

Happy New Year! As we step into 2025, we're excited to bring you treatments and tips that will help you feel radiant and confident all year long. Let's dive into what's new and trending this month at AnAesthetics!

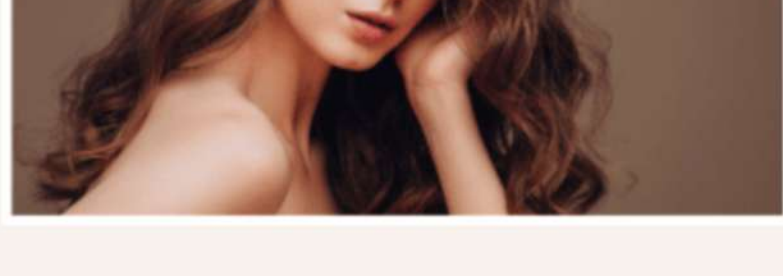

🌸 Hair Restoration Revolution

If you're struggling with hair loss—whether it's from COVID, Semaglutide, or other causes—our **holistic hair restoration program** is here to help!

We combine:

- ✓ PRP injections with regenerative medicine.
- ✓ Microneedling and bio stimulators.
- ✓ Nutrition and vitamin supplements.
- ✓ Signature shampoo, conditioner, and serums for at-home care.

Plus, we partner with stylists at **The Loft** to provide a complete hair restoration plan that nurtures your hair's health while preventing further damage. Let's bring back your confidence, strand by strand.

💋 Myth-Busting Lip Fillers

Are you curious about lip fillers but held back by common misconceptions?

We're here to set the record straight:

🚫 **Myth:** Lip filler always migrates.

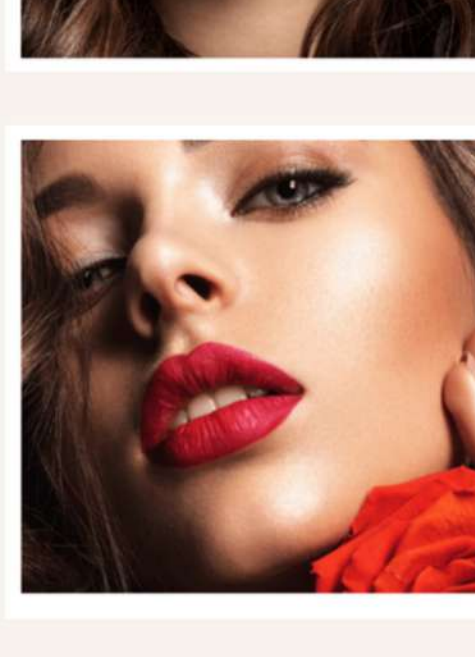

👉 **Fact:** With professional-grade products and precise techniques, migration is rare.

❌ **Myth:** Lip fillers don't dissolve.

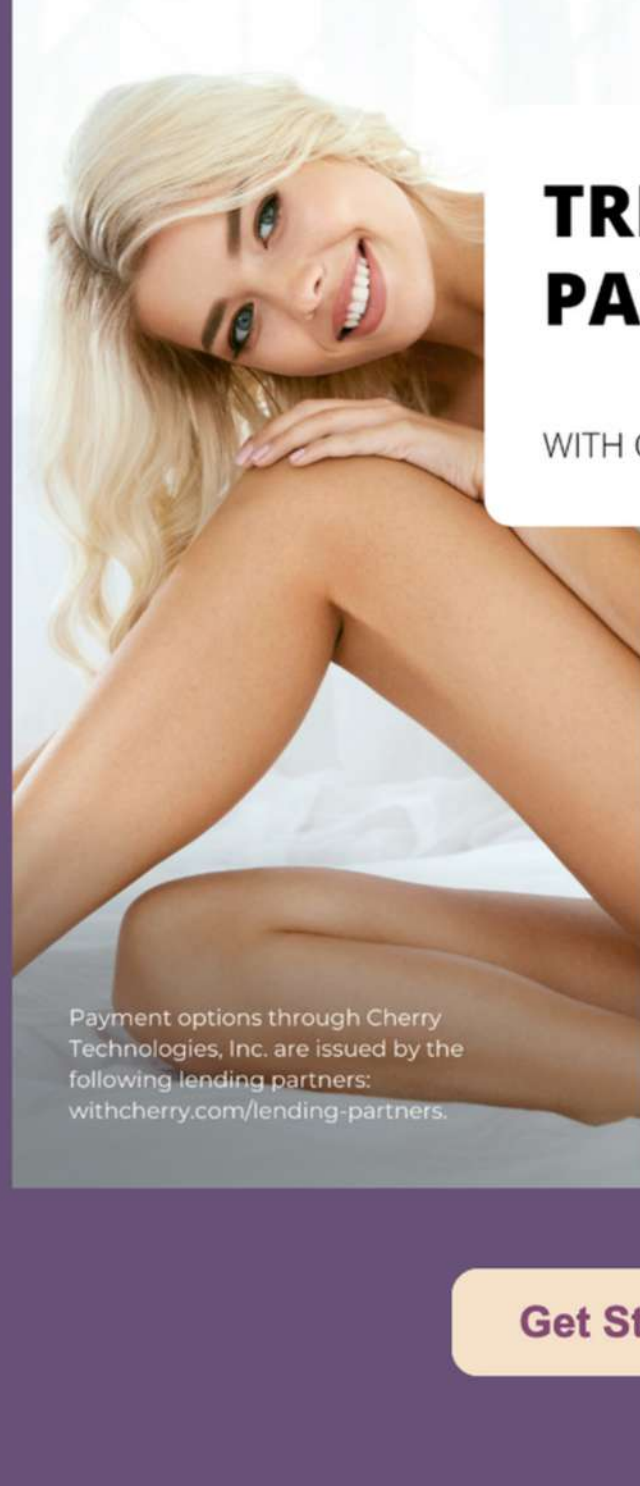

👉 **Fact:** The fillers we use are safe and naturally dissolve over time.

!! **Myth:** 1ml of filler will look overdone.

👉 **Fact:** 1ml is modest and allows us to create a balanced, natural look.

Celebrating CRNA Week!

This week, we honor our incredible Certified Registered Nurse Anesthetists (CRNAs), who bring expertise and precision to every treatment. At AnAesthetics, we are proud to have CRNAs as part of our team, ensuring the highest standard of care for our clients.

A special shoutout to **Mindy**, who continues to excel as a full-time anesthesia provider specializing in OB anesthesia while delivering exceptional results in aesthetic treatments. Her dedication and skill truly set her apart as a top injector!

Thank you to all CRNAs for the care and confidence you provide! 💖
