REPORT OF DEPARTMENT COMMANDER T. E. HILLS. HEADQUARTERS, DEPARTMENT OF OREGON,

Grand Army of the Republic,
Grants Pass, Ore., June 20, 1906.

To the Twenty-fifth Annual Encampment, Department of Oregon:

Since you honored me one year ago with the highest position in your gift, it now becomes my duty and pleasure, to render an account to you of the work that has been accomplished, and to welcome you to this the Twenty-fifth Annual Encampment of this Department, and to make such recommendations as in my judgment seems needful and proper for your consideration.

To aspire to the position of Department Commander of this State is a laudable ambition in any comrade, and to be elected, an honor only second to the position of Commander-in-Chief.

One year ago when you gave me the unanimous support of the Twenty-fourth Encampment at Oregon City, for this position, I promised you that I would labor for the good of the Department to the best of my ability, and how well I have kept my pledge and performed that duty, you alone must be the judge. I hope the work accomplished during the year has been satisfactory to you, and wherein I have failed, or in your judgment made errors, I ask you to judge leniently for what I have done, has been with an eye single to the upbuilding of our order and the happiness and comfort of the comrades who constitute the Department of Oregon, Grand Army of the Republic.

The true purpose and work of the Grand Army of the Republic is not, as is thought by many, a mere sentiment, but while it serves to keep alive the scenes that transpired when most of us as boys stepped forth from the district school room, and

from the care and protection of loving parents, to face and take part in the terrible realities of a civil war, our aim has been and is, to instill into the minds of the rising generation, a spirit of true patriotism and loyalty to our country, without which no republic has assurance that its citizens will be protected and their property secure.

It is the grandest civic organization known to the world, and, comrades, the lessons we are teaching will live long after the last one of our numbers has passed from the busy scenes of life, and realizing this fact, should stimulate each one of us in the work of teaching a love for the flag we have fought to preserve and which today is honored by all nations of the earth.

At each of our annual gatherings we are brought face to face with the fact that the wheels of time are increasing in speed as the years go by and that some of the faces we met one year ago are absent; they have been unable to continue the march and thus our ranks grow thinner.

Among those of our members lost by death during the year is one of our Department Officers, Comrade J. K. Lang of Post No. 12, who was a member of the Council of Administration, a congenial comrade and a good worker.

The report of the Assistant Adjutant General will show that during the last year our loss in members exceeds our gain by one hundred and twenty-eight. This is not surprising when we consider the late figures given out by our Commander-in-Chief, James Tanner, that the ranks of the "Old Soldiers" are thinning at the enormous rate of sixty thousand a year; a number equal to the army that marched with "Sherman to the Sea" are being swept from the shores of time as we pass each mile post. The death rate in our Department is not excessive when we consider the above, as the reports will show that our death loss is only about one-fourth of the total loss and our greatest loss is from suspensions. In view of the emigration of the comrades to this Department from the East our numbers should increase for the next year or two instead of diminish, and I feel assured that the next semi-annual report will show a gain in membership.

The matter of suspensions is a serious problem and I recommend that the officers of posts work with a view to retain within their ranks every worthy comrade and that the Post pay the dues of members who, by misfortune, are unable to do so.

I issued a charter for a Post at St. Johns, to be known as

General Compsom Post No. 22, which has been duly mustered and of which the Chief Mustering Officer will report in detail.

I visited the Thirty-ninth National Encampment, held at Denver, Colorado, last August, in company with other comrades of the Department, and have delegated Past Department Commander B. F. Pike to make report to this Encampment.

Woman's Relief Corps.

My observation is that the Posts which have the smallest per cent of suspensions are those that have a wide awake Woman's Relief Corps as an auxiliary, and those that have the best attendance are the Posts that adhere to the rule of holding open meetings in connection with the Relief Corps every four to six weeks.

The most enthusiastic comrade becomes tired of the routine of a business meeting, especially when he holds no office and has no active part; therefore, I again say that it is the Post which has the most efficient Woman's Relief Corps that gets up the best entertainment and the Post that is alive along the social line that will always be found in the front rank, working for the good of the order, and it is our duty to do what we can to encourage this noble band of women in the work they are doing.

I would not have you think that the estimate of these women is confined to the good they do us at our social gatherings. The organization composed, as it is, of the loyal women of our country, is doing much to aid and strengthen in various ways the Grand Army of the Republic and I feel that were it not for the good work they have done and are still doing, that ere this date our order would only be a shadow of what it is today, or it would have ceased to exist.

The year just closing under the efficient leadership of Mrs. Jennie B. Harding, Department President, has been one that will long be remembered by the work that has been done in aiding in the completion of the cottages at the Soldiers' Home and furnishing the same, a detailed report of which will be submitted by the Chairman of the Committee on the Home and Cottages, Mrs. Emma Galloway, Past Department President of the Woman's Relief Corps.

Department Commander T. E. Hills

Soldiers' Home and Cottages.

I have visited the Soldiers' Home at Roseburg on two occasions during my term of office as a member of the committee on the Home.

On November 10th, by appointment and in company with Governor Chamberlain and Mrs. Jennie B. Harding, Department President of the Woman's Relief Corps and also a member of the Committee on the Home, we made a thorough tour of inspection of the buildings and grounds with the Commandant, Major W. W. Elder, as our host and guide, and I am pleased to state that we found no cause for complaint as to management and the way the comrades were treated.

At this meeting rules were formulated for the government of the inmates of the cottages, a copy of which has been transmitted to each Post Commander in this Department.

On May 8th I again visited the Home, omitting to announce my coming in advance that I might better be able to judge of the surroundings when they were not expecting company.

On this visit, as well as the former, I was well pleased with the way the Home was conducted, as the members, without an exception, spoke in the highest terms of the treatment they received at the hands of the Commandant, and this, too, with 123 inmates, 34 of which were in the hospital. I talked with a number of them privately and the only complaint any had to enter was that it was rather monotonous.

The Home is without an assembly hall of any kind, hence they have no place to hold church services, entertainments of any kind, or Post meetings, and I therefore recommend that an effort be made to provide for this deficiency, and if it could be arranged whereby they could have a musical program, or an entertainment of some kind at least once a month, this would help to make life more pleasant.

