#### INTERIM OCCUPANCY

Interim occupancy is the period of time where the purchaser(s) takes possession of the unit until the time the building is registered. Title is not transferred until building is registered. Once the building is registered, title can be transferred and mortgage registered. It takes approx 6 months to register the building after interim occupancy.

#### INTERIM OCCUPANCY FEES (MONTHLY)

1. Condo fees
2. Property taxes (approx 1.2% of total purchase price; refundable if they receive a tax bill covering the occupied period) divided by twelve months
