Special Edition 2025

Boat Sticker Reminder

All watercraft (boat, kayak, paddle board, pontoons) stored at the WLPOA beach or on the storage racks must be registered and display a WLPOA sticker—and it's easier than ever to get yours!

Need a sticker?

Join us for Beach Clean-Up Day on Saturday, May 3, from 9 AM–1 PM.
You'll be able to purchase your boat sticker & place it directly on your boat right away.

Can't make it on May 3?

No problem—contact Rebecca at 248-787-7441, or drop payments at her home: 6485 Thurber.

Not sure if your boat has a current sticker?

We're currently conducting a boat inventory. Any boats without a sticker will be tagged.

Special Incentive to make room:

Remove any old or unwanted boats from the beach storage area by June 1,
and you'll receive \$50 off your annual dues!

June 1 deadline for all beach-stored watercraft to have a sticker.

For Pontoon Owners:

There will be no pontoon storage over Winter at the lake this year.
All Pontoons must be removed by November 15, 2025.

New Gate Lock

The gate lock has been replaced, so if your neighbors are hoping to launch from the beach,
they'll need to reach out to Jim Rivard, warrior55@comcast.net 248-760-1703

Got a boat you don't need anymore?

Feel free to post it for sale or giveaway in the neighborhood Facebook group.

Want to make dues or sticker payments

Payments can be made by check or Zelle. Make checks payable to WLPOA and
mailed to our Accountant, or drop off at Presidents' home:
Rebecca 6485 Thurber. Or Vice President: Rachael 6415 Thurber.

* Late dues will be subject to late fees.