Legislation, Soldiers' Home and Cottages.

It is of the utmost importance that a Committee on Legislation be appointed who will give that matter their attention, and I therefore recommend that the incoming Department Commander be a member of this committee and that he appoint two comrades from the members of this Department and that

the Department President-elect of the Woman's Relief Corps be requested to appoint a like number, the whole number to constitute the Committee on Legislation, Soldiers' Home and Cottages.

I also recommend that the incoming Department Commander be delegated as a committee of one to labor with our congressmen and senators, to the end that the service pension bill may be passed at an early date, giving to each honorably discharged soldier of the civil war a pension of at least twelve dollars per month.

Flag Day.

I had the honor to call the attention of His Excellency, the Governor of this State, to the request made by the National Patriotic Instructor, and in behalf of this Department of the Grand Army of the Republic, request that he issue a proclamation asking the people in general to observe June 14th as Flag Day, to which he assented and the proclamation was issued.

Let us push this good work along, for none have a better right to fling "Old Glory" to the breeze than we who have followed it on the weary march and in the smoke of battle, and the flag that is most dear to us today is that tattered, torn, faded and begrimed old banner that we followed home after our four years' schooling in war.

Sons of Veterans.

When I assumed command of this Department, one of my chief desires was to try to persuade the Sons of Veterans to reorganize, but I found the duties of the office would not allow me to devote the time that would be required to accomplish this.

With a Department of over eighteen hundred members, and as near as we can estimate, about seven thousand old veterans in the State, Oregon today should contain ten thousand Sons of Veterans who are eligible to this organization.

From personal observation I know of many towns in the State where strong camps could be organized if the proper effort were put forth, and yet our Department does not contain one camp.

I cannot think that this is altogether the fault of the sons;

but believe it is lack of interest on the part of the fathers that this matter has not been taken up and a reorganization effected in this State.

I believe in the prospective usefulness of this organization, and do not hesitate to urge the representatives of every Post here assembled to take some steps before this Encampment comes to a close to co-operate with the National Officers of the Sons of Veterans to the end that one year hence this Department will have a Division of that organization.

Facts are stubborn things and try as we may to retain our youth and strength, our gray heads and halting steps are constant reminders of the fact that we are no longer boys, and with this before us the question as to who will carry on the work that our organization has been doing when the last Post surrenders its charter naturally presents itself for our consideration, and the only solution that I can suggest is that a united effort be made by this Department to have the Sons of Veterans reorganize, and with them will come the Daughters of Veterans as an auxiliary; then can be said of the work of the Grand Army of the Republic as the poet has sung of our beautiful banner, "And it never touched the ground boys, it never touched the ground."

Conclusion.

In conclusion I desire to say that I have in the appointment of my staff endeavored in every instance to select comrades whom I had reason to believe had the interest of the order at heart, and in no case have I had reason to regret my choice for I feel that each has tried to do his duty and now I desire to extend my thanks to the comrades of the Department for the kind and courteous treatment that I have received at their hands at all times and in all places during my term of office, and to each of my personal staff my sincere thanks for their cordial support and hearty co-operation during the year.

In surrendering the gavel I assure you, my comrades, that there will always be a warm place in my heart for each of you and as I transfer the banner of the Department Commander to

my successor, I bespeak for him the same loyal support that you have given me.

Again thanking you one and all I am,

With fraternity, charity and loyalty,

T. E. HILLS,

Commander Department of Oregon,
Grand Army of the Republic.

Moved by Comrade Gideon Stoltz that the report be referred to a committee of three Past Department Commanders. Carried. Comrades H. H. Northrup, G. E. Caukin and M. L. Pratt appointed as committee by Senior Vice-Commander Geo. A. Harding.

General Lytle Post, No. 27, having been previously dropped from the roll of Posts, by order of the Department Commander, has since been permitted to pay its delinquency, and upon doing so was reinstated, after which it surrendered its charter, and its members in good standing were given transfer cards.

John Gibbon Post, No. 78, has surrendered its charter, and its members in good standing have been given transfer cards.

General Compton Post, No. 22, St. Johns, was mustered May 16, 1906, with seventeen members, and is therefore entitled to representation at this Encampment, as shown upon the roll of Post Representatives.

The matter of the payment of \$125 to Comrade H. H. Northrup in partial reimbursement of moneys paid by him as surety upon the bond of Jacob Imbody, defaulting Assistant Quartermaster General, was brought to the attention of this office by a request for such payment, but inasmuch as no definite instructions authorizing such payment could be found, it was decided, after consultation with Department Commander Hills, to refer the matter to this Encampment for definite orders regarding the payment.

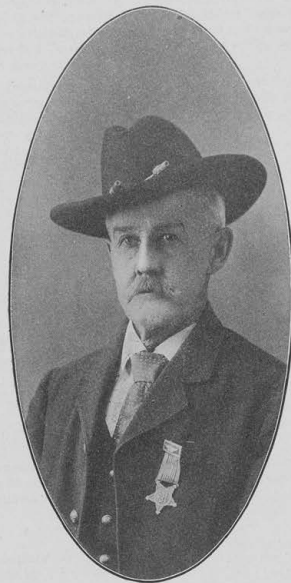

At the time my predecessor assumed this office there was only the small sum of \$8.74 on hand in the Department treasury

with which to commence the year's work, and it accordingly became necessary to call upon the various Posts for voluntary contributions to enable the Department to maintain headquarters at Denver during the Thirty-ninth National Encampment. In response to this call the sum of \$36 was contributed and turned over to the Department Commander for that purpose. It is obvious that this sum was wholly insufficient to cover even the necessary expenses incurred, and in order to avoid a recurrence of such an annoyance, it is strongly recommended that the per capita tax of 40 cents per annum be continued for at least another year, or until the Department has supplied itself with sufficient funds to properly maintain itself without calling for contributions.

The fact that the Department is preparing to issue a complete roster of the members of all the Posts during the current year is another reason why funds should be on hand. The expense of this publication may be greater than that of the ordinary roster. In this connection it is to be noted that a call has already been made upon the various Posts for complete lists of their members, and but a few responses have so far reached this office. Post officers are accordingly urged to prepare and forward these lists as soon as possible.

