My boyfriend & I have been patrons of BOGO Tanning for 10 months & are very pleased. They have so much to offer it's hard not to do it all. I do a lot of what they offer & I love it.

I started going here a few years ago and had a couple bad experiences, but the owner was attentive and positive and won me back. Since there I've been back and love the place. The employees are friendly and happy and helpful. Marijha Nieto

Needed to tan before heading to vegas for several days. Spray tan looks off to me most of the time, so figured I'd do a few weeks of tanning. The "low" level beds aren't really even low. They still got me a great tan and that was only going 2-3 times per week.

Great staff ! And, they are adding additional staff to accommodate all the packages they offer.

Mary J.

I had concerns because I signed up and paid for a package that I was not able to utilize in a timely manner due to the estheticians full and condensed schedule. I expressed my concern and the owner reached out to me and understand my pain associated with the scheduling.

I was very nervous going to this salon based on the previous company "Island Tanning" and what my friends were telling me about them. When they did the change over to BOGO, I decided to give them a shot. I had a medical emergency and was unable to tan for a while. They understood and canceled my membership which I was so thankful for. I decided as of the last month to go back to them now that I'm healed.

Love it here

Alejandro Diaz-Cortes

Joe Pearson

I've been going here for 6 months no disappointments... convenient hours as well...

Ok, well I rarely ever take the time to post a review anywhere. A company, customer service, product or service provided has to really affect me greatly to do so. BOGO Tanning has proven their worth to myself the consumer since day one of walking in their door. Thankful and happy customer, Brandi W.

I would never go to a salon for tanning as it is really bad for your skin and increases your risk of skin cancer. However, I did go to this salon for many LHR sessions and really enjoyed working with Schyler.B.

A little smaller then other locations so I think during peak season it'll be busy, but today was slow. Clean.

BOGO tanning is the best place to TAN. John guyette and Rebecca. Take care of BOGO, they have the cleanest tanning salon then anywhere else. I've been with them since they built the tanning salon. They have great people working there it's always fun going there to tan. Have fun tanning or whatever else you would like to do there

The ladies at Bogo Tanning always make me feel welcome! The customer service at this tanning salon is OUTSTANDING! They have the most up-to-date equipment out there and the place is sparkling clean! Rebecca is the owner, she will hook you up...you can ask her any questions without being pressured into the hard-sell! Try they cryotherapy, and I LOVE the red-light treatment, which really helps my Seasonally Affective Disorder.

Loved the cute, friendly, funny blonde, Christie. She let me know about packages offered for cryo, tanning and redlight therapy. Also informed me about other services and benefits. Some options were a little spendy but she helped me settle for something that worked for me perfectly.

Brian McDevitt

Came and was taken care of and made to feel very welcome. Thx Bogo

Kristin A.

Amazing! I have received laser from several businesses and none have come close to this Bogo location. Firstly the laser is much stronger than what I've had in the past so the results are top notch. Schyler is a wonderful technician that is always friendly, professional, and appropriately fast.

Drew S.

This facility is on top of it when it comes to sanitation and cleanliness. Their beds are really great. Jasmin was extremely helpful when it came to getting a run down on everything. She is very knowledgeable as well as an expert with customer service.

I've been going to bogo since August. The girl who signed me up was very helpful in answering all my questions. I even got a couple free gifts! Whenever I'm at bogo which is few times weekly I'm always greeted and never pressured to purchase anything. At first I didn't like that I had to send an email to reach anyone pertaining to my membership, however, they were always prompt at responding to inquiries and if any changes were made they were made the right way. Charlie Eierman

Great as usual !!

I have been going there since they opened, I have always had a great experience from their staff and their services. I recently had thyroid cancer and was not able to use my account , with going through therapy i forgot about my payments coming out , I reached out to them on what could be done ? The owner herself, Rebbeca reached out to me and gave me full credit for time not used and offered my another service I can enjoy until I am 100% , I was very happy and relieved not many businesses care about their clients like they do.

