Dear Students,

This is to inform all students that the External Examination for the June 2026 Examination Cycle will be conducted up to 31 August 2026.

Students who are yet to appear in their External Examinations are advised to book their examination slots and complete their examinations well in advance of the last date. Students should not wait until the last few days to schedule their examinations.

31 August 2026 is the final date for the examination cycle.

Students are therefore advised to plan and complete all their pending examinations within the prescribed examination window. Failure to appear in the examinations within the stipulated period may result in loss of the opportunity to appear in the current examination cycle and may adversely affect the student's academic progression.

All students are requested to take this matter seriously and book their examination slots at the earliest to avoid any last-minute inconvenience or loss.

As per the Guru Nanak Dev University rules and ordinances for online courses, appearing in End term Examination are mandatory.
