Dear Friends,

I am so excited to share more about this awesome organization that we, the Empowered Women Connect community, will be supporting this year for our annual fundraiser, Tuesday, September 27th at kiln. in Meridian, ID.

River Discovery offers outdoor adventures for cancer survivors that promote healing and strengthening of the mind, body and spirit. Programs are created to inspire, empower, and heal survivors of all ages and with any diagnosis. River Discovery strives to empower survivors and their loved ones to embrace an active lifestyle rich with recreation, friendships, nutritious foods, and adventure, all of which have been demonstrated to improve overall health.

River Discovery's programs include: Snowshoeing, multi-day Salmon River Adventures, 1-day whitwater trips for the whole family, and Stand up Paddle Board and Kayak sessions. We continue to provide our multi-day adventures and retreats with the amazing support of this community, reaching upwards of 300 cancer survivors and their families each year.

To raise the needed funds to provide 2023 adventures we are pleased to host this year's Empowered Women Connect, Annual Fundraiser Mixer in Honor of Rebecca Nowak, to raise funds for River Discovery.

There are several ways that you can contribute to River Discovery to support these programs:

- In-kind donations for silent auction (product, service, etc.)
- Company sponsored auction / raffle packages
- Your presence at the event

All donations will receive a receipt, designated for tax purposes and a listing in our Empowered Women Connect event material and website. Please contact me with any questions. Thank you for your time, consideration, and support for the mission of River Discovery.