In preparing this report I have purposely shown the losses by death for each term separately, in order that the increase in the death rate should appear. It will be noted that the loss during the first term of 1905 was 24, while during the second term it increased to 35.

At the time this office was turned over to me, a committee was appointed to audit the accounts of my predecessor and have a settlement with him, but although this committee made such a settlement, and turned over to me the funds in his hands, as appears from their report, the work of this office has been arduous, owing to the fact that it was necessary, in order to make an intelligible report, to include his accounts as well as my own, and this fact, in view of the incomplete condition of the accounts when turned over to me in the middle of a term, and the fact that a change in the location of headquarters was made, may have caused some delay at times in the interchange of correspondence with the various Post Commanders. It is hoped, however, that none of the Posts have reason to complain of any lack of attention on the part of this office, in spite of these facts.

Assistant Adjutant General F. M. Stewart.

In view of the additional expenses arising, and the losses in membership, this office has endeavored to exercise the strictest economy in the administration of its affairs, especially in the matter of printing, and experience has proven that it is most important in all cases to secure the benefits arising from competition in every possible instance.

In extending my thanks to my brother officers and comrades for their courteous treatment at all times, I desire especially to express my appreciation of the many courtesies and valuable assistance given me by Department Commander T. E. Hills, and also to mention the untiring diligence and earnest efforts of Department Chaplain Henry A. Barden in his work for the welfare and advancement of his comrades and the Department as a whole.

Respectfully submitted,

F. M. STEWART,

Assistant Adjutant General.

Referred to committee, E. F. Chapman, J. S. Foss, J. W. Ogilbee.

In connection with the above supplies account, I wish to call attention to the fact that although the profit on supplies appears to be excessively large as shown by this statement, this excess was in reality occasioned by the fact that my predecessor in some way accumulated a larger stock of supplies than appeared

in the inventory turned over to me. This fact was ascertained on taking an inventory of the stock now on hand, and inasmuch as my predecessor did not keep a detailed account of supplies sold, there was no way of taking these unaccounted for supplies into my account except as a profit.

In submitting my report for your consideration, I wish, at the same time, to express my appreciation of the uniform courtesies extended to me while in office and at all other times, by my Comrades of the Department.

Respectfully submitted,

F. M. STEWART,

Assistant Quartermaster General.

HEADQUARTERS DEPARTMENT OF OREGON,

Grand Army of the Republic,

Grants Pass, Oregon, June 20, 1906.

To the Department Commander and Comrades of the Twenty-fifth Annual Encampment:

I have the honor to report that I have attended all meetings called by the Department Commander, and to all matters that pertained to my office, owing to the good health and vigorous condition of our honored Department Commander, T. E. Hills, the business coming before me has been light.

Yours truly, in fraternity, charity and loyalty,

GEO. A. HARDING,

Senior Vice-Department Commander.

On motion, referred to committee, E. F. Chapman, J. S. Foss, J. W. Ogilbee.

Salem, Oregon, October 6, 1905.

George A. Harding, Secretary, Oregon City, Oregon.

Dear Sir: I beg to acknowledge receipt of your favor of the 30th ult., enclosing to me the check of Mrs. Jennie Sullivan, Department Treasurer W. R. C., for five hundred (\$500) dollars on the bank of Oregon City, the proceeds thereof being intended to pay for piping and plumbing of the cottages recently built at the Soldiers' Home in Roseburg.

I will forward your letter, together with the check to the Commandant of the Home, so that your wishes in the matter may be complied with.

Thanking you and the ladies of the Relief Corps on behalf of the old soldiers of the State, I have the honor to remain,

Yours very truly,

GEO. E. CHAMBERLAIN.

Salem, Oregon, October 9, 1905.

G. A. Harding, Esq., Oregon City, Oregon.

Dear Sir: I wrote to you on the 7th inst., acknowledging the receipt of your favor of the 30th ultimo, enclosing to me a check for five hundred dollars, donated by the Women's Relief Corps for "piping and plumbing" the cottages at the Soldiers' Home. I immediately forwarded the check to the Commandant of the Home and enclose you herewith a copy of his reply. You will note therefrom that in the estimates of cost made by him that the money will not be sufficient to carry the piping into the buildings or to provide any sinks or other fixtures inside the cottages. Mr. Elder, under these circumstances, hesitates to use the funds until the matter is submitted to the ladies who so kindly furnished the money and gets from them an expression of approval before he lets the contract or begins the work.

I will be under many obligations to you if you will submit this matter to the Relief Corps for their immediate attention.

As soon as I hear from you I will take the matter up again with Mr. Elder.

Thanking you for the above, I am,

Yours very respectfully,

GEO. E. CHAMBERLAIN,

Governor.

Roseburg, Oregon, October 7, 1935.

Governor Geo. Chamberlain, Salem, Oregon.

Dear Sir: I beg to acknowledge the receipt of your letter of yesterday with check enclosed as stated. I note in Mr. Harding's letter that the funds are for "piping and plumbing at the Roseburg cottage homes." In order that you may fully understand what in my opinion is most necessary to do at this time, I have made estimates and plans which are as follows:

1,050 feet one-half inch pipe.....	\$ 57.75
Labor on ditch for pipe line.....	20.00
Plumbing and fixtures, one faucet in each yard.....	10.00
Freight on material	1.00
Four woodsheds and closets.....	260.00
Fence and front gate	30.00
Walks in front and back of cottages.....	25.00
Total	\$403.75

The above does not provide that the water pipes shall be carried into the buildings or that any sinks or other fixtures shall be placed inside the cottages.

I have noted the improvements above mentioned so that if in your opinion there is likely to any question arise as to what improvements are to be made with the funds, you can take the matter up with the G. A. R. and have that matter settled before we begin work. I shall not make any contracts until you make a visit and look over the situation and decide just what improvements are to be made.

Hoping to see you at the Soldiers' Home before many weeks, I am, very respectfully yours,

(Signed)

W. W. ELDER,

Commandant.

