

Legacy Athletics, LLC End User Agreement

Your 63 Day Transformation Coach is not a physician or psychologist, and the scope of her consultation services does not include treatment or diagnosis of specific illnesses or disorders. If I, the client, suspect I may have an ailment or illness that may require medical attention, then it is my responsibility to consult with a licensed physician immediately.

Any mention or recommendations regarding exercise or nutrition are not meant to treat medical injuries or illnesses, and a licensed physician should be consulted for medical ailments. Rather than dealing with treatment of disease, your 63 Day Transformation Coach focuses on wellness using nutritional and wellness therapies to achieve weight loss and optimal health. Your 63 Day Transformation Coach primarily educates and motivates clients to assume more personal responsibility for their health by adopting a healthy attitude, lifestyle, and diet. While people generally experience greater health and performance as a result of embracing a healthier attitude, lifestyle, and diet, your 63 Day Transformation Coach does not promise or guarantee protection from future illness.

By signing below, I acknowledge that I understand that your 63 Day Transformation Coach is a Health Coach and not a physician, and that I should see a doctor if I think I have a medical condition. Your 63 Day Transformation Coach, Legacy Athletics LLC, or the 63 Day Transformation will not be held liable for failure to diagnose or treat an illness, nor will she be liable for failure to prevent future illness. I agree and understand that the program which I have purchased with this Agreement involves the risk of injury and elect to participate in the program voluntarily in spite of the risk.
