ARES of Merced County Net

QST… QST… QST…

This is Net Control Station [call sign] located in [location] calling the Amateur Radio Emergency Service Net of Merced County.

This is a directed net, meeting every Monday at 8:00 PM local time, on the Turlock Amateur Radio Club Repeaters, W6BXN on the frequency's of 147.030 MHz. and 444.700 MHz .
[add in any other frequency or mode you may be monitoring   ]

{ Pause momentarily }

The purpose of this net is to provide information and coordination to ARES of Merced County.
This net is also intended to serve as a weekly net control training session.

{ Pause momentarily }

This is a directed net…. All transmissions should be directed through net control.

Stations with traffic for the net should indicate to the net control when checking in.

During roll call only Merced ARES volunteers will be called.

Visiting stations will be called to check in, after regular ARES roll call.

Stations interested in joining the Merced ARES organization will be provided contact information at the closing of the net.

 { Pause momentarily }

Be advised that…. STATIONS WITH EMERGENCY TRAFFIC MAY BREAK IN AT ANY TIME.

{ Let repeater drop out }
