that he is the son and one of the heirs at law of Timothy Sullivan Deceased, who at the time of his death and for a period of above forty years prior thereto was a resident of the town of Janesville in the county of Waseca and State of Minnesota, and that he left an estate therein as is shown by the petition for administration herein.

Affiant further says that he always reside with his said father during his own existence and up to the time of his said father's death, and that during the last past ten or twelve years he had entire charge of his said father's affairs and business-in all things, pertaining as well to the farm as to every thing else. And from such acquaintance with his said affairs, and his intimate knowledge of the same extending over a long period of time he knows that his said father was not indebted to any person or persons, except in the matter of a few small items which this affiant has long since paid.

He further says that his said father died on the 20nd., day of June 1908 and that during this interval of 16 months he has not heard of any claims except these already referred to and which he has paid.

He therefore asks that the time for the presentation of claims against the said estate be restricted to a period of 3 months, in conformity with the statute in such cases made and provided.