RULES

Governing Admission to the Oregon Soldiers' Home of the Wives of Inmates Thereof.

Whereas, the act of 1903 appropriating money for the erection of cottages on the grounds of the State at the Soldiers' Home at Roseburg provides said cottages are to be occupied by the inmates of the Home and their wives; and

Whereas light cottages are now ready for occupancy by soldiers who are otherwise eligible for admission and their wives, and it is necessary to provide rules governing the admission of wives of inmates of the Home, or of those who may hereafter become inmates thereof;

Therefore, I, Geo. E. Chamberlain, as Governor of the State and as special commissioner under the act of 1905, to carry out the provisions thereof, with the advice and upon the suggestion of T. E. Hills, Department Commander of the Grand Army of the Republic, and Mrs. Jennie B. Harding, Department President of the Woman's Relief Corps, do on this tenth day of November, 1905, promulgate the following rules for the admission of wives of soldiers, either those who are now inmates of the Home or those who may hereafter become such inmates, to-wit:

1. The application for the admission of the wife of such inmate or of the soldier who may hereafter become such inmate, must be accompanied by satisfactory proof of marriage. No wife of a soldier having married subsequent to June 27, 1890, can be admitted, unless she was, previous to said last named date, the wife of a soldier.
2. The Commandant of the Home, subject to the approval of the Governor, shall be sole judge as to the sufficiency of proofs for admission and fitness of applicants, and may act favorably upon such applications or reject the same as in his judgment may seem best calculated to preserve the good order and discipline of the Home.
3. Occupants of said cottages shall be subject to all the rule and regulations that are provided for the government of the Home, and the power is vested in the Commandant to honorably or otherwise discharge such inmates and require them to vacate said cottages, when in his judgment, the best interests of the Home and its inmates may seem to require.

4. Rules and regulations for the admission of soldiers to the Home are in no wise to be changed or modified by the promulgation of this rule.

February 15, 1906.

Mrs. Jennie B. Harding, Oregon City, Oregon.

My Dear Mrs. Harding: I am just in receipt of a letter from Mr. W. W. Elder, Commandant of the Soldiers' Home, enclosing me a statement showing that he had expended all of the \$500 which the Women's Relief Corps had placed in my hands to be used in necessary improvements upon the cottages at the Home, except \$24.22. He has forwarded to me with said statement, payable to my order, a check on the First National Bank of Roseburg for this unexpended balance of \$24.22, and I take pleasure in endorsing the same payable to your order, and enclose it to you herewith together with the statement furnished me by Mr. Elder.

I am sure that the money has been faithfully expended, and that you will be satisfied with the work that has been done by Mr. Elder.

Kindly acknowledge to me the receipt of the enclosed check. With kindest regards to you and the good ladies of your Corps, I have the honor to remain,

Yours very respectfully,

GEORGE E. CHAMBERLAIN,

Governor.

Roseburg, Oregon, June 19, 1905.

Captain B. F. Pike, Oregon City, Oregon.

Dear Sir: I have been instructed by the Governor of Oregon to proceed with the construction of cottages at the Oregon Soldiers' Home, for which an appropriation of \$2,000 was made by

the last Legislature of this State. I have estimated that suitable and neat double cottages can be constructed for \$500 each. It will be necessary to lay a one-half inch pipe 1,050 feet in length from our main to the site selected for the cottages before they can be occupied. This expense and the expense of other improvements about the cottages has not been provided for in the State appropriation, and the honorable Secretary of State will not audit bills for any other purpose than the construction of cottages. I understand that the G. A. R. of this State intend to aid in the matter of building cottages by a donation of \$1,000. If this is true and that amount made available for the purpose of building cottages and laying pipe line it will be possible for me to build five double cottages that will accommodate twenty persons, which will be quite a start in the cottage business. Please give this matter your attention and inform me as soon as possible just what I can rely upon, so I can complete my plans and go ahead with the work.

Very respectfully,

W. W. ELDER,

Commandant Oregon Soldiers' Home.

Grants Pass, Oregon, June 20, 1906.

The committee met in the parlor of the Hotel Josephine at 8:30 a. m. The meeting was called to order by the President, Mrs. Emma Galloway. Present, Mrs. Jennie B. Harding, Department President W. R. C., Department Commander T. E. Hills, Comrade B. F. Pike, and Geo. A. Harding, Senior Vice-Department Commander.

The minutes of the last meeting were read and approved. Moved by Comrade B. F. Pike and seconded by Comrade T. E. Hills that the minutes of the committee for the year be approved. Carried.

The following recommendation was unanimously adopted: That the joint committee of six be continued, three from the Grand Army and three from the Woman's Relief Corps, of which the incoming Department Commander and President of the W. R. C. shall be members, the Encampment elect two members and W. R. C. Convention elect the remaining two, said committee to be vested with power to take such action as it may deem

necessary to carry on the work. Committee adjourned to meet at call of the President after installation of officers.

JENNIE B. HARDING,
Department President.

T. E. HILLS,
Department Commander.

EMMA GALLOWAY,

HELEN GATES,

B. F. PIKE,

GEO. A. HARDING.

Grants Pass, Oregon, June 20, 1906.

To the officers and members of the Twenty-fifth Annual Encampment of the Grand Army of the Republic. We, your joint committee on Cottage Homes at Roseburg, submit the following report and recommendations:

The Roseburg Cottage Committee met at the Hotel Windsor, Denver, Colo., September 7, 1905.

Present: B. F. Pike, Past Department Commander Jennie B. Harding, Department President W. R. C., and Geo. A. Harding, Department Senior Vice-Commander.

Meeting called to order by the Past Department Commander.

Reports were read that the cottages, four double cottages with two rooms each, were finished, but that there was no funds for plumbing, piping water, building woodsheds, porches and other necessary additions. That the original donation of \$3,000 from the State did not cover these items.

By unanimous vote it was decided to ask the Woman's Relief Corps for \$300 to finish the cottages.

No further business the meeting adjourned to meet at the call of the chairman.

Respectfully submitted in F. C. and L.,

GEO. A. HARDING, Secretary.

