

2023 Career Exploration Day

Exhibitor & Sponsorship Opportunities

Thursday, May 4th from 9 am – 1 pm

Mosinee High School, 1000 High Street, Mosinee

The Mosinee Area Chamber Commerce is hosting an ideal opportunity to promote our member's job opportunities and inform our local high school students with their future career options. We are hoping to bring local job seekers in and make business-to-business and business-to-education connections.

Here are a few reasons why our business members need to exhibit their business at the event:

- ✓ Great opportunity to demonstrate and introduce your products & services.
- ✓ Network with other Chamber members and non-members.
- ✓ Enhance your company image and if you are a new business, get your business name out there.
- ✓ Find job seekers for various open positions.
- ✓ Inform our local high school students about your business & your job/career possibilities.

Listed below are the various ways you can participate! Thank you for your continued support. Due to the generosity of our business members and the relationship we have with the Mosinee School District, we are able to have this type event.