Stevie Kohler

This review is for laser hair removal, I have not had any of their other services done. I just had my 3rd laser session and I love this place! Skyler, the laser technician is great and so fast. I moved here from LA - and have had a hard time replacing all of the vendors I used. BOGO Tanning is the 2nd business I tried - and now 6 months later, I have the diamond membership, I have a handful of VelaShape sessions, and I have a handful of Red Light Therapy sessions! I believe the store managers name is Stephanie - she is beyond GREAT and super helpful and knowledgeable (she recommended a tanning lotion to me and I LOVE it).

This is a great tanning salon. Friendly staff and the owner is great! I was a little underwhelmed by the look of the beds but after tanning in them I've completely changed my mind as they tan SO much better than some of the fancier beds I've used in other salons. Tom C.

Fair prices, very knowledgeable technicians, & many options for skin care & tanning. Highly recommended.

I had always been very skeptical of this random strip mall tanning salon but was always interested by the BOGO deal... After canceling my membership at a different chain of salons I decided to check this spot out. They have the newer VersaSpa machine, which is much faster and leaves you dryer than the old one- it was also one of the darker and more even spray tans I had gotten.

I randomly chose Bogo Tanning to get a base for a vacation. Then, I met Bogo's Caysha and Stephanie who in my opinion both have the equivalent of a PHD in skin! And believe me, at first I validated their claims on sites like the Mayo Clinic, National Institutes of Health because I was concerned about tanning and my skin health.

Because of Caysha and Stephanie's expert knowledge and continuous education, I now feel totally comfortable with tanning per their tanning "prescription"-- and no more. And their expertise is only made possible with Bogo's huge investment in the highest tech "high pressure" tanning beds available that gently tan you without any chance of burning. These are not your "tan mom's" beds and the entire Bogo team will educate you, so you can feel good about looking great!

Caysha also convinced me to further invest in my skin care with Bogo's "red light" skin revitalizing bed that encourages your body to naturally produce enzymes, elastin fibers, and collagen.

Plus Bogo has tons of other services, Stephanie turned me on to a brand new cryogenic machine, making pain dissolve away plus lots of other incredible benefits and leveraged by professional athletes for years.

There are lots of tanning salon choices in the PDX area, but believe me, EXPERT PEOPLE make the BOGO ADVANTAGE and THE BEST CHOICE. People like Stephanie in Tualatin, Travin in Oregon City, Caysha in Raleigh Hills and everyone at Bogo really, really care about you as a person and your skin health, making you not only look great, but ensuring your skin healthier than ever before... and healthy skin is NOT just younger "looking" skin, it really IS younger skin!

I just popped into Bogo tanning to get my mom a month tanning pkg, 6 mths later i have had red light therapy done which has completely now removed hyperpigmentation on my face, acne scars on my face and scars i have always been self conscious about on my arm. I am now almost completely hairless on my body. That alone has changed my daily routine so significantly, what used to be a 30 min shower a day is only 10 min now. Ive been getting cryo slimming and toning. In 46 yrs Ive never liked my body especially my stomach after having kids stretch marks and loose skin Ive never been able to tone. I wore a crop top the other day for the 1st time in my life. I love my body now and I can't wait for the summer to show it off. The staff is also friendly and very attendant to me. My whole family comes here now it's a family owned company and I know them all personal now Bogo Tanning has been a life changer for me. I would recommend them to anyone very passionately, thank you Bogo Tanning, tualatin, Portland and Milwaukee locations for changing my life for the better

N. S.

I loved dropping in at the Milwaukee location of BOGO recently! One of my favorite Estheticians from Tualatin was there with a big greeting for me! It was like a mini celebration! Everyone was

great and the place was immaculate, like always! I've been a client for many years and I am very happy to see this business doing so well!

Clean, friendly and helpful. Love this place. Thanks for the great base tan for my trip!!! I look forward to coming back when I return! If you have any questions, ask Caysha..she is fab!!!

Ana L.

Impressed! The staff today went out of there way to take care of my situation and resolved all concerns. The new technician Tammy is great. I will continue to send friends and family!

Taylor J.

I decided to get my first spray tan here after seeing a deal on Groupon. I was nervous and somehow didn't hear the beep telling me to turn. When I realized I'd messed up I started panicking and the woman at the desk was just so nice.

Mary R.

