

Schedule of funded Fees

Our schedule of fees shows pricing for parents accessing government funded places. For private paying fees (parents who are not using government funding), please request a fees list from a member of our staff. **For information on eligibility criteria for funding, please see our 'Funding policy' for available entitlements.**

You should read this Schedule of Fees alongside our other relevant policies: i) Funding Policy ii) Admissions & Waiting List Policy iii) Provision of Food Policy iiiii) Consumables & Activities Policy iv) Terms and Conditions

Government funding only covers 38 weeks in the year. However, we offer all year round care for parents wishing to stretch their funding to 51 weeks. This is our Stretched funding Offer.

Stretched Funding (All year round attendance)

Stretched funding pricing is based on attendance patterns that you chose. Based on your funding entitlement, you will have either 15 or 30 hour per week funding. Given funding only covers term time attendance, in most cases your Stretched funding attendance pattern will have unfunded hours to pay for.

Breakdown of free funded hours and unfunded hours per attendance pattern.

15 hours stretched

Days of attendance	Funded hours (Covered by the government)	Unfunded hours (Additional hours not covered by government)
2	11 hrs 11 min <u>free funded hours</u>	8 hrs 49 mins <u>unfunded hours</u>
3		18 hrs 49 mins <u>unfunded hours</u>
4		28 hrs 49 mins <u>unfunded hours</u>
5		38 hrs 49mins <u>unfunded hours</u>

30 hours stretched

Days of attendance	Funded hours (Covered by the government)	Unfunded hours (Additional hours not covered by government)
3	22 hrs 21 min free funded hours	7 hrs 39 min <u>unfunded hours</u>
4		17 hrs 39 min <u>unfunded hours</u>
5		27 hrs 39 min <u>unfunded hours</u>

Funded Only (Term time only attendance)

We offer a limited amount of Funded hours only (Term time) places. Attendance for term time places are set to either 15 or 30 hours per week. Additional attendance required above this, will be charged in additional days / hours, charged separately at an additional rate. If you require considerable amount of additional days / hours, you may want to consider stretched funding as a more cost effective option.

Please note: Term time only requests are automatically placed on our waiting list until a fully funded space becomes available. Please request availability from Nursery managers.

Other fee relief options

'Tax Free' Childcare Accounts

Parents will be able to apply for Tax free Childcare through the digital childcare service. Working parents of children aged under 12 can use Tax-Free Childcare, through the childcare service account, to pay for registered childcare. The Government will top up the money that parents pay into the account. For every £8 parents pay in, the Government will add an extra £2. Parents can receive £2,000 per child per year, or £4,000 if disabled. The eligibility criteria for Tax-Free Childcare are broadly aligned with 15 or 30 hours free childcare. The main differences are that Tax Free Childcare is available for children under 12, and is not available to parents in receipt of tax credits, Universal Credit or childcare vouchers. Parents in receipt of these can choose, as part of the childcare service application, whether they want to keep these benefits and apply for the extended entitlement only or leave these and apply for Tax-Free Childcare as well as the extended entitlement. Alphabet House Nurseries are registered to accept Tax-Free Childcare payments through the HMRC online facility. It is still parent's responsibility to ensure payments reach us on time i.e. 1st of every month.

Childcare Choices

The Childcare Choices website will guide you through your options. It provides access to the application process for the childcare accounts and the 30-hour entitlement – make sure you are ticking the correct boxes for you. Eligibility for all this and the 30 hours is determined by HMRC, and parents should check their own eligibility through the relevant government website. The website Childcare Choices offers you the opportunity to compare what is best for your family.
