

Gold Bridge Risk Disclosure Policy

Purpose

Purpose The purpose of the Risk Disclosure Statement (“the Statement”) is to provide the Client appropriate guidance on the nature and risks of the specific types of financial instruments offered by GoldBridge.app (hereafter the “Company”). The Client acknowledges, understands and agrees with the risks, disclosed below.

Statement

Anyone participating in “Gold Bridge Sacrifice” or “Gold Bridge Membership” or anything pertaining to information found at www.GoldBridge.app should be aware that this is a membership service. Every participant should understand there is no expectation of profit. Anyone who has participated in the past Gold Bridge Sacrifice or anyone who participates in the future is only paying for their access to the Gold Bridge Membership. Gold Bridge Membership will give members the ability to interact on topics pertaining to crypto currencies and trading. Nothing in the membership should be constituted as financial advice. No expectation of profit should be considered when one sacrifices or pays for a membership. A sacrifice and membership should be considered entertainment purposes only. Any sacrifice or membership payments will be accepted purely as a gift.

Cryptocurrencies are not governed by any regulatory authority; their market is non centralized and non-regulated. Before you use our service, you should research Cryptocurrencies carefully. Under this fact, your sacrifice into our contract has inherent risks. There is more potential of loss in Cryptocurrencies for capital investment. You agree and acknowledge to understand all substantial risk and losses related to your sacrifice(s) when you make your contribution. GoldBridge and any of their team accepts no responsibility for any loss or financial damage under this pretext.

You agree by using, and/or by continuing to use the Gold Bridge website (www.goldbridge.app), you are entering into a legally binding contract and have read, understood and accepted this policy;

1. The Company will not accept any liability or responsibility for any resulting losses;
2. The Company will process your deposits in Cryptocurrencies and use them at their own discretion.

3. If at any time we ask to KYC (Know Your Customer) those who have sacrificed you will be ready to provide any information needed within 72 Hours. Failure to do so may result in removal from Gold Bridge sacrifice.
4. The information provided to us in your application form and at any time thereafter is true and accurate in all respects;
5. You have considered your own Financial circumstances, needs and objectives and concluded that dealing in with a sacrifice where there is zero expectation is a suitable thing for you to participate in. You warrant that you understand the Risks, Terms and Conditions of Transactions entered into with the Company, (regardless of information supplied by the Company) and are willing to take on those Risks;
6. The Company does not, nor do any of its Directors, Officers, Agents or Employees, guarantee repayment of Capital or Payment of Income in relation to any funds deposited with the Company or any Transactions undertaken;
7. No part of any funds remitted by you have been the proceeds of any illegal activity or used for any terrorist financing or money laundering activities. You agree to provide such information related to you/your business and financial affairs as may be reasonably requested by the Company in order to comply with the Anti-Money Laundering and Countering Financing of Terrorism Act or other Legislative Requirements.
8. Recommendations are not guaranteed. The generic market recommendations provided by the Company are based solely on the judgment of its personnel and should be considered as such. Any market recommendations provided are generic only and may or may not be consistent with the market positions or intentions of the Company and/or its affiliates. The generic market recommendations of the Company are based upon information believed to be reliable, but the Company cannot and does not guarantee the accuracy or completeness thereof or represent that following such generic recommendations will reduce or eliminate the risk inherent in trading cryptocurrencies.
9. No guarantees of profit. There are no guarantees of profit nor of avoiding losses in cryptocurrencies including a “sacrifice” such as the one you’d be participating in if you were to deposit funds into the contract on www.GoldBridge.app. The Client has received no such guarantees from the Company or from any of its representatives. The Client is aware of the risks inherent in cryptocurrencies and or trading in Forex markets and is financially able to bear such risks and withstand any losses incurred.

10. The Company bears no responsibility for any loss that arises as a result of delayed or unreceived communication sent to the Client by the Company.
11. The Company bears no responsibility for any loss that arises as a result of encrypted information sent to the Client by the Company, that has been accessed via unauthorised means.
12. The Client is solely responsible for the privacy of any information contained within the communication received by the Company. The Company has no responsibility regarding any loss as a result of authorized/un-authorized access to all information between the Company and the Client by third persons.
13. Cryptocurrencies are complex instruments and come with a high risk of losing money rapidly due to leverage. The Company may or may not use funds to participate in third party trading in Forex or Commodity markets. The risk of losing money when making a “sacrifice” is always present and the Company can not be held responsible for a potential Loss of capital.

LIMITATION OF LIABILITY AND DISCLAIMER

You should not deal in these products unless you have the necessary knowledge and expertise, you understand these products’ characteristics and your exposure to risk. You should also be satisfied that the product is suitable for you in light of your circumstances and financial position. In addition, use of our Services can never be considered safe.

Blockchain Risk

Similarly, Blockchain is an independent public peer-to-peer network and is not controlled in any way or manner by the Company, the Company shall not be responsible for any failure and/or mistake and/or error and/or breach which shall occur in Blockchain or in any other networks in which the Cryptocurrencies are being issued and/or traded. The Company makes no representation or warranty of any kind, express or implied, statutory or otherwise, regarding the Blockchain functionality nor for any breach of security in the Blockchain. Internet, Viruses and Cyber Attacks

While the Company masternodes via websites and/or applications, system errors might occur. You should be aware of the risks that may result from any 3rd party system failure, which could mean that orders or profits may be delayed or even fail. If we use a brokerage to trade funds acquired through the “sacrifice”, The Company does not offer any insurance if said brokerage were to fail or not allow

withdrawal of funds.
