## Local Government

### CITY OF MOSINEE NEWS

During the March 14, 2022, regular meeting, the City Common Council approved the site and exterior building plans for the construction of a new Cobblestone Hotel & Suites at 216 Main Street! It is anticipated that construction of the new 54-room 4-story hotel will begin this spring and that the hotel construction will take approximately one year.

In addition to the regular & suite lodging rooms, the hotel will also have a lounge/breakfast area with a small bar, a swimming pool, and a meeting room.

Plans for the new hotel can be viewed on the City's website, Facebook page or in the front lobby of City Hall.

If you have any questions or would like additional information pertaining to the City of Mosinee's current activities, please contact Mosinee City Administrator Jeff Gates at 715.693.2275 or at [cityadmn@mosinee.wi.us](mailto:cityadmn@mosinee.wi.us).

### VILLAGE OF KRONENWETTER NEWS

The recent PFAS test results brought good news for the Village of Kronenwetter residents. The results show PFAS compounds were detected at concentrations BELOW all recommended health advisory levels. No further action is needed.

After receiving the results on April 1, 2022, Village Board President Chris Voll was enthusiastic. "We got our numbers back today, and we are very happy," said Voll. "Since our water comes from the Bull Junior Aquifer, I had suspected we wouldn't have any issues with contaminated water. These low numbers allow us to move forward with our water quality improvement project. We are committed to providing our residents with quality drinking water." The test results can be viewed on the Village's website at [www.kronenwetter.org](http://www.kronenwetter.org).

Two new trustees will join the Village Board this month as a result of the April 5, 2022 Spring Election. Tami Block and Danielle Bergmann secured seats as well as incumbent Ken Charneski. Voter turnout came in at 28 percent.

"It's been amazing," said Villager Clerk Sashe Menge on election day. "For almost two hours straight, the line to vote was out the door."

Another new addition to the Village staff took place at the end of March. William Gau joined the team as the Planning Tech. He assists Community Development Director Jared Grande in building and zoning and orchestrates the community events. He is proving to be an essential addition.

Kronenwetter is currently looking for a new Fire Chief and Director of Public Works/Utility Superintendent. For more information visit the Village's website at [www.kronenwetter.org](http://www.kronenwetter.org).