I've had the best experience here. The beds are always working and clean! The place is open during the hours posted. The staff is amazing.

Shanatha is the best, helpful, friendly, answers all your questions and loves getting tan to! I did upgrade my package and it was worth it !!!

Jerry O.

My partner and I went to get a good base tan before a sunny vacation. Unlike other places, whose sales pitch made us feel like we were shopping for a cell phone plan, Marjorie at Bogo Raleigh Hills told us about a Groupon and made the whole thing easy. We upgraded and bought some products because she gave us such good service.

Great deal, nice place.

Anson S.

I have been trying to figure out something for my wife and her birthday, thought I would stop by to see what I could get or do. A lady named Annisa? Annalise? She helped me get my brain around what I could afford. Amazing help! Made me feel like my other half will be in good hands.

Bogo tanning salon is a great place to go if you're looking for a quality tanning experience. The staff is friendly and knowledgeable, and they offer a wide variety of tanning options to choose from. They also have state-of-the-art equipment that will give you a beautiful, even tan every time. Plus, their prices are very reasonable, so you can get a great tan without breaking the bank.

Nancy C.

Just want to say how fabulous Jon the owner is. He took a situation and really turned it around. I felt heard and valued. It is rare these days to find a company that really cares about their customers. I would recommend BOGO to anyone looking for a quality tan.

Elizabeth T.

Love Bogo Tanning! Caysha is fantastic! She is personable, welcoming and knowledgeable. A great place to go if you want 15 minutes of relaxation and rejuvenation in their red light therapy bed.

Stephanie F.

I would give 6 stars if I could! This location and more importantly the manager Caysha are both wonderful! I went in to buy a package and had no idea what I was looking at. I explained my wants and skin concerns and she helped me out. The red light is absolutely amazing! This salon is also very clean. Its the right decision to choose this salon.

I've been through a few different tanning experience and I absolutely love this location and staff. Since day 1, I was treated with respect and all my questions were always answered. I've felt very self conscious about my body all my life and this time was no different or so I thought. That quickly changed due to there non judgmental personalities. Each employee had ultimately helped me to feel good about myself. They walked me through spray tanning and some of the tricks they had learned. See you all soon.

The people that work there are really great and it's a very clean place. The only draw back is since the virus they have changed their hour and close to early. But 7pm might be fine for others? Good prices on packages and they have the latest style beds ect. This was from 2021. UPDATE. Still living it here, but want to give a worker there named Christy for having patience with me when I come in about 10min. Before closing.

Thank you again if you read this? Not enough stars to rate you!!!

Outstanding salon. At first we're reluctant to start tanning again but after another typical gray Oregon Winter, we received a one month membership and decided to put it to use. From the moment we walked in, I was impressed by the cleanliness of the salon and the friendliness of the staff. The beds were clean and all the bulbs work and they looked very well-maintained. The salon has many services, most of which we have not utilized but we were so impressed that we decided to continue on our membership on our own. The staff is friendly and extremely helpful and the prices are very reasonable. This business is run like businesses when I was a kid friendly, fair and willing to take care of the customer. I would highly recommend, if you're in the market, to try Bogo

I recently just bought a tanning and micro-needling package at this location. I love that the prices are reasonable compared to other tanning/medspa locations in the Portland area. The staff are all so friendly and wonderful. I felt that they truly cared about me.

Jennie L.

I was a member for many years, with a little break in between. I really enjoyed my visits, here. I'd always walk in feeling so-so and walk out feeling great! The employees were always... (Ok, most of the time!) so friendly and I'd get to know them, so 15 minute visits turned into half hour visits because we'd have to catch up a bit. It was fun to get to know people. But, everything was always so clean and nice. Just the way you want when you go to a spa or anyplace to pamper yourself. The machines were always working and in good repair. I just loved it! Now I live too far away. I sure miss having a tanning/feel good place near by!

Jen

Lori M.

