The Flowergames is designed to be a tool for creative self-expression and exploration. It is not intended to be a substitute for professional mental health or therapeutic advice. If you are struggling with significant emotional or psychological difficulties, please seek guidance from a qualified professional. While the journal prompts and exercises are designed to inspire and encourage creativity, they may not be suitable for everyone. Use your own discretion and adjust the activities as needed to fit your individual needs and comfort level.

The author and publisher of this workbook are not responsible for any outcomes or experiences that may arise from using this journal.

On the eve of their coronation, a young monarch's crown is stolen.

If you were suddenly granted a royal title, what would be the first change you'd make in your life or your community?
