Cosmo, the protector of the property!

Introducing the amazing Cosmo, our beloved feral shop cat! He also answers to "meow-meow", which is how he announces his arrival at the shop office. Due to his lifestyle, he can be very timid but he is sweet and friendly. He has been the watcher of the property for many many years. He randomly shows up whenever he feels like looking for attention and food!

If you are lucky enough to catch a sighting of him, you may see him lying around the property or wandering around looking for fun things to do. His awareness of time is uncanny. He usually shows up at the office at 8:00am to say good morning and then right before closing time of 5:00pm to say have a good evening and don't forget to fill my bowl!

... THE BEST CLASSIC CHILI RECIPE ...

This traditional chili recipe is just like your Mom used to make with ground beef, beans, and a simple homemade blend of chili seasonings.

INGREDIENTS:

1 tablespoon olive oil
1 medium yellow onion-diced
1 pound of ground beef
2 1/2 tablespoons chili powder
2 tablespoons ground cumin
2 tablespoons granulated sugar
2 tablespoons tomato paste
1 tablespoon garlic powder
1 1/2 teaspoons salt
1/2 teaspoon ground black pepper
1/2 teaspoon cayenne pepper
1 1/2 cups beef broth
1 (15 oz) can diced tomatoes
1 (16 oz) can red kidney beans,
Drained and rinsed
1 (8 oz) can tomato sauce

INSTRUCTIONS:

Add the olive oil to a large soup pot and place it over medium-high heat for two minutes. Then add the onion and cook for 5 minutes, stirring occasionally.

Add the ground beef to the pot. Break it apart with a wooden spoon and cook for 6-7 minutes until the beef is browned, stirring occasionally

Add the chili powder, cumin, cayenne, sugar, garlic powder, tomato paste, salt, and pepper. Then stir until well blended.

Add the broth, diced tomatoes, (with their juice), drained beans, and tomato sauce. Stir well

Bring the liquid to a low boil. Then, reduce the heat (low to medium-low) to gently simmer the chili, uncovered, for 20-25 minutes, stirring occasionally.

Remove the pot from the heat and let stand for about 5-10 minutes before serving.

We would recommend a side of corn bread that would go along perfectly with this meal. Enjoy!