Great little salon! Although i do wish med spa services were available at all the locations, but its not too big of an inconvenience and they are very understanding an have offered a discounted price for having to travel, how thoughtful. I refuse to tan or take my business elsewhere!! While I moved away I was forced to tan with another salon, it was not the same, made me miss Bogoo so much!! I went in to BOGO with a 1 month sunset tanning Groupon so I wouldn't get burnt on my trip to Mexico, I thought all I needed was the sunset bed but when I was learning about all the health benefits the sales associate Olivia helped me make the best depiction for the look of my tan and the health benefits and went with the amazing diamond bed which is the best tanning bed I've ever used in my life. After my Mexico trip I came home with out anyhow of burn thanks to the diamond high pressure bed at Bogo

Thank you so Much I for making me feel special in this crazy weird world we live in today.

Jamie C.

I don't know many places Where you can treat yourself to a self-care spa day like you can at Bogo Tanning, the cryo- therapy is amazing and life changing I have never felt better. I have mild scoliosis and back pain and this completely takes it away. The red light therapy has made

my stretch marks and scars completely disappear I no longer can see them after having two kids it's a Amazing!!! And not to mention micro needling I was skeptical at first but after a few sessions I could clearly see the difference and everyone thinks I'm a lot younger than I am It's such a compliment and I highly recommend it!!!

sensitive skin. Tabby always makes sure I get just what I need and is so personable with her clients you walk out every time feeling 100% better then when you walked in

Janet Robbins

Great the staff is wonderful they have lots of options besides tanning they have med spa at the Milwaukie and tualatin

McKayla B.

Very clean, amazing beds, the cryo therapy is so good for weight management and also pain! I use it for both and I can really tell the difference. I've also been using the red light for 3 months and I can tell the difference in my scars and the way my skin feels I recommend 100%, the spray tan booth here makes you look so bronzed and flawless, and it takes a max of 3 minutes! Anyone wondering where they should go to tan, red light or work on weight, goto BOGO tanning. They have so much more to offer then just tanning. They also have a med spa ! Best prices in town !

Katie Scott

I always have a wonderful experience at the Milwaukie store. Staff is always kind and knowledgeable and management/owners are great too.

Patrick Michael Olstad

Location's convenient and the personnel are always nice. The rooms & the beds are always clean and I highly recommend this salon.

Great customer service

Jessica G.

My personal experience at bogo tanning has been nothing but spectacular!!!! Everything from the beautiful outstanding staff members specifically, Mckayla, who always gives 150% outstanding helpful advice on products and services along side of her hard work and dedication to the store!!! I have never been so attended to before when it comes to customer service in a tanning salon and I have been to many!! The store was spotless and smelled so amazing I didn't want to leave! All of the services I tried were amazing and I was 100% satisfied with all of my results! The cryo specifically was spectacular! I felt the results right away and will continue to use it! I felt energized, rested, my pains and aches were gone and the next day I felt like a whole new person! The tanning beds at bogo are top notch and I couldn't be happier with my results! All of the lotions mckayla recommended were so fabulous I won't buy from anyone else because my tan lasts for days and I am so happy with my results I will not go anywhere else to tan or get products. I love this place! It is by far the best experience I have ever had when it comes to customer service, products, quality and personal experience! The expert advice is ongoing and the deals are so affordable I cannot pass up! I highly recommend this salon to anyone and everyone I know! You will not be disappointed or misguided when it comes to products, services and knowledge. They definitely know what they are doing and super friendly, they make you feel like family! I get so many comments all the time on my tan and skin and I always tell everyone "I got it at BOGO!" Mckayla made me so comfortable and tended to my every need, this is my second home and I will be a lifetime member!

Jacqueline P.

I love this company. Rebecca the Owner is the Best. They have everything you need to get Totally Beautified and looking your best in a clean professional environment. BEST of all the customer service is top-notch and has that local friendliness one rarely receives at commercial chain salons.

I've been to a lot of tanning salons in my life, and this is by far my favorite company. McKayla was running the store when I came in for a spray tanning package and she was an absolute star. She went over every position I needed to stand in, to make the spray tan the best possible. She was so helpful. The store was really clean, and the deals are great there. I 110% recommend BOGO tanning, especially the Oregon City location. My spray cam out beautiful!

They've been upgrading memberships and equipment for tanning ever since I got there. It's very conveniently located.

