

Window Options

Windows can be fitted to Stanford, Heritage or Ranch designs in standard Colorbond® colours, excluding Classic Cedar® and Caoba®.

Colour Options

NOTE:

- All colours shown on this chart are a guide only. The limitations of printing processes make extremely accurate matches impossible. We strongly recommend comparing your choice with actual samples. Additionally, we reserve the right to vary or remove colours without notice.
- Premium colours are not available in smooth finish.
- UniCote range is only available in the Flatline, Slimline and Glacier sectional door profiles. Ashwood has a smooth finish whilst other "Timbers of the World" series have a slightly textured finish. Please see the product samples.
- Matt Range: Surfmist®, Basalt™ and Monument® are Colorbond coil (textured finish only). Shale Grey™ and Dune® are powder coated (available in smooth and textured finish - pricing varies).

Sectional Garage Doors

Enhance the exterior of your home with a garage door that will complement any style of architecture. Steel-Line has a range of garage door styles to suit the unique characteristics of your home. Choose from the stylish Heritage, Stanford, Ranch, Ribline, Fineline or Flatline door styles and then select the finish of your choice to really dress up and enhance the exterior of your home.

Make a bold impression with a stunning Steel-Line sectional garage door.

Your garage door is possibly the largest exterior feature of your home so the right colour and finish treatment are essential. In addition to the Colorbond® colours, Steel-Line also offers a unique range of DecoWood® timber finishes allowing you to match your garage door to other external finishes.

Steel-Line's sectional garage doors have exceptional weather-resistant qualities. They are resilient against wind and dust conditions and come with tough PVC weather seals and heavy duty aluminium bottom rails, so you can trust that the precious contents of your garage are protected at all times.

Dulux More than 70 Dulux colours also available for sectional doors only. Please inquire about availability.

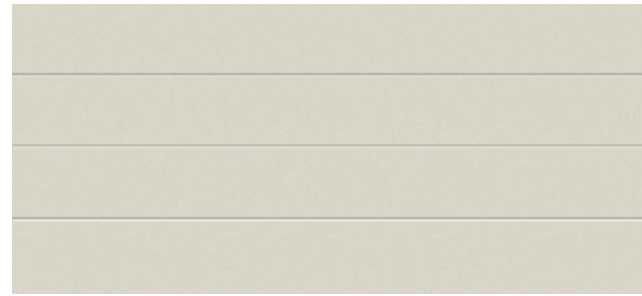

Door Profiles and Measurements

Finline

Ribline

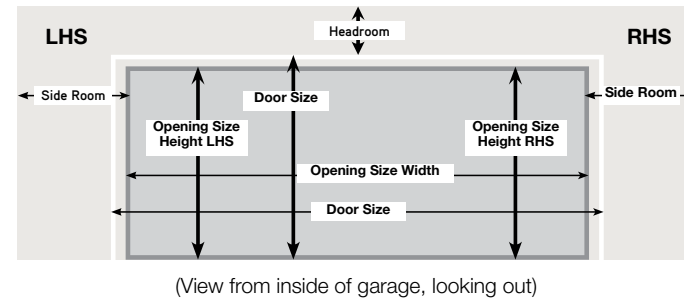

Flatline

- NOTE:**
- Heritage and Ranch may not be available in certain sizes
 - Flatline available in smooth at additional costs

In placing an order you will be required to submit the following information.

Description	Measurements
Opening Size Height LHS	
Opening Size Height RHS	
Opening Size Width	
Side Room LHS (Min 125mm)	
Side Room RHS (Min 125mm)
