

Health & Safety Policy

All directors and employees accept our responsibilities towards the prevention of injury or ill health of any individuals or parties that may be affected by our activities.

We are committed to the continual improvement of our OHSAS 18001:2007 management system and the OHSAS performance and will ensure that there are sufficient resources available to ensure that we can maintain this commitment.

We will comply with the legal requirements and other requirements to which ATC Systems Ltd subscribes and that these are taken into account in establishing, implementing and maintaining the OHSAS18001:2007 management system.

The Management team will review the Health and Safety Policy annually to ensure that it remains relevant and appropriate to our working practices.

Yours faithfully,
THE DIRECTORS OF ATC SYSTEMS LTD
