

REQUEST FOR PROPOSALS FOR ENGINEERING SERVICES

The **Brantley County Commission** is requesting qualifications and proposals for selection of an Engineering Firm to provide pre- and post-award services for various community and economic development projects. Pre- and post-award services will include, but are not limited to, preparing preliminary engineering report, planning, design, cost estimating, bidding, contracting, construction oversight, quality control, and project closeout. As a basic service, all engineering contracts will also include obtaining and maintaining all Build America Buy America (BABA) documentation (particularly manufacturer's certifications) during construction, which shall be transferred to the grant recipient. The engineer will need to certify to this action at the end of the project. The County is in dire need of Public Infrastructure Improvements, including, but not limited to, water, sewer, street paving, and/or drainage, and is considering applying for federal and/or state funding for Community Development Block Grant (CDBG) Annual Competition, Employee Incentive Program (EIP), Redevelopment Fund (RDF), and/or Immediate Threat and Danger (ITAD) funds through the Georgia Department of Community Affairs (DCA).

Selection of an Engineer for the project will be based on qualifications as they relate to community and economic development needs. All contracts are subject to Federal and State contract provisions prescribed by the Georgia DCA. Selection could allow your firm to provide pre- and post-award Engineering Services for future community and economic development projects for a limited time period based on the funding of the grant.

Firms interested in submitting proposals for this project are asked to contact Michael Jacobs at the Southern Georgia RC, 1725 South Georgia Parkway, West, Waycross, GA 31503, (912) 285-6097 to request the Statement of Qualifications Form, the Section 3 Forms (Only Submit with your Proposal if you are claiming Section 3 Status), and the RFP scoring criterion. Your firm will be asked to mail your reply to the following:
