

The 5th

SYMPOSIUM

5 IRON ORE PELLETIZING
and its sustainable development

SPONSORSHIP
OPPORTUNITIES 2023

VENUE

Corem will hold the 5th International Symposium on Iron Ore Pelletizing from September 24th to 27th, 2023. The event will take place at the Hilton Quebec, located in the historic downtown area of Quebec City, Canada.

Designated a UNESCO World Heritage Site in 1985, Old Québec is the most intact fortified town north of Mexico, retaining its colonial architecture for over 400 years. It is the historic and cultural heart of Québec City, and the birthplace of French North America. Visit Quebec City tourism website for more information (<https://www.quebec-cite.com/en>).

ACCOMODATIONS

Rooms are available at special rates at the Hilton Quebec.

GENERAL
INFORMATIONS

Corem is a center of expertise and innovation in mineral processing with the largest concentration of resources dedicated to R&D in this field in Canada. Corem is a not-profit organization that works closely with its members, its clients, and its partners to improve competitiveness and to reduce environmental impact through the industrialisation of innovative solutions.

Over the last 40 years, Corem has developed a worldwide expertise in the iron ore pelletizing R&D and built unique pilot plant and laboratories infrastructures to answer the industry R&D need. Corem has also know how and equipment to carry out research projects in comminution, physical separation, flotation, extractive metallurgy, and hydrometallurgy for a wide variety of ores.

For more information, please visit : corem.qc.ca

THE SYMPOSIUM

This Symposium will be an exceptional opportunity to connect, learn, share, and collaborate on the various aspects of iron ore pelletizing. The meeting will consist of two and a half day of technical sessions on the following topics with an important place given to sustainable development:

- Feed preparation (grinding, flotation, and filtration)
- Balling, including new binders
- Additives (conventional and alternative sources)
- Induration, including machine design
- Process control and modeling
- Iron ore pellet quality requirement
- Mineralogy (phenomena occurring during induration, cooling, and reduction)
- Sustainable development (GHG emissions reduction, water conservation, alternative energy sources)
- Market developments, including requirements to meet the transition to green steel production)
- New pellet plants and projects

In addition to the technical sessions, social events such as a welcome cocktail on the evening preceding the opening of the Symposium, a gala dinner, and a visit of Corem's facilities will also take place during the Symposium.

DELEGATES

About 200 delegates from 25 different countries are expected to attend the Symposium. Iron ore pellet producers, research centers and universities, engineering firms and consultants, as well as equipment suppliers will meet to share their knowledge and exchange ideas.

The past Symposiums were attended by:

- Executive and directors
- Managers
- Senior professionals
- Professors
- Researchers
- Consultants

PRESENT YOUR BUSINESS (part 1)

The Symposium provides an outstanding opportunity to showcase your brand and connect with decision makers of the iron ore pelletizing industry, exhibit your products and services, and generate new business leads.

SPONSORSHIP OPPORTUNITIES | 2023

	GOLD 25 000 \$	SILVER 15 000 \$	BRONZE 5 000 \$
GENERAL VISIBILITY			
Identification as a "Gold Partner" on all official event materials and publications	●		
PRE-CONFERENCE VISIBILITY			
Logo on the home page of the website	●		
Logo on the "Partners" section of the website, with hyperlinks	●	●	●
Logo in the newsletter (8 newsletters planned)	●	●	●
Personalized E-invitations with your logo to send to your contacts	●	●	
VISIBILITY DURING THE CONFERENCE			
Logo on the screens during the banquet	●	●	●
Logo on the screens before the conferences	●	●	●
Monday lunch - a special visual element <small>(to be defined with the sponsor)</small> <small>(Special visual elements can be added at an additional cost)</small>	●		
Wednesday coffee break - a special visual element <small>(to be defined with the sponsor)</small> <small>(Special visual elements can be added at an additional cost)</small>		●	
Logo on the official reusable water bottle given to each participant	●		
Logo on the "Thank you to our Partners" signs in the reception area.	●	●	
Official thanks from the organizing committee	●	●	●
Logo on registration booth.	●	●	
VISIBILITY IN THE CONFERENCE'S DOCUMENTS			
Logo on the splash page of the mobile application	●		
Logo in the "Partners" section of the mobile application	●	●	●
Advertising in the mobile application	●	●	
OTHER ADVANTAGES			
Free registration(s)	2	1	
Additional gala tickets	4	2
