

THE STRAND

THONGLOR

WISAN
ESTABLISHED
1984

Perfectly balancing form and function with contemporary luxury, The Strand represents the essence of vibrant inner city living.

With materials and finishings carefully selected for those with an appreciation for subtlety of detail and workmanship, the aesthetic is one of timeless authenticity, and with interactive recreational spaces. The Strand is a playground within which to indulge, explore and connect.

Within the unique urban fabric of Thonglor, with its history and culture of innovation, The Strand is interwoven seamlessly by way of its pioneering combination of function and design.

THE DIFFERENCE
IS IN THE ESSENTIALS.

TIMELESSNESS IS ROOTED IN
THE BALANCE OF FORM,
FUNCTION AND QUALITY.
LUXURIOUS, UNDERSTATED
SPACES ARE CRAFTED FROM
MATERIALS THAT ARE REFINED,
ELEGANT AND ENDURING.

FROM THE INSIDE...

TO THE OUTSIDE...

CRAFTED WITH METICULOUS
ATTENTION TO DETAIL,
THE GLASS EXTERIOR IS
AN ARCHITECTURAL
EXPRESSION OF
EFFORTLESS ELEGANCE,
DISTILLED DOWN TO
ITS TRUEST ESSENCE.

TO THE POSSIBILITIES

OVER THREE FLOORS DESIGNED WITH RESIDENTS AND NEIGHBOURS IN MIND, THE PODIUM COMPRISES OF CURATED DINING, MEETING AND SOCIALISING SPACE TO TAKE CONNECTED, FUNCTIONAL LIVING FROM SKETCH TO REALITY.
