important information*

Autism Awareness Identification Card

- My communication skills aren't great, and I can't always control my behavior.
- I may not respond to direct questions, or understand your directions.
- Please be patient with me.

In case of Emergency, please contact:

My Family ID

About My Family ID

- My Family ID is an app that acts as a digital ID card that stores all the most pertinent information about your child or loved one, right on your phone.
- Designed primarily for missing person preparedness to store facial scans and fingerprints to share with first responders when every second counts

Learn more about My Family ID at myfamilyid.org or by searching for My Family ID in the App Store.