The Roseburg Cottage Committee met at the home of Geo. A. Harding in Oregon City, October 16, 1905.

Those present were T. E. Hills, B. F. Pike, Emma Galloway, Past Department President Jennie B. Harding and Geo. A. Harding.

Meeting called to order by Mrs. Galloway.

Minutes of last meeting read and approved.

The following letter from Gov. Geo. E. Chamberlain read:

Also letter and statement of probable cost of finishing cottages from W. W. Elder. This estimate seemed not quite as moderate as should be, in the opinion of the committee, so it was decided to have a committee of one, B. F. Pike, go to Salem and confer with Governor Chamberlain concerning the matter and report to the committee at his earliest convenience.

No further business the committee adjourned to meet at the call of the chairman.

Respectfully submitted in F. C. and L.,

GEO. A. HARDING, Secretary.

The Roseburg Committee was called to order by the Chairman, T. E. Hills, October 17, 1905.

Present: T. E. Hills, B. F. Pike, Jennie B. Harding and Geo. A. Harding.

B. F. Pike reports that he called on Governor Chamberlain with the letter from W. W. Elder. They decided to ask Mr. Elder to get the work done as reasonably as he could and report the amount at a future meeting of the committee. T. E. Hills was asked to look after the work to see that material and work were up to requirements.

The committee appointed Commander Hills and Department President Mrs. Harding a committee of two from this committee to meet with Governor Chamberlain at the cottage and inspect the work when completed and to purchase furniture needed for cottages and report to this committee.

The Department President is requested to ask donations from Corps for furniture, etc.

No further business, meeting adjourned.

Respectfully submitted in F. C. and L.,

GEO. A. HARDING, Secretary.

The Roseburg Cottage Committee called to order by the Chairman, Mrs. Galloway, at the residence of Geo. A. Harding, February 26, 1906.

Present at this meeting: T. E. Hills, B. F. Pike, Emma Galloway, Jennie B. Harding and Geo. A. Harding.

Commander T. E. Hills and Mrs. Harding reported that they had met Governor Chamberlain in Roseburg, November 10th. A meeting was held with the Commandant, W. W. Elder.

The following rules of admission were drawn up:

The committee visited the cottages and inspected them. Were well satisfied with the work done. They suggested that in addition to work before ordered that back porches be added.

The cottages are fully described in General Orders No. 4.

The committee, after a very delightful visit at the Soldiers' Home and cottages, left with praises for the very neat and comfortable appearance of the Soldiers' Home and cottages, also praises for the Commandant and Mrs. Elder.

The committee appointed to purchase furniture for the cottages met in Portland and purchased the furniture, of which there is an itemized account in this report.

The committee approved of the work of the special committee, T. E. Hills and Mrs. Harding.

Commander T. E. Hills kindly paid all the furniture bills, thus saving the Department quite a sum for cash.

The committee tendered the Commander a vote of thanks for the kindness.

The furniture amounted to \$173.23. An itemized list is given above.

It was decided to purchase covering for front rooms. Matting was thought by the committee to be most suitable. The Corps will be asked to donate the money for same, also to furnish three dozen rugs for use in cottages.

The G. A. R. Posts will be asked to furnish tables and chairs as needed.

The committee wished to thank the Corps, which have so generously and promptly responded to calls for this noble work.

No further business the committee adjourned to meet at the call of the chairman.

Respectfully submitted in F. C. and L.,

GEO. A. HARDING, Secretary.

Report of Committee to Call on Ladies of G. A. R.

Grants Pass, Oregon, June 21, 1906.

To Department Commander T. E. Hills, Department of Oregon.

We, your committee appointed to visit the ladies of the G. A. R., have performed that duty and we were requested to carry back to this Encampment their greetings and well wishes for all in the future.

Yours in F. L. and C.,

E. F. CHAPMAN,
Chairman Committee.

Report of Junior Vice Commander.

Grants Pass, Oregon, June 20, 1906.

T. E. Hills, Department Commander, and Comrades.

Department Adjutant General: This report of J. B. Mathews Post No. 6, G. A. R. in accordance with custom by my predecessors, I have the honor and I esteem it one of the first honors, to be an officer of this Department of the Grand Army of the Republic. My observations as far as I was able to get around is that, at Forest Grove, J. B. Mathews Post, with Comrade Wetzel in command, is in first rate running order, their accounts by Comrade A. B. Thomas as Quartermaster are regular, and the dues are well up. With Comrade Beach as Adjutant, nothing is left undone; their officers are proud to do their duty in an orderly way. I also made General Ransom Post No. 37, G. A. R., of Hillsboro, a visit and took them by surprise and found them working in harmony, with Comrade R. Wagner in command and Comrade Green Hale as Adjutant and Comrade L. T. Cornell as Quartermaster and officers in their places and a goodly number in attendance. I examined their books and found everything just as it should be. I also visited the Auxiliary at General Ransom Post at Hillsboro, and found them very enthusiastic in their work and their membership is large and ever ready to lend

Department Chaplain Rev. Henry A. Barden

a helping hand to the old soldier. They are the life of the Post. I was also at McMinnville, but there was no meeting the day I was there, but found out by members of the Post that they were getting along nicely. They at all the Posts and the Corps turned out on Decoration Day, the citizens and friends at Cornelius in command of myself decorated the eleven soldiers' graves at the cemetery at Cornelius, by a very large crowd. A very interesting program was had. Since the last Encampment we have lost two good members of the society at Forest Grove, Comrade W. H. Wheeler and William Leach, and they are missed by all who knew them.

With thanks and full appreciation of all the honors that have come to me through the Grand Army of the Republic, I am very truly yours in F. C. and L.,

R. W. McNUTT,
Junior Vice-Commander.

On motion referred to committee, E. F. Chapman, J. S. Foss, J. W. Ogilbee.

Report of Judge Advocate.

Table Rock, Oregon, June 20, 1906.

Col. F. M. Stewart, Assistant Adjutant General, Department of Oregon, G. A. R.

Dear Sir and Comrade: I have the honor to submit this, my official report for the year terminating with this Encampment.

