

## Where Can I Park?

Off street parking is available alongside the house.

Turn in via the main gate with the “Stansted Borough” signs and continue down the drive, past the front of the house and keep going round to the right as far as you can to the exit gate, or behind any other vehicles already parked there, in a line.

Everyone will leave via the bottom set of gates at the same time.

Once parked, head along to the left of the exit gates where you’ll find the gym at the end.
