

# St Nazianz Veteran Street Banner Project (2026)

St Nazianz and the surrounding area has a long history of military service. Our residents have a dedication to preserve that history and to continue to honor those who serve and who have served in the military. American Legion Post 477 – St Nazianz and the St Nazianz Lions are again joining together to honor our residents who served in the US Armed Forces or are currently serving with Veteran Banners. The banners are double-sided, full color 24” x 36 and include the Veteran’s name, photo, and branch of service. We will display the banners for Memorial Day and Veterans Day.

**Banner Eligibility:** Current, retired or honorably discharged members of the United States Armed Forces who reside in St Nazianz or the surrounding area, have resided in the area, are now deceased, or are an immediate family member of a resident of St Nazianz is eligible to order a banner.

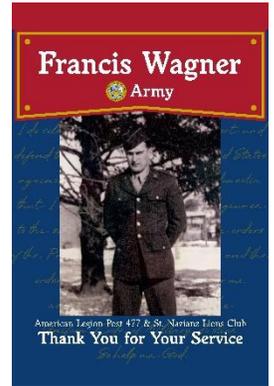

We recommend using a photo of the honoree in uniform. If such an image is not available, an alternate image is acceptable.

To ensure the best possible banner, please take the photograph to Brand & Design, 601 Fremont St., Kiel. They will scan the photo and return it to you while you wait.

They are able to crop others out of the photo if necessary.

Please provide the best quality photograph possible.