But one case was referred to me for an opinion. The evidence submitted not being sufficient to enable me to arrive at a decision, the Post was called on for further evidence, but failed to furnish it, and the presumption is that the matter in dispute was amicably settled.

Respectfully submitted in F. C. and L.,

S. M. NEALON,
Judge Advocate, Department of Oregon, G. A. R.

On motion referred to committee, J. R. Chamberlain, J. H. Will, A. C. Edmonds.

Report of Department Inspector.

Report of Inspector Daniel Webster read by Assistant Adjutant General F. M. Stewart, Comrade Daniel Webster being absent.

Office of Department Inspector, Salem, Ore., June 15, 1906.

F. M. Stewart, Assistant Adjutant General.

Dear Sir and Comrade: I have the honor to submit the following report of the inspection of the various Posts in this Department for the term ending December 31, 1905:

Only one of the Posts embraced in this report, as having been inspected, was inspected by me in person, the others having been inspected by some of the Past Post Commanders of said Posts.

The Posts reported as having been inspected are: Geo. Wright, No. 1; Meade, No. 2; Lincoln-Garfield, No. 3; W. T. Sherman, No. 4; McPherson, No. 5; J. Mathews, No. 6; J. W. Geary, No. 7; Custer, No. 9; Sedgwick, No. 10; Geo. H. Thomas, No. 11; Sumner, No. 12; Canby, No. 16; U. S. Grant, No. 17; A. P. Hovey, No. 21; Burnside, No. 23; Kit Carson, No. 28; Reno, No. 29; Appomattox, No. 34; Corinth, No. 35; O. P. Morton, No. 36; S. A. Hunter, No. 37; Gen. Logan, No. 39; M. A. Ross, No. 41; John A. Miller, No. 42; Nathan Baker, No. 44; C. A. Arthur, No. 47; Col. Jewell, No. 53; Donelson, No. 55; Bandson, No. 56; B. F. Butler, No. 57; A. G. Ellet, No. 65; W. H. Harrison, No. 67; Abe Lincoln, No. 68; Gen. Ransom, No. 69; John Bucher, No. 70; Captain H. Stanley, No. 73; Upton, No. 75; Shiloh, No. 77.

The following Posts, although requested to do so by me in writing, neglected to forward reports of inspection, to-wit:

Baker, No. 8; Cushing, No. 14; Reynolds, No. 15; Joe Hooker, No. 20; F. J. Babcock, No. 30; Rawlins, No. 31; J. W. Nesmith, No. 32; Gettysburg, No. 33; Arlington, No. 40; J. I. Stevens, No. 51; Gen. Lyon, No. 58; Stone River, No. 60; Gen. Gibson, No. 64; Phil Kearney, No. 66; James Luttrell, No. 71; Graham, No. 77.

From the reports received I find there were 1,662 members in good standing; that 33 Posts report the work in the ritual fully exemplified; one medium; two no, and three fairly well; two report officers and guards uniformed, eight partly, and 31 not; eight report members partly uniformed and 33 not; 31 re?

port regular attendance of officers, 7 partly and 3 not; 17 report members regular in attendance, 15 partly so and 6 not; 40 report records well kept and one no; 41 report orders read in Post; 39 report dues forwarded and 2 not; 5 report having relief funds and 36 not; total money reported in relief fund, \$181.63; expended for relief, \$1,091.85; remaining in relief fund, \$269.18; moneys and securities reported in hands of Quartermasters, \$3,788.24; value of other property and securities, \$5,399.36.

Twenty-five Posts report having as auxiliary W. R. C. organizations and 3 with L. of G. A. R., while 13 make no report.

Twenty report prospects of Post good, 11 fair, 3 poor, 1 promising, 1 not good, 1 A1, 1 slim, 1 bright, and 2 no report as to prospects.

In the amount expended for relief, I am inclined to think the amounts reported are misleading, inasmuch as some of the largest expenditures are reported from the smaller and poorer Posts, not that the relief may not have been given, but that it was not given by the Post funds, having been funds furnished by the county for the relief of veterans and their families and known as the County Indigent Soldier fund, and which is dispensed by some officer of the Post selected for that purpose. This fund is and can be no part of the Grand Army or Post fund and should not be mentioned in any report as being any part thereof.

Regretting that it has not been possible for me to have given more of my time and attention to the duty assigned me as Department Inspector, the above report is respectfully submitted.

In F. C. and L.,

DANIEL WEBSTER,
Department Inspector.

Referred to same committee as Judge Advocate's report, J. R. Chamberlain, J. H. Will, A. C. Edmonds.

Report of Chief Mustering Officer.

G. W. Montague being absent, was read by Assistant Adjutant General F. M. Stewart.

Arlington, Oregon, June 14, 1906.

To F. M. Stewart, Assistant Adjutant General.

Dear Sir and Comrade: I have the honor of submitting the

following report of my duties as Chief Mustering Officer. With the valuable assistance of the Department Commander, T. E. Hills, and a goodly number of officers and comrades from Portland I mustered in a new Post at St. Johns, Oregon, on the 16th day of May, 1906. This Post adopted the name of Gen. Compson Post, No. 22, and had seventeen members with good prospects for the future.

I appreciate the courtesy you have shown me during your term of office, and take this opportunity to thank Department Commander Hills for the honor conferred in appointing me Chief Mustering Officer.

I would like very much to be with you at Grants Pass, but on account of bad health I find I must remain at home.

Yours heartily in F. C. and L.,

G. W. MONTAGUE,
Chief Mustering Officer,

Moved by Comrade Northrup that report be referred to the same committee as the Judge Advocate's report. Carried.

MORNING SESSION, THURSDAY, JUNE 21, 1906.

Report of Chaplain H. A. Barden being first in order was read.

Department Commander and Comrades of the Department of Oregon Grand Army of the Republic:

I have the honor of submitting the annual report of the Department Chaplain, beginning June 20, 1905, and ending June 20, 1906.

