

代理支持服务 提供的服务：

我们知道全球至少有10%的学生都有某种形式的特殊教育需求。这意味着全球近2.4亿儿童数量的体量中（联合国儿童基金会数据，2023年），每10个家庭就至少有一个是您所需要提供服务的，其子女有差异化学习需求的家庭。

我们还知道，社交、情感和心理健康问题的困扰上升趋势呈年轻化，越来越多的年轻人在学校里为此挣扎。因此，这也使得为需求家庭提供最佳英国院校择校的代理工作变得非常棘手。

- 您有学生在学校面临此类困境吗？
- 他们是否在准备考试方面有困难，或者难以集中注意力？
- 他们是否在与同龄人的社交方面有困难？

在BBE，我们可以帮助您识别学生在学校会面临的困难，并帮助您确保学生顺利转校至英国的学校。我们提供一系列服务，包括识别学习差异和特殊教育需求，帮助所有参与者更深入地了解您学生的想法、感受和行为。

我们采用的是优势教育法，这意味着我们不仅能识别学生会面临的学习挑战，还能充分挖掘学生的学习潜能优势，这将有助于您向未来的学校传达沟通学生的学习情况。

通过与BBE合作，您将获得专业、专注且周密的服务。确保您的学生顺利转校，并且可以让您服务的家庭放心，我们有信心帮助他们在为孩子做英国择校的重要选择时也能得到最妥善的照顾。

代理支持服务 提供的服务：

我们为代理商提供的服务包括：

筛查评估服务：

有些家庭可能不确定自己的孩子是否有学习服务需求。我们提供筛查套餐来进行评估，通过问卷和自我报告的方法，全面探究您学生的学习和思考世界的方式。

全面教育评估服务：

您的学生可能需要进行全面的教育评估，以帮助他们匹配最适合的学校环境。您可以向家长提供此评估套餐，以识别学生的优劣势，并基于此帮助他们制定最佳学习策略。这通常是为学生准备入学评估和作为其申请材料的一部分所必需的步骤。

团队配套少儿服务 (TAC) 服务：

我们提供的团队配套少儿服务，将参与您学生教育的所有关键人员聚集在一起。这项服务为忙于提供教育服务支持的代理商在英国提供了一个单独的联络点，并贯穿学生学习的整个学年。在代表家庭，我们出席家长/教师会议，报告进度，并与学校团队密切联络，以确保满足学生的需求并仔细监控其学习进度。作为TAC服务的一部分，我们将定期向您和家人汇报情况，并及时跟进可能出现问题的地方。我们可以安排与学校团队的季度审查，向家人报告情况，以确保万无一失，并确保您的学生的学术、社交和情感健康状况正常。

专业辅导服务：

对于有特殊教育需求的孩子来说，与来自BBE的经验丰富的特殊教育专家合作是至关重要的，因为学生在接受针对其特定需求的辅导后能够取得更好的进步。我们为您提供专业的辅导套餐，您可以与家人共享。

导师培训服务：

您是否有一支与您合作的导师团队？投资一项差异化领域学习方面的额外导师培训，有助于提升和支持一些可能与有特定学习差异需求的孩子的家庭合作导师的能力。我们为与特殊教育需求学生合作的导师提供特定的专业培训服务。

为家庭提供建议和信息服务：

BBE通过共享有关英国学校特殊教育 (SEN) 的免费网络研讨会的专家来帮助代理商完善服务，为有特殊需要孩子的家长们提供准备学校申请流程的建议和支持。这一建议和支持深受家庭的重视，我们将根据您的需求量量身定制研讨会内容。

We know that **at least 10% of all students globally** will have some form of Special Educational Needs. That is nearly 240 million children worldwide (UNICEF, 2023). This means that for every 10 families at least one of the families you work with will be a parent to a child with a learning difference.

We also know that **social, emotional and mental health difficulties** are rising with more and more young people struggling to get by in school. This often makes it very tricky for agents who are working with families to find the best UK school for the student.

Do you have students who are struggling at school?

Do you have students who are struggling with exam preparation, or struggling to concentrate?

Do you have students who are struggling to get on socially with their peers?

At BBE, we can help you to recognise the areas of difficulty that your students are experiencing and help you to ensure your students make a smooth transition to schools in the UK.

Our Services include:

Screening Assessments

You may have families who are not sure if their child has a learning need or not. We offer screening packages which explore, through questionnaires and self-reporting measures, everything you need to know about how your student learns and thinks about the world.

Full Educational Assessments

You may have a student who needs a full educational assessment to help determine which school setting is most suitable. You can offer assessment packages to your families which will identify your student's strengths, as well as challenges, and provide strategies to help them learn best. This is often a necessary step when preparing your student for entry assessments and as part of their application package.

BBE Support Services for International Agents

Team Around the Child (TAC) Service

We offer a Team Around the Child Service which brings together all the key people involved in your student's education. This service helps busy agents with a single point of contact in the UK who supports your student's educational journey throughout the academic year. On behalf of the families, we attend parent/teacher meetings, report on progress and work closely with the school team to ensure your student's needs are met and progress is carefully monitored. We regularly report back to you and to the family as part of the TAC service and follow up any areas that may present challenges. We can arrange termly reviews with school teams, reporting back to families, to ensure that nothing is a miss, and your student's academic, social and emotional wellbeing is on track.

Specialist Tutoring

For a child with special education needs, the importance of working with an experienced SEN expert from BBE is essential, as students make better progress with tuition catering to their specific needs. We provide you with specialist tuition packages which can be shared with your families.

Training for Tutors you work with

Do you have a team of tutors who work with you? Investing in additional training in specific learning differences helps to upskill and support your tutors who may be working with families of children with specific learning differences. We provide specific professional training to support tutors working with students with special educational needs.

Advice and Information Sessions for families

BBE helps Agents by sharing expert free webinars for your families regarding SEN in UK schools and how to prepare your neurodiverse child for the school application process. This advice and support is highly valued by families. We tailor the webinar session to your needs.