Maria Kim

I have been going to the Wilsonville location for about a year and a half now for laser treatments. All the ladies who have given me treatments are very sweet, personable, and down-to-earth. I am currently getting treatments from Kelly and find that she is thorough, clean, and organized. I love her personality and look forward to our catch up talks whenever I go. I originally purchased treatments through groupon and then I bought another package through the store itself for lifetime treatments. I love it!

Anna Oganyan

Great customer service, the GM is awesome and the girl upfront was very helpful..extremely pleased with my experience today :)

Zachary S.

Ritu Trissell

I have been going at this place for about a year and never had a bad experience. The first time, I went there after I purchased a groupon and I have purchased 3 more services since then and I've been more than satisfied with their services. Eman does a wonderful job. She has great customer service skills and makes me feel so comfortable with her knowledge about her job. Josh is great as a manager and I think, he should be given a raise.

Afsaneh Amini

I have been getting laser with Eman and I can not say enough about her, how caring and wonderful she is. She is the best, she doesn't only treat you, she goes beyond it and cares about you, she is like a friend and I have always been so happy after every single treatment I've had with her. I absolutely recommend her to all of my friends and I can not be thankful enough to her. She is AWESOME!

Jamie Collins

I have been tanning here for quite sometime. I have been tempted to try the MedSpa but have hold off for quite sometime. I finally gave it a go and I don't know why I didn't try this sooner, I'm so happy with my results.

N. A.

Jamie Savage

I love to tan here. I don't know why the other users have complaints, but I've always have had a great experience at islands tanning.

Kendal Morrison

CLEAN!!! I love the beds, I love the employees, and I always get a great deal on my tanning, laser hair removal, and the products I love! Keep it up Islands!

Chelsea Humphrey

Wow, all of these bad reviews sound pretty ridiculous. I've been tanning with Islands Tanning for over 3 years now and have tanned at almost all locations and have never had an issue. All the staff are friendly at all locations and it's always very clean. I'm a student so when it comes to tanning it's definitely something i want to do and not a need, and they understand that and have always made a package to fit my budget and HAVE NEVER TRIED TO RIP ME OFF! Not only do i tan here but I've been able to get all my friend to come to Islands to get their tan on! WE ALL LOVE IT.

Leona Gwynn

Anna S

I have been a client since October 2022 and wouldnt dream of switching salons. When I had first stopped in, I had been looking around for a good fit in terms of price and location for a monthly membership. I was able to get an amazing price for what I was looking for and I love that the memberships include access to multiple locations. *** tried out a lot of places and have never encountered people who go so far out of their way to make you feel welcome and comfortable. I may have started as a client because of the prices and proximity, but I definitely stayed for the customer care, personalized service, and absolutely wonderful people I get the opportunity to catch up with every time I come by. I would say this place is unparalleled in terms of the positive energy of the employees as well as their knowledge of the services the salon offers. When I walk through the door, Im greeted by a smiling face and it means a lot to have a place like that be part of my daily routine.

Taylre M

I have worked for BOGO tanning for the last almost 4 years and they have been extremely loyal to me as an employee. I run and manage our happy valley location and I take pride in this salon and all of clients that know me know I always try my best to give outstanding customer service.

The clients are the most important thing and you allllllll are the main reason I love my job. Getting to know your clients on a day to day bases and seeing those same smiles everyday is rewarding. If you enter the happy valley location youll noticed it smells good and is spick and span some of the clients say every time I come in youre cleaning that makes me feel good cause I know they enjoy having a clean place to tan as I enjoy having a clean place to work. Come on in and see me and you will get a killer deal you wont be able to turn down no doubt and youll get to meet me!!!!

Jenn C

I have always had wonderful experiences since my very first visit ** 2007! There is no other place I would go for my tanning, cryotherapy, and med spa needs. The staff and med techs are friendly, knowledgeable, and welcome me with a smile every time I visit the ***** always feel 110% better when I leave than when I came in. Its like a mini vacation from my busy life. I am so grateful for the owners who have provided a clean, warm and inviting atmosphere where I can come to relax. I highly recommend Bogo!

Olivia B.