One more annual chapter of the history of the Department of Oregon Grand Army of the Republic is recorded. Old Time, the ready recorder of events, makes no mistakes, and no corrections are to be made after his hand, and there can be no stopping of the great pendulum by human hands, which moves the recorder to mark the years of the ages, and to point on the dial the closing of every individual life. No year has more effectively taught the lessons of mortality, that he who lives today may die tomorrow, than the one just closed. Under its mighty sway we were made tender and thoughtful. There are

testing times in every year which come to all, and they develop what we are, and what we shall be. We were tested on battle fields and found not wanting. Suffered in hospitals, but escaped from the enemy of all men. Endured the hardness and the hunger of prison pens, and through all the years since, many have been emaciated and shattered. The severity of war, and the wearing of the year have whitened our heads, worked changes in our countenances, faded our vision, diminished our vitality, shortened our elasticity, and the cause of the irregular beating of the pulse. Time has been the master, and we, his servants, yet in the end victory rests upon our banner, and the golden crown of age upon our heads, and peace, the heritage of the faithful, the worn, and the weary, rests the mind and calms the sea of life.

It is a soldier's peace after battles and the years of conflict; but the peace of Jesus on the heavenly breeze is the peace that comes over the souls of his people. It was also purchased by one who gave himself as a ransom for the world; the great spiritual peace that underlies all and permeates the spiritual and the heavenly. May it not as the sunshine of the sun shed its beautiful light and bright glory upon the roll of honor of the Grand Army of the Republic, made an honor by distinguished dead, and by all to follow, whose names shall add honor to honor, fame to fame, and luster to luster.

May I have earnest attention of the Encampment as I now make known the names of the year's fatalities. They were true men. Some of the brightest and of the best. Comrades place them in mind to be remembered. We never have been called to place on record in one year so many names of comrades passed away.

There are women of the civil war, wives of comrades, who should have mention in this report.

The widow of the lamented John E. Mayo, Mrs. Mayo, passed away November 16, 1905. She had been an invalid for many years. Constant care to our comrade and the family, who did everything in their power for her comfort. It is a blessing to be at rest. The funeral services were conducted by the Department Chaplain. Ladies of the G. A. R. and the W. R. C. rendered kind acts by their presence at the funeral.

Mrs. Mary A. Hartman, a noted nurse of the civil war, was among the first at her home at Prophetstown, Ill., to hear a speech on the war. She persuaded Mr. Balmer, her husband, to enlist for the war (and he did). He was killed early in the war. It was at Shiloh. General Grant ordered the women to leave the boat at Memphis and go North. Mrs. Balmer urged General Grant to either send her to England, where she was born, or to her regiment, the 48th Illinois. She was allowed to go to her regiment.

One time when the boys were depressed she called for music and they revived. Another time she saved the boys from being poisoned by pies an enemy prepared.

She stood by surgeons and held camp basins and towels while the surgeons slashed off the limbs of wounded soldiers. Blood could have been wrung from her aprons.

A captain of a boat ordered no water and food should be given to wounded Union soldiers. This remarkable woman reported the captain to the surgeon. The surgeon ordered the captain to furnish the supplies or he would blow his brains out. Food and water were given at once.

A nurse in Webster Hospital at Memphis, where she married Jacob Hartman, Rev. Mr. Smith, Chaplain of the hospital, officiating. She nursed in Washington and Jefferson Blocks Hospitals, at the battles of Forts Donelson, Henry and at Shiloh. This distinguished woman, the soldiers' friend, died at Portland, October 31, 1905, of extreme old age and feebleness, survived by her husband, who is a member of Geo. Wright Post.

Memorial Sunday and Memorial Day Report.

There has been a general response of Chaplains of Posts in making reports to the Department Chaplain on Memorial Sunday and Memorial Day. It is a matter of no little worth and interest to the Department of Oregon, and to the National Encampment as well, and as all the reports are good, some are specially excellent, and all who have done their duty are entitled to praise and credit. The reference applies on funeral reports. Special interest has been taken to report the names of your dead.

Report of National Encampment at Denver, by Comrade B. F. Pike, Past Department Commander.

Report on National Encampment at Denver, 1905.

Grant's Pass, Oregon, June 20, 1905.

Col. F. M. Stewart, Assistant Adjutant General, Department of Oregon, G. A. R.

Dear Sir and Comrade: I beg leave to submit the following report of the Thirty-ninth National Encampment of the Grand Army of the Republic, held at Denver, Colorado, September 4th to 10th, 1905.

The Headquarters of the Department left Portland on the morning train, August 31st, over the Northern Pacific line as previously arranged. At Kalama we were joined by Department Commander J. T. Goss, of Washington and Alaska and staff, at Tacoma, Auburn, and other points we were joined by Comrades of the G. A. R. and W. R. C. until our car was filled with a jolly company. The delegation from Oregon consisted of Commander

Senior Vice-Commander Geo. A. Harding

Hills, Chief of Staff Comrade F. M. Stewart, Comrades I. G. Darr and N. L. Smith, delegates, and Comrades Wm. Baker, of Post No. 28, D. Weaver, of Post No. 12, B. F. Pike, Past Department Commander.

We had a delightful trip to Denver, arriving there on the evening of September 3d. We opened Department Headquarters at the Windsor Hotel on the morning of the 4th, and as the hotel was the Headquarters of the Departments of Kansas, Idaho, Utah, Texas, Washington and Alaska and West Virginia, we had very pleasant surroundings, our rooms were visited by many comrades prominent in the order, and by many citizens all of whom expressed much interest in our State. Among other visitors were Governor Hoch, of Kansas, Department Commander Manning, of Idaho, and many members of the W. R. C.

Our delegation was joined at Denver by Senior Vice-Commander Harding, Comrade Ingham, Comrade O. L. Stranahan, member National Council of Administration, J. F. Nelson and Enos Cahill, of Post No. 2, D. F. Fairfield, of Post No. 21, and O. E. Thompson, of Post No. 57; this made our delegation complete and gave us a voting strength of eight, which number were present at all the business sessions of the Encampment.

The day of the 4th was spent by us in getting our quarters in order and in looking over the city, which was beautifully decorated for the occasion and presented a very fine appearance.

On the 5th the parade of the survivors of the battle of Shiloh took place, and Comrades Hills, Ingham, Baker and Stewart being members of that society took part in the parade, which was a very large one and given a very warm reception.

