

# DRESS CODE

For all classes, dancers are expected to follow the dress code. Our dress code allows dancers to move safely, for instructors to accurately access thier movements, and for the class to feel equal and professional. Some important things about our Dress Code:

- **NEW this season:** Each student level has it's own dress code color! We are excited to watch the dancers move through the levels year after year. The assigned colors are as follows:
  - Boppin' Babies - light purple
  - Tippy Toes - light pink
  - Twirl & Tumble - yellow
  - Pre FUNdamentals - light blue
  - FUNdamentals A - cherise
  - FUNdamentals B - turquoise
  - Elementary & Minis - mulberry
  - Tween & Juniors - navy
  - Teens & Seniors - pine
- If your dancer is dancing in multiple levels, they are welcome to wear the higher level color to all classes - no need to change (unless an outfit change brings you joy!)
- A leotard is required for all classes containing Ballet. A uniform top and black or color coded bottom is permitted in other styles.
- All Fundamentals classes require Ballet, Tap & Jazz shoes
- All Acro, stretch & strengthening, PBT & contemporary classes are barefoot
- Ballet classes require a BUN if hair is long enough
- Company rehearsals on Saturdays require all black
