GREAT PLACE FOR DINNER:

Leinster Rd Bistro where there is a wide selection of affordable offerings, including a children's menu. It's set in a relaxed and classy environment.

MUST BUY (MONEY NO OBJECT!): Diamonds,

diamonds, diamonds at Petersens Jewellers Merivale! The customer service is fantastic — my family and I have been going there for over 25 years.

SURVIVAL TIP FOR

TOURISTS: With the recent earthquakes and aftershocks, Christchurch is still functioning at full throttle. Make sure you wear your pajamas when going to bed because you don't want to be caught naked!

LOCAL DELICACY: Being born in Bluff, New Zealand, my favourite delicacy is Bluff oysters. They are available throughout New Zealand. Second best would be Canterbury lamb.