The parade of the Grand Army of the Republic on the 6th was one of the grandest in our history, about 15,000 comrades being in line, and the reception which greeted them gave proof that the old veterans still have a warm place in the hearts of the Nation. Oregon was represented by eighteen comrades and this Department received its full share of attention. The business sessions of the Encampment were well attended, and the interest was great, especially in the election of officers, and the choice of place for our next meeting.

The reports of the officers were also of much interest and showed the business of the order to be in good condition, the report of the Commander-in-Chief shows that during the year just

past 30,324 soldiers of the civil war have died, and that the pension rolls now contain the names of 648,608 survivors, as against 690,792 at the end of 1904.

One of the most interesting reports was that coming from our noble auxiliary the Woman's Relief Corps. This report shows that during the year last passed the W. R. C. have expended for relief the sum of \$173,404, making a total amount expended for relief since organization of \$2,849,819. The report also shows the membership at date of the report to be 152,233, being a gain of 2,773 since last report.

After the close of the Encampment we visited many points of interest, including Colorado Springs, Manitou and Salt Lake City, and arrived at our homes feeling well repaid for the time spent, and looking forward to the time next year when we will again meet our comrades from the other side of the continent, and renew once again friendships of long ago.

Respectfully submitted,

B. F. PIKE.

Reports of Committee on Resolutions.

We, the members of Lincoln Garfield Corps, wish to offer the following resolution for your consideration:

Whereas, As year after year rolls around and Memorial Day approaches, there seems more inclination to hold the day as a holiday, and inducements are put forward to entice the young away by picnics and sports of all kinds especially gotten up for that day. Therefore,

Resolved, That it is the sense of these Encampments that

it is wrong and that we will try to get a law passed in the State prohibiting holding Memorial Day other than what it was created for—revereing and commemorating the memories of those of the Grand Army of the Republic who have passed beyond and joined the great army of the last Grand Review.

Short Address by General H. V. Gates After Installing Newly Elected Officers.

Comrades, there is one word more I wish to say after thanking the Ladies of the Relief Corps for their assistance to-day, and that is, that it rejoices me more than anything else to meet here in joint installation the auxiliary of the Grand Army of the Republic; it rejoices me to know that we are related to such a noble and patriotic institution, and I think back of that hour and that day away over in the East where on the divide of this continent the waters flow eastward and some flow westward, a noble band of patriotic women met and organized in an effort to harmonize the discordant noises that pervaded the land east of America's great waterway.

Out of that union came the institution known as the Women's Relief Corps of America, formed and composed of the patriotic women of America; and since that hour they have given to the Grand Army of the Republic a loyal and wholesome support; since that hour day by day we have grown to love and respect them more and more, and these joint installations hour by hour more closely unite the bonds of union.

Now, comrades, I ask you to rise and give the Women of the Relief Corps of the Department of the State of Oregon a salute.

Comrades, there is another band of patriotic women in this land who are aiding the Grand Army of the Republic and the old soldiers of this Union. These constitute the wives and daughters of the old soldiers. Comrades, their work is a work and labor of love. I ask you to join me in a salute to the Ladies of the Grand Army of the Republic.

The Chaplain then invoked the divine blessing, after which the joint convention was dismissed by the newly elected Commander.

The Encampment then adjourned without date.

REPORT OF PATRIOTIC INSTRUCTOR M. L. PRATT.

This used to be called military instruction in our public

schools. This officer was supposed to have charge of that particular work, and found out that it was not military instruction that we want in public schools, but Americanism, patriotism. Therefore we have the larger or patriotic instruction.

Now, the comrades of the G. A. R. do not need any lessons in patriotism. They have proved that they are patriots. You have impressed it indelibly the proof of your patriotism. Consequently the G. A. R. needs no instruction in patriotism.

But there is a class who do need it, and it is the object of the G. A. R. and the public to reach this class through these particular officers. I would say that while it has not proved such a success as I might have wished, at the same time I believe I have the work started, so that my successor may take it up and be able to do something in the way of patriotic instruction. This is one of the great objects of the G. A. R. that you will acknowledge.

I have made a few visits throughout this Department, and have received many invitations to speak. I have notified comrades that it would not cost them anything for me to visit them, except to keep me while I was there, as the railroad company very courteously and obligingly gave me passage, simply by request, to go over this Department. I would receive these invitations, and after I had notified comrades that I would accept them I have never heard from them again.

I have gone every place I have been asked except to Cottage Grove, and I wish to apologize for having missed going there. Wherever I went, comrades, I received a royal welcome and have had great demonstrations. That is, the school children were interested in those places. I said a few words to them, and they had a short program, and in that way I succeeded in reaching just the very class that I wanted to reach.

Now, in regard to visiting this Department. I do not see any other way it can be done except through invitation. I guess it has been the experience of almost every Department Commander that it is almost impossible to visit all the Posts in this Department, so I would suggest that this be done through invitation. Then the Department officers will come, for they know they will find you if you invited them.

Now, if any man wishes to reach the public and give them demonstrating lessons in patriotism, this is about the only

plan that I know of, and I sincerely hope that my successor, whoever he is, may follow out some similar plan, and if you will notify him get up a public meeting, then you will reach the very object at which you aim.

I know, comrades, that we are all growing old, and I know there is a great deal of difference between a young man and an old man when you come to effort. That which takes your effort you naturally shrink from worse than you did when you were young. Consequently, even in getting up a meeting of school children, there are just a few to do it, a very few, if you wish to carry this work on. If I had it to do over again I would ask the Commanders of Posts to go to the principals of schools and ask them to get up an entertainment or a meeting. Ask them to do it, if you have not the time to do it. They will be only too glad to do it. Then notify your Patriotic Instructor to come and address that meeting. In that way you reach the public, and the very class you want to reach, and you can reach them with very little trouble.

If you will follow out this plan you will find that between the G. A. R. and the school children there is a relation that does not exist anywhere on earth. It is to them, and through them, you must reach to all classes in your community. It is the schools, they are the ones, and they are the ones that are always ready and willing to assist you in this work.

Respectfully submitted,

M. L. PRATT
Patriotic Instructor.
