Jerry has cruised on numerous "entertainer cruises" and has enjoyed them, but the cruise lines now offer so much awesome entertainment, that many times guests must make decisions on what entertainment to see each night as there are conflicts all the time.

This cruise allows our club to raise a lot of money for our charities, instead of spending it on free rooms etc. for entertaining guests, the cruise lines will give us that money for charity. We will have numerous fun club events onboard the ship, which will not interfere with all the exciting events that the Celebrity ship will have for us to enjoy.

We will be looking for volunteers to brainstorm and organize some fun things to do. A few examples:

Poker Run Bar Crawl, Scavenger Hunts, Costume Contest, * Open to new thoughts and ideas.