Cheyenne at BOGO helped me when I was unsure about the versa spray tan to get a membership! I was unsure because my friends get orange from other tanning salons... Let me tell you I have never been more happy with a decision thanks to cheyenne my tan looks 100% better then all my friends thank you BOGO and cheyenne :)

Ana L.

I'll join in on the chorus of praise. This place rocks! The 7 minute tanning beds are impressive. I love the spray tan add on. The owner is great. She alerted me to the fact that I had a flat tire (always in hurry, I was driving away) called her husband down to put spare on. WOW! I will forever love and refer Bogo Tanning. Thank you Becca

I'm not exactly an expert tanner but when I showed up a few months ago Annalisa did a great job helping me pick out a lotion and showing me around. Ive been going somewhat consistently for the last four months now and I have to say that I love the vibe, the friendliness and the small community of other members who I see come in from time to time. Now Im addicted!

Let me just say that after doing the Lumi Lift for approximately 6 months, a close relative came to town and his first words to me were "Did you get a facelift?" I have had a double chin my whole life, and it's been completely transformed. I am so happy that my account for unlimited monthly tanning was upgraded to VIP monthly maintenance treatments! I feel so much better about myself in my personal life as well as in public! It's thanks to the dedicated, hands-on owners, Jon and Becca that make it what it is... Awesome! Thanks you guys!

McKayla B.

This is a very nice and professional tanning location. Each employee is knowledgeable and very helpful. I have loved my experience here and always get complimented on my tans! I know that my tans will be a safe experience and that I will see the results i'm looking for. I refer my friends and family here all the time!! Definitely go in and atleast give it a shot, as sometimes they will let you test options before buying into a plan. Their plans are affordable for what you're getting and I 10/10 recommend them!! I have only been to this location but I have met the manager once before and could tell that all the locations are likely ran with similar timeliness, care and attention. Go try out Bogo Tanning!! They're wonderful!

Adriana D.

Great staff and I love the many different kind of services that they have and satisfying results.

Love to relax at the end of my day here. Whenever Cheyenne is working I always have a great experience!

Allison W.

I came in this weekend for a spray tan and a cute young girl named Olivia helped me. She was quite friendly and showed me around to all the beds and told me about the different services that are offered. I really liked how well she explained everything and what the benefits were. I didn't feel super pressured like at other tanning places. My tan looks great and I will definitely be back for more! Thanks Olivia/Bogo!

Wendy H.

I've been to multiple different tanning salons and by far the tualatin location is the best one yet, what makes this one stand out from the rest is the amazing staff. Specifically cheyenne, she's always a pleasure to see when I walk in and always remembers my normal routine. She makes things effortless and truly tries to make your experience the best. If you see her working you know everything will be clean and ready in no time. Highly recommend this location.

Diana W.

Thanks to #teambogo they have changed my whole thought process on the industry. The people are very knowledgeable and sincere to my needs. I highly recommend this company and its amazing atmosphere.

Ari W.

I have been a member for 5+ years, and have always been a happy customer. The owner works with me on my packages depending where I am in life which is appreciated. If I ever have an issue it is resolved quickly, with professionalism and always to my satisfaction . The owners care about their business and the customers of. In no business ever are there 100% positive reviews 100% of the time. That is nearly impossible. Everyone has their own impression and interpretation of their experience. My experiences here are definitely positive, and I would invite everyone to choose Bogo as their Tanning destination.

Dedra S.

Had laser hair removal and my esthetician was amazing ! Great customer service and very friendly . Tualatin location . I definitely recommend Bogo !

Joseph K.

Was great visiting Bogo Tanning & Med Spa. The technician was the best I've ever had. I really enjoyed the red light bed and the customer service was 5 Star. I would recommend all friends and family here. Thank you Bogo.

Jess C.

Best med spa in the Portland Metro area! (I've tried several) Exceptional customer service, the owners are so awesome and they run this place the right way. You will feel welcome and really pleased with the quality of the beds and all of the equipment. Highly recommend going to any one of their locations for all your beauty needs!

M B.

Bogo's is the BEST for all your tanning, infrared & skincare needs! I have been to other salons and none of the others even come close to Bogo's! My daughter and I have been going to Bogo's for 3 years now & the staff always make us feel at home. They are always friendly, helpful and willing to go out of their way to ensure a pleasant visit each time! The beds are all

state of the art and maintained and if bulbs burn out they take no time in changing them the same day. that's awesome Bogo's
GO BOGO's

Tina R.

