Agreements for the Sacred Dream Alchemy Portal

By enrolling in this program, you agree to the following:

1. Process & Energetic Agreements

- You will show up earnestly and share insights and expansion experiences, as well as any struggles and blockages, so we can integrate them into the work.
- Soul-Work is non-negotiable – and while not meant to be overwhelming, this means that you agree to engage with the Soul-Work assignments, which will be in your personal shared folder (see your inbox!)
- You will track your dreams and send any that arise between sessions (you will receive a link to the form where to submit your dreams).
- You understand that the truths revealed will challenge your ego. This is expected and welcome — it's how we identify where ego protection is operating. *You agree to meet this challenge in partnership with me rather than avoiding it.*

2. Container Structure & Boundaries

- The 6-session container must be completed within 4 months of signing up to maintain momentum and potency.
- Between sessions: You are strongly encouraged to send dreams as they come. This helps me connect with their meanings, which we will explore together in the live sessions.

- Cancellations made less than 24 hours before your scheduled session will count as a used session, and may not be rescheduled. This helps maintain the energetic integrity of the container and honors both of our time.
- Single (drop-in) sessions are available only as a preparation for the 3-month container or as check-ins for past clients.

3. Core Modalities of the Journey

- Each cycle includes 2 guided journeys, in sessions 3 and 5.
- Each cycle includes archetype readings for deep guidance and symbolic insight.
- Dreamwork is a continuous thread, guiding and shaping the work.
- There are nervous system expansion processes to be practiced regularly in between sessions — designed to help you hold more emotional and energetic capacity.

4. Payment Terms & Refund Policy

- Payment is non-refundable once the portal is entered, whether in full or through a payment plan. This includes all circumstances (change of mind, scheduling conflicts, etc.).
- If you are on a payment plan, you agree to complete all installments in full. This commitment reflects the energetic container we're co-creating.
- By enrolling, you are committing to the full energetic and financial container. Payment plans are not pay-as-you-go; they are a mutual agreement to honor the full journey.
- If some extreme circumstances arise, please communicate with me. I will do my best to work with you within my availability and integrity.

5. Scope of Work & Responsibility Disclaimer

- This work is powerful and transformational but not a substitute for professional medical, psychological, or psychiatric support.

- You acknowledge that you are entering into this experience as a sovereign being, and remain fully responsible for your well-being, inner integration, and any decisions made based on this work.

6. Confidentiality & Intellectual Property

- All content, practices, resources, and materials shared in this container are for your personal use only and may not be recorded, distributed, or shared without explicit permission.
- Everything shared in sessions is held in sacred confidentiality, and you agree to maintain the privacy of this space. If you choose to offer a testimonial, you do so of your own volition and are in no way required to provide one.

7. Session Rescheduling & Completion

- You may reschedule a session with at least 24 hours' notice.
- All 6 sessions must be completed within 4 months of your start date. Unused sessions after that time are forfeited unless otherwise agreed.

By committing to this Portal, you are saying yes to your Soul's becoming. This agreement is a sacred contract — a container of trust, integrity, and expansion. I honor your yes, and I walk with you through the fire of becoming.

With Blessings,

Vanessa Hannah Bright
