RE: Christina Rotondo and Mark Rotondo v.
Angela C. Gasparaini and Michael J. Rotondo
File #: 24816; Docket No.: V-00082-18
Our file #0948

Dear Judge Pavone:

My client is in receipt of the List of Proposed Witnesses in this case and they feel that it would be very difficult for some of these witnesses to actually have to testify in this matter including [REDACTED] and their own daughter, [REDACTED].

Accordingly, they've asked me to withdraw the Petition without prejudice.

I've discussed the matter with Attorney Dana Grillo and she has agreed that it would be appropriate to withdraw the Petition without prejudice.

Would you please note the same and mark the Petition withdrawn without prejudice.

Thank you for your patient attention to this matter.

Very truly yours,

ADORANTE, TURNER & ASSOC.
