

THE METRIC MICROSCOPE

Worksheet

Use the worksheet while identifying your Relevant Business Results. Enter the final decisions into The My Value App.

See *The Metric Microscope: How to Use This Tool* for guidance. Identify your Relevant Business Results. Write brief statements describing how a result meets the criteria.

Relevant Business Results

The bottom-line metrics, connected to the organization's core mission, that your efforts influence.

Relevant Business Result	How it Meets the Criteria
	<input type="checkbox"/> Connection <input type="checkbox"/> Influence <input type="checkbox"/> Data Access <input type="checkbox"/> Trends
