1. This statement of service is furnished from the records of Marine Corps Headquarters.
2. This statement is furnished primarily for historical and statistical purposes, although it may be used in adjudicating claims in which the State is solely concerned. It is not to be used before a court of justice or in support of any claim against the Federal Government. The law prohibits the furnishing of any information that may be used in the prosecution of a claim against the Government, except to the proper Government officials.
3. Applications from individuals, other than historians and statisticians, for information from this statement of service should be denied and the applicant directed to apply for the information to the Adjutant and Inspector of the Marine Corps, who is the custodian of the official records of the United States Marine Corps. Exceptions to this rule may be made in the case of officials of patriotic and philanthropic societies and associations when it is known positively that the information is to be used exclusively by said society or association, and will not be made public nor communicated to any individual who may use it directly or indirectly as a basis for, or in the prosecution of, a claim against the Government, or to the injury of the marine.
4. Except as hereinbefore provided, all persons seeking information relative to the military and medical histories of the marine should be denied information from, or access to, this statement of service, as otherwise information legally unobtainable would be made available to persons who might perpetrate frauds upon the Government, or who might seek to injure the marine.

Grannis I. Syversen, private, Company C, 6th Machine Gun Battalion, United States Marine Corps. For extraordinary heroism in action near St. Etienne, France, October 3, 1918. When our advance Infantry was forced to withdraw Pvt. Syversen's machine-gun crew refused to withdraw, but calmly set up their machine gun. The gun was upset by a bursting hand grenade, which also injured two members of the squad. Despite these injuries, they immediately reset the gun and opened fire on the advancing Germans when 20 feet distant, causing the Germans to break and retreat in disorder.