The staff in the Tualatin location was friendly and helpful when I did go there, and it was always clean. They offer a variety of services, and always have specials. The women at the front desk are more than happy to answer questions about all of their services; they are very busy but always make time to speak with every customer. Corporate resolved an issue I had, and I am please with the outcome.

Rachel D.

I had an issue with my tanning session yesterday, but today I received a call from the owner, Jonny, who made everything right. I really appreciate that he took the extra effort to reach out to me and extend a level of service that is beyond what many businesses are willing to do. I have used both their UV tanning and spray tanning services here, and they are top-notch! They'll make you feel like a valued customer no matter what. I highly recommend Bogo Tanning!

Tassi J.

I have been doing red light therapy for about 5 time in 4 weeks my skin is so soft! love the spray tan I used the primer they sell and that stuff has made all the difference in the world. my tan is all around even,last longer,skin is not dry! and the people there always make sure I have a great time while I am there! love this place!

John S.

My wife wanted to try out Bogo Tanning in Milwaukie. We are recently retired and she felt it was time that we pampered ourselves. I was skeptical at first. I am glad she talked me into it. We have found the staff to be very professional and courteous. I am not sure where else you can go and not only meet the owners of the business, but see them on a regular basis. You can tell that Jon and Rebecca treat their business like it is their baby. They have done nothing but treat us well and offer my wife the pampering she deserves at a very fair price. My wife enjoys the

microderm facial, red light therapy, hydration station and tanning. I personally use the red light therapy, tanning beds and fit wrap. The fit wrap appears to really work! We couldn't be happier and our adult daughter has joined as well based on our recommendation. She now does it all too. Thank you to Rebecca and Jon. We appreciate all that you do.

Diana M.

I just want to say thank you to Jon and the employees at Bogo tanning! We were members for the past year and appreciated the friendly staff and variety of services! They offer several tanning options, as well as laser hair removal and many other services at 4 different locations. I'd like to add that Charla is awesome for laser hair removal! She is friendly and she put me at ease every time. I've experienced other technicians and she is very skilled at what she does! I highly recommend Bogo!

Trent R.

Ownership is top notch and great customer service.

Ana L.

Bogo is rad. That's the best way for me to really put it. You walk in on a Friday and it's packed. People tanning and medspa technicians welcome you as you come through the door. The menu is fairly simple, a few memberships to select from all of which are fantastic beds. The staff took great care of me as always. Went to San Francisco for while and tanning there does not even compare to Bogo. I rate 5 Stars always!

Rachel T.

Visiting from Las Vegas and just stopped in for a quick one time tan. Clearly ran by a husband and wife who are the SWEETEST people EVER!! Great environment, clean, friendly and welcoming. Highly recommend!! When I come back I will definitely stop in for another visit!!!

Jake Klemsen

There has been a bad light in my package levels bed for over a month that has not been fixed. I keep asking the desk employees to get the issue resolved to no avail. As a result I left a poor review initially for this location but to my surprise the owner Jon took my issue seriously. He was at the location working the front desk when I arrived to tan today and informed me that he had fixed the light issue and has made sure that the same issue will not happen again. He was very polite and helpful.

Caitlin M.

Melissa is the BEST employee there!!!! Omg such great deals! Too bad she doesn't work more, I'd like to see her around more often at OC! She needs more hours!! The clients get along with her so well. Ya some of the employees have been rude like that boy mike. Or Justin, or Chrystal. But Melissa is outstanding! She makes sure if anything goes slightly wrong she has the biggest smile on her face and makes sure everything is taken care of!! Manager material!!!! I love going tanning and seeing her!! I have a problem with my spray tan and she explained everything to me and now it's perfect!! Omg I couldn't be more happy!

Dominic B.

BOGO Tanning is the greatest salon I have ever been to! The beds are nicer than any other place I have been to, and I love their Versa machine!

Sadie R.

