

# Terms & Conditions for MoonStep

**Effective Date:** [March 7, 2026]

These Terms of Use (“Terms”) govern your use of the MoonStep mobile application (the “App”) provided by MoonStep (“MoonStep,” “we,” “us,” or “our”).

By downloading, installing, or using MoonStep, you agree to these Terms.

## 1. What MoonStep Is

MoonStep is a step and walking-distance visualization app. It is designed to help users understand movement data through progress displays, comparisons, and milestone-style views.

## 2. Eligibility

You may use MoonStep only if you are legally permitted to do so under applicable law. If you are below the age of majority where you live, you may use MoonStep only with permission and supervision from a parent or legal guardian.

## 3. Health and Wellness Disclaimer

MoonStep is provided for general informational, motivational, and wellness purposes only.

MoonStep is **not** a medical device and does not provide medical advice, diagnosis, treatment, or emergency services. You should not rely on MoonStep for medical decisions or health treatment decisions.

## 4. Apple Health and Device Data

If you choose to connect MoonStep to Apple Health, the app may access step count and related walking or distance data made available through Apple’s frameworks and permissions.

MoonStep depends on information provided by Apple Health, device sensors, and system services. We do not guarantee that this data will always be available, complete, accurate, or error-free. Apple requires apps to provide privacy disclosures for health and fitness data practices, and prohibits targeted advertising based on sensitive health data.

## 5. No Use of Health Data for Advertising

MoonStep does not use Apple Health or other health-related data for advertising, marketing profiling, or targeted behavioral advertising.

## **6. Accuracy of Calculations and Comparisons**

Step counts, distances, lap counts, Moon progress, landmark comparisons, route comparisons, and all similar outputs are estimates.

They may vary due to sensor limitations, Health data availability, calculation assumptions, software issues, operating system behavior, or device-specific differences. MoonStep is intended to provide useful visualization and motivation, not exact scientific measurement.

## **7. License and Permitted Use**

Subject to these Terms, MoonStep grants you a limited, non-exclusive, non-transferable, revocable license to use the app for personal, non-commercial use.

You may not:

- copy, modify, or distribute the app except as permitted by law
- reverse engineer or attempt to extract source code except where prohibited by law from restricting such rights
- use the app in a way that violates law or infringes the rights of others

## **8. Intellectual Property**

MoonStep and all related branding, software, design, text, graphics, visuals, and content are owned by us or our licensors and are protected by applicable intellectual property laws.

## **9. Privacy**

Your use of MoonStep is also governed by the Privacy Policy above, which explains how the app handles information.

## **10. Third-Party Platforms**

Your use of MoonStep may also be subject to Apple's App Store terms, device terms, and related platform rules. Apple provides a standard EULA unless a developer supplies a custom license agreement in App Store Connect.

## **11. Disclaimer of Warranties**

To the fullest extent permitted by law, MoonStep is provided on an “as is” and “as available” basis.

We do not guarantee that:

- the app will always be uninterrupted or error-free
- the app will always be compatible with every device or iOS version
- any calculation, milestone, or comparison will be perfectly accurate
- the app will always be available or free of bugs

## **12. Limitation of Liability**

To the fullest extent permitted by law, MoonStep and its owners, developers, affiliates, licensors, and service providers will not be liable for any indirect, incidental, special, consequential, exemplary, or punitive damages, or for any loss of data, goodwill, profits, revenue, or business opportunities arising from or related to your use of MoonStep.

To the fullest extent permitted by law, our total liability for any claim arising out of or relating to MoonStep will not exceed the amount you paid for MoonStep, if any.

## **13. Indemnification**

To the extent permitted by law, you agree to indemnify and hold harmless MoonStep and its owners, developers, affiliates, licensors, and service providers from claims, damages, liabilities, and expenses arising out of your misuse of the app or your violation of these Terms.

## **14. Changes to the App or Terms**

We may modify, suspend, or discontinue MoonStep or any part of it at any time.

We may also update these Terms from time to time. If we do, we will post the updated version with a new Effective Date. Your continued use of MoonStep after the updated Terms take effect means you accept the revised Terms.

## **15. Termination**

These Terms remain in effect until terminated. They will terminate automatically if you fail to comply with them. You may also end them at any time by stopping use of the app and deleting it from your device.

## **16. Governing Law**

These Terms are governed by the laws of the State of [your state], without regard to conflict of laws principles, except to the extent otherwise required by applicable law.

## **17. Contact Us**
