Junior Grading Policy

The grading of junior teams will be based on the following criteria

- 1st - Singles UTR Strongest Player
- 2nd - Team UTR Avg for singles and doubles
- 3rd - Previous season results
- 4th - Club requests

The Grading Committee has the ability to question clubs and coaches around team selection and seek advice if team balance seems inappropriate.

The grading committee will use their discretion and knowledge of players to make recommendations when applicable.

Where UTR's are all very close, then previous season results and discussions with club coaches/Jnr coordinators will be a consideration.

Club requests for specific sections will be used as a guide only.

Finals Results will not be included in the grading process as these occur after grading is complete.
