

## How to Use Affirm or Klarna for Your Purchase

### Step 1: Set Up Your Affirm or Klarna Account

1. Visit the **Affirm** or **Klarna** website, or download the mobile app.
2. Create a new account if you don't already have one by following the registration prompts.
3. Complete the setup by providing any necessary information for verification.

### Step 2: Log In from a Computer

1. For an optimal experience, log in to your Affirm or Klarna account from a computer.
2. This will allow easier navigation and access to certain features, such as the digital card setup.

### Step 3: Use the Genius Referral Link

1. In the top window of your browser, enter the **Genius referral link** provided. This link will direct you to the website where you'll complete your purchase.
2. Make sure you're logged into your Affirm or Klarna account while using this link.

### Step 4: Complete Your Enrollment

1. Once you're on the website, follow the steps to enroll in your desired membership.
2. After completing the enrollment process, you'll see a payment option box pop up.

### Step 5: Create a Digital Card (Klarna/Affirm)

1. Select **Klarna** or **Affirm** as your payment method.
2. You will be prompted to create a **digital card**. Follow the steps to generate this digital card, which you'll use to complete the purchase.
3. Note: You may need to specify the total amount for the membership during this step.

### **Step 6: Pay for Your Membership Using the Digital Card**

1. Once your digital card is generated, enter the card details as you would with any regular credit card on the payment page.
2. Confirm your purchase, and you're all set!

You will now be able to make manageable payments through your Affirm or Klarna account. Enjoy your membership and reach out to our support team if you have any questions.
