Details & Deadlines

Whova Passport Program

The Whova Passport Program is designed to boost booth traffic and strengthen interaction between partners and attendees throughout the conference. Participating partners help create an engaging experience where attendees visit exhibit spaces, collect digital scans, and work toward completing their event passport. Showcase Partners may join the program for $500.00, while Knowledge, Innovation, and Premier Partners receive complimentary enrollment.
Attendees who collect scans from all participating partners are entered into a raffle for prizes awarded on the final day of the conference. Each time an attendee's passport is scanned, their contact information is shared directly with the partner, creating an easy and effective way to build new connections and generate follow up opportunities.

Exhibit Power

Exhibit power is available as an optional add on for Showcase Partners and is included for all other Partnership levels. For a fee of $100.00, partners may add power to their exhibit table. Power is provided in the form of a six outlet surge protector, ensuring convenient access for device charging, product demonstrations, and other booth needs.

Partner Passes*

Partner passes provide partner staff with access to conference activities, networking events, and attendee engagement opportunities. Passes will be available for purchase at $700.00 per individual.
Each partner level has a maximum allotted number of passes. Showcase Partners may register up to three staff members, Knowledge Partners up to four, Innovation Partners up to five, and Premier Partners up to six. Additional passes may be purchased beyond these limits at the discretion of the Event Producers, allowing flexibility for partners who wish to bring a larger on-site team.

Please note: Partner Passes are no longer a complimentary inclusion in our Partnership Packages due to changes in Washington state tax law.

Exhibit Dimensions

All partners receive a tabletop exhibit space as part of their registration. Due to venue space considerations, traditional ten by ten partner booths are not provided. Each tabletop space includes a six foot table, two chairs, and a basic table dressing package, offering a clean and functional setting for exhibitor engagement.

*Due to updated Washington State tax laws requiring retail sales tax on all conference registrations, we are no longer able to include complimentary partner passes within sponsorship or exhibitor packages. Sponsorship and exhibitor fees themselves are not subject to sales tax, but all partner passes must now be purchased separately to ensure proper tax compliance.

Details & Deadlines

Partner Showcase

ACCIS Spring will feature our Partner Showcase throughout the conference. This will be where all partner exhibit tables will be located as well as refreshments and select social networking events. The Partner Showcase will be located in the Great Hall and Great Hall Lobby and will be open as shown below.

Last Day for Registration Changes: 03/27/26 5:00 PM

Room Booking

Partners are encouraged to book their accommodations through the conference room block. Reserving within the block provides access to discounted rates and directly supports the event by contributing to our overall booking commitments. Your participation helps us maintain favorable venue arrangements and continue delivering a high quality conference experience for all attendees. Booking using our conference room block can be done via the conference registration page. Click Here

Split Registration

Split registration allows partners to share their conference presence with another company for an additional fee. This option provides flexibility for organizations that wish to collaborate, co-present, or divide their on-site representation while maintaining the benefits of their selected partnership level. Purchase of split registration increases the maximum number of allowed partner passes for any category by one.

Split registration is available at the following rates:
- Showcase Partners: **$500.00**
- Knowledge Partners: **$1,000.00**
- Innovation, Solution & Strategic Partners: **$1,500.00**
- Premier & Visionary Partners: **$2,000.00**

Premier Partner

$10,000 | One Package Available

Achieve the highest level of presence and influence with Washington State's public sector Information Technology community.

The **Premier Partner Package** is designed for organizations seeking the most impactful platform available at the conference. This level includes all benefits from the Showcase and Knowledge Partner Packages and adds significant visibility, exclusive branding opportunities, and a highly coveted general session speaking placement. Premier Partners connect directly with more than 150 Information Technology leaders from state and local government in a setting built for maximum engagement.

Package Benefits:
- Fifty five minute presentation on the general session stage on Monday, April 13 in the afternoon. This placement is selected for peak audience attention and engagement
- Tabletop exhibit space in the Partner Showcase
- Access to several partner networking events with ACCIS members
- Complimentary enrollment in the Whova passport program
- Complimentary Exhibit Power
- Conference attendee lists provided before and after the event
- Expanded brand spotlight that elevates your organization beyond the recognition provided at other partner levels as well as prominent branding on the Whova Platform
- Maximum of six (6) partner passes for on-site staff participation**
- Branded evening reception on the first night of the event for **exclusive** networking with ACCIS members prior to other partner opportunities

This package is ideal for organizations ready to shape conversations, position their solutions at a strategic level, and engage with the region's government technology community in the most visible and memorable ways.

Visionary Partner
$10,000 | One Package Available

Elevate your presence and influence within Washington State's public sector Information Technology community

The **Visionary Partner Package** is designed for organizations seeking a strong leadership presence and expanded visibility throughout the conference experience. This level builds on the core benefits offered to partners and adds enhanced branding and prominent opportunities to engage a broad audience of public sector Information Technology leaders.

