A FULL RANGE OF WASHROOM SERVICES

Tidy Green Clean provides a full range of washroom services to complement the office and venue cleaning we provide. If your washrooms are not up to scratch, make us your first port of call for healthy and hygienic washrooms, reliable feminine hygiene services and the purchase of consumables. Hygienic environments for every kind of office space, large and small, and we're different because of our values that focus on People, the Environment, and Standards

Hygienic washrooms make your staff and visitors feel comfortable

Washroom and feminine hygiene services are a vital element of any commercial cleaning schedule and for many customers, we provide it as part of the office cleaning schedule we deliver. For others, where there's already an incumbent, we're available to step up to this new challenge whenever the opportunity presents itself.

Consumables

Hygiene & Washroom Services

Healthy Hygienic Environments

For any business, large or small, local or global, the high standards of hygiene we provide are a result of our values that focus on People, the Environment, and Standards. It means you can be more than confident that the washroom services we provide are done exceptionally well, by a team that is proud to be part of our company.

Why Tidy Green Clean?

Our Tidy Green Clean Regional Directors are all franchisees of Tidy Green Clean, with our HQ in Aberdeen. We are the leading environmentally focused national franchise cleaning operation delivering healthy, hygienic environments everywhere. We equip our Regional Directors with the knowledge, training and support to be successful business owners, making the business model unique within the facilities management industry. We achieved ISO 9001; 14001; and 45001 in under three years and a place in the top UK franchises,

We are a Safe Contractor, Disability Confident employer, and a member of the British Institute of Cleaning Science. Rooted in green practices and technologies, Tidy Green Clean was the first commercial cleaning business in Scotland to achieve a Carbon Negative status via Carbon-Zero in 2021. The business is focused on understanding its customers and employees, and how to be successful without that being at the expense of other people or the planet; they have achieved the Achilles UVDB Silver accreditation and are also members of the Living Wage Foundation and the BFA.

Partner with us

Everyone loves a hygienically clean washroom, and we all know how important your staff and visitors value clean loos, with consumables ready to use, whenever you need them. We know that you won't notice your washroom cleaners until they let you down – and that's why partnering with Tidy Green Clean for your washroom services, as well your office cleaning, gives you peace of mind, because we're part of your team.

Our Customer Charter

Our commitment to you is to create Healthy Hygienic Environments because of our values around People, Standards, the Environment.

What this looks like is...

- Tidy Green Clean is a franchised operation with a committed HQ at the heart of the business; each franchise owned by Regional Directors we've recruited in our own image
- We are the leading environmentally focused national franchise cleaning operation delivering healthy, hygienic environments everywhere
- We equip our seven Regional Directors with the knowledge, training, and support to be successful business owners, making the business model unique within the facilities management industry
- We achieved ISO 9001; 14001; and 45001 in under three years and a place in the top UK franchises, the Elite 100, since every year since 2020, as well as achieving Achilles UVDB Silver accreditation (Standards)
- We are members of the Living Wage Foundation and tender using real Living Wage salaries for our people, who are also given their work schedules four weeks in advance; we do not use zero hour contracts, which means our people are reliable, productive and happy (People)
- We are a Safe Contractor, Disability Confident employer, and a member of the British Institute of Cleaning Science, and the BFA. (Standards, People, Environment)
- Rooted in green practices and technologies, we were the first commercial cleaning business in Scotland to achieve a Carbon Negative status via Carbon-Zero in 2021. (Environment, People, Standards)
- We are focused on understanding both our customers and our employees, and how to be successful without that being at the expense of other people or the planet (Environment, People, Standards)
