OUR WORKSHOPS

CHRISTMAS CRAFTING

Upcycling high-quality decorative paper to craft crackers, cards and baubles.

HANDMADE GIFTS

Curate personalised and thoughtful gifts such as bath salts, festive tea mixes, lip balms, beeswax candles & furoshiki fabric wrapping.

BESPOKE OPTIONS AVAILABLE

Contact us to create a tailored workshop for your group.

OUR SECRET SANTA PACKAGE

Swap throwaway gifts for something handmade, thoughtful, and kind to the planet. This workshop offers a creative, feel-good experience for teams who want to celebrate the season sustainably.

Spend time together crafting a personalised gift for one of your colleagues, and exchange them in a surprise Secret Santa swap at the end.

Interested? Choose any one of our handmade gift workshops and combine it with furoshiki fabric wrapping or Christmas cracker making for a relaxed, hands-on experience that perfectly celebrates your team this Christmas.

We can create a bespoke experience just for you.

A SELECTION OF OUR WORKSHOPS

FUROSHIKI

The Japanese art of fabric wrapping, furoshiki is a stylish and zero waste way to wrap presents. Participants learn techniques to wrap various present shapes and sizes. This workshop is ideally paired with one of our **Handmade Gifts** workshops.

BAUBLES

As part of our **Christmas Crafting** offering, this hands-on workshop offers participants the chance to create beautiful and unique baubles by upcycling waste paper.

BATH SALTS

This workshop teaches how to craft scented bath salts using natural ingredients and aromas that have positive effects on our body and mind. Pair this **Handmade Gifts** workshop with furoshiki for a unique and beautiful gift.

WORKSHOP COSTS

Our corporate workshops offer more than just team building—they create social impact. By booking with us, you're helping to subsidise our community work, enabling us to offer accessible pricing for grassroots groups, charities, and those with limited budgets.

Costs vary depending on the workshop type, group size, and duration. We also cater for larger groups and full-day events—get in touch to discuss how we can tailor our workshops to your needs and maximise the value for your team.

ABOUT US

Sunny Jar Eco Hub is a social enterprise founded by Maud and Linda in 2019 and has a growing network of experienced facilitators.

With their combined skills and knowledge of educating, community health, wellbeing, sustainability and the arts, our team are passionate about teaching others and showing how easy it can be to live lighter on our planet.

Our brand **Sunny Jar** embodies our values. 'Sunny' represents our hope and optimism for a greener future. 'Jar' depicts our motto of reduce and reuse.

SOCIAL IMPACT

As a Community Interest Company, we are committed to supporting the people and places in our local area and beyond whilst taking action to prevent climate change.

Every corporate workshop that we deliver helps to fund a community workshop, adding social value to the work you do.

By booking a workshop with us you will be directly supporting the communities we work with!