I originally made an appt. @ a different place to cool sculpting but didn't make it on time. Was in a bind with time & found this place on YELP. Called for an appt that same day (March 12th) & they got me in with no problem for the Vela Shape! AMAZING! Becca is great!

It was my first & I was very nervous. Much better then cool sculpting-no pain...

Becca, is the lady to go too. She made me feel at ease & she was so sweet. Set me up with Charla & very attentive. Loved my experience & was suprised since it was my first time there. I got 25% off.

This'll definitely be my place from now on.

Thank you, Becca!!

Rachael G.

Awesome value and great beds!!! I've had nothing but great customer service and clean beds... Which is saying something compared to some other local tanning spots!

Kim G.

Had a Microdermabrasion with Chara after a bad sunburn wow oh wow now my skin glows. She is great and makes you feel very relaxed. She also did a velashape treatment. It was efficient and got up to temperature quickly. I think they have the right combination of staff. Fun and upbeat but still professional

Colette E.

I have been going to this salon for 12 years now. I've used ALL the services! Charla did my micro and my VelaShape treatments and WOW! Best micro I've EVER had and best Vela I've EVER had. I hope she never ever leaves! The salon is cleaner than anywhere I've seen and the staff is so helpful and always happy and upbeat. Obviously very well run and I'm a happy customer!

Sandi M.

AWESOME staff. Services are the best for pain management while I'm waiting for surgery . I would recommend anyone who has any aches or pains to try this place before putting another painkiller drug in your system. You feel better. Loose inches, can tan or use massage tables, red light therapy lights helps with any depression. Staff is so upbeat, helpful. The staff and Services has helped me stay happy and positive during what could have been a painful depressing wait for surgery.

Angie P.

I've been a loyal client for 9yrs and have always received great customer service at this location. For the last 3yrs I've been having laser treatments with fantastic results. My last visit was with

the laser tech Tammy. I had to write a review cause she was so awesome! She was friendly, thorough and knowledgeable! And they now offer online scheduling!!

Roxy B.

Had my first Microdermabrasion treatment with Tammy today. My face feels so good after the treatment. Can't wait for my need appointment!!!

Colette M.

LOVE Bogo Tanning! Great selection of different beds including RED LIGHT THERAPY!! What that has done for my skin is awesome! The Med Spa techs are so skilled and personable and the staff is always very friendly. My favorite spa day includes a Velashape (gets rid of cellulite - yay), a microdermabrasion, and red light, followed by a spray tan! I've been going to this salon/spa for about 8 years and LOVE it!

Sheri M.

I love this place....Jon rocks....I have been a member for 4 yrs any problem I have ever had it has been taken care of...jon has been so gracious..... the managers at tualatin eric and jen you two rock..... I love kathryn and her technics.... she knows her stuff...I love the staff at tualatin thay spoil you rotten....I have been through some shit this last two yrs and bogo has been my place for peace.... I lv u guys... god bless you jon and staff.... I do lv the cocktail tan when I can get one try it..you will lv it..... try tualatin my fav

Rebecca B.

I was so happy with my spray tan! The place is clean and the staff super friendly. I can't wait to try some of their new services

William A.

I've been to other tanning places, but BOGO is upbeat and awesome! Love the music, the friendly faces of the BOGO Tanning staff, and the bed selection. An employee suggested that I try a "cocktail" by tanning in a bed, and immediately follow up with a Versa spray tan. OMG...it looks awesome, and my girl said it's hot and I should keep doing it.

Personally, I prefer the diamond bed. The Magic 636 is perfect and gets great results. It's a high pressure bed that tans several layers deep, and your skin keeps tanning itself over the next couple of days because of how it works.

Everything is easy at BOGO. I walked in, the person at the desk answered all my questions and explained how membership works. I was in a tanning bed within 10 minutes and all setup! Highly recommend!!!

Priscilla P.

Definitely loving the changes that are happening! LOVE the name, love the prices, love the atmosphere, but mostly LOVE the beds! They are always clean and the bulbs are hot. This is one of the best tanning salons I have been to. When I first went in the girl at the counter was really helpful and friendly, also my first tan was completely free! She said she wanted my experience to speak for itself. They have so many beds that there is almost no wait time! I love it!
