

YOUR ENDLESS *Pleasures*

Upon arrival to TELA, the Landmark residence on Thonglor, your senses awaken and you know that you are finally home. At a glance, the majestic structure exudes refined contemporary finesse and exclusivity.

Tranquility

FROM ABOVE

High above the dynamic Thonglor cityscape is a secluded home destination where individuality and shared spaces intertwine brilliantly with one another. With a seemingly endless balcony, feel free to live amongst the birds and soar high with wonderful memories and life experiences within the privacy of your own luxury residence.

*“Each with their own sense of style,
come together in appreciation of craftsmanship and
passion for urban living.”*

EXTENSION OF PLEASURE

Arise to your expansively open terrace. Stretching over 17 meters long, every part of the residence connects to both inside and out for a full range of activities for endless living and pleasurable sensations.

The extended terrace provides a panoramic vantage point of eclectic Bangkok skylines accessible from all residential rooms.