Package Benefits:
- Fifty five minute presentation on the general session stage on Wednesday, April 15 in the afternoon.
- Tabletop exhibit space in the Partner Showcase
- Access to several partner networking events with ACCIS members
- Complimentary enrollment in the Whova passport program
- Complimentary Exhibit Power
- Conference attendee lists provided before and after the event
- Expanded brand spotlight that elevates your organization beyond the recognition provided at other partner levels as well as prominent branding on the Whova Platform
- Maximum of six (6) partner passes for on-site staff participation**
- Branded evening reception on Tuesday, April 14 for networking with ACCIS members and partners

This package is ideal for organizations ready to shape conversations, position their solutions at a strategic level, and engage with the region's government technology community in the most visible and memorable ways.

Innovation Partner

$8,500 | One Package Available

Demonstrate your leadership and vision to Washington State's public sector Information Technology community.

The **Innovation Partner Package** is designed for organizations driving new ideas and emerging approaches in government technology. This partnership level offers expanded visibility, elevated engagement, and a prominent platform to connect with more than 150 public sector Information Technology leaders. Innovation Partners receive all benefits provided to Showcase and Knowledge Partners, along with additional opportunities that reinforce thought leadership and innovation across the conference experience.

Package Benefits
- Forty five minute speaking opportunity on the general session stage Thursday, April 16 in the morning
- Tabletop exhibit space in the Partner Showcase
- Access to several partner networking events with ACCIS members
- Complimentary enrollment in the Whova passport program
- Complimentary Exhibit Power
- Conference attendee lists provided before and after the event
- Enhanced brand spotlight that features your organization beyond the standard visibility provided at other partner levels as well as prominent branding on the Whova Platform*
- Maximum of five (5) partner passes for on-site staff participation**

This package is ideal for organizations ready to lead discussions, highlight forward thinking technologies or services, and secure a highly visible presence at the conference.

Solution Partner

$8,500 | One Package Available

Deliver practical insight and proven approaches to real world public sector challenges

The **Solution Partner Package** is ideal for organizations focused on implementation, performance, and tangible results for government Information Technology teams. This partnership level emphasizes applied expertise and meaningful engagement with decision makers throughout the event. Solution Partners receive all benefits provided to Showcase and Knowledge Partners, with added visibility and engagement opportunities that highlight real world impact.

Package Benefits
- Forty five minute speaking opportunity on the general session stage during our lunch hour Tuesday, April 14. Please note that while the lunch will be scheduled for the full hour. Your presentation time will begin once attendees have had the opportunity to collect their meals and find their seats.
- Tabletop exhibit space in the Partner Showcase
- Access to several partner networking events with ACCIS members
- Complimentary enrollment in the Whova passport program
- Complimentary Exhibit Power
- Conference attendee lists provided before and after the event
- Enhanced brand spotlight that features your organization beyond the standard visibility provided at other partner levels as well as prominent branding on the Whova Platform*
- Maximum of five (5) partner passes for on-site staff participation**

This package is ideal for organizations ready to lead discussions, highlight forward thinking technologies or services, and secure a highly visible presence at the conference.

Strategic Partner

$8,500 | One Package Available

Support long term planning and technology advancement in the public sector

The **Strategic Partner Package** is designed for organizations supporting planning, modernization, and sustainable technology initiatives across state and local government. This partnership level provides strong leadership positioning and opportunities to participate in high value conversations with public sector decision makers. Strategic Partners receive all benefits provided to Showcase and Knowledge Partners, alongside enhanced visibility and engagement opportunities that strengthen long term relationships.

Package Benefits
- Forty five minute speaking opportunity on the general session stage Thursday, April 16 in the morning
- Tabletop exhibit space in the Partner Showcase
- Access to several partner networking events with ACCIS members
- Complimentary enrollment in the Whova passport program
- Complimentary Exhibit Power
- Conference attendee lists provided before and after the event
- Enhanced brand spotlight that features your organization beyond the standard visibility provided at other partner levels as well as prominent branding on the Whova Platform*
- Maximum of five (5) partner passes for on-site staff participation**

This package is ideal for organizations ready to lead discussions, highlight forward thinking technologies or services, and secure a highly visible presence at the conference.

Knowledge Partner
$5,500 | Twelve Packages Available

Share your expertise with Washington State's public sector Information Technology community.

The **Knowledge Partner Package** is designed for organizations that want to elevate their visibility by contributing insight and education to the conference agenda. In addition to strong brand presence and networking access, Knowledge Partners receive a dedicated breakout speaking opportunity that positions their organization as a resource for more than 150 Information Technology leaders across state and local government.

