

Where Can I Park?

The Nourishment Academy's Dorking studio is located at the back of Dorking Business Park, in Unit 6, Tillingbourne Court.

We have 5 designated spaces, by the side of our unit that can be reached by driving right to the back of the business park and around to the left as shown by the pink line below.

There are additional parking spaces available for use outside of business hours in an underground parking facility that can be reached by turning left in front of our building and following the road to the end as shown by the red line below.

There will be a member of the team to direct you inside once you are parked up.
