Matters of Concern raised by Parishioners

The matter of cars parking on the village green while the grass is being cut, would it be helpful if a note was sent out informing the community when the grass is being cut so that no cars are parked on the green.

There is a new seat to be sited near the swings, this is a donation from A Watson to the village, the parish council sincerely thank her for her generosity

Would it be possible to ask for volunteers within the village to help with some painting and general maintenance

Meeting Closed at 7.50pm
