

Potty Training for REAL Cats

Cat Toilet Training for Humans & Felines

"Is this picture for real?" That was the original comment that gave the book its name. This book teaches you how to potty train your kitty, and also helps you to determine if they have what it takes *before they even start*. Get the "scoop" on how a cat's personality directly affects potty training!

About the Book

Would you like to toilet train your cat? This book doesn't make any far-fetched promises. Instead, it presents real-life cases, trains the "Pet Parent", covers what is needed, and analyzes 25 different feline personalities and traits to determine if a cat is likely to easily adapt to being potty-trained.

Do you have an affectionate cat or an older cat? See how these and other traits can directly affect potty training! You might just be surprised at how some types of cats train better than others. The Appendix in the back contains several D.I.Y. projects for items that will help make the transition easier, and tips on everything related to the job at hand.

You will also get to meet ten of the cats that were potty-trained and read their life stories. Over 150 color photographs throughout, this is sure to be entertaining and informative. Great for those who want to get the real-life "scoop" on potty training a cat, or even just the curious cat lover who would like to read true cat stories.

About the Author

Cassie Cluster grew up having many different critters, but always had a special affection for cats. She raised rats for pet shops, and had various other species in the home. Still, none compared to her feline family, and her ability to analyze their various personalities. Cassie shares her practical experiences of toilet training cats over the past 30 years.