Package Benefits:
- Thirty five minute speaking opportunity during concurrent breakout sessions Wednesday, April 15
- Tabletop exhibit space in the Partner Showcase
- Access to several partner networking events with ACCIS members
- Digital brand visibility on conference signage and media*
- Complimentary enrollment in the Whova passport program
- Complimentary Exhibit Power
- Conference attendee lists provided before and after the event
- Maximum of four (4) partner passes for on-site staff participation**

This package is designed for organizations that want to share insights, engage in deeper conversations with attendees, and strengthen their presence within the region's government technology ecosystem.

Showcase Partner
$2,000 | Twenty Five Packages Available

Position your organization in front of Washington State's public sector Information Technology community.

The **Showcase Partner Package** offers a streamlined and cost-effective way to establish your presence at the conference. Designed for Partners seeking visibility and direct engagement with more than 150 Information Technology leaders across state and local government, this entry-level package provides essential benefits that connect your team with influential decision makers.

Package Benefits:
- Tabletop exhibit space in the Partner Showcase
- Access to several partner networking events with ACCIS members
- Digital brand visibility on conference signage and media*
- The option to participate in our Whova passport program
- Conference attendee lists provided before and after the event
- Maximum of three (3) partner passes for on-site staff participation**

This package is ideal for organizations looking to demonstrate their offerings, build new relationships, and stay connected with the region's government technology ecosystem.

*All partners are featured across digital media and signage. Brand spotlighting features partners on their own or alongside others within their partnership level.
**Due to updated Washington State tax laws requiring retail sales tax on all conference registrations, we are no longer able to include complimentary partner passes within sponsorship or exhibitor packages. Sponsorship and exhibitor fees themselves are not subject to sales tax, but all partner passes must now be purchased separately to ensure proper tax compliance.

Wellness Partner

Add-on | $2,500 | Please Contact us For Availability

Align your brand with health, balance, and attendee experience

For the first time, the conference will feature a dedicated Wellness Lounge designed to support the health and well being of attendees. The Wellness Lounge will provide services such as chair massage, chiropractic adjustments, and general wellness education, creating a welcoming space for attendees to recharge and refocus throughout the event.

The **Wellness Partner Sponsorship** is offered as an optional add on and is not included with any partnership level. Availability is limited to Tuesday and Wednesday, with sponsorships sold by day at 2,500 dollars per day. Each daily sponsorship provides exclusive alignment with the Wellness Lounge for the selected day or days.

Wellness Partner Benefits
- Unique branding aligned with attendee wellness and well being
- Standalone signage within and surrounding the Wellness Lounge
- Partner logo featured in the Whova app in connection with Wellness Lounge activities and stretch and refresh breaks
- Additional tabletop exhibit space located adjacent to the Wellness Lounge for the duration of the sponsored day or days
- The option to introduce wellness providers on the main stage during designated stretch and refresh breaks

Wellness is increasingly recognized as a critical component of focus, performance, and sustainability in public sector Information Technology roles. By sponsoring the Wellness Lounge, partners align their organization with an attendee experience that prioritizes health, balance, and long term well being.

The **Wellness Partner Sponsorship** creates positive, memorable touchpoints with attendees in a setting that encourages genuine connection. Rather than competing for attention, partners are associated with a restorative experience attendees value. This opportunity demonstrates a thoughtful commitment to the people behind the technology and reinforces the partner's role as a supportive and community focused contributor.

Inclusion of our Wellness Lounge at this year's conference is subject to partner participation and sponsorship

Special Receptions and Events

Add-on | Contact Us For Pricing and Availability

Simplify planning and elevate your hosted experience

Partners often choose to host private dinners or receptions during the conference, either at the conference venue or within the surrounding community. To support these efforts, we are offering an optional Event and Reception Planning Support add-on that gives partners access to our experience, local knowledge, and established relationships.

This add-on is available to all partners and is separate from the pre scheduled receptions included with the Premier and Visionary Partner Packages. Event and Reception Planning Support is designed to simplify logistics, reduce planning time, and help partners create polished, well coordinated experiences for their invited guests.

Planning Support Includes
- Consultation support for event concept, timing, and attendee flow
- Guidance on venue selection at the conference site or within the local community
- Recommendations for catering, dining experiences, and service style
- Coordination considerations to align with the official conference schedule
- Advice on capacity planning, guest experience, and logistics

Private meals and receptions offer valuable opportunities for deeper conversation and relationship building, but they require careful coordination to be successful. Leveraging our planning support helps partners avoid conflicts, streamline decision making, and deliver a professional experience that reflects well on their organization.

By working with the conference team, partners gain insight into attendee patterns, venue logistics, and timing considerations that elevate their event while preserving a positive experience for all conference participants.

Support is subject to availability, and pricing is available upon request.
