Dear Dante

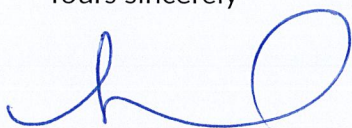

On behalf of the Department of Trade, Business and Asian Relations I would like to extend my sincere thanks for your valued participation in the OBM 2025 program as an event partner. Your involvement and commitment were instrumental in delivering another successful month of inspiration, learning and connection across the Northern Territory.

This year's program brought together almost 200 events and attracted participants from across the 5 regions of the Territory. Together, we showcased innovation, celebrated local enterprise, and strengthened networks that continue to drive economic opportunity and collaboration. Feedback from attendees has highlighted the quality of speakers, practical insights, and meaningful connections made throughout the month.

As we now move into the post-event phase, we look forward to hearing about your own outcomes and successes from OBM 2025 – whether that's new partnerships, business leads, or strengthened community connections. Your feedback and experiences help us continue to evolve the program to meet the needs of Territory businesses.

We hope you found this year's program rewarding and that you will join us again in 2026 as we continue to celebrate and support the Northern Territory's vibrant business community. Once again thank you for your support and for giving back to the Northern Territory business community.

Yours sincerely

Hayley Richards
Chief Executive Officer
Department of Trade, Business and Asian Relations
