

#### SPECIALTY NUTRITIONAL SUPPLEMENT

## **CMPK Plus Gel**

An oral nutritional gel providing a combination of calcium, phosphorus, magnesium, potassium, and cobalt for ruminants.

#### **Features & Benefits:**

- Contains five essential minerals required by dairy cattle at calving
- Combination of calcium sources provide a rapid increase (calcium chloride) and a prolonged increase (calcium propionate) in blood calcium levels
- Propionate provides a readily available source of energy
- Minerals are readily and quickly absorbed after administration
- Reduces risk of product entering the lungs when compared with liquid drenches
- Gel formulation keeps nutrients uniformly suspended in the product
- Safe to add to all feeds with no residue in the milk or withdrawal concerns
- All ingredients are GRAS certified (Generally Recognized As Safe)
- · Manufactured in the United States of America

# **Guaranteed Analysis**

PARAMETER	SPECIFICATION	
Calcium	60.00	g/dose
Phosphorus	1.00	g/dose
Magnesium	1.30	g/dose
Potassium	0.90	g/dose
Cobalt	0.45	g/dose

#### **Directions For Use:**

Administer one tube of CMPK Plus Gel prior to or immediately at calving and a second tube 12 to 24 hours later if necessary.

- 1. Place nozzle near the rear of mouth
- 2. Hold head of cow in a slightly elevated position
- 3. Discharge the entire contents of the tube. Allow the animal time to swallow during administration

#### **Ingredients:**

Calcium chloride, calcium propionate, trisodium phosphate, magnesium chloride, potassium chloride, cobalt sulfate, sodium citrate, sucrose, silica dioxide, distilled water

#### **Appearance & Odor:**

Blue colored moderately viscous gel with little to no odor.

#### **Packaging:**

300 ml tubes, 72 tubes per carton

#### Safety:

All ingredients are Generally Recognized As Safe by the United States Food and Drug Administration. There are no adverse effect, interactions or contraindications with the product. No withdrawal time is required.

### Storage & Shelf Life:

Three (3) years from manufacture date; store in a cool, dry area. Keep container closed when not in use.
