

## **SPONSORSHIP OPPORTUNITIES**

**At HYA Football, our mission is to simply to inspire and educate young players, where we instil a vibrant identity through the love and passion of football and education. We believe that together, we can create a thriving community where everyone feels empowered and valued.**

**We engage in various programmes such as inclusive football sessions (school term), School Holiday Camps, internal Mini Leagues, Community Tournaments and bespoke sessions: 1on1s, 2on1s, and small group formats. These efforts are designed to provide accessibility and inclusion at all levels, which is why we intentionally designed a variety of products and services to keep our participants equipped. We prioritise diversity and inclusion, ensuring our coaches reflect the communities we serve. This fosters an environment of understanding and mutual respect. Our team includes qualified educators and child development specialists who provide a pragmatic approach to education and youth development, focusing on mental, emotional, and social wellbeing. We invest heavily in the continuous professional development of our staff, ensuring they are up to date with the latest coaching essentials (first aid, safeguarding, applying and reflecting best practice). This makes our coaches well-rounded mentors for children and young people.**
