## Puppetry workshop prices

We run two-hour, half-day and full-day puppetry and simple puppet-making workshops, both in person and online. See below for details and pricing for the public and for registered organisations (including charities and CICs).

### Two-hour workshop

Participants will either make a very simple puppet and bring it to life, or learn the principles of puppetry and have a go at animating different kinds of puppets provided by the company. Materials are provided.

**£150 public / £200  
organisation**

### Half-day workshop

Participants will learn the principles of puppetry and put these into practice by creating short, semi-improvised scenes. The session may involve some very basic puppet-making. Materials are provided.

**£200 public / £250  
organisation**

### Full-day workshop

Participants will make a simple tabletop puppet and learn the principles of puppetry. They will develop a character with their puppet, explore its movement, navigate a puppet obstacle course and create short scenes.

**£250 public / £300  
organisation**

**Please note:** prices are per workshop (not per person). If you would like to book a workshop, enquire about a bespoke session or discuss access needs, please get in touch:
